**PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 14, 2011**

INTRODUCTION

General

This Proxy Statement and the accompanying 2010 Annual Report to Shareholders are being furnished to the shareholders of Northwest Pipe Company, an Oregon corporation (the "Company"), as part of the solicitation of proxies by the Company's Board of Directors (the "Board of Directors") for use at the Company's annual meeting of shareholders (the "Annual Meeting") to be held on Tuesday, June 14, 2011 at the Heathman Hotel, 1001 SW Broadway, Portland, OR 97205, at 9:00 a.m., local time. At the Annual Meeting, shareholders will be asked to vote on the following matters: (i) the election of two directors to serve for three-year terms; (ii) the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2011; (iii) an advisory vote on the Company's executive compensation; (iv) an advisory vote on the frequency of shareholder advisory votes on the Company's executive compensation; and (v) such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof. This Proxy Statement, together with the enclosed proxy card and the 2010 Annual Report to Shareholders, are first being mailed to shareholders of the Company on or about May 13, 2011.

The Board of Directors has fixed the close of business on April 25, 2011 as the record date for the determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of Common Stock at the close of business on such date will be entitled to vote at the Annual Meeting, with each such share entitling its owner to one vote on all matters properly presented at the Annual Meeting. On the record date, there were 9,311,055 shares of Common Stock then outstanding.

If the enclosed form of proxy is properly executed and returned in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. *Executed but unmarked proxies will be voted in accordance with the recommendations of the Board of Directors.*

Shareholders who execute proxies retain the right to revoke them at any time prior to the exercise of the powers conferred thereby by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to, Corporate Secretary, Northwest Pipe Company, 5721 SE Columbia Way, Suite 200, Vancouver, Washington, 98661, or by attending the Annual Meeting and voting in person. All valid, unrevoked proxies will be voted at the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Although we encourage you to read this Proxy Statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you might have about the Annual Meeting.

Q: Why is the Company providing these materials?

A: The Company's Board of Directors is providing these proxy materials to you in connection with the Company's Annual Meeting of Shareholders, which will take place on June 14, 2011 at 9:00 a.m. at the Heathman Hotel in downtown Portland. Shareholders are invited to attend the Annual Meeting and are requested to vote on the proposals described in this Proxy Statement.

Q: What information is contained in these materials?

A: The information included in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of directors and our most highly paid officers, and other required information.

Q: What proposals will be voted on at the Annual Meeting?

A: There are four proposals scheduled to be voted on at the Annual Meeting:

the election of two members of the Board of Directors (Proposal No. 1);

the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2011 (Proposal No. 2);

the advisory vote on executive compensation (Proposal No. 3); and

the advisory vote on the frequency of holding an advisory vote on executive compensation (Proposal No. 4).

We will also consider other business that properly comes before the Annual Meeting.

Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that you vote your shares **FOR** the election of the Board's nominees for election to the Board of Directors; **FOR** the ratification of the Audit Committee's appointment of Deloitte & Touche LLP as our independent registered public accounting firm; **FOR** the advisory vote on executive compensation; and for the **1 YEAR** option for the advisory vote on the frequency of holding an advisory vote on executive compensation.

Q: What shares owned by me can be voted?

A: All shares of the Company's common stock owned by you as of the close of business on April 25, 2011 (the Record Date) may be voted by you. You may cast one vote per share of common stock that you held on the Record Date. These shares include shares that are: (i) held directly in your name as the shareholder of record, and (ii) held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of the Company's shareholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with the Company's transfer agent, BNY Mellon Shareowner Services, you are considered the shareholder of record of those shares and these proxy materials are being sent directly to you by the Company. As the shareholder of record, you have the right to grant

Table of Contents

your voting proxy directly to the Company or to vote in person at the Annual Meeting. You may also vote your shares as described below under How can I vote my shares without attending the Annual Meeting?

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered the shareholder of record of those shares. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from your broker or other nominee authorizing you to vote your shares at the Annual Meeting. Your broker or nominee has sent you instructions for how you can direct the broker or nominee to vote your shares. You may vote your shares by Internet or by telephone as described below under How can I vote my shares without attending the Annual Meeting?

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held directly in your name as the shareholder of record may be voted in person at the Annual Meeting. If you choose to do so, please bring your proxy card or proof of identification. Even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting. Shares held in street name may be voted in person by you only if you obtain a legal proxy from the record holder giving you the right to vote the shares.

Q: How can I vote my shares without attending the Annual Meeting?

