This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of Prosperity Bancshares, Inc. (the Company) for use at the 2006 Annual Meeting of Shareholders of the Company to be held at the Company's principal executive offices at Prosperity Bank Plaza, 4295 San Felipe, Houston, Texas, on Tuesday, April 18, 2006, beginning at 10:00 a.m. (local time), and any adjournments thereof (the Meeting) for the purposes set forth in this Proxy Statement and the accompanying Notice of 2006 Annual Meeting of Shareholders. This Proxy Statement, the Notice of Meeting and the enclosed proxy will first be sent to shareholders on or about March 20, 2006.

Voting of Proxies

Shares of the Company's common stock, \$1.00 par value (Common Stock), represented at the Meeting by an executed and unrevoked proxy in the form enclosed will be voted in accordance with the instructions indicated on the proxy. If no instructions are specified on an executed and returned form of proxy, the proxies intend to vote the shares represented thereby in favor of each of the proposals to be presented to and voted upon by the shareholders as set forth herein.

The Board of Directors knows of no other matters to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote may be properly taken, shares represented by an executed and unrevoked proxy will be voted with respect thereto in accordance with the judgment of the persons designated in the proxy. The proxy also confers on the proxies the discretionary authority to vote with respect to any matter presented at the Meeting for which advance notice was not received by the Company in accordance with the Company's Amended and Restated Bylaws.

Revocability of Proxies

Any proxy given by a record shareholder may be revoked by such shareholder at any time before it is voted at the Meeting by:

delivering to the Secretary of the Company a written notice of revocation;

submitting to the Secretary of the Company a duly executed proxy bearing a later date; or

attending the Meeting and voting in person.

Edgar Filing: PROSPERITY BANCSHARES INC - Form DEF 14A

All written notices of revocation and other communications with respect to revocation or proxies should be sent to: Prosperity Bancshares, Inc., Prosperity Bank Plaza, 4295 San Felipe, Houston, Texas 77027, (713) 693-9300, Attention: Denise Urbanovsky, Secretary. Any shareholder who holds shares in street name with a bank or broker must contact that bank or broker if he or she wishes to revoke his or her proxy.

Solicitation of Proxies

This proxy solicitation is made by the board of directors of the Company and the cost of this solicitation is being borne by the Company. Proxies will be solicited through the mail and, if deemed advisable, directors, officers and regular employees of the Company may solicit proxies personally or by telephone or other means of communication, without being paid additional compensation for such services. The Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expense in forwarding the proxy materials to beneficial owners of the Company's Common Stock.

Annual Report

The Company's Annual Report on Form 10-K, including consolidated financial statements and related notes, for the fiscal year ended December 31, 2005, as filed with the Securities and Exchange Commission, accompanies but does not constitute part of this Proxy Statement.

VOTING SHARES AND VOTING RIGHTS

Only holders of record of Common Stock at the close of business on March 7, 2006 (the Record Date), are entitled to notice of and to vote at the Meeting and any adjournments or postponements thereof. On that date there were 27,864,894 shares of Common Stock outstanding, which is the only outstanding class of voting securities of the Company. The holders of at least a majority of the outstanding shares of Common Stock must be represented at the Meeting, in person or by proxy, in order to constitute a quorum for the transaction of business. Abstentions and shares held of record by a broker or nominee that are voted on any matter will be included in determining whether a quorum exists. Each holder of Common Stock shall have one vote for each share of Common Stock registered, on the Record Date, in such holder's name on the books of the Company.

Directors will be elected by a plurality of the votes cast in person or by proxy. Accordingly, the five Class II nominees receiving the highest number of votes cast by the holders of Common Stock will be elected. There will be no cumulative voting in the election of directors. A broker non-vote or a withholding of authority to vote with respect to one or more nominees for director will not have the effect of a vote against such nominee or nominees. A broker non-vote occurs when a broker does not have discretionary authority to vote the shares and has not received voting instructions from its customer.

