Barclays PLC Notice of Annual General Meeting

Message from the Group Chairman

This year's Annual General Meeting (the AGM) will be held on Friday 30th April 2010 at the Royal Festival Hall, London. Please note that this is a different venue to our normal location. The Notice of Meeting is set out on pages 2 to 9. The biographical details for the Directors standing for re-election at this year's AGM are included on pages 2 and 3. In light of the recommendations made by Sir David Walker, who was commissioned by the Government to review corporate governance in UK banks (the Walker Review), I am standing for re-election at this year's AGM and will stand for re-election each year going forward. The Board has also decided that the Deputy Chairman and Chairmen of each principal Board Committee should stand for annual re-election. David Booth, Sir Richard Broadbent and Sir Michael Rake are therefore offering themselves for re-election. Our Articles require that one-third of the Board retires by rotation each year and stands for re-election. Given that the Chairman, Deputy Chairman and Chairmen of each principal Board Committee will already be standing for re-election, one-third of the remaining Directors will stand for re-election each year. Consequently, Sir Andrew Likierman and Chris Lucas are offering themselves for re-election at this year's AGM. Reuben Jeffery, who was appointed to the Board since the last AGM, also offers himself for re-election. Each of the Directors standing for re-election at the AGM has been subject to a rigorous evaluation process, further details of which may be found in the 2009 Annual Report (which is available at www.barclays.com/annualreport09). Following this process, I can confirm that the Board considers the performance of each of the Directors standing for re-election at the AGM to be fully effective and they each demonstrate the commitment and behaviours expected of a Barclays Director. The Board also concluded that the non-executive Directors standing for re-election are independent in terms of the criteria set out in the UK Combined Code on Corporate Governance.

I would like to take this opportunity, on behalf of the Board, to acknowledge the valuable contribution made by those Directors who have left office since the last AGM. Stephen Russell, who had been on the Board since October 2000 on completion of the acquisition of Woolwich PLC, retired at the end of October 2009 having completed nine years' outstanding service to the Company. Patience Wheatcroft, who retired in June 2009, made a valuable contribution to the Board during the time she was a Barclays Director. Frits Seegers left us in November 2009 after three years of significant contribution to the Group, having had a transformational impact on our retail and commercial businesses globally. I would like to express my and the Board's thanks and appreciation to each of them and wish them the best in all they do in the future.

Our AGM is one of the key ways we communicate with our shareholders and it is an important opportunity for our shareholders to express their views by attending, raising questions and voting and the Board encourages you to use your vote. If you would like to vote on the resolutions but cannot attend the AGM, please fill in the Proxy Form sent to you with the Notice of Meeting and return it to our Registrars in the enclosed pre-paid envelope as soon as possible. They must receive it by 11.00am on Wednesday 28th April 2010. Alternatively, you can vote online on our website at www.barclays.com/investorrelations/vote. You will need your Voting ID, Task ID and Shareholder or Sharestore Reference Number, which are shown on the Proxy Form enclosed with the Notice of Meeting. CREST members may choose to use the CREST electronic proxy appointment service in accordance with the procedures set out in the notes on the Proxy Form.

We are making greater use of our website and email to communicate directly with shareholders. We now send Barclays e-view members regular, up to date information about their shareholding and Barclays performance direct to their inbox. Therefore, in future, we will not send you paper copies of shareholder documentation unless you have already positively told us that you would like to receive them. Please note that Barclays reserves the right to send you shareholder information by post should we feel it is appropriate. For more information, or if you have any questions, please visit our website www.barclays.com/investorrelations or contact the Registrar to Barclays.

The Board believes that all of the proposals set out in the Notice of Meeting are in the best interests of shareholders as a whole and the Company and unanimously recommends that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Notice of Meeting

Notice is hereby given that the 2010 Annual General Meeting (the AGM) of Barclays PLC (the Company) will be held at the Royal Festival Hall, Southbank Centre, Belvedere Road, London SE18XX on Friday 30th April 2010 at 11.00am to transact the following business:

Resolutions

To consider and, if thought fit, to pass the following resolutions, with those numbered 1 to 13 and 18 being proposed as ordinary resolutions and resolutions 14 to 17 as special resolutions.