A: To vote your shares without attending the meeting, please sign, date and return the enclosed proxy card, or follow the instructions for Internet or telephone voting on the enclosed proxy card. This way your shares will be represented whether or not you are able to attend the meeting. Many of our shareholders who hold their shares in street-name will also have the alternatives of voting either by Internet or telephone.

Q: Can I change my vote?

A: You may change your proxy instructions at any time prior to the vote at the Annual Meeting. You may accomplish this by entering a new vote by Internet, by telephone, by delivering a written notice of revocation to the Company's Corporate Secretary, by granting a new proxy card or new voting instruction card bearing a later date (which automatically revokes the earlier proxy instructions), or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request. If your shares are held in a stock brokerage account or by a bank or other nominee, you must obtain a legal proxy from your broker or other nominee authorizing you to vote your shares at the Annual Meeting.

Q: How are votes counted?

A: In the election of directors, you may vote FOR or WITHHOLD AUTHORITY from voting for each of the director nominees. If you vote your shares without providing specific instructions, your shares will be voted FOR the nominees for election to the Board of Directors. If you vote to WITHHOLD AUTHORITY to vote for a nominee for election as a director, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be counted and will have no effect in determining whether the nominee is elected.

Edgar Filing: NORTHWEST PIPE CO - Form DEF 14A

With respect to the proposal for ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm and the advisory vote on executive compensation, you may vote FOR or AGAINST or ABSTAIN. If you vote your shares without providing specific instructions, your shares will be voted in accordance with the recommendations of the Board. With respect

Table of Contents

to the advisory vote on the frequency of holding an advisory vote on compensation, you may vote 1 YEAR or 2 YEARS or 3 YEARS or ABSTAIN. If you vote to ABSTAIN from voting on the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm, the advisory vote on executive compensation, or the advisory vote on the frequency of holding an advisory vote on executive compensation, the shares represented will be counted as present for the purpose of determining a quorum, but with respect to any proposal on which there was a vote to ABSTAIN they will not be counted and will have no effect in determining whether the proposal is approved.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote or votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, brokers have discretion to vote these shares on routine matters but not on non-routine matters. Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares FOR routine matters but expressly instructing that the broker is not voting on non-routine matters. A broker non-vote occurs when a broker expressly instructs on a proxy card that the broker is not voting on a matter, whether routine or non-routine. Proposal No. 2 contained in these proxy materials is considered a routine matter, so unless you have provided otherwise, your broker will have discretionary authority to vote your shares on Proposal No. 2. However, Proposals No. 1, 3 and 4 are considered non-routine matters, so unless you have provided instructions to your broker with respect to Proposals No. 1, 3 and 4, your broker will not have authority to vote your shares on any of those proposals and your shares will constitute broker non-votes. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum but are not counted for determining the number of shares entitled to vote or votes cast for or against a proposal.

Q: What is the quorum requirement for the Annual Meeting ?

A: The quorum requirement for holding the Annual Meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the Annual Meeting.

Q: What is the voting requirement to approve the proposals?

A: The election of the director nominees requires the affirmative FOR vote of a plurality of the votes cast in the election. The proposals for ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm and the advisory vote on executive compensation require the affirmative FOR vote of a majority of the votes cast on the proposal. For the proposal for the advisory vote on the frequency of holding an advisory vote on executive compensation, the option that receives the highest number of votes cast by shareholders will be the frequency selected by shareholders.

Q: Who are the proxyholders and what do they do?

A: The two persons named as proxyholders on the proxy card, Richard A. Roman, our President and Chief Executive Officer, and William R. Tagmyer, our Chairman of the Board, were designated by the Board of Directors. The proxyholders will vote all properly tendered proxies (except to the extent that authority to vote has been withheld) and where a choice has been specified by you as provided in the proxy card, it will be voted in accordance with the instructions you indicate on the proxy card. If you vote your shares without providing specific instructions regarding each of the proposals, your shares will be voted on each proposal as recommended by the Board of Directors.

Table of Contents

Q: What does it mean if I receive more than one set of proxy materials?

A: You may receive more than one set of proxy materials. For example, if you hold your shares in more than one brokerage account, you may receive a separate set of proxy materials for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one set of proxy materials. Please vote your shares for each set of proxy materials that you receive by following the instructions in the enclosed proxy card.

Q: How can I revoke my proxy?

