PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

OCTOBER 8, 2004

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Isle of Capri Casinos, Inc., a Delaware corporation, of proxies for use at the 2004 Annual Meeting of Stockholders to be held on Friday, October 8, 2004, beginning at 9:00 a.m., Pacific Time, at the Mandalay Bay Resort & Casino, 3950 Las Vegas Boulevard South, Las Vegas, Nevada, and at any adjournment(s) of the Annual Meeting. Isle of Capri Casinos, Inc., together with its subsidiaries, is referred to herein as the Company, unless the context indicates otherwise.

Our principal executive offices are located at 1641 Poppo Ferry Road, Biloxi, Mississippi 39532. A copy of our 2004 Annual Report to Stockholders, this Proxy Statement, and accompanying proxy card are first being mailed to our stockholders on or about September 3, 2004.

QUESTIONS AND ANSWERS

On what am I being asked to vote?

At the Annual Meeting, the Company's stockholders will be asked to vote on the following proposals:

1. To elect seven persons to the Board of Directors;
2. To ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal year ending April 24, 2005.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

The stockholders may also transact any other business that may properly come before the meeting.

Who is entitled to vote at the Annual Meeting?

The record date for the Annual Meeting is August 27, 2004, and only stockholders of record at the close of business on that date may vote at and attend the Annual Meeting.

What constitutes a quorum for the purposes of voting?

A majority of the shares of the Company's common stock outstanding, represented in person or by proxy at the Annual Meeting, will constitute a quorum for the purpose of transacting business at the Annual Meeting. As of August 17, 2004, there were 33,136,896 shares of the Company's common stock outstanding.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present during the meeting, we may adjourn the meeting. In addition, in the event that there are not sufficient votes for approval of any of the matters to be voted upon at the meeting, the meeting may be adjourned in order to permit further solicitation of proxies.

How many votes do I have?

Each outstanding share of the Company's common stock entitles its owner to one vote on each matter that comes before the meeting. The proxy card indicates the number of shares of the Company's common stock that you owned as of the record date, August 27, 2004.

How many votes are needed to approve each item?

Provided a quorum is present, directors will be elected by the affirmative vote of a plurality of the votes present in person or represented by proxy at the Annual Meeting and cast for the election of directors. Stockholders are not allowed to cumulate their votes for the election of directors.

Approval of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending April 24, 2005, will require an affirmative vote of the holders of the majority of the shares present or represented by proxy at the Annual Meeting and entitled to vote, provided a quorum is present.

In the case of electing directors and ratifying the selection of Ernst & Young LLP, abstentions will be treated as shares that are present or represented and entitled to vote for the purpose of determining the presence of a quorum, but will be treated as not voting. Accordingly, abstentions will have no effect on the number of votes necessary to elect directors or to ratify the selection of the Company's independent registered public accounting firm.

What if my stock is held by a broker?

In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy, so called broker non-votes, those shares will not be treated as present or represented and entitled to vote for purposes of determining the presence of a quorum and will not be treated as present or represented and voting for purposes of determining the number of votes necessary for the approval of any matter on which they do not have discretionary authority to vote.

How do I vote?

You may vote by mail, telephone, on the Internet or in person at the Annual Meeting. If voting by mail, complete and sign the enclosed proxy card and return it in the enclosed envelope. If voting by telephone or on the Internet, follow the instructions printed on the proxy card. If you vote by telephone or on the Internet, the proxy card does not need to be mailed in. Whether or not you plan to attend the meeting, we encourage you to vote by telephone or Internet or to complete, sign, date and promptly return your proxy card in the enclosed envelope, which requires no postage if mailed in the United States. One of the individuals named on the proxy card will vote your shares as directed by you on the proxy card. If no specific selections are made, one of the individuals named on your proxy card will vote your shares as follows:

1. For the election of the directors recommended by the Board of Directors;
2. For the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending April 24, 2005; and
3. In their discretion, upon such other business as may properly come before the meeting.

Can I change my vote after I have submitted my proxy?

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

Yes, a stockholder who has submitted a proxy may revoke it at any time prior to its use by:

1. Delivering a written notice to the Secretary;
2. Executing a later-dated proxy; or
3. Attending the Annual Meeting and voting in person.

A written notice revoking the proxy should be sent to the Company's Secretary at the following address:

Gregory D. Guida

Senior Vice President of Development and Legal Affairs and Secretary

Isle of Capri Casinos, Inc.

1641 Popps Ferry Road

Biloxi, Mississippi 39532

How will the votes be tabulated at the meeting?