Report and Accounts

1. That the Reports of the Directors and Auditors and the audited accounts of the Company for the year ended 31st December 2009, now laid before the meeting, be received.

of State for Economic, Energy and Agricultural Affairs (2007-2009). Prior to joining the Department of State, Reuben was the Chairman of the Commodity Futures Trading Commission (2005-2007) and before that held a number of positions in US government service (2002-2005). He spent 18 years at Goldman, Sachs & Co. between 1983-2001, where he was managing partner of Goldman Sachs in Paris and of the firm's European Financial Institutions Group in London.

Term of office: Reuben Jeffery joined the Board in July 2009.

Independent: Yes

External appointments: Senior Adviser at the Center for Strategic & International Studies, Washington D.C.

Committee membership: Member of the Board Risk Committee since January 2010.

The Company's Articles of Association and provision A.7.1 of the UK Combined Code on Corporate Governance (the Combined Code) provide that any new Director appointed by the Board during the year may hold office only until the next AGM, when that Director must stand for re-election by the shareholders. Reuben Jeffery III joined the Board on 16th July 2009 and is accordingly seeking re-election.

Re-election of the Chairman, Deputy Chairman and Committee Chairmen

The Directors are required by UK companies legislation to present to the AGM the Reports of the Directors and Auditors and the audited accounts of the Company for each financial year (in this case for the year ended 31st December 2009). The Company's Articles of Association permit the Directors to pay interim and final dividends. It is not our practice, therefore, to seek shareholder approval of the final dividend, which we will normally pay in March, as to do so would delay its payment to shareholders.

Remuneration Report

2. That the Remuneration Report for the year ended 31st December 2009, now laid before the meeting, be approved.

UK companies legislation requires quoted companies to present to the AGM the Remuneration Report (which appears in full in the 2009 Annual Report and in summary in the 2009 Annual Review).

Term of office: Marcus joined the Board in September 2006 as a non-executive Director and was appointed Chairman on 1st January 2007. Marcus was last re-elected by shareholders at the AGM in 2009.

Sir Michael is currently Chairman of BT Group PLC, Chairman of the UK Commission for Employment and Skills and Chairman of easyJet plc. Sir Michael previously worked at KPMG from 1974-2007 where he spent a number of years in Continental Europe and the Middle East. He was Senior Partner of the UK firm from 1998-2000 and Chairman of KPMG International from 2002-2007.

Re-election of Directors retiring by rotation

8. That Sir Andrew Likierman be re-elected a Director of the Company

External appointments: UK Head of Financial Services and Global Head of Banking and Capital Markets of PricewaterhouseCoopers LLP until 2006.

The Company's Articles of Association require one-third (rounded down) of the Directors, excluding those who were appointed by the Board since the last AGM, to retire in turn each year. The Directors retiring by rotation and seeking re-election in such a manner are listed in resolutions 8 and 9 above.

Reappointment of Auditors

10. That PricewaterhouseCoopers LLP, Chartered Accountants and Registered Auditors, be reappointed as auditors of the Company to hold office from the conclusion of this meeting until the conclusion of the next AGM at which accounts are laid before the Company.

UK companies legislation requires that auditors are reappointed at each AGM at which accounts are presented. The Directors may set the remuneration of the auditors if authorised to do so by the shareholders. This resolution proposes that the Directors be authorised to set the remuneration of the auditors. Political Donations

12. That, in accordance with section 366 of the Companies Act 2006 (the 2006 Act) the Company and any company which, at any time during the period for which this resolution has effect, is a subsidiary of the Company, be and are hereby authorised to:

(a) make political donations to political organisations not exceeding £25,000 in total; and

(b) incur political expenditure not exceeding £100,000 in total, in each case during the period commencing on the date of this resolution and ending on the date of the AGM of the Company to be held in 2011 or on 30th June 2011, whichever is the earlier, provided that the maximum amounts referred to in (a) and (b) may consist of sums in any currency converted into sterling at such rate as the Board may in its absolute discretion determine. For the purposes of this resolution, the terms political donations , political organisations and political expenditure shall have the meanings given to them in sections 363 to 365 of the 2006 Act.

