PROXY STATEMENT

February 18, 2011

Proxies in the form enclosed with this proxy statement are solicited by our Board of Directors at our expense for use at the Annual Meeting of Stockholders to be held at 3:00 PM. on Wednesday, March 30, 2011, at the John Hancock Condominiums, 44th Floor Meeting Room, 175 East Delaware Place, Chicago, Illinois 60611.

Only stockholders of record as of February 1, 2011 will be entitled to vote at the Meeting and any adjournments thereof. As of that date, 35,201,977 shares of our Common Stock, par value \$.01 per share, were issued and outstanding. The holders of our common stock are entitled to one vote per share on any proposal presented at the Meeting. Stockholders may vote in person or by proxy.

Execution of a proxy will not in any way affect a stockholder's right to attend the Meeting and vote in person. Any stockholder giving a proxy has the right to revoke it at any time before it is exercised by attending the Meeting and voting in person or filing with our Secretary either a written instrument revoking the proxy or another executed proxy bearing a later date.

All properly executed proxies returned in time to be counted at the Meeting will be voted. With respect to the election of our Board of Directors, shares represented by proxies will be voted as stated below under "Election of Directors." Any stockholder submitting a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name on the space provided on the proxy. In addition to the election of Directors, the stockholders will consider and vote upon a proposal to ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors, all as further described in this proxy statement. Where a choice has been specified on the proxy with respect to such matter, the shares represented by the proxy will be voted in accordance with the specification and will be voted FOR if no specification is made.

The representation in person or by proxy of a majority of the outstanding shares of our common stock entitled to vote at the Meeting is necessary to establish a quorum for the transaction of business. Votes withheld from any nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A “non-vote” occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial owner. Directors are elected by a plurality of the votes cast by stockholders entitled to vote at the Meeting. The proposal to ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors requires the affirmative vote of the majority of the shares present in person or represented by proxy at the Meeting. An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions are included in the number of shares present or represented and voting on each matter.

The Board of Directors knows of no other matter to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies.

Our Annual Report, containing financial statements for fiscal year ended September 30, 2010 is being mailed contemporaneously with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy were first mailed to stockholders on or about February 18, 2011.

LYLE JENSEN has been a Director since May 2002. On April 12, 2006, Mr. Jensen became our Chief Executive Officer. Mr. Jensen previously was Executive Vice President/Chief Operations Officer of Auto Life Acquisition Corporation, an automotive aftermarket dealer of fluid maintenance equipment. From 1965 through 1995 Dr. Kahn served as a member of the Board of Directors of Nease Chemical Company (currently German Chemical Company), Hollymatic Corporation and Pay Fone Systems (currently Pay Chex, Inc.). The Board of Directors believes that Dr. Kahn's extensive business and investing experience, including over 50 years of private investing experience, gives him the qualifications and skills to serve as a director and member of the Audit Committee.

LEW F. BOYD has been a Director since August 1994. Mr. Boyd is the founder and since 1985 has been the Chief Executive Officer of Coastal International, Inc., an international business development and executive search firm, specializing in the energy and environmental sectors. Previously, Mr. Boyd had been Vice President/General Manager of the Renewable Energy Division of Butler Manufacturing Corporation and had served in academic administration at Harvard and Massachusetts Institute of Technology. A related person is any executive officer, director, nominee for director, or holder of 5% or more of the our common stock, or an immediate family member of any of those persons.

Stock Issuances; Options Granted

In November 2008, in recognition of the company's enhanced performance, we granted options to our Messrs. Needham, Boyd, Jensen, Kahn, DeBenedictis (who resigned in February 2009) and Coppa to purchase an aggregate of 600,000 shares of our common stock at an exercise price of \$.33 per share, which represented the closing price of our stock on the date of each respective grant. The options were granted under the 2005 Stock Option Plan, have a ten-year term and vest equally over a five-year period from date of grant. In February 2008, 100,000 options expired un-exercised with the departure of Mr. DeBenedictis.

