Item 3.02 Unregistered Sales of Equity Securities.

(a) On November 9, 2005, the Company issued 747,418 shares of common stock to eight investors along with common stock purchase warrants entitling such investors to purchase one share of common stock for each warrant held at an exercise price of \$0.97 per share. Warrants are exercisable at any time and expire on November 9, 2010. The Company received total consideration of \$725,000 in the offering determined by multiplying 80% by the average of the closing price of the Company's common stock during the twenty (20) trading day period ended on October 31, 2005. The Company has agreed to use its best efforts to register both the shares of common stock issued and the shares of common stock issuable upon exercise of the common stock purchase warrants. A registration statement on Form S-3 relating to these securities is expected to be filed with the Securities and Exchange Commission prior to December 31, 2005. The Company did not pay any commissions or underwriting discounts in connection with this offering.

The shares issued in this offering were made in reliance upon the exemption from registration set forth in Section 4(2) of the Securities Act, relating to sales by an issuer not involving a public offering. Each of the investors was accredited, including one accredited investor who is also an employee, and each was given information concerning the Company and represented that the securities were being acquired for investment purposes only. Appropriate restrictive legends were placed on the shares of common stock.
