The information in this Report, including the exhibit, is provided under Item 7.01 of Form 8-K and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section with the exception of the items detailed in the paragraph below. This and only this excerpt shall be deemed as incorporated by reference into the filings of the registrant under the Securities Act of 1933:

Although market conditions continue to be volatile, the Company now expects that comparable hotel RevPAR, which includes the operations for 115 of the Company's 117 hotels, will decline 9% to 11% in the fourth quarter and will decline approximately 3% for the full year.

**Forward-looking Statements**

The discussion in this Report on Form 8-K contains forward-looking statements within the meaning of federal securities regulations. These forward-looking statements are identified by their use of terms and phrases such as anticipate, believe, could, estimate, expect, intend, predict, project, will, continue and other similar terms and phrases, including references to assumption and forecasts of future results. Forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors which may cause the actual results to differ materially from those anticipated at the time the forward-looking statements are made. These risks include, but are not limited to: national and local economic and business conditions, including the potential for terrorist attacks, that will affect occupancy rates at our hotels and the demand for hotel products and services; operating risks associated with the hotel business; risks associated with the level of our indebtedness and our ability to meet covenants in our debt agreements; relationships with property managers; our ability to maintain our properties in a first-class manner, including meeting capital expenditure requirements; our ability to compete effectively in areas such as access, location, quality of accommodations and room rate structures; changes in travel patterns, taxes and government regulations which influence or determine wages, prices, construction procedures and costs; our ability to complete acquisitions and dispositions; and our ability to continue to satisfy complex rules in order for us to qualify as a Real Estate Investment Trust for federal income tax purposes and other risks and uncertainties associated with our business described in our filings with the Securities & Exchange Commission. The completion of this acquisition is subject to numerous closing conditions, including but not limited to those listed in this Current Report, and there can be no assurances that the transactions will be completed. Although we believe the expectations reflected in such forward-looking statements are based upon reasonable assumptions, we can give no assurance that the expectations will be attained or that any deviation will not be material. All information is as of the date of this filing and we undertake no obligation to update any forward-looking statement to conform the statement to actual results or changes in expectations.