The 2006 Act requires companies to obtain shareholder approval before they can make donations to EU political organisations or incur EU political expenditure. We do not give any money for political purposes in the UK nor do we make any donations to EU political organisations or incur EU political expenditure. However, the definitions of political donations and political expenditure used in the 2006 Act are very wide. As a result, they may cover activities that form part of relationships that are an accepted part of engaging with our stakeholders to ensure that issues and concerns affecting our operations are considered and addressed, but which would not be considered as political donations or political expenditure in the layman's sense. The activities referred to above are not designed to support any political party nor to influence public support for any political party. The authority which the Board is requesting is similar to the authority given by shareholders at the AGM in 2009 and is a precautionary measure to ensure that the Group does not inadvertently breach the 2006 Act.

Authority to allot securities

13. That, in substitution for all existing authorities, the Directors be hereby generally and unconditionally authorised pursuant to section 551 of the 2006 Act to exercise all the powers of the Company to:

(a) allot shares (as defined in section 540 of the 2006 Act) in the Company or grant rights to subscribe for or to convert any security into shares in the Company up to an aggregate nominal amount of £1,043,323,357, \$77,500,000, 40,000,000 and ¥4,000,000,000;

(b) allot equity securities (as defined in section 560 of the 2006 Act) up to an aggregate nominal amount of £2,006,646,714 (such amount to be reduced by the aggregate nominal amount of ordinary shares allotted or rights to subscribe for or to convert any securities into ordinary shares in the Company granted under paragraph (a) of this resolution 13) in connection with an offer by way of a rights issue;

Edgar Filing: BARCLAYS PLC - Form 6-K

(i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and

(ii) to holders of other equity securities (as defined in section 560 of the 2006 Act) as required by the rights of those securities, or subject to such rights, as the Directors otherwise consider necessary,

and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter,

such authorities to apply (unless previously renewed, varied or revoked by the Company in General Meeting) for the period expiring at the end of the AGM of the Company to be held in 2011 or the close of business on 30th June 2011, whichever is the earlier but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority expires and the Directors may allot shares or grant such rights under any such offer or agreement as if the authority had not expired.

The effect of this resolution is to give the Directors authority to allot, in addition to the £40,000,000 of sterling preference shares and other currency denominations of preference shares created in 2008, ordinary shares up to an amount approximately equal to two-thirds of the issued ordinary share capital of the Company as at 5th March 2010 (excluding treasury shares) in certain circumstances. Paragraph (a) of the resolution will give Directors a general authority to allot all of the unissued preference shares in the Company and up to a maximum aggregate nominal amount of £1,003,323,357 of ordinary shares being equivalent to one-third of the Company's issued ordinary share capital as at 5th March 2010. As at 5th March 2010, the Company does not hold any treasury shares. In November 2009, the ABI issued updated guidance on the approval of authorities to allot shares, in which it stated that, in addition to requests for authorisation to allot new shares in an amount up to one-third of the existing issued ordinary share capital of a company, it would regard as routine requests to authorise the allotment of a further one-third in connection with a rights issue. In light of this, paragraph (b) of resolution 13 proposes that a further authority be conferred on the Directors to allot shares or rights to subscribe for shares in connection with a rights issue in favour of holders of equity securities (which would include ordinary shareholders) up to a further one-third of the issued ordinary share capital (such amount to be reduced by the nominal amount of ordinary shares or rights to subscribe for ordinary shares issued under the authority conferred by paragraph (a) of this resolution). This gives Directors authority to allot in total up to the equivalent of two-thirds of the issued ordinary share capital of the Company as at 5th March 2010. The Board seeks annual renewal of this authority in accordance with best practice.

The Board has no current plans to make use of this authority but wishes to ensure that the Company has maximum flexibility in managing the Group's capital resources. This authority would remain in force until the end of the AGM in 2011 or the close of business on 30th June 2011, whichever is the earlier. Where the additional authority described in paragraph (b) of this resolution is used, all Directors will stand for re-election at the next AGM. This authority remains in force regardless of whether the new Articles of Association are adopted pursuant to resolution 17.

