DESCRIPTION OF DEBT SECURITIES

We may issue senior unsecured general obligations, which we refer to as the debt securities in this section. The debt securities will be issued from time to time under an indenture and applicable supplemental indenture, if any, with respect to any series of debt securities, between us and U.S. Bank National Association, as trustee. The indenture and any supplemental indenture are technical documents with terms that have defined meanings. The indenture is summarized below. Because this discussion is a summary, it does not contain all of the information that may be important to you. We urge you to read the indenture, in particular to understand your rights and our obligations under the covenants described below under Limitation on Liens, Limitations on Sale and Lease-Back Transactions, Excepted Indebtedness and Consolidation, Merger and Sale of Assets. The form of indenture is filed as an exhibit to this registration statement.

The following briefly summarizes the material provisions of the indenture. The specific terms of each series of debt securities will be described in the particular prospectus supplement relating to that series. For a complete description of the terms of a particular series of debt securities, you should read both this prospectus and the prospectus supplement relating to that particular series.

General

The debt securities that may be issued under the indenture are not limited in aggregate principal amount. We may issue debt securities at one or more times in one or more series. Each series of debt securities may have different terms. The terms of any series of debt securities will be established pursuant to a resolution of our board of directors or in a supplement to the indenture relating to that series.

The debt securities will be our direct unsecured general obligations and will rank senior with any of our indebtedness that is, by its terms, expressly subordinated in right of payment to the debt securities. The debt securities rank equally in right of payment with all our other existing and future unsecured indebtedness that is not so subordinated. Because we are a holding company, our rights and the rights of our creditors, including the holders of the debt securities offered under this registration statement, to participate in the assets of any subsidiary during its liquidation or reorganization, will be subject to the prior claims of the subsidiary's creditors, except to the extent that we are ourselves a creditor with recognized claims against the subsidiary.

The provisions of the indenture allow us to reopen a previous issue of a series of debt securities and issue additional debt securities of that series.

A prospectus supplement relating to any series of debt securities being offered will describe the specific terms relating to the offering. The terms will be set forth in an officers' certificate or a supplemental indenture. The officers' certificate or supplemental indenture will be signed at the time of issuance and will contain important information. The officers' certificate or supplemental indenture will include some or all of the following terms for a particular series of debt securities:

- (1) the title of the series of debt securities;
- (2) the purchase price, denomination and any limit on the aggregate principal amount of the debt securities;
- (3) the date or dates on which principal and any premium on the debt securities will be payable or the method of determination of principal and any premium;
- (4) the rate or rates at which the debt securities will bear any interest or the method of calculating the rate or rates of interest, the date or dates from which interest will accrue or the method by which the date or dates will be determined, the dates on which interest will be payable, and any regular record date for payment of interest;
- (5) the place or places where the principal of and any premium and interest on the debt securities will be payable;

Exchange, Registration, Transfer and Payment

Edgar Filing: INTERPUBLIC GROUP OF COMPANIES, INC. - Form S-3ASR

Unless otherwise indicated in the applicable prospectus supplement, the principal of and any premium and interest on the debt securities will be payable, and the exchange of and the transfer of debt securities will be registrable, at our office or agency maintained for that purpose in New York City and at any other office or agency maintained for that purpose. In the absence of any provisions to the contrary with respect to any series of debt securities, we will issue the debt securities in denominations of \$1,000 and integral multiples of \$1,000. Unless otherwise provided in the debt securities to be transferred or exchanged, no service charge will be made for any registration of transfer or exchange of the debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge imposed because of the transactions.

Table of Contents

All money paid by us to a paying agent for the payment of principal of and any premium or interest on any debt security which remains unclaimed for one year after the principal, premium or interest has become due and payable may be repaid to us, provided notice of unclaimed funds has been published in a publication of general circulation, and afterwards the holder of the debt security may look only to us for payment of those amounts.

In the event of any redemption, notice shall be delivered to each holder of debt securities to be redeemed 30 to 60 days prior to redemption.

Covenants

Except as described in this sub-section or as otherwise provided in the applicable prospectus supplement with respect to any series of debt securities, we are not restricted by the indenture from incurring, assuming or becoming liable for any type of debt or other obligations, from paying dividends or making distributions on our capital stock or purchasing or redeeming our capital stock. The indenture does not require the maintenance of any financial ratios or specified levels of net worth or liquidity.

