The formal resolutions to be put to the meeting are detailed in this letter.

Explanatory Notes

Ordinary Business

Resolution 1 Report and accounts

The board of Directors of the Company (the **Board**) will lay before the meeting its annual report and the accounts for the financial year ended 31 December 2009, a copy of which will be available on the Company's website at:

http://www.amarincorp.com/investor_relations/agm_2010.497.html

Shareholders may, upon request to the Company, receive a hard copy of the annual report and accounts free of charge. Should you wish to receive a hard copy, please contact the Company on +353 (0)1 6699020 or investor.relations@amarincorp.com.

Resolution 2 Directors remuneration report

The Directors remuneration report for the year ended 31 December 2009 is set out in the Company's annual report and the accounts for the financial year ended 31 December 2009. It complies with the requirements of the Companies Act 2006 for a report on the remuneration of all Directors, both executive and non-executive. The report will be approved by the Board and is subject to the approval of the shareholders at the AGM.

Resolutions 3, 4, 5, 6 and 7 Retirement by rotation and re-election of Directors

In accordance with Article 111 of the Company's articles of association (the **Articles**), Mr. Jan van Heek and Mr. Joseph Zakrzewski as Directors appointed by the Board since the date of the last AGM, retire from office and are proposed for re-election.

In accordance with Article 116 of the Articles, Dr. Carl Gordon, Mr. Thomas Lynch and Dr. Lars Ekman retire from office by rotation and each of them is proposed for re-election.

Resolution 8 Re-appointment of auditors

The appointment of PricewaterhouseCoopers (**PWC**) as auditors of the Company terminates at the conclusion of the AGM. PWC have advised their willingness to stand for re-appointment as auditors of the Company until the conclusion of the AGM in 2011 or their earlier resignation. The Directors recommend their re-appointment and seek authority for the audit committee of the Board to set their remuneration.

Special Business

Resolution 9 To renew the power of the Directors to allot shares

The Companies Act 2006 (the **2006 Act**) prevents Directors from allotting unissued shares without the authority of shareholders in general meeting. An ordinary resolution will be proposed to the AGM pursuant to the 2006 Act to authorise the Directors to allot new securities up to an aggregate nominal amount of £147,042,792.70 (being the aggregate nominal amount of £125,000,000 in respect of ordinary shares and £22,042,792.70 in respect of preference shares) for the period ending at the close of business on the day falling five years from the date of the resolution being passed.

Resolution 10 To disapply statutory pre-emption rights

A special resolution will be proposed at the AGM to disapply the statutory pre-emption rights set out in section 561(1) of the 2006 Act in relation to the allotment of equity securities, which the Directors consider most appropriate in the present circumstances as it offers the Board flexibility in respect of future proposals that benefit the Company.

Resolution 11 To approve the Amendment to the Company's Stock Option Plan

An ordinary resolution will be proposed at the AGM to approve the Amendment to the Amarin Corporation plc 2002 Stock Option Plan (the **Plan**). By virtue of an ordinary resolution of the shareholders of the Company passed at the AGM in 2002, the shareholders approved and the Company adopted the Plan. The original limit on the number of shares issued or issuable under all stock options granted under the Plan was 2,000,000 ordinary shares of 5 pence each (**5p Ordinary Shares**). This limit was increased to 4,000,000 5p Ordinary Shares by an ordinary resolution dated 25 July 2003 and was further increased to 8,000,000 5p Ordinary Shares by an ordinary resolution dated 25 July 2005. The Plan limit was subsequently increased to 8,986,439 5p Ordinary Shares by the remuneration committee of the Board pursuant to section 4(c) of the Plan to prevent dilution of the potential benefits available under the Plan as a result of certain discounted share issues. The Plan limit was then increased to 12,000,000 5p Ordinary Shares by an ordinary resolution dated 25 January 2007; further increased to 18,000,000 5p Ordinary Shares by an ordinary resolution dated 19 July 2007; and further increased to 4,000,000 Ordinary Shares of £0.50 each by an ordinary resolution dated 31 July 2008, reflecting the consolidation of every ten 5p Ordinary Shares into one ordinary share of £0.50 by an ordinary resolution dated 17 January 2008. The Plan limit was then increased to 10,000,000 Ordinary Shares of £0.50 each by an ordinary resolution of the shareholders passed at the AGM in 2009. The Board now wishes to amend the terms of the Plan by increasing the limit on the number of ordinary shares of £0.50 each issued or issuable under all stock options granted under the Plan from 10,000,000 ordinary shares of £0.50 each to 14,000,000 ordinary shares of £0.50 each.

The Board also wishes to amend the terms of the Plan by authorizing the grant of unrestricted ordinary shares to directors. The Board approved the Amendment. The principal terms of the Plan are summarised in the Appendix to this Notice.

A copy of the Amendment to the Plan is available on the Company's website at:

http://www.amarincorp.com/investor_relations/agm_2010.497.html

Shareholders may, upon request to the Company, receive a hard copy of the Plan and Amendment to the Plan free of charge. Should you wish to receive a hard copy, please contact the Company on +353 (0)1 6699020 or investor.relations@amarincorp.com.

