NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

Monday, June 11, 2012

4:00 p.m.

To Our Stockholders:

The 2012 annual meeting of stockholders of PCTEL, Inc., a Delaware corporation, will be held on Monday, June 11, 2012 at 4:00 p.m. local time at our headquarters, located at 471 Brighton Drive, Bloomingdale, Illinois 60108 for the following purposes:

1. The election of two Class I directors whose terms will expire at the 2015 annual meeting of stockholders;
2. An advisory vote to approve the Company's named executive officer compensation (Say-on-Pay);
3. The ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012; and
4. The transaction of such other business as may properly come before the meeting or any adjournment or postponement thereof.

The foregoing items of business are more fully described in the proxy statement accompanying this notice. Only stockholders of record at the close of business on April 16, 2012 are entitled to notice of and to vote at the meeting.

Pursuant to the rules promulgated by the Securities and Exchange Commission, we have elected to provide access to our proxy materials over the Internet. Accordingly, we will mail, on or about April 27, 2012, a Notice of Internet Availability of Proxy Materials to our stockholders of record and beneficial owners at the close of business on April 16, 2012. On the date of mailing of the Notice of Internet Availability of Proxy Materials, all stockholders and beneficial owners will have the ability to access all of the proxy materials on a website referred to in the Notice of Internet Availability of Proxy Materials. These proxy materials will be available free of charge.

All stockholders are cordially invited to attend the meeting in person. However, to assure your representation at the meeting, you are urged to deliver your proxy by telephone or the Internet or to mark, sign, date and return the accompanying proxy as promptly as possible. Any stockholder attending the meeting may vote in person even if he or she has previously returned a proxy.

Sincerely,

MARTIN H. SINGER
*Chief Executive Officer and
Chairman of the Board of Directors*

**PROXY STATEMENT FOR THE
2012 ANNUAL MEETING OF THE STOCKHOLDERS**

GENERAL INFORMATION

The Board of Directors of PCTEL, Inc. is soliciting proxies for the 2012 annual meeting of stockholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

Our Board of Directors has set April 16, 2012 as the record date for the meeting. Stockholders of record at the close of business on April 16, 2012 are entitled to vote at and attend the meeting, with each share entitled to one vote. There were 18,496,366 shares of our common stock outstanding on the record date. On the record date, the closing price of our common stock on the NASDAQ Global Market was \$6.80 per share.

This proxy statement is made available on or about April 27, 2012 to stockholders entitled to vote at the meeting.

In this proxy statement:

We , Company and PCTEL mean PCTEL, Inc.

If you hold shares in street name, it means that your shares are held in an account at a brokerage firm and the stock certificates and record ownership are not in your name.

SEC means the Securities and Exchange Commission.

Beneficial ownership of stock is defined under various SEC rules in different ways for different purposes, but it generally means that, although you (or the person or entity in question) do not hold the shares of record in your name, you do have investment or voting control, and/or an economic or pecuniary interest, in the shares through an agreement, relationship or the like.

QUESTIONS AND ANSWERS

Q: When and where is the stockholder meeting?

Edgar Filing: PC TEL INC - Form DEF 14A

A: Our annual meeting of stockholders is being held on Monday, June 11, 2012 at 4:00 p.m. local time at our headquarters, located at 471 Brighton Drive, Bloomingdale, Illinois 60108.

Q: Why am I receiving this proxy statement and proxy card?

A: You are receiving this proxy statement and the accompanying proxy card because you are the stockholder of record on the record date. This proxy statement describes issues on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision. The proxy card is used for voting.

Q: What is the effect of signing and returning my proxy card?

A: When you sign and return the proxy card, you appoint Martin H. Singer and John W. Schoen as your representatives at the meeting. Mr. Singer is our Chief Executive Officer and Chairman of the Board and Mr. Schoen is our Chief Financial Officer. Mr. Singer and Mr. Schoen will vote your shares at the meeting as you have instructed them on the proxy card. This way, your shares will be voted whether or not you

attend the annual meeting. Even if you plan to attend the meeting, it is a good idea to complete, sign and return your proxy card or vote via the Internet or telephone in advance of the meeting just in case your plans change. You can vote in person at the meeting even if you have already sent in your proxy card.

If an issue comes up for a vote at the meeting that is not described in this proxy statement, Mr. Singer and Mr. Schoen will vote your shares, under your proxy, in their discretion.

Unless otherwise directed on the proxy card, the proxy holders (as your representatives) will vote your shares FOR each of the proposals.

Q: What am I voting on?

