PROXY STATEMENT

March 25, 2004

Proxies in the form enclosed with this proxy statement are solicited by our Board of Directors (the "Board of Directors") at our expense for use at the Annual Meeting of Stockholders (the "Meeting") to be held on Wednesday, April 21, 2004 in the Reading Room at the Sheraton Colonial Hotel, One Audubon Road, Wakefield, Massachusetts, 01880.

Only stockholders of record as of February 17, 2004 will be entitled to vote at the Meeting and any adjournments thereof. As of that date, 16,815,348 shares of our common stock, par value \$.01 per share, were issued and outstanding. The holders of our common stock are entitled to one vote per share on any proposal presented at the Meeting. Stockholders may vote in person or by proxy.

Execution of a proxy will not in any way affect a stockholder's right to attend the Meeting and vote in person. Any stockholder giving a proxy has the right to revoke it at any time before it is exercised by attending the Meeting and voting in person or filing with our Secretary either a written instrument revoking the proxy or another executed proxy bearing a later date.

All properly executed proxies returned in time to be counted at the Meeting will be voted. With respect to the election of our Board of Directors, shares represented by proxies will be voted as stated below under "Election of Directors." Any stockholder submitting a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name on the space provided on the proxy. In addition to the election of Directors, the stockholders will consider and vote upon a proposal to ratify the selection of Wolf & Company, P.C. as our independent auditors, as further described in this proxy statement. Where a choice has been specified on the proxy with respect to the foregoing matters, the shares represented by the proxy will be voted in accordance with the specification and will be voted FOR if no specification is made.

The representation in person or by proxy of a majority of the outstanding shares of our common stock entitled to vote at the Meeting is necessary to establish a quorum for the transaction of business. Votes withheld from any nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial

Edgar Filing: GREENMAN TECHNOLOGIES INC - Form DEF 14A

owner. Directors are elected by a plurality of the votes cast by stockholders entitled to vote at the Meeting. The ratification of the selection of Wolf & Company, P.C. as our independent auditors requires the affirmative vote of the majority of shares present in person or represented by proxy at the Meeting. An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions are included in the number of shares present or represented and voting on each matter.

The Board of Directors knows of no other matter to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies.

Our Annual Report, containing financial statements for fiscal year ended September 30, 2003, is being mailed contemporaneously with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy were first mailed to stockholders on or about March 25, 2004.

Stock Option Plan

Our 1993 Stock Option Plan, was established to provide options to purchase shares of common stock to our employees, officers, directors and consultants. In March 2001, our stockholders approved an increase to the number of shares authorized under the 1993 Stock Option Plan to 3,000,000 shares.

Options granted under the 1993 Stock Option Plan may be either options intended to qualify as "incentive stock options" under Section 422 of the Internal Revenue Code of 1986, as amended; or non-qualified stock options. Incentive stock options may be granted under the 1993 Stock Option Plan to employees, including officers and directors who are employees. Non-qualified options may be granted to our employees, directors and consultants.

The 1993 Stock Option Plan is administered by our Board of Directors, which has the authority to determine:

- o the persons to whom options will be granted;
- o the number of shares to be covered by each option;
- o whether the options granted are intended to be incentive stock options;
- o the manner of exercise; and
- o the time, manner and form of payment upon exercise of an option.

Incentive stock options granted under the 1993 Stock Option Plan may not be granted at a price less than the fair market value of our common stock on the date of grant (or less than 110% of fair market value in the case of persons holding 10% or more of our voting stock). Non-qualified stock options may be granted at an exercise price established by our Board which may not be less than 85% of fair market value of our shares on the date of grant. Incentive stock options granted under the 1993 Stock Option Plan must expire no more than ten years from the date of grant, and no more than five years from the date of grant in the case of incentive stock options granted to an employee holding 10% or more of our voting stock.

As of September 30, 2003, there were 1,983,894 options granted and outstanding under the 1993 Stock Option Plan of which 1,533,094 options were exercisable at prices ranging from \$0.38 to \$4.70.

Non-Employee Director Stock Option Plan

Edgar Filing: GREENMAN TECHNOLOGIES INC - Form DEF 14A

Our 1996 Non-Employee Director Stock Option Plan is intended to promote our interests by providing an inducement to obtain and retain the services of qualified persons who are not officers or employees to serve as members of our Board of Directors. The Board of Directors has reserved 60,000 shares of common stock for issuance under Non-Employee Director Stock Option Plan.

Each person who was a member of the Board of Directors on January 24, 1996, and who was not an officer or employee, was automatically granted an option to purchase 2,000 shares of common stock. In addition, after an individual's initial election to the Board of Directors, any director who is not an officer or employee and who continues to serve as a director will automatically be granted on the date of the Annual Meeting of Stockholders an additional option to purchase 2,000 shares of common stock. The exercise price per share of options granted under the Non-Employee Director Stock Option Plan is 100% of the fair-market value of the common stock on the business day immediately prior to the date of the grant and each option is immediately exercisable for a period of ten years from the date of the grant.

