Press Release Source: TAT Technologies Limited

TAT Technologies Awarded 5-Year APU MRO Contract  
by one of the world's leading carriers Estimated at Up  
To \$40M in Revenue

Gedera, Israel, September 24<sup>th</sup>, 2017- TAT Technologies Ltd. (NASDAQ: TATT), through its subsidiary Piedmont Aviation Component Services ("Piedmont"), has been awarded a 5 years Auxiliary Power Unit (APU) Maintenance Support for a large fleet of Boeing and Airbus aircrafts , estimated at up to \$40M in revenue.

"We are excited to expand our existing Heat Exchanger and Landing Gear support of such a Major Carrier Company fleet into APU MRO", said Mr. Igal Zamir, TAT's President and CEO. "This major agreement is affirmation of TAT's MRO services capabilities and customer services, emphasizing how TAT can apply commercial MRO and supply chain best practices to help its customers increase efficiencies and decrease costs".

Maintenance work will be done at TAT's APU services facility in Greensboro (NC), starting Q4 2017.

About TAT Technologies

TAT Technologies is a global OEM and aftermarket solutions company, employing more than 600 employees globally. Safe Harbor for Forward-Looking Statements

This press release contains forward-looking statements which include, without limitation, statements regarding possible or assumed future operation results. These statements are hereby identified as "forward-looking statements" for purposes of the safe harbor provided by the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve risks and uncertainties that could cause our results to differ materially from management's current expectations. Actual results and performance can also be influenced by other risks that we face in running our operations including, but are not limited to, general business conditions in the airline industry, changes in demand for our services and products, the timing and amount or cancellation of orders, the price and continuity of supply of component parts used in our operations, the change of control that will occur on the sale by the receiver of the Company's shares held by our previously controlling stockholders, and other risks detailed from time to time in the Company's filings with the Securities Exchange Commission, including, its annual report on form 20-F and its periodic reports on form 6-K. These documents contain and identify other important factors that could cause actual results to differ materially from those contained in our projections or forward-looking statements. Stockholders and other readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of

the date on which they are made. We undertake no obligation to update publicly or revise any forward-looking statement.