In June 2009, the Board of Directors approved the issuance of 250,000 shares of unregistered common stock, in aggregate, as restricted stock awards to Messrs. Needham, Boyd, Jensen, Kahn and Coppa. The awards were in recognition of past services, including the successful November 2008 sale of the tire recycling operations and repayment of all amounts due to our secured lender, Laurus Master Fund, Ltd., as well as future incentives. All recipients have agreed to hold the shares for a minimum of 18 months after issuance. In addition, we granted options to the directors and Mr. Coppa to purchase an aggregate of 700,000 shares of our common stock at an exercise price of \$.23 per share, which represented the closing price of our stock on the date of each respective grant. The options were granted under the 2005 Stock Option Plan, have a ten-year term and vest equally over a five-year period from the date of grant with the exception of an option to purchase 100,000 shares granted to our Chief Executive Officer, which are immediately exercisable pursuant to the terms of his employment agreement.

In July 2009, the Board of Directors approved the issuance of 25,000 shares of unregistered common stock as restricted stock awards to Mr. Tierney. The award was an incentive to join the Board and Mr. Tierney has agreed to hold the shares for a minimum of 18 months after the issuance. In addition, we granted options to Mr. Tierney to purchase an aggregate of 50,000 shares of our common stock at an exercise price of \$.32 per share, which represented the closing price of our stock on the date of grant. In March 2010, Dr. Kahn exercised options to purchase 36,000 shares of common stock at prices ranging from \$.33 to \$.40 per share.

On September 2, 2010, the Board of Directors approved the issuance of 25,000 shares of unregistered common stock as a restricted stock award to Mr. Galvin as a future incentive and recorded a \$12,500 expense (the assigned fair value based on the closing bid price) associated with the issuance of such shares during the fiscal year ended September 30, 2010.

Related Party Transactions

On November 18, 2008 we entered into a four-month (extended in March 2009 on a month-to-month basis) consulting agreement at a rate of \$7,500 per month with a company owned by Mr. Boyd who also serves as the Chairman of our Compensation committee. The consulting firm is currently providing assistance in the areas of due diligence support, “green” market opportunity identification and evaluation, identification and evaluation of candidates for the Board of Directors and other services as our Board may determine.

All transactions, including loans, between us and our officers, directors, principal stockholders, and their affiliates are approved by a majority of the independent and disinterested outside directors on the Board of Directors. Management believes these transactions were consummated on terms no less favorable to us than could be obtained from unaffiliated third parties.

Code of Ethics

We have adopted a code of ethics which applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted our code of ethics on our corporate website, www.greenman.biz.

Board Leadership Structure

Currently, the positions of Chairman of the Board of Directors and Chief Executive Officer are held by separate persons, with the position of Chairman filled by Mr. Needham, an independent, non-executive director. The Board believes that the separation of the roles of Chairman of the Board of Directors and Chief Executive Officer is appropriate as it allows the Chief Executive Officer to focus primarily on management and strategy responsibilities, while allowing the independent Chairman to focus on leadership of the Board of Directors, providing feedback and advice to the Chief Executive Officer and providing a channel of communication between the Board members and the Chief Executive Officer and other members of senior management. The Chairman of the Board presides over all Board meetings and works with senior management to develop agendas for Board meetings. The Chairman advises the Chief Executive Officer and other members of senior management on business strategy and leadership development. He also works with the Board to drive decisions about particular strategies and policies and, in concert with the independent Board committees, facilitates a performance evaluation process of the Board and its committees. Our Board recognizes that future circumstances may lead it to change the leadership structure depending on our needs at the time, and as such, believes that it is important to retain flexibility.

Role of Board of Directors in Risk Oversight

One of the responsibilities of our Board is to review and evaluate the process used to assess major risks facing the Company and to periodically review assessments prepared by our senior management of such risks, as well as options for their mitigation. Our Board leadership structure, together with the frequent interaction between our directors and members of senior management, assist in this effort. Communications between our Board and senior management regarding long-term strategic planning and short-term operational practices include matters of material risk inherent in our business.

The Board also plays an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The entire Board of Directors is formally apprised at least annually of the Company's enterprise risk management efforts. The Board reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee is responsible for overseeing the management of financial and accounting risks. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation plans and arrangements. While each committee is responsible for the evaluation and management of such risks, the entire Board is regularly informed through committee reports.

