FORM 6-K: TABLE OF CONTENTS

I. Notification by Scottish Power plc, dated March 31, 2006, of SPW Notice to Bondholders

Scottish Power Finance (Jersey) Limited (the "Issuer")

US\$700,000,000 4 per cent. step-up perpetual subordinated convertible bonds (the

Notice to Bondholders of adjustment to Exchange Price

Scottish Power plc (the "Company") has announced today that it is sending a circular to its shareholders regarding the return of cash to its shareholders of £2.25 billion by way of a B Share scheme and a consolidation of cash and share consolidation are subject to approval by the Company's shareholders.

The Issuer hereby gives notice to the Bondholders of the expected adjustments to the Exchange Price as a result of the return of cash and the share consolidation.

The Company considers that the transaction constitutes a series of events occurring within a circumstance to which Article 9(e)(B)(ff) of the Issuer's Articles of Association) and a circumstance to which Article 9(e)(B)(hh) of the Issuer's Articles of Association apply.

In accordance with those Articles and Article 9(e)(B)(hh), the Company has appointed Ernst & Young LLP as trustee, to give an opinion in accordance with Articles 9(e)(B)(ff) and (gg) and to provide an adjustment to the Exchange Price. The adjustment will be made with reference to Article 9(e)(B)(aa)(ii) - Reclassification and Subdivision; Article 9(e)(B)(aa)(ii) - Capitalisation of Profits or Reserves; and Article 9(e)(B)(aa)(ii) - Capital Distribution.

The return of capital to shareholders via the B-Share scheme will be treated as the equivalent of a dividend per existing ordinary share and the "reverse capitalisation" of, approximately, every three ordinary shares. A Consolidation of ordinary shares will then occur on the basis of approximately one ordinary share for every existing ordinary share held following the "reverse capitalisation".

Based on the market value of the ordinary shares as at 30 March 2006 and the details of the capitalisation scheme, Ernst & Young LLP do not currently expect that the amount of the adjustment to the Exchange Price will be determined with reference to the share price on the date for the return of cash.

Following any adjustment to the Exchange Price, the Issuer will give notice of such adjustment to the Bondholders in accordance with paragraph 9(e)(B)(cc) of the Articles of Association of the Issuer (and in accordance with Condition 10 of the

there is an adjustment to the Exchange Price, any adjustments which had previously not been made of such adjustments being less than 1% of the Exchange Price then in effect, will be carried forward. No adjustment to the Exchange Price is not required to be made as a result of such adjustment being made in accordance with Article 9(e)(B)(cc), any such adjustment shall be carried forward and no adjustment.