Notes

a. Entitlements under CREST

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 the Company specifies that only those holders of shares registered in the register of members at 6.00pm on Wednesday 28th April 2010 shall be entitled to attend or vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries on the register after 6.00pm on Wednesday 28th April 2010 shall be disregarded in determining the rights of any person to attend or vote at the meeting.

b. Appointing a proxy

A shareholder who is entitled to attend, speak and vote at the meeting is entitled to appoint one or more people (called proxies) to attend, speak and vote on his/her behalf. They need not be Barclays shareholders. If more than one proxy is appointed, each proxy must be appointed to exercise the rights attached to different shares. A proxy will have the same number of votes on a show of hands as if the member who appointed the proxy was at the meeting.

c. Corporate representatives

Edgar Filing: BARCLAYS PLC - Form 6-K

A corporate shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

d. Persons nominated by shareholders

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 (nominated persons). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

e. Documents available for inspection

The following documents, which are available for inspection during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) at the Company's registered office, 1 Churchill Place, London E14 5HP, will also be available for inspection at the Royal Festival Hall from 10.30am on Friday 30th April 2010 until the end of the meeting: (i) copies of the executive Directors' service contracts; (ii) copies of the non-executive Directors' letters of appointment; (iii) the proposed new Articles of Association of the Company envisaged by resolution 17; and (iv) a copy of the Group SAYE Share Option Scheme rules proposed to be adopted by resolution 18.

Authority to allot equity securities for cash other than on a pro-rata basis to shareholders or to sell treasury shares

14. That, in substitution for all existing powers, and subject to the passing of resolution 13, the Directors be generally empowered pursuant to section 570 of the 2006 Act to allot equity securities (as defined in section 560 of the 2006 Act) for cash, pursuant to the authority granted by resolution 13 and/or where the allotment constitutes an allotment of equity securities by virtue of section 560(3) of the 2006 Act, in each case free of the restriction in section 561 of the 2006 Act, such power to be limited:

(a) to the allotment of equity securities in connection with an offer of equity securities (but in the case of an allotment pursuant to the authority granted by paragraph (b) of resolution 13, such power shall be limited to the allotment of equity securities in connection with an offer by way of a rights issue only):

(i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and

(ii) to holders of other equity securities (as defined in section 560 of the 2006 Act), as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary, and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and

(b) to the allotment of equity securities, pursuant to the authority granted by paragraph (a) of resolution 13 and/or an allotment which constitutes an allotment of equity securities by virtue of section 560(3) of the 2006 Act (in each case otherwise than in the circumstances set out in paragraph (a) of this resolution 14) up to a nominal amount of £150,498,503 representing no more than 5% of the issued ordinary share capital as at 5th March 2010; compliance with that limit shall be calculated, in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares (as defined in section 560 of the 2006 Act) by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights,

such power to apply (unless previously renewed, varied or revoked by the Company in General Meeting) until the end of the Company's next AGM after this resolution is passed (or, if earlier, until the close of business on 30th June 2011) but so that the Company may make offers and enter into agreements before the power expires which would, or might, require equity securities to be allotted after the power expires and the Directors may allot equity securities under any such offer or agreement as if the power had not expired.

The effect of this resolution is to renew the authority given to the Directors to allot equity securities (which for these purposes includes sale of treasury shares) on a non-pre-emptive basis either to ordinary shareholders by way of a rights issue or to holders of other equity securities according to the rights attaching to those securities. Additionally, allotments can be made for cash but limited to an amount

Edgar Filing: BARCLAYS PLC - Form 6-K

approximately equal to 5% of the issued ordinary share capital of the Company as at 5th March 2010. This authority would remain in force until the end of the AGM in 2011 or the close of business on 30th June 2011, whichever is the earlier. The Board seeks annual renewal of this authority in accordance with best practice. The Board has no current plans to make use of this authority but wishes to ensure that the Company has maximum flexibility in managing the Group's capital resources. As announced on 7th November 2008, for the following two years, the Company would structure any new offer of equity securities for the purpose of raising new capital so as to give its then shareholders full rights of participation. The exceptions are any issue of equity securities in connection with employee remuneration arrangements or any acquisition of another entity or business or in satisfaction of pre-existing contractual obligations under the Group's existing Tier 1 capital requirements. The Company does not intend to issue more than 7.5% of its issued ordinary share capital on a non pre-emptive basis in any three-year period. The authority conferred by this resolution 14 remains in force regardless of whether the new Articles of Association are adopted pursuant to resolution 17.