Unless otherwise indicated in the applicable prospectus supplement, covenants contained in the indenture, which are summarized below, will be applicable to the series of debt securities to which the prospectus supplement relates so long as any of the debt securities of that series are outstanding.

Reporting. We must file with the trustee, within 45 days after we file the same with the Securities and Exchange Commission (the "SEC"), copies of our annual and quarterly reports and other information that we may be required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act.

Limitations on Liens. If we or our majority-owned subsidiaries that meet the requirements of a restricted subsidiary incur any indebtedness for borrowed money secured by an interest in or lien on any of our assets or those of any restricted subsidiary, we will be required to secure the debt securities equally and ratably with, or, at our option, prior to, this indebtedness. A restricted subsidiary is any majority-owned subsidiary which meets any of the following conditions:

our and our other majority-owned subsidiaries' investments in and advances to the subsidiary exceed 10% of our total assets and those of our subsidiaries consolidated as of the end of the most recently completed fiscal year;

our and our other majority-owned subsidiaries' proportionate share of the total assets, after intercompany eliminations, of the subsidiary exceed 10% of our total assets and those of our subsidiaries consolidated as of the end of the most recently completed fiscal year; or

our and our other majority-owned subsidiaries' equity in the income from continuing operations before income taxes, extraordinary items and cumulative effect of changes in accounting principles of the subsidiary exceeds 10% of our income and that of our subsidiaries consolidated for the most recently completed fiscal year.

The preceding provisions will not require us to secure the debt securities if the liens consist of either liens securing excepted indebtedness for borrowed money or any of the following:

- (1) liens on property or assets acquired or held by us or any of our restricted subsidiaries incurred to secure the payment of all or any part of the purchase price of the property or assets or to secure indebtedness for borrowed money incurred prior to, at the time of, or within 180 days after the acquisition for the purpose of financing all or any part of the purchase price, or liens existing on any property or assets at the time of its acquisition by us or any of our restricted subsidiaries, other than any liens created in contemplation of the acquisition that were not incurred to finance all or any part of the purchase price of the property or assets (so long as the liens do not extend to or cover any property or assets of any character other than the property or assets being acquired);

Table of Contents

- (2) liens on property or assets of a person, including any entity, other than us or any of our restricted subsidiaries, existing at the time we or our restricted subsidiaries purchase or acquire the property or asset, so long as the liens were not created in contemplation of the purchase or other acquisition and do not extend to any property or assets other than those so purchased or otherwise acquired;
- (3) liens affecting property or assets of a person, other than us or any of our restricted subsidiaries, existing at the time the person merges into or consolidates with us or a restricted subsidiary or becomes a restricted subsidiary or at the time of sale, lease or other disposition of the property or assets as an entirety or substantially as an entirety to us or a restricted subsidiary, so long as the liens were not created in contemplation of the merger, consolidation or acquisition and do not extend to any property or assets other than those of the person so merged into or consolidated with, or acquired by, us or the restricted subsidiary;
- (4) liens to secure indebtedness for borrowed money owing by a restricted subsidiary to us or to a restricted subsidiary;

- (8) purchase money liens on personal property;
- (9) liens created in connection with a capitalized lease obligation, but only to the extent that those liens encumber property financed by that capitalized lease obligation and the principal component of that capitalized lease obligation is not increased;
- (10) liens on property arising in connection with a securities repurchase transaction;
- (11) liens, including judgment liens, arising in connection with legal proceedings, taxes, fees, assessments or other governmental charges, so long as those proceedings, taxes, fees, assessments or other governmental charges are being contested in good faith and, in the case of judgment liens, execution on the liens is stayed, and for which we have established any reserves required in accordance with generally accepted accounting principles, or GAAP;
- (12) carriers, warehousemen, mechanics, landlords, materialmen, repairmen or other similar liens arising in the ordinary course of business which are not overdue for a period of more than 90 days or are being contested in good faith by appropriate proceedings diligently pursued, so long as any proceedings commenced for the enforcement of the liens have been stayed or suspended within 30 days after their commencement, and provision for the payment of the liens has been made on our books to the extent required by GAAP;
- (13) easements, rights-of-way, zoning restrictions and other similar encumbrances incurred in the ordinary course of business which, in the aggregate, are not substantial in amount, and which do not in any case materially detract from the value of the underlying property or interfere with the ordinary conduct of our business or that of any restricted subsidiary;