A: You are being asked to vote on the following proposals:

The election of two Class I directors whose terms will expire at the 2015 annual meeting of stockholders (Proposal #1);

An advisory vote to approve named executive officer compensation (Say-on-Pay) (Proposal #2); and

The ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012 (Proposal #3).

Q: How do I vote if I am the record holder?

A: There are four methods by which you may vote. Please see the detailed instructions provided on your proxy card for more information on each method.

Place your vote by telephone;

Place your vote via the Internet;

Mail in your completed, signed and dated proxy card; or

Vote in person by attending our annual meeting.

Q: How do I vote at the meeting if I am a beneficial owner?

A: As the beneficial owner, you have the right to direct the broker, bank, or other holder of record with respect to voting your shares and may do so by:

Completing the voting instruction card provided to you by your broker, banker or other holder of record;

Edgar Filing: PC TEL INC - Form DEF 14A

Following the instructions in the voting instruction card to vote by telephone or over the Internet; or

Attending the 2012 annual meeting of stockholders and casting your vote; however, since you are not the stockholder of record, you may not vote these shares in person at the 2012 annual meeting of stockholders unless you request, complete and deliver a proxy from your broker, banker or nominee. You will not be able to vote your shares at the meeting without a legal proxy.

Please note that under SEC and stock exchange rules, the election of directors (Proposal #1) and the advisory vote to approve the Company's named executive officer compensation (Say-on-Pay) (Proposal #2) are non-routine items. This means that if you do not instruct your broker how to vote with respect to these items, your broker cannot vote with respect to these proposals and these votes will be counted as broker non-votes.

Q: What does it mean if I receive more than one proxy card?

A: It means that you have multiple accounts with the transfer agent and/or with brokers. Please sign, date and return all proxy cards to ensure that all of your shares are voted.

Q: What if I change my mind after I return my proxy card?

A: You may revoke your proxy (that is, cancel it) and change your vote at any time prior to the voting at the annual meeting by providing written notice to our Corporate Secretary at the following address: 471 Brighton Drive, Bloomingdale, Illinois 60108, Attention: John W. Schoen.

You may also do this by:

Signing and returning another proxy card or voting instruction card with a later date;

Voting in person at the meeting; or

Voting via the Internet or by telephone on a date after the date on your proxy or voting instruction card (your latest proxy is counted).

Q: Will my shares be voted if I do not sign and return my proxy card?

A: *Stockholders of record* If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the annual meeting.

Beneficial owners If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of directors (Proposal #1) and the advisory vote to approve the Company's named executive officer compensation (Say-on-Pay) (Proposal #2), both of which are considered non-routine matters. If you do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares cannot vote on non-routine matters. This is generally referred to as a broker non-vote. The organization that holds your shares will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of our independent registered public accounting firm (Proposal #3), which is considered a routine matter.

Q: How do I attend the Annual Meeting?

A: The 2012 annual meeting of stockholders will be held on Monday, June 11, 2012, at 471 Brighton Drive, Bloomingdale, Illinois 60108 at 4:00 p.m., local time.

If you are a beneficial holder of shares held in street name, rather than a stockholder of record, in order to vote at the 2012 annual meeting of stockholders, you will need to obtain a legal proxy from your broker.

Q: How many votes can be cast at the meeting?

A: As of the record date, 18,496,366 shares of PCTEL common stock were outstanding. Each outstanding share of common stock entitles the holder of such share to one vote on all matters covered in this proxy statement. Therefore, there are a maximum of 18,496,366 votes that may be cast at the meeting.

Q: What is a quorum ?

Edgar Filing: PC TEL INC - Form DEF 14A

A: A quorum is the number of shares that must be present, in person or by proxy, in order for business to be transacted at the meeting. The required quorum for the annual meeting is a majority of the shares outstanding on the record date. There must be a quorum present for the meeting to be held. All completed and signed proxy cards, Internet votes, telephone votes and votes cast by those stockholders who attend the annual meeting in person, whether representing a vote FOR, AGAINST, ABSTAIN, or a broker non-vote, will be counted toward the quorum.

Q: How are abstentions counted?

A: If you return a proxy card that indicates an abstention from voting in all matters, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be voted on any matter at the annual meeting.

Q: What is a broker non-vote ?

A: Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients (who are the beneficial owners of the shares), brokers have the discretion to vote such shares on routine matters (such as the ratification of the appointment of our independent registered public accounting firm, Proposal #3), but not on non-routine matters (such as the election of directors (Proposal #1) and the advisory vote to approve the Company's named executive officer compensation (Say-on-Pay) (Proposal #2)) without specific instructions from their clients. The vote with respect to any non-routine matter is referred to as a broker non-vote. Thus, because the proposals to be acted upon at the meeting consist of both routine and non-routine matters, the broker may turn in a proxy card for uninstructed shares that vote FOR the routine matter, but expressly states that the broker is NOT voting on the non-routine matters. A broker non-vote may also occur with respect to routine matters if the broker expressly instructs on the proxy card that it is not voting on a certain matter.