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspectors appointed for the Annual Meeting, and such election inspectors will determine whether or not a quorum is present.

Will the Company solicit proxies in connection with the Annual Meeting?

Yes, the Company will solicit proxies in connection with the Annual Meeting. We will bear all costs of soliciting proxies including charges made by brokers and other persons holding stock in their names or in the names of nominees for reasonable expenses incurred in sending proxy material to beneficial owners and obtaining their proxies. In addition to solicitation by mail, our directors, officers, and employees may solicit proxies personally and by telephone and telegraph, all without extra compensation. We have retained D. F. King & Co., Inc. to assist in the solicitation of proxies. The fee to be paid for such services will be borne by us and is not expected to exceed \$3,000 plus reasonable expenses.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

We currently have seven directors. In January 2004 the Board increased its size from six to seven members and elected John G. Brackenbury to fill the newly-created vacancy until this Annual Meeting of stockholders. The Board of Directors has determined that it is in the Company's best interest, and has resolved, to propose to the stockholders that seven directors be elected to serve until the next Annual Meeting of stockholders. Each director holds office until his successor is elected and qualified or until his earlier death, resignation, removal, or disqualification.

The seven nominees for whom the enclosed proxy is intended to be voted are set forth below. All nominees are now serving as our directors. Each of these nominees has indicated his willingness to serve if elected. The Board of Directors has no reason to believe that any of these nominees will be unavailable for election, but if such a situation should arise, the proxy will be voted in accordance with the best judgment of the proxyholder for such person or persons as may be designated by the Board of Directors, unless the stockholder has directed otherwise.

Information Regarding the Board and Committees of the Board

The Board of Directors has three standing committees: the Stock Option and Compensation Committee, the Audit Committee, and the Nominating Committee. During the fiscal year ended April 25, 2004, which we refer to as fiscal 2004, the Board of Directors met ten times, the Stock Option and Compensation Committee met nine times, the Audit Committee met twelve times and the Nominating Committee met four times. During fiscal 2004, all directors attended at least 75% of the Board meetings and meetings of committees of the Board on which they served. Directors are expected to attend each Annual Meeting of Stockholders. Each member of the current Board of Directors that was a member of the Board in April 2003 attended last year's Annual Meeting.

Messrs. Emanuel Crystal and Alan J. Glazer are members of the Stock Option and Compensation Committee. Mr. Crystal acts as chairman of the Stock Option and Compensation Committee. The Stock Option and Compensation Committee acts as an advisory committee to the full Board with respect to compensation of our executive officers and other key employees, including administration of the stock option plan, option grants, and bonuses. Additional information regarding the policies of the Committee is set forth in the Stock Option and Compensation Committee Report on Executive Compensation included in this Proxy Statement. In accordance with Nasdaq Rule 4350(c)(3), both members of the Stock Option and Compensation Committee are independent as defined in Nasdaq Rule 4200(a)(15).

Messrs. Alan J. Glazer, Emanuel Crystal, and W. Randolph Baker are members of the Audit Committee. Mr. Glazer acts as chairman of the Audit Committee. The Audit Committee's responsibilities include recommending to the full Board the selection of our independent registered public accounting firm, reviewing the plan, scope and results of the independent audit, reviewing the fees for the audit services performed, reviewing and pre-approving the fees for the non-audit services to be performed and reviewing all financial statements.

Information regarding the functions performed by the Audit Committee during the fiscal year is set forth in the Report of the Audit Committee, included in this Proxy Statement. Each member of the Audit Committee is independent as defined in Nasdaq Rule 4200(a)(15). The Board has determined that each member of the audit committee is free from any relationship that would interfere with the exercise of independent judgment as a committee member. The Audit Committee is governed by a written charter approved by the Board of Directors. A copy of the Audit Committee Charter is included as an appendix to this annual proxy statement. At the present time, none of the members of the Audit Committee meet the requirements of the definition of an audit committee financial expert under the SEC Rules. The Board believes that the qualifications and experience of its Audit Committee members as described in Election of Directors as well as their ability to retain financial advisors and consultants as they deem appropriate affords the members of the Audit Committee sufficient ability and expertise to fulfill their obligations.