- (17) any contractual right of set-off or any contractual right to charge or contractual security interest in or lien on our accounts or the accounts of any of our restricted subsidiaries to effect the payment of amounts to a depository institution whether or not due and payable in respect of any indebtedness for borrowed money or financing arrangement and any other lien arising solely by virtue of any statutory or common law provision relating to banker's liens, rights of set-off or similar rights;
- (18) liens arising in the ordinary course of banking transactions and securing indebtedness for borrowed money in an aggregate amount of not more than \$15.0 million that matures not more than one year after the date on which it is originally incurred;
- (19) any liens on assets of our subsidiaries organized outside of the United States in favor of lenders or an affiliated guarantor under or in connection with short-term working capital lines of credit or overdraft facilities, in each case entered into in the ordinary course of business;
- (20) any liens on any asset of any person organized outside of the United States arising at any time pursuant to an arrangement (factoring or otherwise) secured by accounts receivable that is existing at the time such person becomes or became a restricted subsidiary of ours or is merged into or consolidated with us or any of our restricted subsidiaries (or pursuant to any extension, renewal or replacement of such an arrangement); provided that such lien or arrangement was not created in contemplation of such event, and only to the extent, in the case of any such arrangement, that such arrangement does not provide for liens which, together with all other liens permitted under this clause (20), would encumber assets representing more than 5.0% of the consolidated accounts receivable of us and our consolidated subsidiaries as reflected in the consolidated balance sheet of us and our consolidated subsidiaries for our fiscal quarter most recently ended prior to such event (or, if applicable, such extension, renewal or replacement);
- (21) any liens arising out of an interest bearing cash deposit account to be established and maintained by the lender or lenders (or their agent) under any credit facility with a bank or a syndicate of banks; and

We refer to the liens described above as *permitted liens*.

Limitations on Sale and Lease-Back Transactions. We and our restricted subsidiaries will not sell or transfer any assets with the intention of entering into a lease of the assets for a term of more than three years unless:

- (1) the assets have not been owned by us or any of our restricted subsidiaries or have not been in full operation for more than one year prior to the sale or transfer;
- (2) we or the restricted subsidiary could incur indebtedness for borrowed money secured by a lien on the assets at least equal in amount to the attributable debt (as defined below) with respect to the transaction without equally and ratably securing the debt securities under the limitation on liens in the indenture;
- (3) we apply an amount equal to the value of those assets within 180 days of the sale of those assets

Edgar Filing: INTERPUBLIC GROUP OF COMPANIES, INC. - Form S-3ASR

- (a) to the defeasance or retirement, other than any mandatory retirement, mandatory prepayment or sinking fund payment or by way of payment at maturity, of the debt securities or other indebtedness for borrowed money incurred by us or a restricted subsidiary that matures more than one year after the creation of the indebtedness, or

- (b) to the purchase, construction or development of other property; or

Table of Contents

- (4) the transaction is between us and any of our restricted subsidiaries or between our restricted subsidiaries.

The term *attributable debt* means, with respect to any sale and lease-back transaction, at the time of determination, the lesser of:

- (1) the fair market value of the property subject to the transaction, as determined in good faith by our Board of Directors;
- (2) the present value, discounted at the lease's identified or implicit rate of interest, if determinable, of the total net amount of rent (as defined below) required to be paid under the lease during the remaining term of the lease, including any renewal term or period for which the lease has been extended; or
- (3) if the obligation with respect to the sale and lease-back transaction constitutes an obligation that we must classify and account for as a capitalized lease for financial reporting purposes in accordance with GAAP, the amount equal to the capitalized amount of the obligation determined in accordance with GAAP and included in the financial statements of the lessee.

The term *rent* does not include amounts required to be paid by the lessee, whether or not designated as rent or additional rent, on account of or contingent upon maintenance and repairs, insurance, taxes, assessments, water rates and similar charges. In the case of any lease that is terminable by the lessee upon the payment of a penalty, the net amount of rent will be the lesser of (a) the net amount determined assuming termination upon the first date the lease may be terminated, in which case the net amount will also include the amount of the penalty, but no rent will be considered as required to be paid under the lease subsequent to the first day upon which it may be so terminated and (b) the net amount determined assuming no termination.

