PROXY STATEMENT

**For the Annual Meeting of Stockholders
to be held May 23, 2013**

**INFORMATION ABOUT THE ANNUAL
STOCKHOLDERS MEETING**

The 2013 annual meeting of stockholders of Katy Industries, Inc. (the Company or Katy) will be held at 9:00 a.m. local time on May 23, 2013 at the Holiday Inn Mount Kisco, located at One Holiday Inn Drive, Mount Kisco, New York.

This Proxy Statement is furnished by and on behalf of the board of directors (the Board of Directors) of Katy in connection with the Company's solicitation of proxies for use at the annual meeting and at any adjournments or postponements thereof. This Proxy Statement includes information that Katy is required to provide to you under the rules of the Securities and Exchange Commission (SEC) and is intended to assist you in voting your shares. On or about April 26, 2013, Katy will begin mailing this Proxy Statement and the enclosed proxy card to all people who, according to our stockholder records, owned shares of the Company's common stock at the close of business on April 4, 2013 (the Record Date). As of the Record Date, there were 7,951,176 shares of our common stock issued and outstanding.

The cost of soliciting proxies will be paid by the Company. The Company has retained Morrow & Co., LLC to aid in the solicitation at a fee of \$4,000 plus reasonable out-of-pocket expenses. Katy's directors, officers and employees may request proxies in person or by telephone, mail, facsimile or letter.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be held on May 23, 2013: This Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2012 are available at www.katyindustries.com/financial/annualreport.html.

VOTING

RECORD HOLDERS

You may own common stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares are registered directly in your name, we are sending these proxy materials directly to you. If the record holder of your shares is a nominee, you will receive proxy materials from such record holder.

VOTING SHARES AND REVOCABILITY OF PROXIES

You are entitled to one vote at the annual meeting for each share of Katy's common stock that you owned of record at the close of business on the Record Date. The number of shares you own (and may vote) is listed on the enclosed proxy card.

In accordance with Delaware law, a list of stockholders entitled to vote at the meeting will be available at the meeting.

TABLE OF CONTENTS

If you are the record holder, you may vote your shares of common stock at the annual meeting in person or by proxy.

To vote in person, you must attend the annual meeting and obtain and submit a ballot. Katy will provide you with a ballot at the annual meeting. To vote by proxy, you must complete and return the enclosed proxy card. By completing and returning (and not revoking) the enclosed proxy card, you will be directing the representatives designated on the proxy card to vote your shares at the annual meeting in accordance with the instructions you give on the proxy card.

Your proxy card will be valid only if you sign, date and return it before the annual meeting. The submission of a signed proxy will not affect your right to attend and vote in person at the annual meeting.

IF YOU COMPLETE THE PROXY CARD EXCEPT FOR THE VOTING INSTRUCTIONS, THEN YOUR SHARES WILL BE VOTED FOR THE BOARD OF DIRECTORS RECOMMENDATIONS SET FORTH IN THIS PROXY STATEMENT.

You may revoke your proxy at any time before it is voted by any of the following means:

Notifying the Secretary of Katy in writing addressed to our principal corporate offices at Katy Industries, Inc., 305 Rock Industrial Park Drive, Bridgeton, Missouri 63044, that you wish to revoke your proxy.

- Submitting a proxy bearing a later date than your original proxy.

Attending the annual meeting and voting in person. Merely attending the annual meeting will not by itself revoke a proxy; you must vote your shares of common stock at the annual meeting to revoke the proxy.

If your common stock is held by a broker, bank or other nominee, you will receive instructions from such nominee that you must follow in order to have your shares voted. If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of common stock on April 4, 2013.

The Board of Directors does not expect any matter other than the proposals discussed in this Proxy Statement to be presented at the annual meeting. However, if any other matter properly comes before the annual meeting, executed and returned proxies will be voted in a manner deemed by the proxy representatives named therein to be in the best interests of Katy and its stockholders.

QUORUM AND VOTES REQUIRED FOR APPROVAL

The presence in person or by proxy of holders of a majority of the outstanding shares of our common stock will constitute a quorum for the annual meeting. For purposes of the quorum and the discussion below regarding the vote necessary to take stockholder action, the stockholders who are present at the annual meeting in person or by proxy and who abstain are considered stockholders who are present and entitled to vote and they count toward the quorum. In addition, all shares held by brokers or nominees that are present and entitled to be voted on any matter to be voted on at the meeting are counted toward the presence of a quorum, regardless of whether such shares are actually voted.

