Item 8.01 Other Events.

On July 12, 2010, Circor International, Inc. (Circor) issued a press release announcing that on July 12, 2010 (the Petition Date) its wholly owned subsidiary, Leslie Controls, Inc. (Leslie), filed a voluntary petition in the U.S. Bankruptcy Court for the District of Delaware seeking reorganization relief under the provisions of Chapter 11 of the U.S. Bankruptcy Code, which is intended to permanently resolve the liability associated with both pending and future asbestos related product liability actions against Leslie (the Leslie Asbestos Claims). Leslie 's voluntary petition includes a reorganization plan to establish a trust under Section 524(g) of the U.S. Bankruptcy Code and is supported by a committee of attorneys representing current asbestos claimants and an independent representative of future claimants. Under the reorganization plan, all pending and future Leslie Asbestos Claims, as well as any derivative claims against Circor by virtue of its ownership of Leslie, would be channeled to the trust for review and payment, thus providing both Leslie and Circor with permanent protection from such claims. With court approval, the reorganization plan thus would resolve all pending and future Leslie Asbestos Claims and would also provide Circor with permanent protection from the related derivative claims. A copy of the press release, which includes further details about Leslie 's voluntary petition, is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