Excepted Indebtedness. Notwithstanding the limitations on liens and sale and lease-back transactions described above, and without limiting our or any restricted subsidiary's ability to issue, incur, create, assume or guarantee indebtedness for borrowed money secured by permitted liens, we or any restricted subsidiary will be permitted to incur indebtedness for borrowed money secured by a lien or may enter into a sale and lease-back transaction, in either case, without regard to the restrictions contained in the preceding two paragraphs entitled *Limitations on Liens* and *Limitations on Sale and Lease-Back Transactions*, if at the time the indebtedness for borrowed money is incurred and after giving effect to this indebtedness, the sum of (a) the aggregate principal amount of all indebtedness for borrowed money secured by liens, other than permitted liens, or, if less, the fair market value of the property subject to the lien, as determined in good faith by our Board of Directors and (b) the attributable debt of all our sale and lease-back transactions, in each case not otherwise permitted in the preceding two paragraphs, does not exceed 15% of:

- (1) our total assets and those of our majority-owned subsidiaries, including, without limitation, all items that are treated as intangibles in accordance with GAAP, less
- (2) our total liabilities and those of our majority-owned subsidiaries, including, without limitation, all deferred taxes, in each case determined on a consolidated basis and in accordance with GAAP (but without giving effect to any cumulative translation adjustments, whether positive or negative).

Consolidation, Merger and Sale of Assets

We may not consolidate or merge with or into any other person, including any other entity, or convey, transfer or lease all or substantially all of our properties and assets to any person or group of affiliated persons unless:

- (1) we are the continuing corporation or the person, if other than us, formed by the consolidation or with which or into which we are merged or the person to which all or substantially all our properties and assets are conveyed, transferred or leased is a corporation organized and existing under the laws of the United States, any of its states or the District of Columbia and expressly assumes our obligations under the debt securities and the indenture; and

Table of Contents

(2) immediately after giving effect to the transaction, there is no default and no event of default under the indenture. If we consolidate with or merge into any other corporation or convey, transfer or lease all or substantially all of our property and assets as described in the preceding paragraph, the successor corporation will succeed to and be substituted for us, and may exercise our rights and powers under the indenture, and afterwards, except in the case of a lease, we will be relieved of all obligations and covenants under the indenture and all outstanding debt securities.

Events of Default

Unless otherwise indicated in the applicable prospectus supplement, the *Events of default* contained in the indenture, which are summarized below, will be applicable to the series of debt securities to which the prospectus supplement relates so long as any of the debt securities of that series are outstanding:

- (1) default in the payment of interest on such debt security when due that continues for a period of 30 days;
- (2) default in the payment of principal of or premium on such debt security when due and payable;
- (3) default in the deposit of any sinking fund payment on that series when due;
- (4) if the terms of the debt securities include a requirement to conduct an offer to repurchase the debt securities in the event of a change of control or change of control triggering event, failure by us to repurchase such debt securities or make such a change of control offer in a timely manner as required under such debt securities;
- (5) failure to comply in any material respect with any of our other covenants, agreements or warranties contained in the indenture for a period of 60 days after notice to us by the trustee or by the holders of at least 25% in principal amount of such debt securities;
- (6) the occurrence of an event of default within the meaning of any mortgage, indenture or debt instrument under which there may be issued, or by which there may be secured or evidenced, any of our indebtedness for borrowed money, other than such debt securities, whether the indebtedness now exists or shall hereafter be incurred, in an amount in excess of \$50.0 million and which results in the indebtedness becoming or being declared due and payable prior to the date on which it would otherwise become due and payable, and we have not cured the default in payment or the acceleration is not rescinded or annulled within 10 days after written notice to us from the trustee (if the event be known by it) or to us and to the trustee from the holders of at least 25% in principal amount of such outstanding debt securities; *provided, however*, that if, prior to a declaration of acceleration of the maturity of such debt securities or the entry of judgment in favor of the trustee in a suit pursuant to the indenture, the default has been remedied or cured by us or waived by the holders of the indebtedness, then the event of default will be deemed likewise to have been remedied, cured or waived; and
- (7) the occurrence of an event of bankruptcy, insolvency or reorganization with respect to us and our restricted subsidiaries, as described in the indenture.

No event of default with respect to a particular series of debt securities, except as to those events involving bankruptcy, insolvency or reorganization with respect to us as described in the applicable indenture, necessarily constitutes an event of default with respect to any other series of debt securities.