Q: How are broker non-votes counted?

A: Broker non-votes are counted for the purpose of determining the presence or absence of a quorum, but are not counted for determining the number of votes cast for or against a proposal, whether such proposal is a routine or non-routine matter.

Q: What is the required vote for each of the proposals to pass?

A: The two director nominees receiving the highest number of votes, in person or by proxy, will be elected as directors. For the other proposals, the required vote is the affirmative (*i.e.* FOR) vote of a majority of the shares present, represented and voting at the annual meeting.

The votes cast on a particular proposal include votes FOR, AGAINST and ABSTAIN, but do not include broker non-votes.

Q: Who is soliciting my vote?

A: PCTEL is making this proxy solicitation and will bear the entire cost of it, including the preparation, assembly, printing, posting and mailing of proxy materials. We may reimburse brokerage firms and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you. We expect Broadridge Financial Solutions, Inc. to tabulate the proxies and to act as the inspector of the election. In addition to this solicitation, proxies may be solicited by our directors, officers and other employees by telephone, the Internet or fax, in person or otherwise. None of these persons will receive any additional compensation for assisting in the solicitation. **PCTEL will provide, without charge to each stockholder solicited by these proxy solicitation materials, a copy of our Annual Report on Form 10-K, together with the financial statements and financial statement schedules required to be filed with the Annual Report, upon written request sent to PCTEL, Inc., 471 Brighton Drive, Bloomingdale, Illinois 60108, Attention: John W. Schoen, Corporate Secretary. These materials may also be found on our website at www.pctel.com by clicking on the caption 2012 Proxy Materials under the Shareholder Resources section on the left-hand column of the Home Page. Our Annual Report on Form 10-K for the year ended December 31, 2011 is not incorporated into this proxy statement and is not considered proxy solicitation material.**

Deadline for Receipt of Stockholder Proposals and Nominations for 2013 Annual Meeting of Stockholders

Stockholders are entitled to present proposals for action and director nominations at the 2013 annual meeting of stockholders only if they comply with applicable requirements of the proxy rules established by the

SEC and the applicable provisions of our bylaws. Stockholders must ensure that such proposals and nominations are received by our Corporate Secretary at the following address: 471 Brighton Drive, Bloomingdale, Illinois 60108, Attention: John W. Schoen, on or prior to the deadline for receiving such proposals and nominations.

Proposals for the 2013 annual meeting of stockholders that are intended to be considered for inclusion in the proxy statement and form of proxy relating to such meeting must be received no later than December 30, 2012, and must comply with the procedures of Rule 14a-8 under the Securities Exchange Act of 1934 (the Exchange Act) and the provisions of our bylaws.

If a stockholder intends to submit a proposal or director nomination for consideration at our 2013 annual meeting of stockholders outside the procedures of Rule 14a-8 under the Exchange Act, the stockholder must comply with the requirements of our bylaws and we are not currently required to include such proposal or nomination in the proxy statement and form of proxy relating to such meeting. Our bylaws contain an advance notice provision that requires stockholders to submit a written notice containing certain information not less than 120 days prior to the date of our proxy statement for the previous year's annual meeting of stockholders. For purposes of the 2013 annual meeting of stockholders, this means that such proposals or nominations must also be received by December 30, 2012. A copy of the relevant bylaw provision is available upon written request to our Corporate Secretary at the address provided above.

The accompanying proxy card grants the proxy holders discretionary authority to vote on any business raised at the annual meeting. If you fail to comply with the advance notice provisions set forth above in submitting a proposal or nomination for the 2013 annual meeting of stockholders, the proxy holders will be allowed to use their discretionary voting authority if such proposal or nomination is raised at that meeting.

SUMMARY OF PROPOSALS

The Board of Directors has included three proposals on the agenda for our 2012 annual meeting of stockholders. The following is a brief summary of the matters to be considered and voted upon by the stockholders.

Proposal #1: Election of Directors

The Company has a classified Board of Directors. In 2011, the Company amended its bylaws to permit between seven and nine directors to serve on the Board of Directors at any time, and added an eighth director in order to assure continuity in advance of anticipated departures and to provide additional areas of expertise. Each director serves a three-year term. The first proposal on the agenda for the annual meeting is the election of two Class I directors to serve until the 2015 annual meeting of stockholders. The Board of Directors has nominated Brian J. Jackman and John R. Sheehan to serve as the Class I directors. Additional information about the election of directors and a biography of each nominee begins on page 7.

