2009 Option Exercises and Shares Vested

We have not granted any stock options to employees, and no shares or units held by Named Executive Officers vested during the year ended December 31, 2009.

Employment Agreements

10

We have not entered into employment agreements with any of our executive officers. However, the 2008 Plan provides for certain vesting in the event of a change in control. The following summarizes the compensation payable to each Named Executive Officer in the event of a termination of the executive's employment.

Payments Made Upon Any Termination. In all events, we are obligated to pay all salary and benefits accrued to the executive through and including the date of termination.

Payments Made Upon Death or Disability. In the event of the employee's death or disability, any unvested restricted common shares or unvested restricted common share units shall immediately vest.

Award Vesting Acceleration. In the event of a Change in Control, as defined below, any unvested restricted common shares or restricted common share units granted pursuant to the 2008 Plan will automatically vest prior to the consummation of such Change in Control. In addition, if there are any restricted common share units which have been allocated but not yet granted and the employee remains employed with the acquiring or successor entity, then the employee must receive an award of a comparable value covering shares of a successor corporation.

Change in Control means, unless otherwise defined in the applicable award agreement, any of the following events:

1. any person or entity, including a "group" as defined in Section 13(d)(3) of the Exchange Act, other than us or one of our wholly-owned subsidiaries or any employee benefit plan of us or any of our Subsidiaries, becomes the beneficial owner of our securities having 35% or more of the combined voting power of our then outstanding securities that may be cast for the election of our trustees (other than as a result of an issuance of securities initiated by us in the ordinary course of business);
2. as the result of, or in connection with, any cash tender or exchange offer, merger or other business combination or contested election, or any combination of the foregoing transactions, less than a majority of the combined voting power of our then outstanding securities or any successor company or entity entitled to vote generally in the election of our trustees or such other corporation or entity after such transaction is held in the aggregate by our security holders entitled to vote generally in the election of our trustees immediately prior to such transaction;
3. during any period of two (2) consecutive years, individuals who at the beginning of any such period constitute our Board cease for any reason to constitute at least a majority thereof, unless the election, or the nomination for election by our shareholders, of each of our trustees first elected during such period was approved by a vote of at least two-thirds (2/3rds) of our trustees then still in office who were (a) our trustees at the beginning of any such period, and (b) not initially (1) appointed or elected to office as result of either an actual or threatened election and/or proxy contest by or on behalf of a person other than our Board, or (2) designated by a person who has entered into an agreement with us to effect a transaction described in (1) or (2) above or (4) or (5) below;
4. our complete liquidation or dissolution;
- 5.

the sale or other disposition of all or substantially all of our assets to any person (other than a transfer to a subsidiary); or

6. with respect to award agreements for James C. Mastandrea, as Chairman and Chief Executive Officer, John J. Dee, the Chief Operating Officer, and David K. Holeman, the Chief Financial Officer, only, a termination of our Chief Executive Officer without cause, excluding non-appealable determinations by a court of law for fraud, gross negligence, or willful neglect, which would be considered termination for cause.

COMPENSATION OF TRUSTEES

Cash Compensation

We pay our non-employee trustees an annual fee of \$10,000 and \$1,000 for each in-person Board meeting and \$500 for each telephonic Board meeting they attend. Trustees do not receive additional compensation for committee meetings. Non-employee trustees also are reimbursed for out-of-pocket expenses incurred to attend Board meetings.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Spoerlein Commons Acquisition

On January 16, 2009, Whitestone REIT, operating through our Operating Partnership, acquired Spoerlein Commons, a mixed use-garden style complex of retail, medical, and professional office tenants located in Buffalo Grove, Illinois (the "Property"). The Operating Partnership acquired the Property pursuant to the terms and conditions of the purchase, sale and contribution agreement dated December 18, 2008 (the "Agreement") between the Operating Partnership and Bank One, Chicago, NA, as trustee under the Trust Agreement dated January 29, 1986 and known as Trust Number TWB-0454 ("Seller"). Midwest Development Venture IV, an Illinois limited partnership ("Midwest"), is the sole

beneficiary of the Seller under the Trust Agreement.

12

The Property represented an acquisition for Whitestone, and a substantial equity investment on behalf of the Seller. In exchange for the Property, the Operating Partnership paid the Seller \$5,500,000, received credit for net prorations of \$275,854 and issued 703,912 Operating Partnership Units, valued at \$5.15 per Unit, for a total purchase price of \$9,401,000.

Midwest, the sole beneficiary of the Seller, is entitled to all earnings and proceeds from the sale of the Property. James C. Mastandrea, our Chairman, President and Chief Executive Officer, is the controlling limited partner in Midwest and as such, had an ownership interest in the Property and is entitled to a portion of the proceeds from the sale of the Property to the Operating Partnership. Because of Mr. Mastandrea's relationship with the Seller, a special committee of the independent members of the Board of Trustees, including Donald F. Keating, Jack L. Mahaffey, and Chris A. Minton, determined the terms of the transaction, which included the use of an independent appraiser to value the Property.

In connection with the closing of the Property and the investment on behalf of the Seller, the Operating Partnership issued 703,912 Operating Partnership Units to Midwest for its contribution of the Property to the Operating Partnership. The Operating Partnership Units were issued in reliance on the exemption from registration provided by Section 4(2) under the Securities Act of 1933, as amended. The issuance was not affected using any form of general advertising or general solicitation and the issuance was made to a qualified investor.

The Operating Partnership Units are convertible on a one-for-one basis into Common Shares of Whitestone at any time after July 1, 2009 in accordance with the terms of the Operating Partnership's Limited Partnership Agreement, as amended (the "Limited Partnership Agreement"). The Seller was not entitled to any dividends or distributions with respect to the Operating Partnership Units prior to June 30, 2009.