As of September 30, 2003, options to purchase 26,000 shares of our common stock have been granted under the 1996 Non-Employee Director Stock Option Plan, of which 16,000 are outstanding and exercisable at prices ranging from \$0.38 to \$1.95.

Employee Benefit Plan

In August 1999, we implemented a Section 401(k) plan for all eligible employees. Employees are permitted to make elective deferrals of up to 15% of employee compensation and employee contributions to the 401(k) plan are fully vested at all times. We may make discretionary contributions to the 401(k) plan which become vested over a period of

8

five years. We did not make any discretionary contributions to the 401(k) plan during the fiscal years ended September 30, 2003 and 2002.

Loans; Personal Guarantees

In January 1998, we advanced Mr. Davis \$104,000 under an 8.5% secured loan agreement with both principal and interest due January 2001. This agreement was amended on September 30, 2000 to extend the maturity of the note until April 15, 2002 and increase the interest rate to 9.5%. In September 2001, we agreed to extend the maturity date to April 15, 2004. As of September 30, 2003, the outstanding balance on this note amounted to approximately \$158,100, including accrued interest.

In January 1999, we advanced Messrs. Davis and Coppa a total of \$55,000 under 8.5% secured loan agreements with both principal and interest due January 2002 (subsequently extended to April 15, 2004). The proceeds were used to participate in a private placement of our common stock and the loans are secured by 191,637 shares of common stock owned by the two officers. In June 2002, Messrs. Davis and Coppa each repaid \$5,000 of their respective then outstanding balances. As of September 30, 2003, the outstanding balance on these notes amounted to approximately \$66,800, including accrued interest, of which \$45,000 is classified as an offset to stockholders' equity.

Messrs. Needham, Davis and Coppa have personally guaranteed a \$1.1 million note payable issued to Cryopolymers Leasing Inc. in May 1999.

offering of 10% convertible notes and warrants and \$75,000 under a February 2000 private offering of 11% convertible notes and warrants. The entire principal balance was outstanding as of September 30, 2003. The warrants are exercisable for a period of five years to purchase 125,000 shares of our common stock at exercise prices ranging from \$.31 to \$.50 per share. Dr. Kahn has been granted limited registration rights to cause us to register for resale the common stock underlying the warrants in the event that we register shares of common stock for our own account. The original maturity date of the convertible notes was twelve months after issuance and they are payable in cash or unregistered shares of our common stock at a conversion price of \$1.00 per share. In September 2000 and June 2001, Dr. Kahn agreed to extend the maturity date of his notes for an additional twelve months from their original maturity. In return for the June 2001 extension, we agreed to reduce the conversion price to \$.75 per share. In September 2002, Dr. Kahn again agreed to extend the maturity of each note for an additional twenty-four months from their extended maturity dates with no change in existing terms.

Dr. Kahn has also loaned us \$200,000 under the terms of a November 2000 unsecured promissory note which bears interest at 12% per annum with interest due monthly and the principal due in November 2001. In June 2001, Dr. Kahn agreed to extend the maturity date of the note for an additional twelve months from its original maturity. In September 2002, Dr. Kahn again agreed to extend the maturity of the note until November 2004.

In September 2003, Mr. Davis loaned us \$400,000 under the terms of a September 30, 2003 unsecured promissory note which bears interest at 12% per annum with interest due quarterly and the principal due March 31, 2004.

During the period of June to August 2003, two immediate family members of Mr. Needham loaned us a total of \$400,000 under the terms of two-year, unsecured promissory notes which bear interest at 12% per annum with interest due quarterly and the principal due upon maturity.

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our common stock, to file with the Securities and Exchange Commission initial reports of ownership of our common stock and other equity securities on Form 3 and reports of changes in such ownership on Form 4 and Form 5. Officers, directors and 10% stockholders are required by the Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

To the best of management's knowledge, based solely on review of the copies of such reports furnished to us during and with respect to, our most recent fiscal year, and written representation that no other reports were required, all Section 16(a) filing requirements applicable to our officers and directors have been complied with.

Pre-Approval Policies and Procedures. The Audit Committee has adopted policies which provide that our independent auditors may only provide those audit and non-audit services that have been pre-approved by the Audit Committee, subject, with respect to non-audit services, to a de minimis exception (discussed below) and to the following additional requirements: (1) such services must not be prohibited under applicable federal securities rules and regulations, and (2) the Audit Committee must make a determination that such services would be consistent with the principles that the independent auditor should not audit its own work, function as part of management, act as an advocate of our company, or be a promoter of our company's stock or other financial interests. The chairman of the Audit Committee has the authority to grant pre-approvals of permitted non-audit services between meetings, provided that any such pre-approval must be presented to the full Audit Committee at its next scheduled meeting.

During fiscal 2003, all of the non-audit services provided by Wolf & Company, P.C. were pre-approved by the Audit Committee. Accordingly, the Audit Committee did not rely on the de minimis exception noted above. This exception waives the pre-approval requirements for non-audit services if certain conditions are satisfied, including, among others, that such services are promptly brought to the attention of and approved by the Audit Committee prior to the completion of the audit.