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock is required to approve the Amendment to the Articles of Incorporation. The proposal to approve the Amendment to the Articles of Incorporation is a non-discretionary item, meaning that brokers and banks who hold shares in an account for customers who are the beneficial owners of such shares may not give a proxy to vote those shares without specific instructions from their customers. Any abstentions and broker non-votes will have the same effect as a vote against the approval of the Amendment to the Articles of Incorporation or the failure to vote on the Amendment.

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock represented at the Meeting is required to ratify the appointment of the independent registered public accounting firm. Any abstentions will have the effect of a vote against the matter. However, broker non-votes will be deemed shares not present to vote on such matter and will not count as votes for or against the proposal and will not be included in calculating the number of votes necessary for approval of such matter.

Item 1.

ELECTION OF DIRECTORS

Election Procedures; Term of Office

The Board of Directors currently consists of thirteen directors. In accordance with the Company's Amended and Restated Bylaws, members of the Board of Directors are divided into three classes, Class I, Class II and

Class III. The members of each class are elected for a term of office to expire at the third succeeding annual meeting of shareholders following their election. The term of office of the current Class II directors expires at the Meeting. The terms of the Class III and Class I directors expire at the annual meeting of shareholders in 2007 and 2008, respectively.

The Nominating Committee has recommended to the Board, and the Board has approved the nomination of James A. Bouligny, Charles J. Howard, S. Reed Morian, Robert Steelhammer and H. E. The five Class II nominees, if elected at the Meeting, will serve until the annual meeting of shareholders in 2009.

The five Class II nominees receiving the affirmative vote of the holders of a plurality of the shares of Common Stock represented at the Meeting will be elected. Unless the authority to vote for the election of directors is withheld as to one or more of the nominees, all shares of Common Stock represented by proxy will be voted **FOR** the election of the nominees. If the authority to vote for the election of directors is withheld as to one or more but not all of the nominees, all shares of Common Stock represented by any such proxy will be voted **FOR** the election of the nominee or nominees, as the case may be, as to whom such authority is not withheld.

If a nominee becomes unavailable to serve as a director for any reason before the election, the shares represented by proxy will be voted for such other person, if any, as may be designated by the Board of Directors. The Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director. All of the nominees have consented to being named herein and to serve if elected.

Any director vacancy occurring after the election may be filled only by a majority vote of the remaining directors, even if less than a quorum of the Board of Directors. A director appointed to fill a vacancy will be appointed to serve until the next annual meeting held for the election of directors, regardless of whether the class of director in which he serves is to be elected at such annual meeting.

establishing criteria for selecting new directors; and

reviewing the backgrounds and qualifications of possible candidates for director positions.

The Nominating Committee operates pursuant to a written charter, a copy of which is available electronically in the corporate governance section of the Investor Relations page of the Company's web site at www.prosperitybanktx.com. The Nominating Committee consists of Charles

Edgar Filing: PROSPERITY BANCSHARES INC - Form DEF 14A

A. Davis, Jr. (Chairman), William H. Fagan, M.D., Ned S. Holmes and Robert Steelhammer, each of whom the Board has determined to be an independent director in accordance with the Nasdaq Stock Market listing standards.

Director Nominations Process

The Nominating Committee considers nominees to serve as directors of the Company and recommends such persons to the Board of Directors. The Nominating Committee also considers director candidates recommended by shareholders who appear to be qualified to serve on the Company's Board of Directors and meet the criteria for nominees considered by the committee. The Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating Committee does not perceive a need to increase the size of the Board. In order to avoid the unnecessary use of the Nominating Committee's resources, the Nominating Committee will consider only those director candidates recommended in accordance with the procedures set forth below in the paragraph titled "Procedures to be Followed by Shareholders."

Criteria for Director Nominees.

The Nominating Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. The Nominating Committee considers the following criteria in selecting nominees: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its shareholders; independence; and any other factors the Nominating Committee deems relevant, including age, size of the Board of Directors and regulatory disclosure obligations.