Board Meetings

Our Board of Directors met 10 times, in person or by telephone, during the fiscal year ended September 30, 2010. None of the directors attended fewer than 75% of the meetings held during the period. There were no actions taken by unanimous consent in lieu of a meeting during the fiscal year ended September 30, 2010.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee and a Compensation Committee.

Audit Committee: The Audit Committee of the Board of Directors acts to: (i) acquire a complete understanding of our audit functions; (ii) review with management and our independent accountants our finances, financial condition and interim financial statements; (iii) review with the independent accountants our year-end financial statements; and (iv) review implementation with the independent accountants and management any action recommended by our independent accountants. The Audit Committee met four times during the fiscal year ended September 30, 2010. None of the members of the Audit Committee attended fewer than 75% of the meetings held during the period.

A copy of the Audit Committee charter is available at www.greenman.biz. The two members of the Audit Committee are “independent” within the meaning given to the term by Section 803 of the NYSE Amex Company Guide.

Report of the Audit Committee

The Audit Committee has reviewed and discussed our audited consolidated balance sheets and statements of operations and comprehensive income, cash flows and stockholders’ equity for the fiscal year ended September 30, 2010 and 2009 with management. The Audit Committee has discussed with our independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61.

The Audit Committee has also received and reviewed written disclosures and the letter from Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as required by Independent Standards Board No. 1 and has discussed with Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. their independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2010 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE

Kevin Tierney, Sr., Chairman Lew Boyd Dr. Allen Kahn

Compensation Committee: The Compensation Committee of the Board of Directors sets the compensation of the Chief Executive Officer and reviews and approves the compensation arrangements proposed by the Chief Executive Officer for all other officers. In addition the Compensation Committee administers and interprets the Company's equity-based plans, including determining the individuals to whom stock options are awarded, the terms upon which the option grants are made, and the number of shares subject to each option granted. The Compensation Committee met four times during the fiscal year ended September 30, 2010. None of the members of the Compensation Committee attended fewer than 75% of the meetings held during the period. A copy of the Compensation Committee charter is available at www.greenman.biz. The two members of the Compensation Committee are "independent" within the meaning given to the term by Section 803 of the NYSE Amex Company Guide.

Our Board of Directors has not established a nominating committee. Our Board believes that each of our current members should, and does, participate in the consideration of director nominees. The policy of our Board is to consider director candidates recommended by our stockholders. Stockholders wishing to nominate director candidates must comply with certain procedures and notice requirements set forth in our By-Laws. Nominations must be submitted in writing to our principal executive office on a timely basis and must contain certain information set forth in our By-Laws. See "Advance Notice Procedures" below. Our Board has not established a formal charter regarding the nomination and consideration of director candidates. We expect to establish a Nominating and Governance Committee, and a charter governing its operations, in fiscal 2011. When adopted, the charter will be posted on our corporate website.

Stockholders may communicate directly with members of our Board of Directors by sending a letter or other written communication to The Chairman of the Board (or, if applicable to an individual director by name), in care of the Corporate Secretary, GreenMan Technologies, Inc., 205 South Garfield, Carlisle, Iowa 50047. Our current policy is to forward all communications to the Chairman of the Board or the individually named director, if applicable, but we reserve the right to modify that policy in the future.

(1) Amounts shown do not reflect compensation actually received by the named executive officer. The amounts in the Option Awards column reflect the dollar amount recognized as compensation cost for financial statement reporting purposes for the fiscal years ended September 30, 2010 and September 30, 2009, in accordance with ASC 718 for all stock options granted in such fiscal years. The calculation in the table above excludes all assumptions with respect to forfeitures. There can be no assurance that the amounts set forth in the Option Awards column will ever be realized. A forfeiture rate of zero was used in the expense calculation in the financial statements.

(2) Options granted have a ten-year term and vest at an annual rate of 20% over a five-year period from the date of grant with the exception of the 100,000 granted to Mr. Jensen in fiscal 2009 which, pursuant to the terms of his employment, vest immediately on the date of grant and have a ten-year term. Each recipient has agreed to hold the shares for a minimum of 18 months after issuance.