Purchase of own shares

15. That the Company be generally and unconditionally authorised for the purposes of section 701 of the 2006 Act to make market purchases (within the meaning of section 693 of the 2006 Act) on the London Stock Exchange of up to an aggregate of 1,203,988,028 ordinary shares of 25p each in its capital, and may hold such shares as treasury shares, provided that:

- (a) **the minimum price (exclusive of expenses) which may be paid for each ordinary share is not less than 25p;**
- (b) **the maximum price (exclusive of expenses) which may be paid for each ordinary share shall not be more than the higher of (i) 105% of the average of the market values of the ordinary shares (as derived from the Daily Official List of the London Stock Exchange) for the five business days immediately preceding the date on which the purchase is made and (ii) that stipulated by Article 5(1) of the Buy-back and Stabilisation Regulation (EC 2273/2003); and**
- (c) **unless previously reviewed, varied or revoked by the Company in General Meeting, the authority conferred by this resolution shall expire at the end of the AGM of the Company to be held in 2011 or the close of business on 30th June 2011, whichever is the earlier (except in relation to any purchase of shares the contract for which was concluded before such date and which would or might be executed wholly or partly after such date).**

This resolution would enable the Company to purchase up to a maximum of 1,203,988,028 of its ordinary shares. This is less than 10% of the issued share capital as at 5th March 2010. The total number of ordinary shares that may be issued on the exercise of outstanding options as at 5th March 2010 is 102,016,312 which represents approximately 0.8% of the issued share capital at that date. As at 5th March 2010 there are 510,820,984 warrants over ordinary shares outstanding which represents approximately 4.24% of the issued share capital of the Company at that date. If the Company were to purchase shares up to the maximum permitted by this resolution, the proportion of ordinary shares subject to outstanding options would represent approximately 0.9% of the issued share capital as at 5th March 2010 and the proportion of ordinary shares to be

f. Total shares and voting rights

As at 5th March 2010 (being the latest practicable date before publication of this document) the Company's issued share capital comprised 12,039,880,284 ordinary shares of 25 pence each. Each ordinary share carries the right to vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 5th March 2010 was 12,039,880,284.

g. Shareholder information

A copy of this Notice of Meeting and other information required by section 311A of the Companies Act 2006 can be found at www.barclays.com/investorrelations.

h. Shareholder right to ask a question

Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (ii) the answer has already been given on a website in the form of an answer to a question, or (iii) it is undesirable in the interests of the

Edgar Filing: BARCLAYS PLC - Form 6-K

Company or good order of the meeting that the question be answered.

i. Members' statement of audit concerns

Section 527 of the 2006 Act allows shareholders who meet the threshold requirements of that section to require the Company to publish a statement on its website setting out any matter relating to: (i) the audit of the accounts to be laid at the meeting (including the auditor's report and the conduct of the audit); or (ii) any circumstances connected with the auditor ceasing to hold office since the last meeting at which annual accounts and reports were laid in accordance with section 437 of the 2006 Act. This is known as a 'members' statement of audit concerns'. If such a request is received, the Company cannot require those shareholders requesting publication of the statement to meet its costs of complying with that request. The Company must also forward a copy of the statement to the auditor not later than the time that the Company makes it available on the website. Where a members' statement of audit concerns is received it will be included in the business of the meeting at which the accounts are laid.

j. Electronic communication

You may not use any electronic address provided in either this Notice of Meeting or any related documents (including the Proxy Form) to communicate with the Company for any purposes other than those expressly stated.

issued on exercise of the warrants would represent approximately 4.71%. The Board considers it desirable for the general authority proposed above to be available to provide maximum flexibility in the management of the Group's capital resources. The Board would use such authority only if satisfied at the time that to do so would be in the interests of shareholders and would lead to an increase in the Group's earnings per share. Under UK companies legislation, the Company may hold any shares bought back in treasury, which may then either be sold for cash, transferred for the purposes of an employees' share scheme (subject, if necessary, to approval by shareholders at a General Meeting) or cancelled. The Company therefore has the choice of either cancelling or holding in treasury any of its shares which it purchases. If the Company buys any of its shares under the authority given by this resolution, the Board will decide at the time of purchase whether to cancel them immediately or to hold them in treasury. In relation to treasury shares, the Board would also have regard to any investor guidelines in relation to the purchase of shares intended to be held in treasury or in relation to their holding or resale which may be in force at the time of any such purchase, holding or resale.

General meetings

16. That the Directors be authorised to call general meetings (other than an AGM) on not less than 14 clear days' notice, such authority to expire at the end of the AGM of the Company to be held in 2011 or the close of business on 30th June 2011, whichever is the earlier.