The Nominating Committee may weigh the foregoing criteria differently in different situations, depending on the composition of the Board at the time. The Nominating Committee will strive to maintain at least one director who meets the definition of "audit committee financial expert" under the regulations of the Securities and Exchange Commission.

In addition, prior to nominating an existing director for re-election to the Board of Directors, the Nominating Committee considers and reviews an existing director's Board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Process for Identifying and Evaluating Director Nominees.

Pursuant to the Nominating Committee Charter as approved by the Board of Directors, the Nominating Committee is responsible for the process relating to director nominations, including identifying, interviewing and selecting individuals who may be nominated for election to the Board of Directors. The process that the Nominating Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is set forth below.

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating Committee will rely on personal contacts of the members of the Board of Directors as well as their knowledge of members of the Bank's local communities. The Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth below in the paragraph titled "Procedures to be Followed by Shareholders." The Nominating Committee has not previously used an independent search firm in identifying nominees.

Evaluation. In evaluating potential nominees, the Nominating Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, for any new director nominee, the Nominating Committee will conduct a check of the individual's background and interview the candidate.

Procedures to be Followed by Shareholders.

Any shareholder of the Company may nominate one or more persons for election as a director of the Company at an annual meeting of shareholders if the shareholder complies with the prior notice and information provisions contained in the Company's Amended and Restated Bylaws. In order for a director nomination to be timely, a shareholder's notice to the Company must be received at the Company's offices no later than the close of business on the 60th day prior to the meeting. To submit a nomination of a director candidate, a shareholder should submit the following information in writing, addressed to the Chairman of the Nominating Committee, care of the Corporate Secretary, at the Company's main office:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. The name and address, as they appear on the Company's books, of the shareholder making the recommendation; provided, however, that if the shareholder is not a registered holder of the Company's Common Stock, the shareholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's Common Stock;
5. A representation that the shareholder making the recommendation is a holder of record of Common Stock of the Company; and
6. A description of any arrangements or understandings between the shareholder and the nominee and any other person (naming such person) pursuant to which the nomination is to be made by the shareholder.

If the Nominating Committee receives a director nomination from a shareholder or group of shareholders who (individually or in the aggregate) beneficially owned greater than 5% of the Company's outstanding Common Stock for at least one year as of the date of such recommendation, the Company, as required by applicable securities law, will identify the candidate and shareholder or group of shareholders recommending the candidate and will disclose in its proxy statement whether the Nominating Committee chose to nominate the candidate, as well as certain other information.

Shareholder Communications with Directors

Shareholders or other interested parties can contact any director or committee of the Board of Directors by writing to them in care of Corporate Secretary, Prosperity Bancshares, Inc., Prosperity Bank Plaza, 4295 San Felipe, Houston, Texas 77027. Comments or complaints relating to the Company's accounting, internal accounting controls or auditing matters will be referred to members of the Audit Committee. Other concerns will generally be referred to the Corporate Governance Committee.

In addition, the Board of Directors encourages directors to attend the annual meeting of shareholders. All thirteen directors attended the Company's 2005 annual meeting of shareholders held on April 19, 2005.

Code of Ethics

The Company's Board of Directors has adopted a Code of Ethics that applies to all directors, officers and associates, including the Company's President and Chief Executive Officer and senior financial officers. The Code of Ethics is available electronically in the corporate governance section of the Investor Relations page of the Company's website at www.prosperitybanktx.com.

Davis, Jr., William H. Fagan, M.D., Ned S. Holmes, Charles J. Howard, M.D., S. Reed Morian, Tracy T. Rudolph, Harrison Stafford II and Robert Steelhammer.

The independent directors of the Company hold executive sessions from time to time at the conclusion of regular meetings of the Board of Directors. In 2005, the independent directors held five executive sessions.