A: You may revoke your proxy at any time before it is voted at the Annual Meeting. In order to do this, you may do any of the following:

sign and return another proxy card bearing a later date;

enter a new vote by Internet or by telephone following the instructions in the proxy card;

provide written notice of the revocation to the Company's Corporate Secretary, Northwest Pipe Company, 5721 SE Columbia Way, Suite 200, Vancouver WA 98661, prior to the vote at the Annual Meeting; or

attend the meeting and vote in person.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting and publish final results in the Company's Current Report on Form 8-K filed by the Company within four business days after the Annual Meeting.

Q: What happens if additional proposals are presented at the Annual Meeting?

A: Other than the proposals described in this Proxy Statement, the Company does not expect any additional matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Richard A. Roman, the Company's President and Chief Executive Officer, and William R. Tagmyer, the Company's Chairman of the Board, will vote your shares on any additional matters properly presented for a vote at the Annual Meeting in a manner directed by a majority of the Board of Directors.

Q: Who will count the vote?

A: BNY Mellon Shareowner Services, the Company's transfer agent, has been appointed to act as the inspector of election and will tabulate the votes. In the event BNY Mellon Shareowner Services is unable to do so, a representative of the Company's legal counsel, Ater Wynne LLP, will act in this role.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by the Board of Directors. Occasionally, shareholders provide written comments on their proxy card, which are then forwarded to the Company's management.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by the Company's directors, officers, and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners.

CORPORATE GOVERNANCE

Our Board of Directors and management have committed themselves to establishing a strong corporate governance environment and to adopting best practices as they most meet the needs and goals of the Company. To that end, we hired a Director of Compliance and Controls in August 2010. Additionally, as part of that commitment, we have adopted Corporate Governance Principles, which cover such topics as qualifications and independence of Board members, the selection, orientation, and continuing education of Board members, as well as other topics designed to promote effective governance by the Board of Directors. We have also adopted a Code of Business Conduct and Ethics, which applies to all employees, officers and directors of the Company and sets forth guidance to help in recognizing and dealing with ethical issues, to provide mechanisms for reporting unethical conduct, and to promote a culture of honesty and accountability. Copies of our Corporate Governance Principles and Code of Business Conduct and Ethics are available on the Company's website at www.nwpipe.com under the heading "Corporate Governance", or by writing to Northwest Pipe Company, attn. Corporate Secretary, 5721 SE Columbia Way, Suite 200, Vancouver, WA 98661.

We also adopted a Policy for Reporting Financial Irregularities ("Whistleblower Policy"), which is intended to create a workplace environment that encourages the highest standards of ethical, moral, and legal business conduct. The Whistleblower Policy establishes procedures for any person to confidentially and anonymously report violations by us or any of our personnel of our Code of Ethics or any laws, rules or regulations without fear of retaliation. The Whistleblower Policy also contains procedures for submission of complaints involving our accounting practices and internal accounting controls.

Director Independence

The Board of Directors has determined that Michael C. Franson, Wayne B. Kingsley, Keith R. Larson and James E. Declusin are independent. The Board has established director independence guidelines as part of the Corporate Governance Principles to assist in determining director independence in accordance with the standards of the Nasdaq Stock Market. The director independence guidelines provide that none of the following will be an independent director:

(A) a director who is, or at any time during the past three years was, employed by the Company;

(B) a director who accepted or who has a family member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:

(i) compensation for board or board committee service;

(ii) compensation paid to a family member who is an employee (other than an executive officer) of the Company; or

(iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation,

provided, however, that in addition to the requirements contained in this paragraph (B), Audit Committee members are also subject to additional, more stringent requirements under NASDAQ Rule 5606(c)(2).

(C) a director who is a family member of an individual who is, or at any time during the past three years was, employed by the Company as an executive officer;

(D) a director who is, or has a family member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

(i) payments arising solely from investments in the Company's securities; or

(ii) payments under non-discretionary charitable contribution matching programs.

(E) a director of the Company who is, or has a family member who is, employed as an executive officer of another entity where at any time during the past three years any of the executive officers of the Company serve on the compensation committee of such other entity; or

Table of Contents

(F) a director who is, or has a family member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

Board Leadership Structure and Risk Oversight

The Company's Corporate Governance Principles provide that the independent members of the Board of Directors will select a lead director from among the independent directors if the positions of Chairman of the Board and Chief Executive Officer are held by the same person or if the Chairman of the Board is not an independent director. The responsibilities of the Chairman of the Board include the following: set Board meeting agendas in collaboration with the CEO; preside at Board meetings and the annual shareholders meeting; assign tasks to the appropriate committees; and ensure that information flows openly between management and the Board. The responsibilities of the lead director include the following: coordinate the activities of the independent directors; make recommendations to the CEO in setting Board meeting agendas on matters concerning the independent directors; prepare the agenda for executive sessions of the independent directors, chair those sessions and be primarily responsible for communications between the independent directors and the CEO. William R. Tagmyer, the Chairman of our Board of Directors, is not independent within the meaning of the applicable rules of the Nasdaq Stock Market. Accordingly, at the time the Company's Corporate Governance Principles were adopted, the Board selected one of the independent directors, Richard A. Roman, to serve as Lead Director. Mr. Roman resigned his position as Lead Director when he was appointed as the Company's Chief Executive Officer in March 2010. In December 2010, the remaining independent directors appointed James E. Declusin as the Board's new Lead Director.