Each share of common stock is entitled to one vote on each matter to come before the annual meeting. With regard to the election of directors, you may vote for a candidate or withhold your vote. Directors will be elected by a plurality of the votes of the shares of common stock entitled to vote and present in person or represented by proxy at a meeting where a quorum is present. Under plurality voting, the nominees who receive the largest number of votes cast in favor of their election will be elected as directors, up to the maximum number of directors to be elected at the annual meeting. Consequently, under Delaware law and the Company's certificate of incorporation and bylaws, abstentions will have no effect on the election of directors.

TABLE OF CONTENTS

If a quorum is present, the approval of the proposal ratifying the appointment of UHY LLP requires the affirmative vote of the holders of a majority of the shares of common stock present, in person or by proxy, at the annual meeting. With respect to this matter, a stockholder may (i) vote For the matter, (ii) vote Against the matter, or (iii) Abstain from voting on the matter. Under Delaware law and the Company's certificate of incorporation and bylaws, an abstention from voting on this proposal has the same effect as a vote against such matter.

If a quorum is present, the approval of the advisory vote on executive compensation requires the affirmative vote of the holders of a majority of the shares of common stock present, in person or by proxy, at the annual meeting. With respect to this matter, a stockholder may (i) vote For the matter, (ii) vote Against the matter, or (iii) Abstain from voting on the matter. Under Delaware law and the Company's certificate of incorporation and bylaws, an abstention from voting on this proposal has the same effect as a vote against such matter.

To approve the frequency of the advisory vote on executive compensation, a plurality of the shares of common stock entitled to vote and present in person or represented by proxy at a meeting where a quorum is present is required. With respect to this matter, a stockholder may (i) vote for 1 year, (ii) vote for 2 years, (iii) vote for 3 years or (iv) Abstain from voting on the matter. Under Delaware law and the Company's certificate of incorporation and bylaws, an abstention from voting on this proposal has the same effect as a vote against such matter.

Under rules of self-regulatory organizations governing brokers, brokers holding shares of record for customers generally are entitled to vote on routine matters without voting instructions from their customers. The ratification of the appointment of UHY LLP is considered a routine matter. On non-routine matters, including the election of the board of directors, shares held by your broker will not be voted absent specific instructions from you, which means your shares may go unvoted and not affect the outcome if you do not specify your vote. If a broker does not receive voting instructions from a customer on non-routine matters and accordingly does not vote on these matters, this is called a broker non-vote. Broker non-votes will be counted for the purposes of establishing a quorum to conduct business at the meeting and are not counted as votes cast.

TABLE OF CONTENTS

PROPOSAL 1 ELECTION OF DIRECTORS

Katy's business is managed under the direction of its Board of Directors. There are currently seven directors, divided into two classes serving staggered terms. The classes are as nearly equal in number as possible with three Class I directors, elected to two-year terms at the 2012 annual meeting, and four Class II directors, elected to two-year terms at the 2011 annual meeting. Stockholders will elect four Class II directors at this year's annual meeting to serve for a two-year term ending at the time of the 2015 annual meeting.

The Board of Directors has nominated the following nominees for election as Class II directors to the Board of Directors, each to serve until the 2015 annual meeting or until his successor is duly elected and qualified or until his death, resignation or removal:

Christopher W. Anderson
William F. Andrews
Samuel P. Frieder
Shant Mardirossian

All of the nominees are current directors of the Company and have indicated their willingness to serve as directors. The Class I directors are not up for re-election at the annual meeting, as their terms do not expire until the time of the 2014 annual meeting.

The Board of Directors has determined that all of our current directors are qualified to serve as directors of the Company. In addition to the specific business experience listed below, each of our directors has the tangible and intangible skills and attributes which we believe are required to be an effective director of the Company, including experience at senior levels in areas of expertise helpful to the Company, a willingness and commitment to assume the responsibilities required of a director of the Company and the character and integrity we expect of our directors.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF EACH OF ITS NOMINEES. IF ANY NOMINEE BECOMES UNAVAILABLE TO SERVE ON THE BOARD OF DIRECTORS FOR ANY REASON, YOUR PROXY WILL BE VOTED FOR A PERSON OR PERSONS TO BE SELECTED BY THE BOARD OF DIRECTORS. PROXIES CANNOT BE VOTED FOR A NUMBER OF NOMINEES GREATER THAN THE NUMBER OF CLASS II DIRECTORS.

BOARD OF DIRECTORS STRUCTURE

The Board of Directors met three times during 2012. Each director attended at least 75% of the meetings of the Board of Directors and each committee of which he was a member in 2012. The non-management directors meet in executive session without members of management present at every regular Board of Directors meeting. At these meetings, the presiding director rotates through each non-management director based on the alphabetical order of the directors' last names. The Board of Directors has not adopted a formal policy regarding director attendance at annual meetings of the stockholders, but encourages such attendance. All seven directors attended the 2012 annual meeting.