Director Compensation

For 2005, directors of the Company received a fee of \$1,800 for each meeting of the Company's Board of Directors attended and a fee of \$500 for each committee meeting attended, except the Chairman of the Audit Committee and the Chairman of the Corporate Governance Committee, who each received \$750 for each committee meeting attended. For 2005, directors of the Bank received a \$500 fee for each meeting of the Bank's Board of Directors attended and a \$300 fee for each committee meeting attended, but only if such committee meeting was held at a different time from the board meeting. Messrs. Holmes, Hunter, Mueller, Timanus and Zalman serve as directors of both the Company and the Bank.

In addition to the director fees listed above, the Compensation Committee recommended, and the Board of Directors approved, an award of 500 shares of restricted stock to each non-employee director of the Company which were effective on April 19, 2005. The restricted stock awards were granted pursuant to the Company's 2004 Stock Incentive Plan. The restricted stock awards vested in full on January 31, 2006.

Further, in the event of termination of Mr. Zalman or Mr. Timanus as a result of disability, such employee will be entitled to receive an amount equal to the higher of (a) three times such employee's base salary then in effect or (b) three times such employee's base salary over the preceding five calendar years to be paid, at the employee's option, in a lump sum cash payment or through the purchase of an annuity of a type to be selected by employee, subject to approval by the Company's Compensation Committee. The amended and restated employment agreements do not contain non-compete restrictions. Each of Mr. Zalman and Mr. Timanus has the power to terminate his employment with the Bank on 30 days prior written notice.

Non-Competition Agreement

On December 8, 2005, the Company and the Bank and D. The Non-Competition Agreement also includes non-disclosure covenants that survive the Non-Competition Period.

In consideration of Mr. Hunter entering the Non-Competition Agreement, the Company will pay Mr. Hunter an aggregate of \$50,000, which shall be paid in monthly payments through the end of the Non-Competition Period; provided that the monthly payments will cease upon the earlier termination of the Non-Competition Agreement. During the Non-Competition Period, Mr. Hunter will be entitled to reimbursement of certain business expenses and participation in certain employee benefit plans and stock based compensation programs. Further, Mr. Hunter shall be eligible to receive a bonus under any bonus plan for the Bank beginning in 2006.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following is a report from the Compensation Committee of the Company describing the policies pursuant to which compensation was paid to executive officers of the Company and the Bank during 2005.

The Compensation Committee of the Board of Directors is responsible for developing and making recommendations to the Board with respect to the Company's executive compensation policies. James A. Bouligny, Charles Davis, Jr., Ned S. Holmes and Harrison Stafford II, each of whom the Board of Directors has determined to be an independent director, as defined in the Nasdaq Stock Market listing standards, serve on the Compensation Committee. This report describes the components of the Company's executive officer compensation program and describes the basis on which the 2005 compensation determinations were made by the Compensation Committee with respect to the executive officers of the Company and the Bank.

Compensation Philosophy

The Company believes that compensation of its executive officers should enhance and reinforce the goals of the Company for profitable growth and continuation of a sound overall condition by providing key employees with additional financial rewards for the attainment of such growth and stable financial and operating conditions. The Compensation Committee believes that these goals are best supported by rewarding individuals for outstanding contributions to the Company's success and by compensating its executive officers competitively with the compensation of similarly situated executive officers.

Base Salary

The Compensation Committee establishes base salary levels for each executive officer by comparison to competitive salary levels for the similar executive officer job functions at banks and bank holding companies of similar size in the Company's market areas. This is not the same group used for comparison purposes in the Company's performance graph. Base salaries approximate the median level of such competitive rates and are adjusted based on factors such as individual experience, individual performance, individual potential, cost of living considerations and specific issues particular to the Company as well as the Compensation Committee's subjective judgment. Executive officer base salaries are considered by the Compensation Committee to be competitive and in the median range of comparative salaries.