The Board of Directors oversees management's Company-wide risk management activities. Management's risk management activities include assessing and taking actions necessary to manage risks incurred in connection with the long-term strategic direction of the Company and the operation of our business. The Board of Directors uses its committees to assist in its risk oversight function. The Compensation Committee is responsible for oversight of risk associated with our compensation plans. The Nominating and Governance Committee is responsible for oversight of board processes and corporate governance-related risk. The Audit Committee is responsible for oversight of our financial reporting process, financial internal controls and compliance activities, the qualification, independence and performance of our independent auditors, and compliance with applicable legal and regulatory compliance requirements. The Board of Directors maintains overall responsibility for oversight of the work of its various committees by having regular reports from the chairman of each Committee with respect to the work performed by his respective Committee. In addition, discussions about the Company's strategic plan, financial results, capital structure, merger and acquisition related activity and other business discussed with the Board generally includes discussion of the risks associated with the matters under consideration.

Board of Directors Meetings

The Board of Directors met seven times during 2010. Each director attended more than 75 percent of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which he served. Members of the Board of Directors are also encouraged to attend the Company's annual meeting of shareholders each year. All of the members of the Board of Directors attended the Company's 2010 Annual Meeting of Shareholders.

Board of Directors Committees

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Each of the Committees consists of independent directors and each of the Committees has adopted a written charter which is available on the Company's website at www.nwpipe.com under the heading "Corporate Governance", or by writing to Northwest Pipe Company, attn. Corporate Secretary, 5721 SE Columbia Way, Suite 200, Vancouver, WA 98661.

Audit Committee. The Audit Committee of the Board of Directors is responsible for the oversight and monitoring of: the integrity of the Company's financial reporting process, financial internal control systems, accounting and legal compliance and the integrity of our financial reporting; the qualifications, independence and performance of our independent auditors; our compliance with applicable legal and regulatory requirements; and the maintenance of an open and private, if necessary, communication among the independent auditors, management, legal counsel and the Board. The Audit Committee met 83 times in 2010. Each member of the Audit Committee is independent as defined by applicable U.S. Securities and Exchange Commission (SEC) and Nasdaq Stock Market rules. The Board of Directors has determined that Mr. Franson qualifies as an audit committee financial expert as defined by the rules of the SEC.

Audit Committee Report. Management is responsible for preparing the Company's financial statements. The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and issuing a report thereon, and for performing an independent audit of the effectiveness of the Company's internal controls over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee serves a board-level oversight role in which it provides advice, counsel and direction to management and the independent accountants on the basis of the information it receives, discussions with the independent accountants and the experience of the Audit Committee's members in business, financial and accounting matters.

In this context, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent accountants. The Audit Committee also has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

EXECUTIVE COMPENSATION

Compensation Discussion And Analysis

Compensation Philosophy and Objectives. The Board of Directors and executive management at the Company believe that the performance and contribution of our executive officers are critical to our overall success. To attract, retain, and motivate the executives to accomplish our business strategy, the Compensation Committee establishes executive compensation policies and oversees executive compensation practices at the Company.

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of our specific annual and long-term goals, and which aligns executives' interests with those of the shareholders by rewarding performance that exceeds established goals, with the ultimate objective of improving shareholder value.

The Compensation Committee also evaluates compensation programs to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives. The Compensation Committee believes our executive compensation packages should include both cash and share-based compensation that reward performance as measured against established goals.

The Compensation Committee did not use a compensation consultant in 2010.

Process for Setting Executive Compensation. The Compensation Committee annually reviews and approves compensation levels and pay mix for our executives.

The Compensation Committee generally does not utilize specific benchmark levels. Rather, the Compensation Committee considers broad, market based survey data, such as *salary.com* and *WorldatWork.org*, when assessing the competitiveness of compensation levels and pay mix for the CEO, CFO and other executives.

