PROXY STATEMENT

INTRODUCTION

General

The preceding Notice of Annual Meeting of Shareholders, this Proxy Statement and the enclosed proxy card are being furnished by Key Tronic Corporation, a Washington corporation (the Company), to the holders of outstanding shares of Common Stock, no par value, of the Company (Common Stock) in connection with the solicitation of proxies by the Board of Directors of the Company from holders of such shares. The proxies are to be used at the Annual Meeting of Shareholders of the Company to be held on Thursday, October 28, 2004 at 10:00 a.m. Pacific Time at the principal executive offices of the Company, 4424 N. Sullivan Road Lower Level, Spokane Valley, Washington 99216, and any adjournments or postponements thereof (the Annual Meeting). The proxies appoint Jack W. Oehlke, Wendell J. Satre and Yacov A. Shamash, any of them and their substitutes, as proxy to vote all shares represented at the Annual Meeting pursuant to this proxy solicitation.

Record Date, Proxies, Revocation

Record holders of the Common Stock at the close of business on September 8, 2004 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date 9,675,913 shares of Common Stock were issued and outstanding. A proxy card for use at the Annual Meeting is enclosed with this Proxy Statement. All completed, signed and dated proxies returned to the Company will be voted at the Annual Meeting in accordance with the instructions thereon. *If no instructions are given on an otherwise signed and dated proxy card, the proxy will be voted FOR the election of nominees for director named below, and FOR the ratification of the appointment of BDO Seidman, LLP as the Company's independent auditors for fiscal year 2005.* Any proxy may be revoked at any time before it has been voted by giving written notice of revocation to the Secretary of the Company at the address set forth above; by delivering a completed, signed proxy bearing a date later than any earlier proxy; or by voting shares in person at the Annual Meeting. The mere presence at the Annual Meeting of the shareholder who has given a proxy will not revoke such proxy.

Voting

Each share of Common Stock outstanding is entitled to one vote on each matter presented for a vote of the shareholders at the Annual Meeting. Under applicable law and the Company's Restated Articles of Incorporation and Amended and Restated By-Laws, if a quorum exists at a meeting: (i) the six nominees for election as directors who receive the greatest number of votes cast for the election of directors by the shares present in person or represented by proxy and entitled to vote shall be elected directors and (ii) matter 2 listed in the accompanying Notice of Annual Meeting of Shareholders will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast against it. In the election of directors, any action other than a vote for a nominee will have the practical effect of voting against the nominee. An abstention from voting or a broker nonvote will have no effect on the approval of matter 2 since neither represents a vote cast.

PROPOSAL 1

ELECTION OF DIRECTORS

Six directors are to be elected at the Annual Meeting to serve until the next Annual Meeting of Shareholders and until their respective successors have been elected and have qualified. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected. Employment Contracts and Termination and Change in Control Arrangements

Employment Contracts. The Company entered into employment contracts with Messrs. Oehlke, Gates, Klawitter, Chard and Perez at the time each employee was first elected an executive officer of the Company. Each of the employment contracts imposes upon the employee standard non-disclosure, confidentiality and covenant not to compete provisions. Each of the employment contracts provides that the Company may terminate employment at any time. The employment contracts provide that upon termination of employment by the Company, other than for cause, the Company shall continue to pay employee's base salary in effect prior to termination for a period of one year after termination. The employment contracts entered into with Messrs. Oehlke and Klawitter also provide that upon termination by the employee in the event the Company changes the substantive responsibilities and duties of the employee in such a way as to constitute a demotion, the Company shall continue to pay employee's base salary in effect prior to termination for a period of one year after termination. The employment contracts of Messrs. Oehlke, Gates and Klawitter were amended in November 1999 to provide that upon termination of employment by the Company prior to July 30, 2002, other than for cause, the Company shall continue to pay employee's base salary in effect prior to termination for a period of two years after termination. In April 2002 the employment contracts of Messrs. Oehlke, Gates, Klawitter, Chard and Perez were amended to provide that upon termination of employment by the Company prior to July 30, 2003, other than for cause, the Company shall continue to pay employee's base salary in effect prior to termination for a period of two years after termination. In October 2002 the employment contracts of Messrs. Oehlke, Gates, Klawitter, Chard and Perez were amended to provide that upon termination of employment by the Company after a change of control, other than for cause, the Company shall continue to pay employee's base salary in effect prior to termination for a period of two years after termination.

Stock Option Plans. The executive stock option plans and non-employee directors stock option plan provide that upon a change of control of the Company vesting of outstanding options will be accelerated.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Board of Directors has a Compensation Committee presently consisting of Messrs. Shamash and Satre. No member of the Compensation Committee was an officer or employee of the Company or any of its subsidiaries during fiscal year 2004. Mr. Satre served as President, CEO and Chairman of the Board of the Company from August 1991 through February 1992. None of the executive officers of the Company has served on the Board of Directors or on the Compensation Committee of any other entity, any of whose officers served either on the Board of Directors or on the Compensation Committee of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Overview. Key Tronic's compensation philosophy established by the Compensation Committee (Committee) is that annual total cash compensation should vary with the performance of the Company and long-term incentives should be aligned with the interests of the Company's shareholders. The Company's compensation plan is designed to allow the Company to attract, motivate and retain highly qualified individuals and to be consistent with the short-term and long-term goals of the Company. Compensation of the Company's executive officers including the Chief Executive Officer (CEO), except as otherwise noted in this report, has three primary elements: base salary, annual incentive bonus and annual stock option grants. *Base salaries* are established following a review of competitive information related to

comparable companies, in similar industries, nationally and in the Northwest. *Annual incentive bonuses* are tied to the profitability of the Company and the key employee's contribution to the Company's performance. *Annual stock option* incentive grants are based upon base salary and the employee's contribution to the Company's performance. Annual stock option grants to executive officers are made under the Company's employee stock option plans.