Katy's bylaws provide for an Executive Committee to which the Board of Directors has assigned all powers delegable by law. The Board of Directors also has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee, each of which is a standing committee of the Board of Directors. All of the members of these three standing committees are independent within the meaning of SEC regulations (as applicable) and the listing standards of the New York Stock Exchange (NYSE), although we are not a listed company on the NYSE.

BOARD OF DIRECTORS LEADERSHIP STRUCTURE

We separate the roles of CEO and Chairman of the Board of Directors in recognition of the differences between the two roles. The CEO is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company, while the Chairman of the Board of Directors provides guidance to the CEO and sets the agenda for Board of Directors meetings and presides over meetings of the full Board of Directors. Our CEO serves on our Board of Directors, which we believe helps the CEO serve as a bridge between management and the Board of Directors, ensuring that both groups act with a common purpose. We believe that the CEO's presence on the Board of Directors enhances his ability to provide insight and direction on important strategic initiatives to both management and the independent directors and, at the same time, ensures that the appropriate level of independent oversight is applied to all decisions by the Board of Directors.

THE ROLE OF THE BOARD OF DIRECTORS IN RISK OVERSIGHT

The role of the Board of Directors in our risk oversight process includes receiving regular reports from members of senior management on areas of material risk, including operational, financial, legal and regulatory, and strategic and reputational risks. The Board of Directors (or the

TABLE OF CONTENTS

appropriate committee) receives these reports from senior management to enable it to understand our risk identification, risk management and risk mitigation strategies. When a committee receives such a report, the chairman of the relevant committee reports on the discussion to the full Board of Directors at the next meeting of the Board of Directors. This enables the Board of Directors and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships. As part of its charter, the Audit Committee discusses our policies with respect to risk assessment and risk management.

BOARD OF DIRECTORS COMMITTEES

Executive Committee

The Executive Committee consists of, Christopher W. Anderson, David J. Feldman and Samuel P. Frieder. During 2012 the Executive Committee met informally through numerous telephone conferences at intervals between meetings of the full Board of Directors, and acted by unanimous consent without formal meetings.

Audit Committee

The Audit Committee consists of Daniel B. Carroll (Chairman), Christopher W. Anderson and William F. Andrews, each of whom the Board of Directors has determined to be independent as defined by the relevant provisions of the Sarbanes-Oxley Act of 2002, the NYSE listing standards and the Company's Corporate Governance Guidelines. The Committee's Charter provides that the Committee's primary function remains review and oversight of: (A) major issues regarding accounting principles and financial statement presentations, including significant changes in the selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (B) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of financial statements, including analyses of the effects of alternative generally accepted accounting principles (GAAP) methods on financial statements; (C) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company; (D) the type and presentation of information to be included in earnings press releases (paying particular attention to any use of pro forma or adjusted non-GAAP information), as well as any financial information and earnings guidance provided to analysts and rating agencies; (E) the Company's compliance with laws and regulations; and (F) maintenance of an effective and efficient audit of the Company's annual financial statements by a qualified and independent auditor.

The Audit Committee met four times during 2012. The Board of Directors has determined that each of the members of the Committee is qualified to serve on the Audit Committee in accordance with the criteria specified in rules issued by the SEC. The Board of Directors has determined that Mr. Anderson, a member of the Audit Committee, qualifies as an audit committee financial expert as that term is defined by SEC rules. As mentioned above, the Board of Directors has determined that Mr. Anderson qualifies as an independent director under the NYSE listing standards.

The Audit Committee's Charter is posted on the Company's website, at www.katyindustries.com.

Compensation Committee

The Compensation Committee consists of Wallace E. Carroll, Jr. (Chairman), Christopher W. Anderson and Samuel P. Frieder. This Committee, which has the primary responsibility for developing and overseeing the implementation of the Company's philosophy with respect to the compensation of executive officers and directors, met one time during

2012. The Compensation Committee is appointed by the Board of Directors to discharge the Board of Directors

8

TABLE OF CONTENTS

responsibilities relating to compensation of the Company's directors and officers. The Committee has overall responsibility for designing, approving and evaluating the director and officer compensation plans, policies and programs of the Company, including without limitation any annual and long-term incentive plans, as set forth in the Committee's Charter. The Committee makes decisions on executive officer compensation and reports its decisions to the Board of Directors. It also seeks the Board of Directors' approval on the Chief Executive Officer's compensation. See the section of this Proxy Statement entitled "Executive Compensation Overview" for a further discussion of the Company's compensation practices and philosophy.

The Compensation Committee's Charter is posted on the Company's website, at www.katyindustries.com.

