**ITEM 9. Regulation FD Disclosure**

Attached hereto as Exhibit 99 is a copy of a press release from STERIS Corporation announcing today that the Company, in cooperation with leading independent prion researchers, has participated in research that indicates the effectiveness of several of the Company's proprietary cleaning and sterilization technologies in inactivating prions.

The information contained in this Current Report on Form 8-K, is being furnished to the Securities and Exchange Commission and shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. Furthermore, the information contained in this Current Report on Form 8-K shall not be deemed to be incorporated by reference into any registration statement or other document filed pursuant to the Securities Act of 1933, as amended.
