Item 5.02 *Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.*

On April 17, 2012, our Board of Directors ratified the appointment of Stephen P. Lucado as our Chairman of the Board, effective immediately. Mr. Lucado replaces Loren E. Bagley who resigned as Chairman, but will remain as a director.

Mr. Lucado became a member of the board of directors on June 29, 2011. Mr. Lucado has over 16 years of professional financial experience. He has been associated with various financial companies and has managed investments in the oil and gas industries. Since 2010, Mr. Lucado has served as Senior Managing Director and Founder of Three Oaks Group, specializing in financial advisory to companies in the oil and gas industry.

In addition to performing his duties as Chairman of the Board, Mr. Lucado will also provide financial advisory services to the company. In this capacity he will serve as the company's main contact with both existing and prospective investors. As such he will be focused on evaluating potential sources of additional capital, and will also be tasked with enhancing the company's efforts to communicate with shareholders through participation in public presentations to investors.

These services will be provided under a contract that is structured to last a minimum of one year. Under the contract Mr. Lucado will be paid the equivalent of a base salary of \$200,000 per annum, plus options on 300,000 shares with a strike price of \$2.30 per share, to be vested over three years. Mr. Lucado will also be eligible for a cash bonus upon the achievement of certain milestones related to the areas of primary focus under his contract.

There were no understandings or arrangements with any person regarding Mr. Lucado's appointment as Chairman of the Board, other than the above referenced contract, and there are no family relationships between him and any other officer or director of the company.

Notes about Forward-looking Statements

Statements contained in this current report which are not historical facts, may be considered forward-looking statements, which term is defined by the Private Securities Litigation Reform Act of 1995.