Messrs. Alan J. Glazer and, Emanuel Crystal are members of the Nominating Committee. Mr. Glazer acts as chairman of the Nominating Committee. The Nominating Committee considers and makes recommendations concerning the size and composition of the Board of Directors, the number of non-executive members of the Board of Directors, and membership of committees of the Board of Directors. As a policy, the Nominating Committee generally does not consider nominees recommended by the Company's stockholders. In determining the criteria for membership on the Board of Directors, the Nominating Committee considers the skills and personal characteristics required in light of the then-current makeup of the Board and in the context of the perceived needs of the Company at the time, including the following attributes: financial acumen, general business experience, industry knowledge, leadership abilities, high ethical standards and independence. In accordance with Nasdaq Rule 4350(c)(4), Messrs. Alan J. Glazer and Emanuel Crystal are independent as defined in Nasdaq Rule 4200(a)(15). The Nominating Committee currently is not governed by a written charter. The Board of Directors plans to approve a Nominating Committee Charter at the meeting of the Board of Directors scheduled to occur on the date of the Annual Meeting. We will post the Nominating Committee Charter adopted by the Board on our website at www.islecorp.com.

In addition to the foregoing committees of the Board of Directors, the Company also maintains a Compliance Committee. Mr. W. Randolph Baker is a member of the Compliance Committee, along with Messrs. Timothy M. Hinkley, Allan B. Solomon and Harry Redmond and Ms. Janice Newman. Mr. Baker acts as chairman, Mr. Redmond is an independent member, and Ms. Newman is the Compliance Officer of the Compliance Committee. The Compliance Committee's responsibilities include maintaining compliance with the regulatory requirements imposed upon the Company by the jurisdictions in which it operates and evaluating relationships between the Company and persons and entities with whom the Company proposes to do business.

Code of Conduct

As required by Nasdaq Rule 4350(n), the Board of Directors has adopted a Code of Business Conduct that applies to all of the Company's directors, officers and employees. In addition, the Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer, controller and others performing similar functions and specifies the legal and ethical conduct expected of such officers. The Company's Code of Business Conduct and Code of Ethics are posted on the Company's website at www.islecorp.com.

Executive Sessions

In accordance with Nasdaq Rule 4350(c)(2), the Board currently schedules regular meetings at which only independent directors are present. The executive sessions generally are scheduled in conjunction with each Board meeting at which the members of the Board of Directors meet in person. Executive sessions occur at least twice every fiscal year.

Stockholder Communications with the Board

The board provides a process for stockholders to send communications to the Board or any of the directors, including the independent directors. All such communications must be in writing and shall be addressed to the

All inquiries will be reviewed by the Secretary who will forward to the Board a summary of all such correspondence and copies of all communications that he determines require the attention of the Board. All communications will be compiled and submitted to the Board or the individual directors on a regular basis unless such communications are considered, in the reasonable discretion of the Secretary, to be improper for submission to the intended recipients. Examples of communications that would be deemed improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to the Company or the Company's business, or communications that relate to irrelevant topics.

- (1) These awards were made pursuant to the 2000 Stock Option Plan. Options awarded vest one-fifth on the first, second, third, fourth and fifth anniversaries of the grant date. In the case of an option which is deemed an incentive stock option, the option price must be not less than 100% of the fair market value of Company Common Stock on the date the option is granted. The fair market value of a share of Company Common Stock is the mean of the high and low market prices at which a share of Company Common Stock is traded on the date of grant. The grants provide that stock options may not be exercised during the first twelve months after the date of the grant.

The plan allows shares of Company Common Stock to be used to satisfy any resulting Federal, State and local tax liabilities, but does not provide for a cash payment by the Company for income taxes payable as a result of the exercise of a stock option award. The 2000 Stock Option Plan allows options to remain exercisable for up to 10 years from the date of grant. The plan has provisions about the impact of a change in control, death, disability, retirement and termination of employment on the exercisability of options, with change in control causing acceleration of vesting. The plan also has a provision for reload options.

- (2) These awards were made pursuant to the reload provision of the plan from which the originally surrendered options were granted.
- (3) The maximum term for options granted under the 2000 Stock Option Plan is 10 years. The term for options granted under the reload provision is the later to occur of the expiration date of the originally surrendered option or one year from the date of grant of the reload option. The dollar gains under these columns result from calculations assuming 5% and 10% stock price appreciation rates as set by the Securities and Exchange Commission and are not intended to forecast future price appreciation of Company Common Stock. The gains

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

reflect a future value based upon growth at these prescribed rates. The Company did not use an alternative formula for a grant date valuation, an approach which would state gains at present, and therefore lower, value.