The Compensation Committee evaluates and considers our annual performance within the context of our long-term strategic plan, identifying areas in which expectations were exceeded, achieved or fell below stated goals. The structure of all incentive compensation plans is reviewed periodically to assure their linkage to the current objectives, strategies and performance goals.

The Compensation Committee evaluates and considers a variety of growth, profitability, return and shareholder value measures relative to historical performance, and relative to internal budgets.

There is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation. Rather, the Compensation Committee exercises business judgment in determining the appropriate level and mix of executive compensation in order to acknowledge the value of time spent on our business through cash and align director and shareholder interests through equity.

The Compensation Committee uses subjective individual performance as a factor in making its decisions. The Compensation Committee and the CEO annually review the performance of each named executive officer (other than the CEO whose performance is reviewed by the Compensation Committee). Based on these reviews, the Compensation Committee makes compensation decisions, including salary adjustments and annual bonus awards, for the named executive officers.

The Compensation Committee reviews the total compensation of each named executive officer each year.

Table of Contents

Elements of Compensation. For the year ended December 31, 2010, the principal components of compensation for executive officers were:

base salary;

performance-based incentive compensation;

discretionary incentive compensation;

long-term equity incentive awards (restricted stock units and performance awards);

retirement benefits; and

perquisites and other personal benefits.

Base Salary. We provide executive officers and other employees with a base salary to compensate them for services rendered during the fiscal year. Base salaries are determined for each executive based on his or her position and responsibility, using market data. In addition, we consider the individual performance of each executive, and conduct internal reviews of each executive's compensation to ensure equity among executive officers. Salary levels are typically reviewed annually as part of our performance review process as well as upon a promotion or other change in job responsibility. Merit based increases to salaries are based on the Compensation Committee's assessment of the individual executive's performance. Due to continuing economic conditions, no pay increases were given to the named executive officers in 2010. In 2009, we furloughed employees, including executive officers, as part of our cost reduction activities. This furlough had the effect of reducing base salaries in 2009.

Performance-Based Incentive Compensation. We provide executive officers and other employees with incentive compensation to incentivize and reward them for high performance and achievement of corporate goals. The incentive compensation program gives the Compensation Committee the latitude to award cash incentive compensation to executive officers and others as a reward for our growth and profitability, and places a significant percentage of each executive officer's compensation at risk. Awards are based on our achievement of certain financial performance measures for the year, including sales and net income measures. For 2010, there was no performance-based incentive compensation for the executive officers as a result of our failure to achieve applicable performance targets.

Long-Term Equity Incentive Awards. In 2008, we began providing long-term equity incentive awards to executive officers and certain designated key employees. The long-term equity incentive awards are designed to ensure that our executive officers and key employees have a continuing stake in our long-term success. In addition, the awards emphasize pay-for-performance. Terms and conditions of the awards are determined on an annual basis by the Compensation Committee. The amount of the initial equity award was determined based on a percentage of the recipient's salary, and ranged from twelve and one-half percent to eighty percent, depending on the grade level of the employee. Under the grant, twenty percent of the award was in the form of restricted stock units (RSUs), and eighty percent of the award was in the form of performance share awards (PSAs). RSUs are service based and entitle the holder to one share of Common Stock at the end of the vesting period (generally the vesting occurs annually over a three-year period), subject to continued employment. RSUs are designed to attract and retain executive officers and others by providing them with the benefits associated with the increase in the value of the Common Stock during the vesting period, while incentivizing them to remain with us long-term. PSAs are performance- and service-based, and entitle the holder to receive one share of Common Stock, generally based on the achievement of a three-year earnings per share result compared to a pre-established target. The number of PSAs and, therefore, the number of shares awarded at the end of a performance period can range from zero to 225% of the target award. Vesting of the awarded PSAs generally occurs following the end of the performance period, subject to continued employment. PSAs serve several purposes. They have value to the holder only if threshold earnings per share goals are achieved during their performance measurement period (generally three-year) and they serve as a retention tool because awards made for the attainment of the targeted earnings per share goals vest equally over two years following the performance measurement period. Additionally, the holders benefit further if they are successful in increasing the value of our Common Stock.

Table of Contents

Due to continuing economic conditions, no grants were awarded in 2010 under the long-term equity incentive program.

Concurrent with the implementation of the long-term equity incentive awards, we adopted a requirement that over the next five years executive officers must accumulate, and hold thereafter, one times their then-current annual salary in Common Stock.