Nominating and Governance Committee

The Nominating and Governance Committee consists of Samuel P. Frieder (Chairman), William F. Andrews and Daniel B. Carroll. This Committee met one time during 2012. The Nominating and Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of Katy's Corporate Governance Guidelines, and sets and reviews policies and procedures in place throughout various disciplines within the Company to ensure high ethical standards are practiced. In addition, the Committee makes recommendations to the Board of Directors regarding candidates for the Board of Directors. The Committee reports its findings and recommendations to the Board of Directors.

The Nominating and Governance Committee's Charter is posted on the Company's website, at www.katyindustries.com.

The entire Board of Directors considers and selects nominees for directors on the basis of recommendations from the Nominating and Governance Committee. The Nominating and Governance Committee considers candidates for Board of Directors membership suggested by its members and other Board of Directors members, as well as management. Additionally, subject to compliance with the requirements of our bylaws, the Nominating and Governance Committee will consider nominations from stockholders. The Committee has not established specific minimum qualifications, or specific qualities or skills, for directors. Rather, the Committee recommends candidates based on its overall assessment of their skills and qualifications, and the composition of the Board of Directors as a whole.

Once the Nominating and Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board of Directors members to fill vacancies or expand the size of the Board of Directors and the evaluation of the prospective nominee, based on the following factors:

- the ability of the prospective nominee to represent the interests of the stockholders of the Company;
- the prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and

TABLE OF CONTENTS

the extent to which the prospective nominee contributes to the range of talent, skill, diversity and expertise appropriate for the Board of Directors.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board of Directors, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, will interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board of Directors determines the nominees after considering the recommendation and report of the Committee.

Pursuant to the advance notice provision of Katy's bylaws, stockholder nominations for directors must be received by Katy not less than 50 days or more than 90 days before the annual meeting, provided that if less than 60 days' notice or prior disclosure of the date of the meeting is given or made to stockholders, such stockholder proposal or nomination may be received as late as the tenth day following the day on which such notice was mailed or public disclosure was made. Any nominations for directors made by stockholders must include the following information regarding the nominee: name; age; business address; residence address; principal occupation or employment; class and number of shares of Katy beneficially owned; and any other information required to be disclosed in a proxy solicitation for the election of directors. Additionally, the stockholder making such nomination must provide his or her name and address, and the number of shares of the Company's common stock beneficially owned by such stockholder. No person is eligible for election as a director of the Company unless he or she is nominated (i) by the Board of Directors or (ii) in accordance with the foregoing requirements.

Director Independence

Pursuant to the Company's Corporate Governance Guidelines, the Board of Directors, assisted by the Nominating and Governance Committee, undertook its review of director independence in March 2013. During this review, the Board of Directors considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board of Directors also considered transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board of Directors has affirmatively determined that each director is independent of the Company and its management as defined in the NYSE listing standards, with the exception of David J. Feldman. Mr. Feldman is considered not to be independent because of his employment as a senior executive of the Company.

TABLE OF CONTENTS**Certain Relationships and Related Transactions**

The charter of the Company's Audit Committee requires that the Audit Committee review and discuss with management and the independent auditors any related-party transactions or other courses of dealing with parties related to Katy which are significant in size or involve terms or other aspects that differ from those that would likely be negotiated with independent, third-parties and which are relevant to an understanding of Katy's financial statements.

During 2012, Katy incurred fees to Kohlberg & Co., LLC (Kohlberg) of \$500,000 for ongoing management advisory services. Katy expects to incur \$500,000 per year for these services, as outlined in the Recapitalization Agreement of June 2, 2001. Samuel P. Frieder is the Managing Partner, and Christopher W. Anderson and Shant Mardirossian are Partners of Kohlberg. William F. Andrews, Chairman of the Board of Directors, was a consultant, or Operating Partner, with Kohlberg during 2012.

Code of Ethics

Katy has adopted a Code of Business Conduct and Ethics for directors, executive officers and employees. A copy of the Code of Business Conduct and Ethics is available on Katy's website at www.katyindustries.com.

DIRECTOR COMPENSATION

The following table summarizes the compensation for service to the Board of Directors and its committees during 2012 for directors who are not employed by Katy or its subsidiaries.

Wallace E. Carroll, Jr.	26,500	359	26,859
Samuel P. Frieder

The value of the awards, stock appreciation rights (SARs), shown in the table represents the aggregate grant date (1) fair value of awards granted during a year. For a discussion of valuation assumptions, see Note 2 to the Company's consolidated financial statements included in the 2012 Annual Report on Form 10-K.