- (4) Not discounted to present value.

entitled, upon releasing us and our affiliates from any, and all claims, to receive his salary and employment benefits for two years or until new employment begins, whichever occurs first. In January 2002, we entered into employment agreements with Allan B. Solomon, Executive Vice President and General Counsel, and Rexford A. Yeisley, Senior Vice President and Chief Financial Officer, the terms of

which are substantially similar to the employment agreement described above. Pursuant to the employment agreements, Messrs. Solomon and Yeisley received an initial base salary of \$355,000 and \$270,000, respectively. In addition, pursuant to each of the employment agreements, the maximum period of salary continuation in the event of a termination, death or disability is 12 months and in the event of a change of control is 18 months. The employment agreements of Messrs. Solomon and Yeisley had an initial term of one year, and continue for successive one-year periods until terminated.

In July 2003, we entered into employment agreements with Timothy M. Hinkley, President and Chief Operating Officer, and Thomas J. Carr, Senior Vice President of Operations, the terms of which are substantially similar to the employment agreements described above. Pursuant to their employment agreements, Messrs. Hinkley and Carr will receive an initial base salary of \$400,000 and \$275,000, respectively. In addition, pursuant to his employment agreement, the maximum period of salary continuation in the event of termination, death, disability or a change of control is 24 months for Mr. Hinkley. The employment agreement of Mr. Carr provides that the maximum period of salary continuation in the event of a termination is 12 months, and in the event of death, disability or a change of control is 18 months. The employment agreements of Messrs. Hinkley and Carr have an initial term of one year, and continue for successive one-year periods until terminated.

Stock Option and Compensation Committee Report on Executive Compensation

The Stock Option and Compensation Committee advises the Board of Directors concerning executive compensation, including base salaries, bonuses, stock option grants, health and life insurance and other benefits. Stock Option and Compensation Committee recommendations concerning executive compensation are reviewed and approved by the Board. Board members who are also our executive officers do not participate in the deliberations of the Board concerning their respective compensation and benefits and do not vote on such matters.

Our objective concerning executive compensation is to design an executive compensation program that attracts and retains qualified executives and aligns executives' interests with ours and those of our stockholders in achieving our operating goals and business objectives and increasing stockholder value. The principal components of our executive compensation program are base salary, bonus, and stock options. In light of our objective concerning executive compensation, a substantial portion of the executive compensation above the base salary is generally provided through bonuses tied to certain indicators of our performance and through the grant of stock options.

The Stock Option and Compensation Committee's determinations of overall executive compensation for the fiscal year 2004, which includes salary, bonus, certain benefits and stock option awards, were based upon consideration of, among other factors, our performance during the fiscal year, the individual executive's contribution to the achievement of operating goals and business objectives, and levels of compensation in comparable companies at similar stages of development, with particular emphasis on those operating in the gaming industry.

In January 2002, we entered into an employment agreement with Bernard Goldstein, our Chairman and Chief Executive Officer. Mr. Goldstein's employment agreement provides that his compensation consists of a base salary and a discretionary bonus. For the fiscal year 2004, Mr. Goldstein received a base salary of \$550,000 and a bonus of \$104,903 (approximately 20% of which bonus was awarded as deferred restricted stock). The amount of Mr. Goldstein's base salary was determined by the Stock Option and Compensation Committee based on Mr. Goldstein's individual performance as Chief Executive Officer and the Company's overall performance, and is consistent with our objective to design an executive compensation program that attracts and retains qualified executives. The determination of the amount of Mr. Goldstein's bonus for the fiscal year 2004 was determined by the Stock Option and Compensation Committee based upon the financial performance of the Company as measured against certain financial targets approved by this committee, and Mr. Goldstein's achievement of certain subjective goals and objectives.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits our deduction for compensation paid to the Named Executive Officers to \$1 million unless certain requirements are met. The policy of the Stock Option and Compensation Committee with respect to Section 162(m) is to establish and maintain a compensation program that will optimize the deductibility of compensation. In that regard, no executive officer received compensation in excess of \$1 million during fiscal 2004. The Stock Option and Compensation Committee, however, reserves the right to use its judgment, where merited by the Stock Option and Compensation Committee's need for flexibility to respond to changing business conditions or by an executive's individual performance, to authorize compensation that may not, in a specific case, be fully deductible.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited consolidated financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

The Committee reviewed with the independent registered public accountants, who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under the standards of the Public Company Accounting Oversight Board (United States). In addition, the Committee has discussed with the independent registered public accountants the accountants' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with the registered public accountants' independence.