Base Salaries. The Company's compensation philosophy emphasizes performance-based pay. The goal is to have base salary represent a target percentage of an executive officer's total annual compensation. Prior to setting compensation levels for executive officers, including the CEO, the Committee reviews competitive information related to comparable companies, in similar industries, nationally and in the Northwest. These companies include some but not all of the companies appearing in the Nasdaq Electronic Components Index in the performance graph on page 13. The Committee indexes base salary ranges to be at average competitive levels. During fiscal 2004, executive officer pay ranges, including the range for the CEO, were adjusted upward to be consistent with the Committee's established index. Management recommendations (other than those of the subject executive officer) are considered by the Committee in establishing an individual executive officer's recommended salary. The Committee also considers factors related to individual performance, individual responsibility, Company performance based on net earnings and external competitive factors. The Committee establishes each executive officer's annual salary, including the CEO's salary.

Annual Bonus. The Committee established a key employee Incentive Compensation Plan for fiscal 2004. The plan was based upon Company profit goals. A minimum Company profit goal had to be achieved before any payment was to be made under the plan to key employees, including all executive officers. Bonus payments under the plan were to be based on three performance levels: threshold achievement, expected achievement, and over-achievement of Company profit goals. Over-achievement payments under the plan were intended to be comparable to industry averages for annual incentive bonus plans. Payments were to be based upon a percentage of the key employee's fiscal 2004 base earnings. The payment percentage ranges were established in descending order for the CEO, all other officers and all other key employees.

The payment percentage range for the CEO ranged from 5% at threshold achievement up to 75% at over-achievement level. Threshold achievement level performance was not achieved and therefore no incentive bonuses for fiscal 2004 were earned by the CEO or other officers or other key employees.

Annual Stock Option Awards. The Committee's policies make long-term incentive compensation an important part of motivating and retaining key employees. Such long-term incentive compensation is consistent with the interests of the Company's shareholders in that it ties executive compensation to the performance of the Company's stock. The Committee believes that long-term incentive compensation can best be implemented through the granting of annual stock options. The Committee makes the determination to grant options to key employees based upon each key employee's position in the Company, base salary and the recommendations of the CEO based on individual performance. The exercise price of the options is equal to the closing price of the Common Stock on the date of grant as quoted by the Nasdaq National Market, as reported in The Wall Street Journal. The vesting periods for options range from one to three years. The Committee did not grant options to executive officers during fiscal 2004.

Compensation payments in excess of \$1 million in any taxable year to any covered employee (defined as the CEO and the Company's other four most highly compensated officers) is subject to a limitation on deductibility for the Company under Section 162(m) of the Internal Revenue Code of 1986, as amended. Certain performance-based compensation is not subject to the limitation on deductibility. To the extent that there is no adverse effect on the Company's performance-related compensation philosophy or on the Company's ability to provide competitive compensation, it is the policy of the Committee and the Board of Directors to minimize executive compensation that is not deductible by the Company for tax purposes.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors consists of three members. The Board of Directors has determined that all Audit Committee members are independent as defined in Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards and that the Chairman of the Committee has the requisite attributes of an audit committee financial expert as defined by SEC regulations. The Audit Committee operates under a written charter adopted by the Board of Directors. See Appendix A: Audit Committee Charter.

The Audit Committee has met and discussed with the Company's management and BDO Seidman, LLP (BDO), the Company's independent auditors, the Company's financial statements contained in the Annual Report on Form 10K for the year ended July 3, 2004.

The Audit Committee has reviewed and discussed with BDO the matters required to be discussed pursuant to Statement of Auditing Standards No. 61, Communications with Audit Committees. BDO has submitted to the Audit Committee and the Committee has reviewed the written disclosures and letter from BDO required by Independence Standards Board Standard No. 1 Independence Discussions with Audit Committees. The Audit Committee discussed with BDO that firm's independence. The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal auditor's independence. All services to be provided by BDO are pre-approved by the Audit Committee or are pre-approved by a member of the Audit Committee and later ratified by the Committee.

Based upon the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10K for the fiscal year ended July 3, 2004, for filing with the Securities and Exchange Commission.

The Audit Committee: Patrick Sweeney (Chairman), Dale F. Pilz, William E. Terry

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee has retained BDO Seidman, LLP (BDO) as the Company's independent auditors for the fiscal year ending July 2, 2005. Representatives of BDO are expected to be present at the Annual Meeting with the opportunity to make a statement, if they desire to do so, and they are expected to be available to respond to appropriate questions. In the event that ratification of this appointment of auditors is not approved by a majority of the shares of Common Stock voting at the Annual Meeting in person or by proxy, the Audit Committee will review its future selection of auditors.

On December 3, 2002 Deloitte & Touche, LLP (D&T) was dismissed as the Company's independent public accountants and BDO was appointed as the Company's new independent accountants to replace D&T for the fiscal year ending June 28, 2003. The decision to dismiss D&T and to appoint BDO was made and approved by the Audit Committee. D&T's reports on the Company's financial statements for the past two fiscal years did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the prior two fiscal years and through December 3, 2002, there were no disagreements with D&T on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of D&T, would have caused that firm to make reference to the subject matter of the disagreements in connection with its reports and there were no reportable events as defined in certain SEC regulations. Prior to the engagement of BDO the Company had not consulted with BDO during the prior two fiscal years and through December 3, 2002 in any matter regarding the application of accounting principles on a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or any other matters or reportable events as defined in certain SEC regulations.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR

RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT AUDITORS