(2) As of December 31, 2012, the directors held options and SARs to acquire shares granted to them under the Company's stock-based compensation plans as follows:

Name	No. of Options	No. of SARS
Daniel B. Carroll	6,000	14,000
Wallace E. Carroll, Jr.	6,000	14,000

For 2012, directors who were not employed by Katy or its subsidiaries or Kohlberg earned: (i) an annual retainer of \$10,000; (ii) an annual stock appreciation right (SAR) grant of 2,000 stock appreciation rights under the Stand-Alone Stock Appreciation Rights Agreement (see below); (iii) the cash equivalent of 2,000 shares of the Company s common stock at the closing price the day prior to the annual meeting; and (iv) \$2,500 for attending personally and \$1,000 for attending telephonically,

TABLE OF CONTENTS

each meeting of the Board of Directors. This group of directors also earned in 2012: (i) an annual retainer of \$6,000 if they chaired the Compensation Committee or the Audit Committee, and (ii) \$1,000 for attending personally and \$500 for attending telephonically, each meeting of a Board of Directors committee. The director compensation arrangement described in this paragraph is Katy's standing arrangement for 2013. Class II directors and those directors that are also officers do not receive the compensation described in this section for their service on the Board of Directors.

Under the Katy Industries, Inc. Stand-Alone Stock Appreciation Rights Agreement (the "Stand-Alone Stock Appreciation Rights Agreement"), each non-employee director who is not a Class II director receives an annual SAR grant of 2,000 SARs at the annual meeting date of the Board of Directors. The initial value is the fair market value on the date of grant. The director may exercise these SARs at any time during the ten year period from the date of grant.

Directors receiving compensation for their services may also participate in the Directors' Deferred Compensation Plan which became effective June 1, 1995 (the "Directors' Deferred Compensation Plan"). Under this Plan, a director may defer directors' fees, retainers and other compensation paid for services as a director until the later of the director's attainment of age 62 or ceasing to be a director. Each director has 30 days before the beginning of a Plan Year (as defined in the Directors' Deferred Compensation Plan) in which to elect to participate in the Directors' Deferred Compensation Plan. Directors may invest these amounts in one or more investment alternatives offered by Katy. Directors may elect to receive distributions of deferred amounts in a lump sum or five annual installments. Currently no directors are participating in this plan.

As of December 31, 2012, fees earned for 2012 and 2011, as well as fees for telephonic, Board and committee (3) meetings held in November 2010 and December 2010, remained unpaid by the Company. The total of these unpaid fees was approximately \$129,000.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors, upon the recommendation of the Audit Committee, has approved the selection of UHY LLP as the independent registered public accounting firm to audit the financial statements of Katy and its subsidiaries for the fiscal year ending December 31, 2013, and to perform such other appropriate auditing services as may be required by the Board of Directors and approved by the Audit Committee. The Board of Directors recommends that the stockholders vote in favor of ratifying the selection of UHY LLP for the purposes set forth above. UHY LLP, an independent registered public accounting firm, audited the financial statements of the Company for the fiscal year ended December 31, 2012. UHY LLP has advised the Company that they are an independent registered public accounting firm with respect to the Company, within the meaning of standards established by the Public Company Accounting Oversight Board and federal securities laws administered by the SEC.

The firm of UHY LLP acts as our principal independent registered public accounting firm. UHY LLP billed Katy for audit services and certain other professional services related to the audits for the fiscal years ended December 31, 2012 and 2011. Fees for professional services rendered by UHY LLP for the audit of the Company's annual financial statements for 2012 were \$274,536, of which \$152,836 had been billed through the Record Date.

UHY LLP billed the Company \$314,158 for the audit of the Company's annual financial statements for 2011.

13

TABLE OF CONTENTS

that all audit and non-audit services provided by all auditors must be individually pre-approved by the Audit Committee. In determining whether to pre-approve services, the Audit Committee considers whether such services are consistent with the rules of the SEC on auditor independence. The Audit Committee delegates to its members the authority to address any requests for pre-approval of services between Audit Committee meetings. Any pre-approval determination by a member of the committee must be reported to the Audit Committee at its next scheduled meeting. There is no delegation of the Audit Committee's pre-approval authority to management. Requests or applications to provide services that require pre-approval by the Audit Committee must be submitted to the Audit Committee by both the independent registered public accounting firm and the Chief Financial Officer, Treasurer or Assistant Treasurer of the Company, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. All of the services provided by Katy's independent registered public accounting firm listed in the table above were approved pursuant to Katy's pre-approval policies and procedures.

REQUIRED VOTE

Approval of this proposal to ratify the appointment of UHY LLP requires the affirmative vote by the majority of the outstanding shares of common stock present, in person or by proxy, at the annual meeting.

