Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously reported by Broadridge Financial Solutions, Inc. (the Company) on a Form 8-K filed on February 26, 2008, the Compensation Committee (the Committee) of the Board of Directors of the Company approved special stock option grants under the Company's 2007 Omnibus Award Plan (the Plan) to certain of the Company's corporate officers on February 25, 2008. On April 29, 2008, the Committee determined that a portion of the special stock option grants made to the Company's principal executive officer, principal financial officer and one of the most highly compensated executive officers of the Company were void because they exceeded the per calendar year individual stock option limit of 200,000 in the Plan. As a result, the special stock option grants made on February 25, 2008 to these three officers are reduced from their previously reported amounts to the following:

	Number of Shares Underlying Options	Exercise Prices
Corporate Officer		
Richard J. Daly	85,400	28,466 @ \$18.97 ¹
Chief Executive Officer		28,467 @ 110% of \$18.97
		\$(20.87)
		28,467 @ 120% of \$18.97
		\$(22.76)
John Hogan	127,600	42,533 @ \$18.97
President and		42,533 @ 110% of \$18.97
Chief Operating Officer		\$(20.87)
		42,534 @ 120% of \$18.97
		\$(22.76)
Dan Sheldon	163,800	54,600 @ \$18.97
Vice President,		54,600 @ 110% of \$18.97
Chief Financial Officer		\$(20.87)
		54,600 @ 120% of \$18.97
		\$(22.76)

1. The closing price of the Company's common stock on the date of grant was \$18.97 per share.

All of the special stock option grants have a 10-year term, subject to earlier expiration upon the occurrence of certain events. Each stock option granted on February 25, 2008 will become fully vested on June 25, 2008, subject to the officer's continued service through such date. Other than the grants to the three officers listed above, none of the special stock options granted to officers on February 25, 2008 were affected by the limit in the Plan. The FAS 123(R) accounting charge relating to the special stock option grants described above will be approximately \$7 million in fiscal year 2008, rather than the \$13 million previously reported.

In furtherance of the Committee's long-term goal to have corporate officers own directly, or have granted to them in the form of stock options and restricted shares/units, five percent of all Company shares outstanding, on April 29, 2008, the Committee granted new special stock options under the Plan to the Company's principal executive officer, principal financial officer and one of the most highly compensated executive officers of the Company to replace the void special stock options as follows:

	Number of Shares Underlying Options	Exercise Prices ²
Corporate Officer		
Richard J. Daly	514,600	171,534 @ \$18.97
Chief Executive Officer		171,533 @ 110% of \$18.97 \$(20.87) 171,533 @ 120% of \$18.97 \$(22.76)
John Hogan	232,400	77,467 @ \$18.97
President and		77,467 @ 110% of \$18.97
Chief Operating Officer		\$(20.87) 77,466 @ 120% of \$18.97 \$(22.76)
Dan Sheldon	6,200	2,066 @ \$18.97
Vice President,		2,067 @ 110% of \$18.97
Chief Financial Officer		\$(20.87) 2,067 @ 120% of \$18.97 \$(22.76)

2. The base exercise price of the new option grants was determined by the Committee by taking the greater of: (i) the base exercise price of the February 25, 2008 stock option grants (\$18.97) and (ii) the closing price of the Company's common stock on April 29, 2008 (\$18.96). The 10% and 20% exercise price premiums were added to the base exercise price in the same manner as the February 25, 2008 grants. These option grants are subject to approval by the Company's stockholders of an amendment to the Plan adopted by the Company's Board of Directors on April 29, 2008 to increase the calendar year individual stock option limit described below. Each of the stock options granted on April 29, 2008 will become fully vested upon stockholder approval of the Plan amendment, subject to the officer's continued service through such date. Other than the vesting, the new special stock options have the same terms and conditions that apply to the February 25, 2008 special stock option grants.

The Committee also recommended that the Board of Directors approve an amendment to the Plan to increase the per calendar year individual limit for stock options or stock appreciation rights under the Plan to 750,000 shares. The Company's Board of Directors amended the Plan effective April 29, 2008, to increase the per calendar year individual limit for stock options or stock appreciation rights under the Plan to 750,000 shares, subject to stockholder approval of such amendment. The Company will seek such approval at the Company's Annual Meeting of Stockholders that is anticipated to be held in November 2008.