The Compensation Committee monitors the base salary levels and the various incentives of the named executive officers of the Company to ensure that overall compensation is consistent with the Company's objectives and remains competitive within the area of the Company's operations. In setting the goals and measuring an executive's performance against those goals, the Company considers the performance of its competitors and general economic and market conditions. None of the factors included in the Company's strategic and business goals are assigned a specific weight. Instead, the Compensation Committee recognizes that the relative importance of these factors may change in order to adapt the Company's operations to specific business challenges and to reflect changing economic and marketplace conditions.

Incentive Compensation

The annual compensation of the Company's named executive officers consists of a base salary and an annual bonus. The annual bonus awarded to the Company's President and Chief Executive Officer and the Chief Operating Officer is a percentage of their current base salary and is primarily based on the financial performance of the Company. In determining the amount of the bonus, a target performance goal is established with respect to eight performance indicators, including total return, increase in earnings per share, increase in deposits, increase in assets, increase in loans, return on average equity, the efficiency ratio and increase in dividends. If the Company's performance reaches the target goal with respect to a performance indicator, a participant will automatically receive a percentage of base salary attributable to the amount the actual performance exceeded the

target. In addition, a bonus equal to 20% of base salary is in the sole discretion of the Compensation Committee. In the event the Company's performance is less than the target for a performance indicator, no incentive compensation is payable for that particular indicator.

The determination of the annual bonus awarded to the Company's Chief Financial Officer, Senior Vice President and General Counsel is similar to that discussed above with respect to the President and Chief Executive Officer and the Chief Operating Officer, with reduced payout limits.

Contributory Profit Sharing Plan

Each of the executive officers are participants in the Company's contributory profit sharing plan established pursuant to Internal Revenue Code Section 401(k) covering substantially all employees. Under the 401(k) Plan, the Company may make matching contributions in its discretion. Currently, the Company matches 50% of an employee's contributions to the plan, including contributions by the named executive officers, up to 15% of compensation, not to exceed the annual IRS contribution limit, excluding catch-up contributions.

Stock Options

Stock options have been the Company's primary form of long-term incentive compensation. As of February 28, 2006, there were 906,909 options outstanding under the Company's stock option plans, 336,866 of which are held by executive officers of the Company. During 2005, no stock options were granted to named executive officers of the Company.

The Compensation Committee will continue to monitor the base salary levels and the various incentives of the executive offices to ensure that overall compensation is consistent with the Company's objectives and competitiveness in the marketplace.

2005 Compensation of the President and Chief Executive Officer

In reviewing the 2005 compensation of David Zalman, the Company's President and Chief Executive Officer, the Compensation Committee reviewed all components of his compensation, including base salary, bonus, long-term incentive compensation, accumulated realized and unrealized stock option gains, the dollar value to the executive and cost to the Company of all perquisites and other personal benefits and the projected payout obligations that may be owed in certain circumstances under his employment agreement. In addition, the Compensation Committee reviewed his compensation history, executive compensation survey data and comparative performance information.

Upon recommendation by the Compensation Committee, the Board of Directors of the Bank set Mr. Zalman's salary for 2005 at \$500,000, effective April 2005. In addition, in recognition of both Mr. Zalman's and the Company's performance in 2005 and based on the criteria discussed above with respect to incentive compensation, the Compensation Committee recommended and the Board of Directors approved a bonus of \$228,400 for Mr. Zalman for 2005. From time to time, the Compensation Committee will grant stock options to the named executive officers, including Mr. Zalman, however no stock options were granted in 2005. The amount contributed by the Company to the 401(k) plan for the benefit of Mr. Zalman in fiscal year 2005 was \$7,000. The Compensation Committee believes that Mr. Zalman's total compensation is reasonable and competitive based on comparative performance information and the overall performance of the Company.