The 2006 Act requires listed companies to call general meetings on at least 21 clear days' notice unless shareholders have approved the calling of general meetings at shorter notice. Barclays wishes to retain the option of calling general meetings on 14 clear days' notice and the effect of this resolution is to continue to give the Directors the power to call general meetings on a notice period of not less than 14 clear days. However, as Barclays has a global shareholder base, in practice, we would always aim to give a longer notice period to ensure overseas shareholders in particular are able to participate fully. The 14 day notice period would therefore not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The resolution is valid up to the end of the next AGM or the close of business on 30th June 2011, whichever is the earlier, and it is our intention to renew the authority at each AGM. The Company offers the facility for shareholders to vote by electronic means. This is accessible to all shareholders and would be available if the Company was to call meetings on 14 clear days' notice. The Company also provides the ability to appoint proxies electronically through CREST and shareholders can vote online at www.barclays.com/investorrelations/vote.

Adoption of new Articles of Association

17. That:

(a) **the Articles of Association of the Company be amended by deleting all the provisions of the Company's Memorandum of Association which, by virtue of section 28 of the 2006 Act, are to be treated as provisions of the Company's Articles of Association; and**

(b) **the Articles of Association produced to the meeting and initialled by the Chairman of the meeting for the purpose of identification be adopted as the Articles of Association of the Company in substitution for, and to the exclusion of, the existing Articles of Association.**

This resolution is to adopt new Articles of Association (the 'New Articles') in order to update the Company's current Articles of Association (the 'Current Articles') primarily to take account of the coming into force of the Companies (Shareholders' Rights) Regulations 2009 (the 'Shareholders' Rights Regulations'), the implementation of the last parts of the 2006 Act and amendments to the Uncertificated Securities Regulations 2001.

The principal changes introduced in the New Articles are described in Appendix 1 set out on pages 7 to 8 of this Notice.

Edgar Filing: BARCLAYS PLC - Form 6-K

Other changes, which are minor, technical, drafting, clarifying or inconsequential in nature or which merely reflect changes made by the 2006 Act,

the Shareholders' Rights Regulations or the Uncertificated Securities Regulations 2001, or conform the wording of the New Articles with that used in the model articles for public companies produced by the Department for Business, Innovation and Skills (the Model Articles) have not been highlighted in Appendix 1.

A copy of the New Articles will be available for inspection at the Company's registered office, 1 Churchill Place, London E14 5HP during business hours on any weekday (public holidays excluded) from the date of this Notice until the close of the meeting. The New Articles will also be available on the Company's website and available for inspection at the Royal Festival Hall, Southbank Centre, Belvedere Road, London SE1 8XX from 10.30am on Friday 30th April 2010 until the end of the meeting.

Barclays Group SAYE Share Option Scheme (Sharesave Plan)

18. That the rules of the Barclays Group SAYE Share Option Scheme, the principal terms of which are summarised in Appendix 2 and the draft rules which are produced to the meeting and signed by the Chairman of the meeting for the purposes of identification, be and are hereby approved and adopted by the Company and the Directors be and are hereby authorised to:

- (a) **do all such acts and things necessary or expedient for the purposes of implementing and giving effect to the Sharesave Plan, including making any changes to the draft rules of the Sharesave Plan in order to obtain HM Revenue & Customs approval; and**
- (b) **establish such appendices, schedules, supplements or further schemes based on the Sharesave Plan but modified to take advantage of or to comply with, local tax, exchange control or securities laws in jurisdictions outside the UK, provided that any ordinary shares made available under any such appendices, schedules, supplements or further schemes are treated as counting against the limits and overall participation in the Sharesave Plan.**

This resolution proposes the renewal of the Barclays Group SAYE Share Option Scheme, on broadly similar terms to the existing Sharesave Plan, which expires on 31st December 2010, and to authorise the Board to establish (where appropriate) new overseas savings-related option schemes based on the Sharesave Plan. Any such overseas scheme would be subject to the same overall dilution limits on the number of Company shares available and the same individual limits. The Company believes in employee share ownership, which aligns the interests of employees with those of shareholders. The Sharesave Plan is an all-employee share plan that encourages employees to own shares in the Company and to share in its growth and success. The principal terms of the Sharesave Plan are described in Appendix 2 on page 9 of this Notice.

A copy of the rules of the Sharesave Plan will be available for inspection at the Company's registered office, 1 Churchill Place, London E14 5HP during business hours on any weekday (public holidays excluded) from the date of this Notice until the close of the meeting. The Sharesave Plan rules will also be available on the Company's website and available for inspection at the Royal Festival Hall, Southbank Centre, Belvedere Road, London SE1 8XX from 10.30am on Friday 30th April 2010 until the end of the meeting.

