### Item 8.01 Other Events.

On April 4, 2006, American Biltrite Inc.'s wholly owned subsidiary, Janus Flooring Corporation ("Janus"), sold (the "Sale") its sole remaining property, its land and building located in Toronto, Canada (the "Sold Property"), for Can\$5,000,000. Janus received Can\$1,000,000 in cash and a Charge/Mortgage (the "Charge/Mortgage") on the Sold Property for the remaining Can\$4,000,000, which Charge/Mortgage secures the obligations of the chargor (the "Chargor") thereunder.

Interest is payable on the principal amount secured under the Charge/Mortgage monthly at a rate of 6% per annum. The monthly payments consist of interest only. The principal and accrued interest is due on the maturity date of the Charge/Mortgage, which is October 5, 2009 (the "Maturity Date"), or earlier as provided by the Charge/Mortgage.

Pursuant to the Charge/Mortgage, the security granted to Janus under the Charge/Mortgage may be subordinated for certain construction mortgage financing of up to a maximum aggregate principal amount of Can\$2,000,000 in connection with the development of the Sold Property and for certain other matters, including certain municipal applications and agreements.

Pursuant to the Charge/Mortgage, Janus is obligated, at its cost and expense, to obtain for and on behalf of the Chargor, or permit the Chargor to obtain, no later than 18 months from the date the Charge/Mortgage is recorded (the "Remediation Date"), a record of site condition with respect to the Sold Property from the applicable Canadian environmental regulatory agency (the "Record of Site Condition") and to remediate no later than the Remediation Date any contamination determined to have been caused by Janus and/or which originated and migrated from the Sold Property onto any adjoining lands (the "Off-Site Clean-Up"). If Janus does not obtain the Record of Site Condition and, if applicable, does not complete the Off-Site Clean-Up by the Remediation Date, Chargor will have the right, at Janus' cost and expense, to take all necessary actions and steps to obtain the Record of Site Condition and, if applicable, to complete the Off-Site Clean-Up. In addition, Janus has certain obligations to indemnify and hold harmless the Chargor and its directors, officers and shareholders from and against liabilities, costs and expenses relating to obtaining the Record of Site Condition and the Off-Site Clean-Up.

If the Record of Site Condition and, if applicable, the Off-Site Clean-Up, are completed by Janus on or before the Maturity Date, the principal amount of the Charge/Mortgage, and all accrued interest thereon, will become payable in full 60 days following delivery of notice of such completion in accordance with the Charge/Mortgage. If the Record of Site Condition and, if applicable, the Off-Site Clean-Up, are completed by the Chargor pursuant to its right to complete such matters where Janus has not completed them by the Remediation Date, the principal amount of the Charge/Mortgage, and all accrued interest thereon, will become payable in full 60 days from the date of receipt of the Record of Site Condition and the completion of the Off-Site Clean-Up.