In general, the indenture obligates the trustee to give notice of a default with respect to a series of debt securities to the holders of such debt securities. The trustee may withhold notice of any default, except a default in payment on any debt security, if the trustee determines it is in the best interest of the holders of such series of debt securities to do so.

Table of Contents

If there is a continuing event of default beyond any grace period permitted under the indenture, the trustee or the holders of at least 25% in principal amount of a series of debt securities may require us to repay immediately the unpaid principal of and interest on all such debt securities. In the case of an event of default resulting from events of bankruptcy, insolvency or reorganization with respect to us, the principal, or the specified portion of the principal, of and interest on all such debt securities will become immediately payable without any act on the part of the trustee or any holder of such debt securities. Subject to conditions, the holders of a majority in principal amount of any series of debt securities may rescind any acceleration of repayment and may waive past defaults, except a default in payment of the principal of, and any premium or interest on, any debt security of such series, payments to the trustee and some covenant defaults under the terms of such debt securities.

Under the terms of the indenture, the trustee may refuse to enforce the indenture or the terms of a series of debt securities unless it first receives satisfactory security or indemnity from the holders of the debt securities of such series. Subject to limitations specified in the indenture, the holders of a majority in principal amount of debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee. No holder of a debt security of any series will have any right to institute any proceeding, judicial or otherwise, with respect to the indenture or for the appointment of a receiver or trustee, or for any other remedy under the indenture unless:

- (1) the holder has previously given to the trustee written notice of a continuing event of default with respect to such debt securities;
- (2) the holders of at least 25% in principal amount of such debt securities have made a written request to the trustee and offered indemnity reasonably satisfactory to it to institute the proceeding as trustee, and the trustee has not received from the holders of a majority in principal amount of such debt securities a direction inconsistent with the request and has failed to institute the proceeding within 60 days; and
- (3) it being understood and intended that no holder of any such debt securities that avails itself of the conditional right to seek a remedy, may disturb or prejudice the rights of any other holders of such debt securities.

Despite the enforcement restrictions described above, the holder of any debt security will have an absolute and unconditional right to receive payment of the principal of and any premium and interest on such debt security on or after the due dates expressed in the debt security and to institute suit for the enforcement of any payment.

We are required to furnish to the trustee, within 90 days of the end of our fiscal year, a statement by some of our officers as to whether or not, to their knowledge, there has been any default or event of default that occurred prior to the end of the fiscal year that is continuing.

Modification of the Indenture

The indenture permits us and the trustee to amend the indenture and any supplemental indenture with respect to any series of debt securities without the consent of holders:

- (1) to evidence the succession of another corporation and the assumption of our covenants under the indenture and the debt securities;
- (2) to add to our covenants for the benefit of the holders of debt securities or to the events of default or to surrender any of our rights or powers under the applicable indenture or to make other changes which would not adversely affect in any material respect the holder of any outstanding debt securities;
- (3) to cure any ambiguity, defect or inconsistency; and

Edgar Filing: INTERPUBLIC GROUP OF COMPANIES, INC. - Form S-3ASR

(4) for other purposes as described in the indenture.

The indenture also permits us and the trustee, with the consent of the holders of a majority in principal amount of the debt securities of each series affected by the amendment, with each affected series voting as a

Table of Contents

class, to add any provisions to or change or eliminate any of the provisions of the indenture or any supplemental indenture or to modify the rights of the holders of debt securities of each series, provided, however, that, without the consent of the holder of each debt security so affected, no amendment may: :

- (1) change the maturity of the principal of or any premium on or any installment of principal or interest on any debt security;
- (2) reduce the principal amount of any debt security, or the rate of interest or any premium payable upon the redemption, repurchase or repayment of any debt security, or change the manner in which the amount of these items are determined;
- (3) reduce the amount of principal payable upon acceleration of maturity;
- (4) change the place of payment where, or the currency or currency unit in which, any debt security or any premium, interest on the debt security is payable;
- (5) reduce the percentage in principal amount of debt securities the consent of whose holders is required for amendment of the indenture or for waiver of compliance with some provisions of the indenture or for waiver of some defaults; or
- (6) reduce the principal of or change the fixed maturity of any debt security or alter the provisions, waive any payment, or otherwise change our obligation in a manner adverse to the holder with respect to the redemption of the debt securities other than, if applicable under the terms of the debt securities, provisions relating to an obligation to conduct an offer to repurchase the debt securities in the event of a change of control or change of control triggering event (except to the extent provided in clause (7) below);
- (7) amend, change or modify our obligation to make and consummate an offer to repurchase the debt securities in the event of a change of control or change of control triggering event in accordance with the relevant terms of the debt securities after such change of control or change of control triggering event has occurred, including amending, changing or modifying any definition relating thereto after the change of control or change of control triggering event has occurred; or
- (8) modify the provisions relating to waiver of some defaults or any of the provisions relating to amendment of the indenture, except to increase the percentage required for consent or to provide that some other provisions of the indenture may not be modified or waived.