Appendix 1

Summary of the principal changes to the Company's

Articles of Association

The Company's objects

The provisions regulating the operations of the Company are currently set out in the Company's Memorandum of Association and the Current Articles. The Company's Memorandum of Association contains, among other things, the objects clause which sets out the scope of the activities the Company is authorised to undertake. This is drafted to give a wide scope.

The 2006 Act significantly reduces the constitutional significance of a company's memorandum. The 2006 Act provides that a memorandum will record only the names of subscribers and the number of shares each subscriber has agreed to take in a company. Under the 2006 Act, the objects clause (and all other provisions which are contained in a company's memorandum), for companies in existence as at 1st October 2009, are deemed to be contained in a company's articles of association (but a company can remove these provisions by special resolution).

The 2006 Act also states that unless a company's articles provide otherwise, a company's objects are unrestricted. This abolishes the need for companies to have objects clauses. For this reason the Company is proposing to remove its objects clause together with all other provisions of its memorandum which, by virtue of section 28 of the 2006 Act, are treated as forming part of the Company's articles of association as of 1st October 2009, namely the statement of authorised share capital, the statement of limited liability, the location of the registered office and the statement of the Company's name. Resolution 17 (a) confirms the removal of these provisions for the Company. As the effect of this resolution will be to remove the statement currently in the Company's Memorandum of Association regarding limited liability, the New Articles also contain an express statement regarding the limited liability of shareholders.

Directors' fees

The New Articles increase the aggregate Directors' fee that may be paid to the non-executive Directors of the Company from £1,000,000 to £2,000,000. This limit was last amended in April 2001 when it was increased from £500,000 to £1,000,000. The total Directors' fees payable vary with the number of non-executive Directors and the amount of the Directors' base fee. The Company wishes to take this opportunity to create additional flexibility in respect of payment of non-executive Directors' fees and is therefore seeking the higher limit in the New Articles. The aggregate fee cap set nine years ago is no longer feasible given the increased expected time commitments set out in the Walker Review. The New Articles also clarify that Directors who hold another office, such as that of Chairman, or who serve on any committees of the Directors, may also be paid for those services.

Articles which duplicate statutory provisions

Provisions in the Current Articles which duplicate provisions contained in the 2006 Act are in the main removed in the New Articles. This is in line with the approach, advocated by the Government, that statutory provisions should not be duplicated in a company's constitution.

Authorised share capital and unissued shares

Edgar Filing: BARCLAYS PLC - Form 6-K

The 2006 Act abolishes the requirement for a company to have an authorised share capital and the New Articles reflect this. Directors will still be limited as to the number of shares they can at any time allot because shareholders will still be asked each year to authorise Directors to allot shares.

All references to authorised share capital and to unissued shares have therefore been removed from the New Articles, including references to the staff shares (all of the staff shares in issue were bought back by the Company following approval by the shareholders at the 2008 AGM).

Allotment authority of the Board

The allotment authority and the power to disapply pre-emption rights in respect of such allotments have been deleted from the New Articles and the Company will therefore in future propose separate, standalone resolutions annually in order to empower the Directors to allot new shares and to disapply pre-emption rights in respect of such allotments. This will also allow the Company to take account of the prevailing current investor protection committee guidance.

Variation of class rights

The Current Articles contain provisions regarding the variation of class rights. The proceedings and specific quorum requirements for a meeting convened to vary class rights are contained in the 2006 Act which are now reflected in the New Articles.

Redeemable shares

Under the Companies Act 1985 (the 1985 Act), if a company wished to issue redeemable shares, it had to include in its articles the terms and manner of redemption. The 2006 Act enables Directors to determine such matters instead provided they are so authorised by the articles. The New Articles contain such an authorisation. The Company has no current plans to issue redeemable shares and if that changes the Directors would need to seek shareholders' authority to issue new shares in the usual way.

Authority to purchase own shares, consolidate and sub-divide shares, and reduce share capital

Under the 1985 Act, a company required specific enabling provisions in its articles to purchase its own shares, to consolidate or sub-divide its shares and to reduce its share capital (or other undistributable reserves) as well as shareholder authority to undertake the relevant action. The Current Articles include these enabling provisions. Under the 2006 Act, a company will only require shareholder authority to do any of these things and it will no longer be necessary for articles to contain enabling provisions. Accordingly, the relevant enabling provisions have been removed in the New Articles.