INTERESTS OF MANAGEMENT AND OTHERS IN CERTAIN TRANSACTIONS

Many of the directors, executive officers and principal shareholders of the Company and the Bank (*i.e.*, those who own 10% or more of the Common Stock) and their associates, which include corporations, partnerships and other organizations in which they are officers or partners or in which they and their immediate families have at least a 5% interest, are customers of the Bank. During 2005, the Bank made loans in the ordinary course of business to many of the directors, executive officers and principal shareholders of the Company and the Bank and their associates, all of which were on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons unaffiliated with the Company and did not involve more than the normal risk of collectibility or present other unfavorable features. Loans to directors, executive officers and principal shareholders of the Company are subject to limitations contained in the Federal Reserve Act, the principal effect of which is to require that extensions of credit by the Bank to executive officers, directors and principal shareholders of the Company and the Bank satisfy the foregoing standards. As of December 31, 2005, all of such loans aggregated \$7.6 million which was approximately 2.99% of the Company's Tier 1 capital at such date. The Company expects the Bank to have such transactions or transactions on a similar basis with the directors, executive officers and principal shareholders of the Company and the Bank and their associates in the future.

The Bank leases 3,552 square feet for its Waugh Drive Banking Center in Houston, Texas from Parkway Investment Partners, L.P. Ned S. Holmes, the Company's Chairman of the Board, is the Chairman and President of Parkway Investments/Texas, Inc., the sole general partner of Parkway Investment Partners, L.P. Mr. Holmes has no ownership interest in Parkway Investment Partners, L.P. or Parkway Investments/Texas, Inc. The lease is for a term of ten years and expires in February 2011, not including any optional renewal periods. The monthly rental payments for 2005 were approximately \$6,638, subject to annual increases, and includes the Bank's pro rata share of maintenance and operating expenses.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, (the Exchange Act) requires the Company s directors and executive officers and persons who own more than 10% of the outstanding Common Stock to file reports of ownership and changes in ownership of Common Stock and other equity securities of the Company with the Securities and Exchange Commission (the SEC). Such persons are required by SEC regulations to furnish the Company with copies of all Section 16 forms they file.

Based solely on the Company s review of the copies of such reports furnished to it and representations from certain reporting persons that they have complied with the applicable filing requirements, the Company believes that during the year ended December 31, 2005, all Section 16(a) reporting requirements applicable to the its officers, directors and greater than 10% shareholders were complied with, except that William H. Fagan was late in filing a Form 4 to report one purchase. This transaction has been reported to the SEC.

Item 2.

AMENDMENT TO THE ARTICLES OF INCORPORATION

The Company s Articles of Incorporation currently authorize a total of 50,000,000 shares of Common Stock, par value \$1.00 per share, and 20,000,000 shares of Preferred Stock, \$1.00 par value per share. As of February 28, 2006, there were 27,864,894 shares of Common Stock issued and outstanding and an additional 2,404,750 shares were reserved for issuance under the Company s stock incentive plans. Additionally, the Company expects to issue approximately 4,448,304 shares of Common Stock and options to acquire approximately 462,913 shares of Common Stock (assuming that 60% of SNB Bancshares option holders will elect to convert their options into options to acquire shares of Common Stock) in connection with its proposed acquisition of SNB Bancshares, Inc., which is anticipated to be completed in April 2006. Assuming the issuance of all such shares, the Company would have only 14,819,139 authorized shares of Common Stock remaining for other purposes under the Articles of Incorporation.

The Board of Directors believes that it is in the best interests of the Company and shareholders to have available additional authorized but unissued shares of Common Stock for future corporate purposes, which may include, but are not limited to, incentive and employee benefit plans, the conversion of other securities into Common Stock, possible acquisitions, stock splits, stock dividends, raising additional capital and other corporate purposes that have not yet been identified.