The holders of a majority in principal amount of the debt securities of any series may, on behalf of the holders of all debt securities of that series, waive, insofar as is applicable to that series, our compliance with some restrictive provisions of the indenture.

Defeasance and Covenant Defeasance

Unless otherwise specified in the applicable prospectus supplement, we may elect either:

- (1) to be discharged from all our obligations in respect of a series of debt securities, except for our obligations to register the transfer or exchange of such debt securities, to replace temporary, destroyed, stolen, lost or mutilated debt securities, to maintain paying agencies and to hold monies for payment in trust (we will refer to this discharge as *defeasance*), or

Edgar Filing: INTERPUBLIC GROUP OF COMPANIES, INC. - Form S-3ASR

(2) to be released from our obligations to comply with some restrictive covenants applicable to a series of debt securities (we will refer to this release as *covenant defeasance*);

in either case upon the deposit with the trustee, in trust, of money and/or U.S. government obligations which will provide money sufficient to pay all principal of and any premium and interest on such series of debt securities when due. We may establish this trust only if, among other things, we have delivered an opinion of counsel to the trustee to the effect that the holders of such series of debt securities (a) will not recognize income, gain or loss for

Table of Contents

federal income tax purposes as a result of the deposit, defeasance or covenant defeasance and (b) will be subject to federal income tax on the same amounts, and in the same manner and at the same times as would have been the case if the deposit, defeasance or covenant defeasance had not occurred. The opinion, in the case of defeasance under the first bullet point above, must refer to and be based upon a ruling of the Internal Revenue Service or a change in applicable federal income tax laws occurring after the date of the indenture.

We may exercise the defeasance option with respect to a series of debt securities notwithstanding our prior exercise of the covenant defeasance option. If we exercise the defeasance option, payment of such series of debt securities may not be accelerated because of a default. If we exercise the covenant defeasance option, payment of such series of debt securities may not be accelerated by reason of a default with respect to the covenants to which covenant defeasance is applicable. However, if the acceleration were to occur by reason of another default, the realizable value at the acceleration date of the money and U.S. government obligations in the defeasance trust could be less than the principal and interest then due on such series of debt securities, in that the required deposit in the defeasance trust is based upon scheduled cash flow rather than market value, which will vary depending upon interest rates and other factors.

Concerning the Trustee

U.S. Bank National Association, a national banking association under the laws of the United States of America and having a corporate trust office in Atlanta, Georgia, will serve as trustee under the indenture.

The indenture contains limitations on the rights of the trustee, should the trustee become our creditor, to obtain payment of claims in some cases, or to realize on specified property received in respect of these claims, as security or otherwise. The trustee and its affiliates may engage in, and will be permitted to continue to engage in, other transactions with us and our affiliates. However, if the trustee acquires any conflicting interest as described under the Trust Indenture Act, it must eliminate the conflict or resign.

BOOK-ENTRY PROCEDURES

The securities offered by this prospectus may be issued in the form of one or more global certificates, each of which we refer to as a global security, registered in the name of a depository or a nominee of a depository and held through one or more international and domestic clearing systems, principally, the book-entry systems operated by The Depository Trust Company, or DTC, in the United States, and Euroclear Bank S.A./N.V., or the Euroclear Operator, as operator of the Euroclear System, or Euroclear, and Clearstream Banking S.A., or Clearstream, in Europe. No person who acquires an interest in these global securities will be entitled to receive a certificate representing the person's interest in the global securities except as set forth herein or in the applicable prospectus supplement. Unless and until definitive securities are issued, all references to actions by holders of securities issued in global form refers to actions taken by DTC, Euroclear or Clearstream, as the case may be, upon instructions from their respective participants, and all references herein to payments and notices to the holders refers to payments and notices to DTC or its nominee, Euroclear or Clearstream, as the case may be, as the registered holder of the offered securities. Electronic securities and payment transfer, processing, depository and custodial links have been established among these systems and others, either directly or indirectly, which enable global securities to be issued, held and transferred among the clearing system through these links.