Right to a share certificate

Pursuant to section 769 of the 2006 Act, the New Articles extend from one month to two months the time period within which a shareholder is entitled to receive a share certificate from the Company following allotment or lodgement with the Company of a transfer or the Company receiving the relevant operator instruction. In practice we shall continue to send share certificates out within one month.

Payment in advance of calls

The Current Articles provide that the members of the Company and the Board shall agree the interest payable on amounts paid in advance of calls, while the New Articles state that if the interest rate is not fixed by the terms of allotment or issue of the shares, the Board may decide the interest payable.

Fees on registration

The Current Articles provide that no fee is payable on any instrument of transfer or other instrument relating to or affecting the title to any shares, while the New Articles state that the Company may charge a fee following an amendment to the Listing Rules. There is no current intention to do so.

Suspension of registration of share transfers

The Current Articles permit the Directors to suspend the registration of transfers. Under the 2006 Act share transfers must be registered as soon as practicable. The power in the Current Articles to suspend the registration of transfers is inconsistent with this requirement. Accordingly, this power has been removed in the New Articles.

Change of name

Under the 1985 Act, a company could only change its name by special resolution. Under the 2006 Act a company will be able to change its name by other means provided for by its articles. The New Articles enable the Directors to pass a resolution to change the Company's name.

Voting record date

Edgar Filing: BARCLAYS PLC - Form 6-K

Under the 2006 Act, as amended by the Shareholders' Rights Regulations, the Company must determine the right of members to vote at a general meeting by reference to the register not more than 48 hours before the time for the holding of the meeting, not taking account of days which are not working days. The New Articles reflect this requirement.

Appendix 1

Summary of the principal changes to the Company's

Articles of Association

continued

Adjournments for lack of quorum

Under the 2006 Act, as amended by the Shareholders' Rights Regulations, general meetings adjourned for lack of quorum must be held at least ten clear days after the original meeting. The New Articles reflect this requirement.

General meetings at more than one place

The New Articles include amendments to provide greater scope for members to participate in meetings of the Company even if they are not present in person at the principal place of the meeting.

Resolution to be decided on a poll

The Current Articles provide that a poll may be demanded by, amongst others, members representing not less than one-fiftieth of the total voting rights of all members or members holding shares conferring a right to vote on which an aggregate sum has been paid up equal to not less than one fiftieth of the total sum paid up. To conform the wording of the New Articles with the Model Articles the threshold is proposed to be increased in both instances from one-fiftieth to 10%.

Voting by proxies on a show of hands

The Shareholders' Rights Regulations have amended the 2006 Act so that it now provides that each proxy appointed by a member has one vote on a show of hands unless the proxy is appointed by more than one member in which case the proxy has one vote for and one vote against if the proxy has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution. The New Articles reflect these changes.

Proxies to vote in accordance with instructions

Under the 2006 Act, as amended by the Shareholders' Rights Regulations, proxies are required to vote in accordance with instructions given by the shareholder by whom the proxy is appointed. The New Articles state that the Company is not required to confirm that a proxy has followed instructions and that a failure to vote as instructed does not invalidate the proceedings on the resolution.

Vacation of office by Director

The Current Articles require five-sixths of the total number of Directors to vote in favour of the removal of any Director. Under the New Articles, the threshold has been reduced from five-sixths to 75%. This threshold is in line with investor protection committee guidance.

Appointment of alternate Director

Edgar Filing: BARCLAYS PLC - Form 6-K

The New Articles provide that, if a Director wishes to appoint a person who is not a Director of the Company as their alternate, the person must be approved by the Board. This requirement is not included in the Current Articles.

Procedures regarding Directors' resolution in writing

The Current Articles require all Directors to sign a written resolution. The New Articles clarify that a written resolution will be valid if agreed to by all the Directors who would have been entitled to vote on that resolution had it been passed at a Directors' meeting. This conforms the New Articles with the Model Articles.

Provision for employees on cessation of business

The 2006 Act provides that the powers of the Directors of a company to make provision for a person employed (or formerly employed) by the company (or any of its subsidiaries) in connection with the cessation or transfer to
