RE: IMMEDIATE REPORT

RoboGroup T.E.K. Ltd. (the Company) announced today that it has signed an agreement with Yaskawa Electric Corporation (YEC), a leading Japanese industrial company, to supply an e-learning system, including a learning management system, as well as custom e-learning content. The Company and YEC each hold a 50% stake in the subsidiary Yaskawa Eshed Technology Ltd. (YET).

The sale price for the e-learning system is \$750,000 and it will be supplied to YEC within the next few quarters. The system was developed to assist YEC with its training program for its products.

The Company views this agreement as an important milestone in penetrating the industrial arena and hopes to leverage this success into future contracts.