Except for issuances of shares of Common Stock pursuant to the Company s stock incentive plans, stock option plans assumed by the Company in various acquisitions, the Company s dividend reinvestment plan and in connection with the acquisition of SNB Bancshares, Inc. as discussed above, the Board of Directors has no present plans, understandings or agreements to issue any of the additional shares of Common Stock, although it reserves the right to do so in the future. If authorization of an increased number of shares of Common Stock were postponed until a specific need arose, a significant amount of time and expense would be consumed incident to shareholder action on the proposed issuance. Such a time delay could cause the Company to miss out on a business opportunity beneficial to the Company and its shareholders. Authorized shares of Common Stock may be issued by action of the Board of Directors from time to time without further approval by the shareholders, subject to applicable Texas law and the rules of the National Association of Securities Dealers, Inc.

The Board of Directors has therefore approved and is proposing to shareholders an amendment to the Company s Articles of Incorporation to increase the number of authorized shares of Common Stock of the Company from 50,000,000 to 200,000,000. If the shareholders approve this proposal, Section 4.1 of Article 4 of the Company s Articles of Incorporation will be amended to read as follows:

Section 4.1 *Authorized Shares*. The aggregate number of all classes of stock which the Corporation has authority to issue is 220,000,000 shares divided into (A) one class of 200,000,000 shares of Common Stock

with a par value of \$1.00 per share, and (B) one class of 20,000,000 shares of Preferred Stock with a par value of \$1.00 per share, which may be divided into and issued in series as set forth in this Article Four.

The holders of shares of Common Stock are not entitled to any preemptive right to purchase or have offered to them any shares or other securities of the Company whether now or hereafter authorized. Any issuance of shares of Common Stock on other than on a pro rata basis to all shareholders would dilute the voting power and percentage of share ownership and may reduce the portion of dividends and liquidation proceeds payable to current shareholders. In addition, the issuance of shares of Common Stock in connection with an acquisition could dilute the Company's earnings per share, but any such dilution would be expected to be only for the short term.

In addition to the corporate purposes discussed above, the proposed amendment to the Company's Articles of Incorporation could, under certain circumstances, have an anti-takeover effect, although this is not the intent of the Board of Directors. For example, it may be possible for the Board of Directors to delay or impede a takeover or transfer of control of the Company by causing such additional authorized shares to be issued to holders who might side with the Board of Directors in opposing a takeover bid that the Board of Directors determines is not in the best interests of the Company and its shareholders. The proposed amendment therefore may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempts, the proposed amendment may limit the opportunity for the Company's shareholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal. The proposed amendment may have the effect of permitting the Company's current management, including the current Board of Directors, to retain its position, and place it in a better position to resist changes that shareholders may wish to make if they are dissatisfied with the conduct of the Company's business. However, the Board of Directors is not aware of any attempt to take control of the Company and the Board of Directors has not presented this proposal with the intent that it be utilized as a type of anti-takeover device.

The affirmative vote of the holders of at least a majority of the outstanding shares of Common Stock is required to approve the proposed amendment to the Company's Articles of Incorporation. Abstentions and broker non-votes will have the same effect as a vote against this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* APPROVAL OF THE PROPOSED AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION.

Item 3.

PROPOSAL TO RATIFY APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Pursuant to the recommendation of the Audit Committee, the Board of Directors has appointed Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2006. Deloitte & Touche LLP has served as the Company's independent registered public accounting firm continuously for ten years.

At the Meeting, the shareholders will be asked to consider and act upon a proposal to ratify the appointment of Deloitte & Touche LLP. The ratification of such appointment will require the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote and present in person or represented by proxy at the Meeting. Representatives of Deloitte & Touche LLP will be present at the Meeting, will be given an opportunity to make a statement (if they desire to do so) and will be available to respond to appropriate questions.

Shareholder ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the 2006 fiscal year is not required by the Company's Amended and Restated Bylaws, state law or otherwise. However, the Board of Directors is submitting the selection of Deloitte & Touche LLP to the Company's shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP. Even if

the selection of Deloitte & Touche LLP is ratified, the Audit Committee may, in their discretion, direct the appointment of a different independent registered public accounting firm at any time during the 2006 fiscal year if they determine that such a change would be in the best interests of the Company and its shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE PROPOSAL TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP.