Mr. Jensen did not receive any incentive compensation during fiscal 2010.

Mr. Coppa has a two-year employment agreement pursuant to which he receives a base salary to \$161,500 per year. The agreement automatically renews for two additional years upon each anniversary, unless notice of non-renewal is given by either party. We may terminate the agreement without cause on 30 days prior notice. The agreement provides for payment of twelve months' salary and certain benefits as a severance payment for termination without cause. Any increases in Mr. Coppa's base salary will be made in the discretion of the Board of Directors upon the recommendation of the Compensation Committee. Mr. Coppa's employment agreement also provides for incentive compensation in respect of any fiscal year based on mutually agreed performance measures as determined our Compensation Committee. Officers, directors and 10% stockholders are required by the Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

To the best of management's knowledge, based solely on review of the copies of such reports furnished to us during and with respect to, our most recent fiscal year, and written representation that no other reports were required, all

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF AUDITORS

Upon the recommendation of the Audit Committee, the Board of Directors has reappointed Schechter, Dokken, Kanter, Andrews & Selcer, Ltd., to audit our consolidated financial statements for the fiscal year ending September 30, 2011. Schechter, Dokken, Kanter has served as our independent registered public accounting firm since fiscal 2007.

Stockholder ratification of our independent auditors is not required under Delaware law or under our Restated Certificate of Incorporation or By-Laws.

If the stockholders do not ratify the selection of Schechter, Dokken, Kanter as our independent auditors for the fiscal year ending September 30, 2011, our Board of Directors will evaluate what would be in the best interests of our company and our stockholders and consider whether to select new independent auditors for the current fiscal year or whether to wait until the completion of the audit for the current fiscal year before changing independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF ITS SELECTION OF SCHECHTER, DOKKEN, KANTER, ANDREWS & SELCER, LTD. AS INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2011.

INDEPENDENT PUBLIC ACCOUNTANTS

Audit Fees

The following table shows the aggregate fees that we paid or accrued for the audit and other services provided by Schechter, Dokken, Kanter for fiscal 2010 and fiscal 2009.

Type of Service	Amount of Fee for	
	Fiscal 2010	Fiscal 2009
Audit Fees	\$ 141,293	\$ 133,683
Audit-Related Fees	1,014	8,633
Tax Fees	39,600	43,500
All Other Fees	0	0
Total	\$ 181,907	\$ 185,816

Audit Fees. These fees are for professional services rendered in connection with the audit of our annual financial statements, review of financial statements included in our Form 10-Q Quarterly Reports and services that are customarily provided by independent auditors in connection with statutory and regulatory filings or engagements for the relevant fiscal years.

Audit-Related Fees. These fees are for various accounting consultations and benefit plan audits.

Tax Fees. These fees are for professional services rendered for tax compliance, tax planning and tax advice. The services for the fees disclosed under this category include tax return preparation, research and technical tax advice.

Pre-Approval Policies and Procedures. The Audit Committee has adopted policies which provide that our independent auditors may only provide those audit and non-audit services that have been pre-approved by the Audit Committee, subject, with respect to non-audit services, to a *de minimis* exception (discussed below) and to the following additional requirements: (i) such services must not be prohibited under applicable federal securities rules and regulations, and (ii) the Audit Committee must make a determination that such services would be consistent with the principles that the independent auditor should not audit its own work, function as part of management, act as an advocate of our Company, or be a promoter of our Company's stock or other financial interests. The chairman of the Audit Committee has the authority to grant pre-approvals of permitted non-audit services between meetings, provided that any such pre-approval must be presented to the full Audit Committee at its next scheduled meeting.

During fiscal 2010 and 2009, all of the non-audit services provided by SDKAS were pre-approved by the Audit Committee. Accordingly, the Audit Committee did not rely on the *de minimis* exception noted above. This exception waives the pre-approval requirements for non-audit services if certain conditions are satisfied, including, among others, that such services are promptly brought to the attention of and approved by the Audit Committee prior to the completion of the audit.
