LLOYDS BANKING GROUP PLC  
NOTICE OF 2014 ANNUAL GENERAL MEETING ("AGM")

In accordance with Listing Rule 9.6.1, Lloyds Banking Group plc (the "Company") has submitted today the following documents to the National Storage Mechanism:

- Notice of 2014 Annual General Meeting including a circular for a class 1 and related party transaction (the "AGM Notice")
- Form of Proxy for the 2014 Annual General Meeting

These documents will shortly be available for inspection at [www.hemscott.com/nsm.do](http://www.hemscott.com/nsm.do)

A copy of the AGM Notice is available through the 'Shareholder Meetings' ('Shareholder Info') page within the 'Investors & Performance' section of our website [www.lloydsbankinggroup.com](http://www.lloydsbankinggroup.com).

Mailing of these documents to shareholders has commenced today.

The AGM will be held at the Edinburgh International Conference Centre, The Exchange, Edinburgh EH3 8EE on Thursday 15 May 2014 at 11.00 am. The AGM Notice seeks shareholder approval for a number of resolutions including those relating to:

- the election and re-election of directors;
- the appointment of PricewaterhouseCoopers LLP as auditors of the Company;
  - the directors' authority to allot shares;
- the directors' authority to allot shares in relation to the issue of Regulatory Capital Convertible Instruments;
  - the introduction of a Scrip dividend programme;
    - remuneration;
  - amendments to the Company's articles of association; and
- the approval of a class 1 and related party transaction as detailed below.

As previously announced, the Company has commenced preparatory work required for a possible future sale of the Company's shares by Her Majesty's Treasury ("HM Treasury") to the public. In relation to this, the AGM Notice also includes a resolution (Resolution 28) which seeks shareholder approval for a "related party transaction" and a "Class 1 transaction" (each as defined by the Listing Rules).

In connection with the subscription by HM Treasury of the Company's shares and other support provided in 2009, the Board at that time considered it appropriate and in the best interests of the Company to prepare for and to facilitate the earliest possible return of the Company to full private ownership and to agree to provide such assistance to HM Treasury as may be necessary to achieve any sale of the Company's shares by HM Treasury. The scope of this assistance was documented in the Resale Rights Agreement and the Registration Rights Agreement, further details of which are set out in Annex II of the AGM Notice.

The return of the Company to full private ownership is an important element of the Company's stated strategy and the Board therefore remains of the view that it is appropriate and in the best interests of the Company to provide such assistance.

In particular, in providing assistance to HM Treasury for a possible future sale of the Company's shares to the public, the Company may be required to prepare one or more prospectuses or other disclosure, listing or marketing documents for which it and the Directors will have statutory responsibility and uncapped liability (as would be the case in relation to a prospectus issued by the Company in respect of an issue of new shares). The Company may also be required to bear certain offering expenses and to provide contractual protections to HM Treasury, any underwriting or bookrunning banks and/or other advisers (and any of their respective affiliates), including in the form of representations, warranties, covenants and indemnities. Further, the Company will be required to indemnify HM Treasury and its affiliates against losses or claims that arise out of certain acts or omissions by the Company in connection with any sale by HM Treasury.

Due to HM Treasury's shareholding in the Company, the provision of such assistance by the Company constitutes a "related party transaction" and, due to the uncapped nature of the Company's liability and the requirement to prepare a prospectus or other disclosure, listing or marketing document for which the Company will have statutory responsibility, it also constitutes a "Class 1 transaction" and requires shareholder approval. The AGM Notice sets out further details in relation to this matter.
