Articles 254 of the Commercial Code of Japan (the Commercial Code) and Article 21-14, Paragraph 7, Item 4 of the Law for Special Exception to the Commercial Code Concerning Audit, etc. of Joint Stock Companies of Japan (the Special Law) make the provisions of Section 10, Chapter 2, Book III of the Civil Code of Japan applicable to the relationship between the Registrant and its directors and executive officers, respectively. Section 10, among other things, provides in effect that:

(1) Any director or executive officer of a company may demand advance payment of expenses which are considered necessary for the management of the affairs of such company entrusted to him;

(2) If a director or an executive officer of a company has defrayed any expenses which are considered necessary for the management of the affairs of such company entrusted to him, he may demand reimbursement therefor and interest thereon after the date of payment from such company;

(3) If a director or an executive officer has assumed an obligation necessary for the management of the affairs of a company entrusted to him, he may require such company to perform it in his place or, if it is not due, to furnish adequate security; and

(4) If a director or an executive officer, without any fault on his part, sustains damage through the management of the affairs of a company entrusted to him, he may demand compensation therefor from such company.

The Registrant has entered into agreements with its outside directors as defined under the Commercial Code under which, if such directors become liable for damages to the Registrant pursuant to Article 21-17, Paragraph 1 of the Special Law, for any reason attributable to their duties performed in good faith and without gross negligence, such liability is limited to certain amounts. Such limitation is generally enforceable as between the Registrant and such directors under Japanese law. Such agreements may not be available for certain violations of U.S. federal securities law and may be determined by courts of the United States to be unenforceable in such circumstances.

Item 9. UNDERTAKINGS

(1) The undersigned Registrant hereby undertakes:

Edgar Filing: NOMURA HOLDINGS INC - Form S-8

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