Although DTC, Euroclear and Clearstream have agreed to the procedures described below in order to facilitate transfers of global securities among participants of DTC, Euroclear and Clearstream, they are under no obligation to perform or continue to perform these procedures and these procedures may be modified or discontinued at any time. Neither we, nor any trustee, nor any registrar and transfer agent with respect to securities offered hereby will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Unless otherwise specified in the applicable prospectus supplement, the securities in the form of a global security will be registered in the name of DTC or a nominee of DTC.

DTC

DTC has advised us as follows: DTC is a limited-purpose trust company organized under the laws of the State of New York, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participating organizations, or DTC participants, and to facilitate the clearance and settlement of securities transactions between DTC participants through electronic book-entry changes in accounts of the DTC participants, thereby eliminating the need for physical movement of certificates. DTC participants include securities brokers and dealers, brokers, banks, trust companies and clearing corporations and may include certain other organizations. Indirect access to the DTC system is also available to others, or indirect DTC participants, for example banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly.

Under the rules, regulations and procedures creating and affecting DTC and its operations, DTC is required to make book-entry transfers between DTC participants on whose behalf it acts with respect to the securities and is required to receive and transmit distributions of principal of and interest on the securities. DTC participants and indirect DTC participants with which investors have accounts with respect to the securities similarly are required to make book-entry transfers and receive and transmit payments on behalf of their respective investors.

Because DTC can only act on behalf of DTC participants, who in turn act on behalf of indirect DTC participants and certain banks, the ability of a person having a beneficial interest in a security held in DTC to transfer or pledge that interest to persons or entities that do not participate in the DTC system, or otherwise take actions in respect of that interest, may be affected by the lack of a physical certificate of that interest. The laws of

Table of Contents

some states of the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer beneficial interests in a security held in DTC to those persons may be limited.

DTC has advised us that it will take any action permitted to be taken by a holder of securities (including, without limitation, the presentation of securities for exchange) only at the direction of one or more participants to whose account with DTC interests in the relevant securities are credited, and only in respect of the portion of the aggregate principal amount of the securities as to which that participant or those participants has or have given the direction. However, in certain circumstances, DTC will exchange the global securities held by it for certificated securities, which it will distribute to its participants.

Euroclear

Euroclear was created in 1968 to hold securities for participants of Euroclear and to clear and settle transactions between Euroclear participants through simultaneous electronic book-entry delivery against payment, thus eliminating the need for physical movement of certificates and risk from lack of simultaneous transfers of securities and cash. Transactions may be settled in many currencies, including United States dollars and Japanese yen. Euroclear provides various other services, including securities lending and borrowing and interfaces with domestic markets in several countries generally similar to the arrangements for cross-market transfers with DTC described below.

Euroclear is operated by the Euroclear Operator, under contract with Euroclear Clearance System plc, a U.K. corporation, or the Euroclear Clearance System. The Euroclear Operator conducts all operations, and all Euroclear securities clearance accounts and Euroclear cash accounts are accounts with the Euroclear Operator, not Euroclear Clearance System. The Euroclear Clearance System establishes policy for Euroclear on behalf of Euroclear participants. Euroclear participants include banks (including central banks), securities brokers and dealers and other professional financial intermediaries and may include the underwriters. Indirect access to Euroclear is also available to other firms that clear through or maintain a custodial relationship with a Euroclear participant, either directly or indirectly. Euroclear is an indirect participant in DTC.

The Euroclear Operator is a Belgian bank. The Belgian Banking Commission and the National Bank of Belgium regulate and examine the Euroclear Operator.

The Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of Euroclear and applicable Belgian law govern securities clearance accounts and cash accounts with the Euroclear Operator. Specifically, these terms and conditions govern:

transfers of securities and cash within Euroclear;

withdrawal of securities and cash from Euroclear; and

receipts of payments with respect to securities in Euroclear.

All securities in Euroclear are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the terms and conditions only on behalf of Euroclear participants and has no record of or relationship with persons holding securities through Euroclear participants.

