DEREGISTRATION OF SECURITIES

On November 21, 1984, the Company filed a registration statement on Form S-8 (File No. 2-94563) (the "Registration Statement") relating to 700,000 shares of common stock, par value \$0.10 per share, issuable under its 1983 Stock Option Plan (the "1983 Plan") and its 1984 Directors and Consultants Stock Option Plan (the "1984 Plan" and together with the 1983 Plan, the "Plans"). In October 1992, the Company effected a recapitalization ("1992 Recapitalization") of its capital stock pursuant to which its outstanding shares of common stock were divided equally into shares of Class A voting common stock, par value \$0.10 per share ("Class A Shares"), and Class B non-voting common stock, par value \$0.10 per

Edgar Filing: EZ EM INC - Form S-8 POS

share ("Class B Shares"). Pursuant to the 1992 Recapitalization, the Plans were amended to provide that options outstanding under the Plans would thereafter be exercisable half for Class A Shares and half for Class B Shares, and all future options granted under the Plans would be for Class B Shares only. In October 2002, the Company effected a recapitalization ("2002 Recapitalization") by which all of its outstanding Class A Shares and Class B Shares were converted on a one-for-one basis into shares of a single, newly-created class of common stock, par value \$0.10 per share ("Common Stock"). As a result of the 2002 Recapitalization, any Class A Shares and Class B Shares issuable under the Plans were converted into shares of Common Stock. This Post-Effective Amendment No. 1 to the Registration Statement hereby deregisters any and all shares of common stock of the Company that were previously registered pursuant to the Registration Statement that have not been sold or otherwise issued as of the date hereof. On October 31, 2002, the Company filed a registration statement on Form S-8 (Registration No. 333-100878) relating to the shares of Common Stock issuable upon exercise of options granted or available for grant under the Plans.