Although the ratification of the independent registered public accounting firm is not required to be submitted to a vote of the stockholders, the Company believes that such ratification should be presented as a matter of good corporate practice. Notwithstanding stockholder approval of the ratification of the independent registered public accounting firm, the Audit Committee, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year, if the Audit Committee believes that such a change would be in the best interest of Katy and its stockholders. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to appoint UHY LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013.

RECOMMENDATION OF THE BOARD OF DIRECTORS

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

INTRODUCTION

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that we provide our shareholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

The Company's goal with respect to executive compensation is to provide a comprehensive package that is sufficient to attract, motivate and retain executives of outstanding ability, performance and potential. The Compensation Committee seeks to establish and maintain an appropriate relationship between executive compensation and the creation of shareholder value. The Committee believes that the most effective compensation program is one that provides competitive base pay, rewards the achievement of established annual and long-term goals and objectives, and provides incentives for retention. The Committee seeks a compensation program that is internally consistent and believes that pay differences among jobs should be commensurate with differences in the levels of responsibility between the Chief Executive Officer and the other named executive officers.

We urge you to read the Summary Compensation Table and the related compensation tables and narrative in this proxy statement for additional details on our executive compensation, including our compensation philosophy and objectives and the fiscal 2012 compensation of our named executive officers.

The vote on this resolution is not intended to address any specific element of compensation; rather the vote relates to the compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

Accordingly, we are asking you to vote on the adoption of the following resolution:

BE IT RESOLVED by the shareholders of Katy Industries, Inc., that the shareholders approve, on an advisory basis, the compensation of the Company's named executive officers as set forth in the Summary Compensation Table and the related compensation tables and narrative as disclosed in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

REQUIRED VOTE

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares of common stock present, in person or by proxy, at the annual meeting.

As an advisory vote, this proposal is non-binding. Although the vote is non-binding, the Board of Directors and the Compensation Committee value the opinions of our shareholders, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL
OF PROPOSAL 3.

TABLE OF CONTENTS

PROPOSAL 4 ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTE ON EXECUTIVE COMPENSATION

As described in Proposal 3 above, the Company's shareholders are being provided the opportunity to cast an advisory vote on the compensation of the Company's named executive officers.

The Dodd-Frank Act also enables our shareholders to indicate how frequently we should seek an advisory vote, such as Proposal 3, in connection with the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules. By voting on this Proposal 4, shareholders may indicate whether they would prefer an advisory vote on executive officer compensation every one, two or three years.

REQUIRED VOTE

The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency selected by shareholders for the advisory vote on executive compensation. The frequency selected by shareholders will be given due consideration by the Company in its discretion. However, because this vote is advisory and not binding on the Board of Directors or the Company, the Board of Directors may decide that it is in the best interests of our shareholders to hold an advisory vote on executive compensation more or less frequently than the option approved by our shareholders.

RECOMMENDATION OF THE BOARD OF DIRECTORS

After careful consideration of this Proposal, our Board of Directors has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative, and therefore our Board of Directors recommends that you vote for a three-year interval for the advisory vote on executive compensation.

EXECUTIVE COMPENSATION

OVERVIEW

Katy's Compensation Committee determines the objectives of the Company's compensation program for executives and directors. The policies and procedures of the Compensation Committee are:

To review and approve annually corporate goals and objectives relevant to the Company's Chief Executive Officer (CEO); evaluate the CEO's performance in light of those goals and objectives; and determine and approve the CEO's compensation level based on this evaluation;

To review and make recommendations to the Board of Directors with respect to the compensation of all directors, officers and other key executives of the Company. This includes the review and approval annually, for the CEO and the senior executives of the Company, of (a) the annual base salary level, (b) the annual incentive opportunity level, (c) the long-term incentive opportunity level, (d) employment agreements, severance agreements and change in control agreements, and (e) any special or supplemental benefits;

To make recommendations to the Board of Directors with respect to non-CEO compensation, incentive-compensation plans and equity-based plans; and
20

TABLE OF CONTENTS

To prepare any report on executive compensation as required by the Securities and Exchange Commission (SEC). Katy's compensation programs are designed to attract, retain and motivate its executive officers and other employees, to match annual and long-term cash and stock incentives to achievement of measurable corporate, business unit and individual performance objectives and to align executives' incentives with those of shareholders. We believe that in the long run, positive earnings growth has the highest correlation with long-term equity value. As a result, the primary objective of our compensation program is to increase the overall equity value of the Company by rewarding sustainable growth in earnings. In this context, we seek to offer total compensation packages at levels we consider to be competitive in the marketplace in which we compete. We further seek to establish a compensation program that fosters a team approach to Company profit improvement and provides higher levels of bonus compensation to more senior executives to illustrate the financial rewards of promotion.