Distributions with respect to securities held beneficially through Euroclear will be credited to the cash accounts of Euroclear participants in accordance with Euroclear's terms and conditions, to the extent received by the Euroclear Operator and by Euroclear.

Clearstream

Clearstream is incorporated as a limited liability company under Luxembourg law. Clearstream holds securities for its customers and facilitates the clearance and settlement of securities transactions between

Table of Contents

Clearstream customers through electronic book-entry changes in accounts of Clearstream customers, thus eliminating the need for physical movement of certificates. Clearstream provides to its customers, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities, securities lending and borrowing and collateral management. Clearstream interfaces with domestic markets in a number of countries. Clearstream has established an electronic bridge with the Euroclear Operator to facilitate settlement of trades between Clearstream and Euroclear.

Clearstream is subject to regulation by the Luxembourg Commission for the Supervision of the Financial Sector. Clearstream participants are recognized financial institutions around the world, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. In the United States, Clearstream participants are limited to securities brokers and dealers and banks, and may include the underwriters for the Securities. Other institutions that maintain a custodial relationship with a Clearstream participant may obtain indirect access to Clearstream. Clearstream is an indirect participant in DTC.

Distributions with respect to the securities held beneficially through Clearstream will be credited to cash accounts of Clearstream participants in accordance with its rules and procedures, to the extent received by Clearstream.

the purchase price of the securities;

the proceeds to us from the sale of the securities;

any underwriting discounts and other items constituting underwriters' compensation;

any initial public offering price of the securities;

any concessions allowed or re-allowed or paid to dealers; and

any securities exchanges on which such securities may be listed.

Any underwriters, dealers or agents participating in a sale of securities may be considered to be underwriters under the Securities Act. Furthermore, any discounts or commissions received by them may be considered to be underwriting discounts and commissions under the Securities Act. We may agree to indemnify any agents and underwriters against certain liabilities, including liabilities under the Securities Act. The agents and underwriters may also be entitled to contribution from us for payments they make relating to these liabilities.

We may sell the securities in any of these ways:

If underwriters are used in a sale, they will acquire the securities for their own account and may resell them in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly through underwriters. The obligations of the underwriters to purchase a particular offering of securities may be subject to conditions. The underwriters will also be

Edgar Filing: INTERPUBLIC GROUP OF COMPANIES, INC. - Form S-3ASR

obligated to purchase all the securities of an issue if any are purchased. Any initial public offering price or any concession allowed or reallocated or paid to dealers may be changed.

We may also sell the securities directly or through agents. Any agent will be named and any commissions payable to the agent will be set forth in the applicable prospectus supplement. Any agent will act on a reasonable best efforts basis for the period of its appointment unless the applicable prospectus supplement states otherwise.

We may authorize underwriters or dealers to solicit offers by certain institutions to purchase a particular offering of securities at the public offering price set forth in the applicable prospectus supplement using delayed delivery contracts. These contracts provide for payment and delivery on one or more specified dates in the future. The applicable prospectus supplement will describe the commission payable for solicitation and the terms and conditions of these contracts.

Item 15. Indemnification of Directors and Officers.

Subsection (a) of Section 145 of the General Corporation Law of the State of Delaware, or DGCL, empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

Subsection (b) of Section 145 of the DGCL empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth in subsection (a), against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Table of Contents

Subsection (d) of Section 145 of the DGCL provides that any indemnification under subsections (a) and (b) of Section 145 (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b) of Section 145. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

Section 145 of the DGCL further provides that to the extent a present or former director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith and that such expenses may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in Section 145 of the DGCL; that any indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; that any indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators; and empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

Our by-laws contain specific authority for indemnification by us of our current and former directors, officers, employees or agents on terms that have been derived from Section 145 of the DGCL. We have entered into agreements with certain of our directors and executive officers pursuant to which we have agreed to indemnify such directors and executive officers to the maximum extent permitted under the DGCL and in accordance with our by-laws and directors' and officers' insurance policy.

Section 102(b)(7) of the DGCL provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit.

Article 12 of our Restated Certificate of Incorporation, as amended, limits the personal liability of our directors to the fullest extent permitted by Section 102(b)(7) of the DGCL.

Item 17. Undertakings.

The undersigned registrant hereby undertakes as follows.

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (a) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (b) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement.
 - (c) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
provided however, that paragraphs (a), (b) and (c) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