The Committee discussed with the Company's internal auditors and independent registered public accountants the overall scope and plans for their respective audits. The Committee meets with the internal auditors and the independent registered public accountants, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held twelve meetings during fiscal year 2004.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended April 25, 2004 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to stockholder approval, the selection of the Company's independent registered public accountants for fiscal year ending April 24, 2005.

PROPOSAL NO. 2
RATIFICATION OF THE SELECTION OF AN INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Subject to ratification by the stockholders, the Board of Directors has reappointed Ernst & Young LLP as the Company's independent registered public accounting firm to audit the consolidated financial statements of the Company for the current fiscal year ending April 24, 2005. Ernst & Young LLP acted as the Company's independent registered public accounting firm for the fiscal year ended April 25, 2004. Representatives of the firm of Ernst & Young LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The following table summarized the fees billed to the Company for professional services by Ernst & Young LLP for the fiscal years 2004 and 2003:

	<u>2004</u>	<u>2003</u>
Audit Fees	\$ 1,026,747	\$ 1,156,429
Audit-Related Fees	24,768	11,438
Tax Fees	513,895	495,635
All Other Fees		
	<u>\$ 1,565,410</u>	<u>\$ 1,663,502</u>

Audit fees include fees for professional services rendered for the audit of our annual consolidated financial statements, the review procedures on the consolidated financial statements included in our Forms 10-Q, as well as accounting consultations, statutory audits, consents, and other services related to Securities and Exchange Commission filings. Audit-related fees include fees for accounting consultations primarily related to business acquisitions. Tax fees consist of amounts billed for tax compliance assistance and tax planning and advice. All other fees are for any services not included in the other three categories.

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by the Company's outside accountants. The Audit Committee may delegate its pre-approval authority to the Chairman of the Audit Committee to act between meetings of the Audit Committee. Any pre-approval

given by the Chairman of the Audit Committee pursuant to this delegation is presented to the full Audit Committee at its next regularly scheduled meeting. The Audit Committee or Chairman of the Audit Committee reviews, and if appropriate, approves all non-audit service engagements, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation, and the likely impact of the non-audit services on the principal accountant's independence.

The Audit Committee pre-approved each engagement of the Company's registered independent public accounting firm to perform non-audit related services during fiscal year 2004.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence and believes the provision of the services referenced above is compatible.

The Audit Committee and the Board of Directors recommend the stockholders vote FOR the proposal to ratify the appointment of Ernst & Young LLP as the Company's registered independent public accounting firm for the fiscal year ending April 24, 2005.

The Board of Directors is not aware of any other business that may come before the Annual Meeting. However, if additional matters properly come before the meeting, proxies will be voted at the discretion of the proxyholders.

AUDIT COMMITTEE CHARTER

Organization

This charter governs the operations of the audit committee.

The committee will review and reassess the charter at least annually and obtain the approval of the board of directors. The committee shall be appointed by the board of directors and shall consist of at least three directors, each of whom are independent of management and the Company. Members of the committee shall be considered independent if they have no relationship that may interfere with the exercise of their independence from management and the Company. All committee members shall be financially literate, or (shall become financially literate within a reasonable period of time after appointment to the committee,) and at least one member shall have accounting or related financial management expertise.

Statement of Policy

The audit committee shall provide assistance to the board of directors in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the board. In so doing, it is the responsibility of the committee to maintain free and open communication between the committee, independent auditors, the internal auditors and management of the Company. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

Responsibilities and Processes

The primary responsibility of the audit committee is to oversee the Company's financial reporting process on behalf of the board and report the results of its activities to the board. Management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. In order to most effectively carry out its responsibilities, the committee believes its policies and procedures should remain flexible to act proactively or reactively depending on the circumstances to changing conditions. The committee should take the appropriate actions to set the overall corporate tone for responsible financial reporting, sound business risk practices, and ethical behavior.

The following shall be the principal recurring processes of the audit committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the committee may supplement them as appropriate.

The committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the board and the audit committee, as representatives of the Company's shareholders. The committee shall

have the direct responsibility for auditor appointment, compensation, and oversight of the independent auditors. The committee shall discuss with the auditors their independence from management and the Company, including matters in the written disclosures required by the Independence Standards Board, and shall consider the compatibility of nonaudit services with the auditors' independence. Annually, the committee shall review and recommend to the board the selection of the Company's independent auditors, subject to shareholders' approval.

A-1

The committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. Also, the committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage business risk. Further, the committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations and will provide sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the committee.

The committee shall review the interim financial statements with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the committee may represent the entire committee for the purposes of this review.

The committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to the stockholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.