The letter agreement also includes provisions prohibiting Mr. Shaffer from competing with the Company or soliciting its employees for a period of 12 months following the termination of his employment.

Effective March 28, 2011, the Company entered into an amendment to Mr. Shaffer's letter agreement pursuant to which Mr. Shaffer is entitled to receive a lump-sum tax gross-up payment related to any payment or benefit provided by the Company under his letter agreement which will be subject to the excise tax imposed by Section 4999 of the Code. The payment will be sufficient such that, after giving effect to all federal, excise, state and other taxes and charges (including interest and penalties, if any) imposed upon the gross-up payment itself, Mr. Shaffer will be made whole for all taxes (including withholding taxes) and any associated interest and penalties, imposed under or as a result of Section 4999 of the Code on payments or benefits provided by the Company under his letter agreement.

Joseph E. Mata

On January 8, 1999, Contico International, LLC (Contico International, now known as Continental Commercial Products, LLC), a wholly-owned subsidiary of the Company, entered into an agreement with Joseph E. Mata, Vice President, Human Resources pursuant to which Mr. Mata would continue in the role of Director, Human Resources.

Between 2001 and 2009, Mr. Mata served in the broader roles of Director, Human Resources of the Company (2001 – 2005), Vice President, Human Resources of the Company (2005 – 2007), and Vice President, Human Resources of Continental Commercial Products, LLC (2007 – 2009). In 2009, Mr. Mata again assumed the role of Vice President, Human Resources of the Company. The Compensation Committee of the Board of Directors of the Company approved a compensation package for Mr. Mata that provided a base salary (\$182,300 in 2012) with a target incentive bonus of his base salary (up to 50% in 2012). The receipt of the bonus is subject to the achievement of performance targets set by the Board of Directors at the beginning of each fiscal year and subject further to the terms of the Company's management incentive plan. The amount of the target incentive bonus awarded is determined by the Board of Directors based upon achievement of the pre-established performance targets. Mr. Mata is also entitled to an automobile allowance of \$600 per month.

On March 15, 2013, Mr. Mata retired from the Company.

EXECUTIVE COMPENSATION POLICY

Compensation Program Components

Annual compensation for Katy's Chief Executive Officer and other executive officers (including the executive officers whose compensation is summarized in the Summary Compensation Table below (the "Named Executive Officers")) consists of two cash compensation components: base salary and annual cash bonuses. A third component, stock options and stock appreciation rights ("SARs"), is currently used to attract and retain key employees.

These elements are designed to reward corporate and individual performance. Corporate performance is generally measured by reference to earnings before interest, taxes, depreciation and amortization ("EBITDA") levels, certain operational metrics and adherence to corporate values. Individual performance is evaluated based on individual expertise, ethics and achievement of personal performance commitments. We have no pre-established policy or target for allocation between cash and non-cash components.

Base Salary. The base salaries for our executives are fixed annually and reflect job responsibilities, the Compensation Committee's judgments of experience, effort and performance, and Katy's financial and market performance (in light of the competitive environment in which Katy operates). The base salary is also designed to provide our executive team with steady cash flow during the course of the year that is not contingent on short term variation in our operating performance. Annual base salaries are also influenced by comparable companies' compensation practices, as determined by Compensation Committee members and their experiences with other companies, so that Katy remains reasonably competitive in the market. However, it is not the practice of Katy's Compensation Committee to hire any outside consulting firms to confirm the compensation practices of comparable companies or to assess the Committee's own policies and practices. While competitive pay practices are important, the Compensation Committee believes that the most important considerations are individual merit and Katy's financial and market performance. In considering Katy's financial and market performance, the Compensation Committee reviews, among other things, net income, cash flow, EBITDA, working capital, revenues and share price performance relative to historical performance.

TABLE OF CONTENTS

The base salaries for Katy's executive officers for the year ended December 31, 2012 were generally established in March 2012 by considering the performance and contribution of each officer.

Annual Bonuses. The annual cash bonuses we offer to our executive officers are intended to provide incentives to achieve performance targets established by the Board of Directors each year for the Company. Evaluation of the Company's performance is based on the achievement of pre-established EBITDA goals.

Each year, the Compensation Committee establishes a potential bonus payout for each officer that is expressed as a percentage of the officer's base salary. For 2012, the bonus targets as a percentage of base salary for the Named Executive Officers were as follows: David J. Feldman 70%, James W. Shaffer 50%, and Joseph E. Mata 50%. An employee achieves the target bonus opportunity if the Company meets 100% of pre-established performance goals. A higher or lower bonus is earned if performance exceeds or falls short of the target levels. For 2012 and 2011, the pre-established performance goals were not achieved and no target bonuses were earned.