Retirement Benefits. In order to provide competitive total compensation, we offer our executive officers and certain designated key employees a nonqualified retirement savings plan (the Deferred Compensation Plan), which provides executive officers and others with the opportunity to defer salary and bonus compensation for a period of years or until termination of employment. Executive officers who defer salary or bonus under the Deferred Compensation Plan are credited with market-based returns. We may make a discretionary matching contribution based on deferrals made by each participant. In addition, we will make a contribution based on a target benefit projected for each participant. The target benefit projected is 1% of base salary in the year before attaining normal retirement age per year of employment (up to 35 years) with us. For 2010, deferred compensation match accounted for approximately 3% and 9% of the total compensation for the Presidents and the other executive officers, respectively.

We also offer a qualified 401(k) defined contribution plan. The ability of executive officers to participate fully in this plan is limited under IRS and ERISA requirements. The 401(k) plan encourages employees to save for retirement by investing on a regular basis through payroll deductions.

Perquisites and Other Personal Benefits. We provide executive officers with perquisites and other personal benefits that we and the Compensation Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract, retain and motivate employees for key positions. We are selective in our use of perquisites, utilizing perquisites that are commonly provided, the value of which is generally modest. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to executive officers. The primary perquisites are car allowances, club membership dues, life insurance premiums and infrequent payments of spousal travel.

Executive Compensation and Risk. Although a substantial portion of the compensation paid to our executive officers is performance-based, we believe our executive compensation programs do not encourage excessive and unnecessary risk-taking by our executive officers because these programs are designed to encourage our executive officers to remain focused on both the short-term and long-term operational and financial goals of the Company. We achieve this balance through a combination of elements in our overall compensation plans, including: elements that reward different aspects of short-term and long-term performance; incentive compensation that rewards performance on a variety of different measures; awards that are paid based on results averaged out over several years; and awards paid in cash and awards paid in shares of the Company's stock, to encourage alignment with the interests of shareholders.

Change in Control Agreements

We have entered into change in control agreements (the "Agreements") with our executive officers. Each of the Agreements is for a term ending July 19, 2011, provided that on that date and each anniversary thereafter, the term of the Agreements will be automatically extended by one year unless either party gives 90 days prior written notice that the term of an agreement shall not be so extended. If a Change in Control (as defined in the Agreements and described below) occurs during the term of Agreements, the Agreements will continue in effect until two years after the Change in Control.

If an executive officer's employment is terminated within two years after a Change in Control either by us without Cause (as defined in the Agreements and described below) or by the executive officer for Good Reason (as defined in the Agreements and described below), the executive officer will be entitled to receive his or her full base salary through the date of termination and any benefits or awards (both cash and stock) that have been earned or are payable through the date of termination plus (i) a lump sum payment equal to two years' base salary (one year in the case of Mr. Jenkins) and (ii) an amount equal to two times (one times in the case of Mr. Jenkins) the average cash bonuses paid to the executive officer during the previous three years. In addition, the executive officer would be entitled to the continuation of health and insurance benefits for certain periods and all outstanding unvested stock options would immediately become fully vested. In the event that the payments made to an executive officer would be deemed to be a parachute payment under the Internal Revenue Code of 1986, an executive officer may choose to accept payment of a reduced amount that would not be deemed to be a parachute payment.

If an executive officer's employment is terminated within two years after a Change in Control either by us for Cause or as a result of the executive officer's disability or death, the executive officer will be entitled to receive his or her full base salary through the date of termination plus any benefits or awards (both cash and stock) that have been earned or are payable through the date of termination.

For purposes of the Agreements, a Change in Control includes (i) any merger or consolidation transaction in which we are not the surviving corporation, unless our shareholders immediately before such transaction have the same proportionate ownership of common stock of the surviving corporation in the transaction, (ii) the acquisition by any person of 30 percent or more of our total combined voting power, (iii) the liquidation or the

sale or other transfer of substantially all of our assets, and (iv) a change in the composition of the Board of Directors during any two-year period such that the directors in office at the beginning of the period and/or their successors who were elected by or on the recommendation of two-thirds of the directors in office at the beginning of the period do not constitute at least a majority of the Board of Directors. For purposes of the Agreements, "Good Reason" includes (i) an adverse change in the executive officer's status, title, position(s) or responsibilities or the assignment to the executive of duties or responsibilities which are inconsistent with the executive officer's status, title or position, (ii) a reduction in the executive officer's base salary or the failure to pay compensation otherwise due to the executive officer, (iii) a requirement that the executive officer be based anywhere other than within 10 miles of his or her job location before the Change in Control, (iv) our failure to continue any compensation or employee benefit plan or program in effect before the Change in Control or any act or omission that would adversely affect the executive officer's continued participation in any such plan or program or materially reduce the benefits under such plan or program, and (v) our failure to require any of our successor to assume our obligations under the Agreements within 30 days after a Change in Control. For purposes of the Agreements, "Cause" means the willful and continued failure to satisfactorily perform the duties assigned to the executive officer within a certain period after notice of such failure is given and commission of certain illegal conduct.

