Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) This transaction was effected pursuant to a Rule 10b5-1 trading plan established by the reporting person.
The amount reported represents the number of shares tendered by the reporting person in the Company's tender offer. Due to the tender offer being oversubscribed, the Company expects to purchase only a prorated portion of the shares properly tendered by each tendering shareholder. Based on a preliminary count, the Company has been informed by the depositary for the tender offer that the preliminary proration factor for the tender offer is approximately 99.4%, which would result in the reporting person selling 3,086 shares. An amended Form 4 will be filed regarding the number of shares actually sold by the reporting person in the tender offer following the Company's announcement of the final results of its tender offer.
 - (3) The price reported is based on the expected price that was derived from the preliminary results of the Company's tender offer.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