Cash bonuses, as opposed to equity grants, are designed to more immediately reward annual performance against the key performance metrics for the Company. We believe that cash bonuses are an important factor in motivating our management team as a whole and as individual executives, in particular, to perform at their highest level toward achievement of established goals. We also believe establishing cash bonus opportunities are an important factor in both attracting and retaining the services of qualified executives. During 2012, no cash bonuses were paid to the Named Executive Officers.

Stock Options and Stock Appreciation Rights. The third compensation component is a stock option program, implemented through individual stock option plans, and a SAR program, implemented under the Company's 2002 Stock Appreciation Rights Plan. Under Katy's current SAR program, the Board of Directors may provide compensation in the form of stock appreciation rights. The Compensation Committee believes that the stock option and SAR programs should be used to attract and retain key employees. We further believe that the vesting features of our stock option and SAR programs provide an incentive for our executive officers to remain in our employment during the vesting period. No SARs were granted to Named Executive Officers during 2012 or 2011. No stock options were granted to Named Executive Officers during 2012 or 2011.

Other Benefits

We believe establishing competitive benefit packages for our employees, including our management team, is an important factor in attracting and retaining highly qualified personnel. Our benefit plans, such as our group health plan, are generally not performance-based and offer our employees affordable access to health care and the sense of security that accompanies that type of access. We also offer our management team a 401(k) plan, with a company match at the discretion of the Company, that encourages the saving of money for retirement and other permissible needs on a tax-deferred basis.

In 1993, the Company established a Supplemental Retirement and Deferral Plan (the "Supplemental Deferral Plan") for certain officers and employees of the Company, which allowed participants to voluntarily defer up to 100% of their annual bonus and up to 50% of their base salary until retirement or termination of employment, as well as be eligible to participate in a profit sharing arrangement. Effective February 1, 2002, the Supplemental Deferral Plan was temporarily suspended with respect to deferrals and contributions. On August 1, 2008, the Company amended the Supplemental Deferral Plan to remove the suspension and permit deferrals. Participants can withdraw from the Supplemental Deferral Plan upon the latter of age 62 or termination from the Company. The obligation created by this plan is partially funded. Assets are held in a rabbi trust and Katy

invests the voluntary deferrals and profit sharing allocations at the employee's election in several investment alternatives offered by Katy. Gains and/or losses are earned by the participant. For the unfunded portion of the obligation, interest was accrued at 4% each year until March 28, 2011. On this date, the Compensation Committee approved the discontinuance of the interest accrual on the unfunded portion of the obligation. As of December 31, 2012, no Named Executive Officers were participating in the Supplemental Deferral Plan.

Termination Events

We believe providing our executives with severance benefits under certain circumstances provides them with a sense of security while devoting their professional career to our Company. Employment arrangements with our executives typically include guaranteed severance payments in the event of termination without cause or a change of control event.

As a general matter, we have defined "cause" to include (i) willful failure or neglect to perform the assigned duties; (ii) the conviction of a felony, embezzlement or improper use of corporate funds by the employee; or (iii) self-dealing detrimental to the Company or any attempt to obtain personal profit from any transaction in which the Company has an interest. We have defined "change of control" to include (i) a sale of 100% of Katy's outstanding capital stock, (ii) a sale of all or substantially all of Katy's operating subsidiaries or assets or (iii) a transaction or transactions in which any third party acquires Katy stock in an amount greater than that held by KKTY Holding Company, LLC and in which KKTY Holding Company, LLC relinquishes its right to nominate a majority of the candidates for election to the Board of Directors.

The executive would be required to execute a general release in our favor prior to receiving the severance payments. The employment arrangement would terminate automatically upon the executive's death, and we may terminate the employment if he or she becomes totally disabled. In addition, we may terminate the employment for any other reason with or without cause.

Perquisites

As a general matter, we do not offer any perquisites to any executive officer with an aggregate value in excess of \$25,000 annually because we believe we can better incentivize desired performance by directing compensation in the forms described above. However, we recognize that, from time to time, it may be appropriate to provide certain perquisites in order to help motivate and retain our executives. For example, we have agreed to reimburse our Chief Executive Officer for automobile use (in lieu of a company vehicle).

Role of Executive Officers

The Chief Executive Officer recommended to the Compensation Committee compensation for the other Named Executive Officers. Mr. Feldman was not involved in determining his own compensation.

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2012 with management and UHY LLP, and has discussed with UHY LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in Katy's Annual Report on Form 10-K for the year ended December 31, 2012 for filing with the Securities and Exchange Commission.