The following table shows the potential payments to named executive officers upon termination for the reasons described below. The amounts shown assume that the employment of each executive was terminated effective as of December 31, 2010.

Total fees	\$ 733,125	\$ 2,706,229

(1) Audit fees include fees for audits of the annual financial statements, including required quarterly reviews, and the audit of the Company's internal control over financial reporting, and fees of approximately \$1.6 million in 2009 related to the Company's Audit Committee investigation of certain accounting matters as discussed in the Company's Annual report on Form 10-K for the year ended December 31, 2009.

(2) Audit-related fees include fees billed for audits of the Company's employee benefit plans' 2009 financial statements, and fees estimated for audits of the Company's employee benefit plans' 2010 financial statements.

To help assure independence of the independent auditors, the Audit Committee has established a policy whereby all services of the principal accountant or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis services may instead be approved by the Chief Executive Officer or the Chief Financial Officer. One hundred percent of the fees shown in the principal accountant fees schedule for 2010 and 2009 were approved by the Audit Committee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING FOR THE RATIFICATION OF THE AUDIT COMMITTEE'S APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2011. PROXIES SOLICITED BY THE BOARD WILL BE VOTED FOR RATIFICATION OF SUCH APPOINTMENT UNLESS A VOTE AGAINST THE PROPOSAL OR ABSTENTION IS SPECIFICALLY INDICATED.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Proposal No. 3)

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act enacted in July 2010 (the Dodd-Frank Act), and recently adopted SEC regulations, the Board of Directors is asking shareholders to approve an advisory resolution on executive compensation. The advisory vote is a non-binding vote on the compensation of our Named Executive Officers. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement. The text of the resolution is as follows:

RESOLVED, that the shareholders of Northwest Pipe Company approve, on an advisory basis, the compensation paid to the named executive officers, as disclosed in the Company's Proxy Statement for the 2011 Annual Meeting of Shareholders pursuant to the executive compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, compensation tables and narrative disclosure.

The Company urges you to read the disclosure under Compensation Discussion and Analysis, which begins on page 13 and discusses how our compensation policies and procedures implement our compensation philosophy. You should also read the Summary Compensation Table and other related compensation tables and narrative disclosure which provide additional details about the compensation of each individual who served as our Chief Executive Officer, our Chief Financial Officer and our three other most highly-compensated executive officers for 2010. We have designed our executive compensation structure to attract, retain and motivate executives who can accomplish our business strategy, and whose interests are aligned with those of our shareholders. We believe that our executive compensation program does not encourage excessive and unnecessary risk-taking by our executives but, rather, encourages our executives to remain focused on both the short-term and long-term operational and financial goals of the Company.

While we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature and therefore not binding on the Company, our Board or the Compensation Committee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING FOR THE APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT AND AS DESCRIBED ABOVE PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE EXCHANGE ACT.

ADVISORY VOTE ON FREQUENCY OF THE SHAREHOLDER ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Proposal No. 4)

In accordance with the Dodd-Frank Act, the Board of Directors is asking shareholders to approve an advisory resolution on the frequency with which the advisory vote on executive compensation set forth above will be held.

The advisory vote on the frequency of the advisory vote on executive compensation is a non-binding vote as to how often the executive compensation advisory vote should occur: every one year, every two years or every three years. You may either vote for one of these alternative frequencies or, if you desire, abstain from voting on this matter. The text of the resolution to be voted upon is as follows:

RESOLVED, that the shareholders of Northwest Pipe Company approve, on an advisory basis, having the shareholder vote on the compensation of the Company's named executive officers listed in the annual proxy statement occur with the frequency (i.e., every one year, every two years or every three years) for which the highest number of votes are cast at the Company's 2011 annual meeting of shareholders.

After considering the benefits and consequences of each option for the frequency of the say-on-pay advisory vote, the Board of Directors has determined that an annual advisory vote on executive compensation is the most appropriate alternative for the Company. Therefore, the Board recommends that you vote for conducting the advisory vote on executive compensation every year.

The Board believes that an annual advisory vote on executive compensation provides the highest level of accountability and communication. An annual vote will allow shareholders to provide the Company with direct input on the executive compensation information presented in the proxy statement each year. Additionally, an annual advisory vote is consistent with the Company's policy of engaging in discussions with shareholders on corporate governance and compensation matters.

