Item 1.01 Entry into a Material Definitive Agreement

On September 11, 2012, First Cash Financial Services, Inc. (the “Company”) entered into an agreement to amend and restate its existing bank credit facility (the “Unsecured Credit Facility”). The number of commercial bank lenders participating in the facility increased from two to five lenders and the amount of the Unsecured Credit Facility was increased from \$100,000,000 to \$175,000,000. The Unsecured Credit Facility now bears interest at the prevailing LIBOR rate plus a fixed spread of 2.0% and matures in February 2015.

Under the terms of the Unsecured Credit Facility, the Company is required to maintain certain financial ratios and comply with certain financial covenants. The Company’s Unsecured Credit Facility contains provisions that allow the Company to repurchase stock and/or pay cash dividends within certain parameters and restricts the Company from pledging any of its assets as collateral against other indebtedness. The Company was in compliance with the requirements and covenants of the Unsecured Credit Facility as of September 11, 2012, and believes it has the capacity to borrow the full amount available under the Unsecured Credit Facility under the most restrictive covenant. The Company is required to pay an annual commitment fee of 0.375% on the average daily unused portion of the Unsecured Credit Facility commitment.

As of September 11, 2012, the Company has \$69,000,000 outstanding under the Unsecured Credit Facility.

The foregoing description of the Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by the terms and conditions of the Agreement, which is filed as Exhibit 10.1 hereto, and incorporated into this report by reference.