Actions to be Taken

Holders of Ordinary Shares will find enclosed a Proxy Form for use in relation to the AGM. Whether or not you intend to be present at the meeting, you are requested to complete and return the Proxy Form in accordance with the instructions printed thereon to Equiniti, PO Box 1155, Lancing, West Sussex, U.K. BN99 6RB as soon as possible and, in any event, so as to arrive not later than 6 p.m. on Friday, 2 July 2010. The completion and return of a Proxy Form will not preclude you from attending the AGM and voting in person should you so wish.

Holders of American Depositary Shares in the Company should refer to the enclosed letter from Citibank, N.A. containing instructions as to what action you should take in order for your vote to be presented at the AGM.

Recommendation

Your Board believes that the resolutions contained in this Notice of Meeting are in the best interests of the Company and shareholders as a whole and unanimously recommends you to vote in favour of them, as your Directors intend to do in respect of their beneficial shareholdings.

Yours sincerely

Joseph S. Zakrzewski

APPENDIX

SUMMARY OF THE AMARIN CORPORATION PLC 2002 STOCK OPTION PLAN

(the **Plan**)

1. GENERAL

The Plan is an unapproved share option scheme for UK tax purposes. The Plan is however, intended to permit the granting of Non-Qualified Stock Options and Incentive Stock Options to eligible U.S. tax resident individuals in accordance with the Internal Revenue Code of 1986 (the **Code**) in the U.S. In addition, Directors are eligible to receive grants of Ordinary Shares (as defined below) not subject to any restrictions.*

The Directors' functions under the Plan are discharged by the Remuneration Committee which has discretion in relation to various determinations, interpretations and decisions with respect to the Plan.

2. ELIGIBILITY

Employees, Directors, consultants and independent contractors of the Company and its subsidiaries, are eligible to participate in the Plan.

3. GRANT OF OPTIONS

No payment is required for the grant of an option. Options are not transferable other than where, by virtue of a participant's death, they may be exercised by his or her personal representatives.

4. LIMITS ON THE ISSUE OF SHARES UNDER THE PLAN

No options may be granted under the Plan at any time when the option grant would cause the number of shares issued or issuable in respect of all stock options granted under the Plan to exceed 14,000,000* ordinary shares of £0.50 each in the capital of the Company (**Ordinary Shares**).

5. EXERCISE PRICE

The price per Ordinary Share payable on the exercise of an option is determined by the Remuneration Committee but must not be less than the fair market value of the Company's Ordinary Shares or American Depositary Shares (**ADSs**). Fair market value shall be determined as follows:

- (a) If the Ordinary Shares or ADSs are listed on NASDAQ or any other established stock exchange or a national market system, the closing sales price of the Ordinary Shares or ADSs on the last trading day before the Remuneration Committee awards a grant of stock options (the **Pricing Date**); or
- (b) If the Ordinary Shares or ADSs are quoted on NASDAQ but not on the National Market thereof, then fair market value shall be the mean between the high bid and low asked prices for the Ordinary Shares or ADSs on the Pricing Date; or
- (c) In the absence of an established market for the Ordinary Shares or ADSs, the fair market value shall be determined in good faith by the Remuneration Committee.

* subject to the passing of resolution 11 as an ordinary resolution at the Annual General Meeting.

6. EXERCISE OF OPTIONS

Unless otherwise specified in an award agreement, an option will be exercisable as to twenty five percent (25%) of the option on each of the first, second, third and fourth anniversary of grant. Options also become exercisable and lapse as follows:

- (a) In the event of termination of employment for cause, options expire immediately unless the Remuneration Committee determines otherwise;
- (b) In the event of termination of employment by reason of death or permanent disability, vested options remain exercisable for twelve months following the date of death or permanent disability unless the Remuneration Committee determines otherwise;
- (c) In the event of termination of employment for any other reason, vested options remain exercisable for twelve months following termination of employment unless the Remuneration Committee determines otherwise;
- (d) On a change of control of the Company, the following applies:
 - (i) all unvested options granted before 1 February 2009 and all unvested options granted on or after 1 February 2009 held by directors other than the Chief Executive Officer of the Company vest immediately and remain exercisable for twelve months following the change of control (unless otherwise agreed with the acquiring company);
 - (ii) all unvested options granted on or after 1 February 2009 held by the Chief Executive Officer and non-director optionholders do not automatically vest, but if within two years following a change of control such an optionee's employment is terminated other than for cause, then upon that termination all unvested options vest immediately and all vested options remain exercisable for twelve months following termination (unless otherwise agreed with the acquiring company).

7. RIGHTS ATTACHING TO SHARES

All Ordinary Shares allotted under the Plan will rank equally with all other Ordinary Shares of the Company for the time being in issue (except for any rights arising by reference to a record date before the date of allotment).

8. VARIATION OF CAPITAL

In the event of any increase or variation of share capital or of any other circumstances similarly affecting options, the Directors may make such adjustments as they consider appropriate to the number of shares subject to options and the price payable on their exercise.

9. ALTERATIONS TO THE PLAN

The Directors may at any time amend, alter, suspend, discontinue or terminate the Plan in any respect, provided that the prior approval of the Company in general meeting is obtained for alterations or additions which would violate the rules and regulations of the NASDAQ National Market system or any securities exchange that are applicable to the Company or would cause the Company to be unable, under the Code, to grant incentive stock options under the Plan.

The Remuneration Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent it shall deem desirable to carry the Plan into effect.