The option of every one year, every two years or every three years that receives the highest number of votes cast by shareholders will be deemed to be the frequency for the advisory vote on executive compensation that has been selected by shareholders. However, because the final vote is advisory in nature and therefore not binding on the Company, the Board of Directors may decide that it is in the best interests of the shareholders and the Company to hold the advisory vote on executive compensation more or less frequently than the option approved by shareholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE OPTION OF 1 YEAR AS THE FREQUENCY WITH WHICH SHAREHOLDERS ARE PROVIDED AN ADVISORY VOTE ON EXECUTIVE COMPENSATION. PLEASE NOTE THAT SHAREHOLDERS ARE NOT VOTING TO APPROVE OR DISAPPROVE THE BOARD OF DIRECTORS RECOMMENDATION REGARDING THIS MATTER. YOU MAY CHOOSE TO VOTE FOR 1 YEAR, 2 YEARS OR 3 YEARS AS THE FREQUENCY OF THE SAY-ON-PAY ADVISORY VOTE OR YOU MAY CHOOSE TO ABSTAIN.

contact knowledgeable counsel with regard to the detailed requirements of the applicable securities law. The submission of a shareholder proposal does not guarantee that it will be included in the Company's proxy statement. Alternatively, under the Company's bylaws, a proposal or nomination that a shareholder does not seek to include in the Company's proxy statement pursuant to Rule 14a-8 may be delivered to the Secretary of the Company not less than 60 days nor more than 90 days prior to the date of an annual meeting, unless notice or public disclosure of the date of the meeting occurs less than 60 days prior to the date of such meeting, in which event, shareholders may deliver such notice not later than the 10th day following the day on which notice of the date of the meeting was mailed or public disclosure thereof was made. A shareholder's submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the shareholder's ownership of common stock of the Company. Proposals or nominations not meeting these requirements will not be entertained at the annual meeting. If the shareholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Securities Exchange Act of 1934, the Company may exercise discretionary voting authority under proxies it solicits to vote in accordance with its best judgment on any such proposal or nomination submitted by a shareholder.

CERTAIN LITIGATION

On November 20, 2009, a complaint against us, captioned *Richard v. Northwest Pipe Co. et al.*, No. C09-5724 RBL, was filed in the United States District Court for the Western District of Washington. A similar complaint, captioned *Plumbers and Pipefitters Local Union No. 630 Pension-Annuity Trust Fund v. Northwest Pipe Co. et al.*, No. C09-5791 RBL, was filed against us in the same court on December 22, 2009. In addition to the Company, Brian W. Dunham, our former President and CEO, and Stephanie J. Welty, our former CFO, are named as defendants. In each of these actions, the plaintiff is allegedly a purchaser of our stock and asserts that defendants violated Section 10(b) of the Exchange Act by making false or misleading statements between April 23, 2008 and November 11, 2009. Plaintiff seeks to represent a class of persons who purchased our stock during that period, and seeks damages for losses caused by the alleged wrongdoing. The *Richard* action and the *Plumbers* action were consolidated on February 25, 2010. A consolidated amended complaint was filed by the plaintiff on December 21, 2010, and our motion to dismiss was filed on February 25, 2011, as were similar motions filed by the individual defendants. The Company and the individual defendants intend to vigorously defend against these claims.

On March 3, 2010, the Company was served with a derivative complaint, captioned *Ruggles v. Dunham et al.*, No. C10-5129 RBL, and filed in the United States District Court for the Western District of Washington. The Company is a nominal defendant in this litigation. Plaintiff seeks to assert, on the Company's behalf, claims against Brian W. Dunham, Stephanie J. Welty, William R. Tagmyer, Keith R. Larson, Wayne B. Kingsley, Richard A. Roman, Michael C. Franson and Neil R. Thornton. The asserted basis of the claims is that defendants breached fiduciary duties to the Company by causing the Company to make improper statements between April 23, 2008 and August 7, 2009. Plaintiff seeks to recover, on the Company's behalf, damages for losses caused by the alleged wrongdoing. This action has been stayed until after the Court has ruled on the motions to dismiss the securities class action described above. This litigation is at a very early stage and, at this time, it is not possible to predict its outcome.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors does not know of any other matters to be presented for action by the shareholders at the 2011 Annual Meeting. If, however, any other matters not now known are properly brought before the meeting, the persons named in the accompanying proxy will vote such proxy in accordance with the determination of a majority of the Board of Directors.