The Board of Directors recommends a vote FOR each of the two nominees.

Proposal #2: Advisory Vote to Approve the Company's Named Executive Officer Compensation (Say-on-Pay)

The Company is providing its stockholders with the opportunity to cast a non-binding advisory vote on the Company's proposed compensation for the named executive officers, as described in this proxy, in accordance with SEC rules. The Company's overall philosophy is to offer competitive compensation opportunities that enable the Company to attract, motivate and retain highly experienced executive officers who will provide leadership for the Company's success and enhance stockholder value. The Company believes that its compensation for named executive officers, which includes short-term and long-term elements, fulfills this goal and is closely aligned with the long-term interests of its stockholders.

The Board of Directors recommends a vote FOR approval of the Company's Named Executive Officer Compensation.

Proposal #3: Ratification of the appointment of the Independent Registered Public Accounting Firm

The third proposal on the agenda for the annual meeting is the ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012. More information about this proposal begins on page 13.

The Board of Directors recommends a vote FOR the ratification of the appointment of Grant Thornton LLP as the independent registered public accounting firm.

Other Matters

Other than the proposals listed above, the Board of Directors does not currently intend to present any other matters to be voted on at the meeting. The Board of Directors is not currently aware of any other matters that will be presented by others for action at the meeting. However, if other matters are properly presented at the meeting and you have signed and returned your proxy card or voted on the Internet or by telephone, the proxies will have discretion to vote your shares on these matters to the extent authorized under the Exchange Act.

PROPOSAL #1

ELECTION OF DIRECTORS

Classification of Board of Directors

PCTEL has a classified Board of Directors currently consisting of three classes. There are two Class I directors, Brian J. Jackman and John R. Sheehan, whose terms are expiring at this annual meeting of stockholders. On October 13, 2011, the Board of Directors adopted an amendment to the Company's bylaws in advance of planned departures in the upcoming fiscal years in order to permit between seven and nine directors to serve on the Board of Directors at any time. The Board of Directors appointed an eighth director to serve as a Class II director, thereby increasing Class II to three directors, Richard C. Alberding, Michael W. Davidson and Carl A. Thomsen, whose terms expire at the 2013 annual meeting of stockholders. The Company continues to have three Class III directors, Steven D. Levy, Giacomo Marini, and Martin H. Singer, whose terms expire at the 2014 annual meeting of stockholders. At each annual meeting of stockholders, one class of directors is elected for a term of three years to succeed those directors whose terms expire on the annual meeting date.

Nominees

On the recommendation of the Board of Directors, the nominees for election at the 2012 annual meeting of stockholders as Class I directors are Brian J. Jackman and John R. Sheehan. If elected, Messrs. Jackman and Sheehan will continue as directors, and their terms will expire at the annual meeting of stockholders in 2015.

The proxy holders may not vote the proxies for a greater number of persons than the number of nominees named. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the two Class I director nominees. In the event that any of the nominees is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. We are not aware of any nominee who will be unable or will decline to serve as a director.

Vote Required and Board of Directors Recommendation

If a quorum is present and voting, the two nominees receiving the highest number of votes will be elected to the Board of Directors. Abstentions and broker non-votes are not counted in the election of directors.

The Board of Directors has unanimously approved the director nominees and recommends that stockholders vote FOR the election of the director nominees listed above.

Directors and Nominees

The following table sets forth certain information regarding the current directors and nominees for directors to be elected at the 2012 annual meeting of stockholders:

Name	Age	Position with PCTEL	Since
Class I director nominees to be elected at the 2012 annual meeting of stockholders whose terms will expire at the 2015 annual meeting of stockholders			
Brian J. Jackman	71	Director	2002
John R. Sheehan	75	Director	2002
Class II directors whose terms will expire at the 2013 annual meeting of stockholders:			
Richard C. Alberding	81	Director	1999
Michael W. Davidson	65	Director	2011
Carl A. Thomsen	67	Director	2001
Class III directors whose terms will expire at the 2014 annual meeting of stockholders:			
Steven D. Levy	55	Director	2006
Giacomo Marini	60	Director	1996
Martin H. Singer	60	Chief Executive Officer, Chairman of the Board	1999

Mr. Jackman has been a director since February 2002. He is currently the President of The Jackman Group, Inc., a management consulting company that he formed in 2005. In September 2001, Mr. Jackman retired from Tellabs, a communications company he had been with since 1982. Mr. Jackman served as President, Global Systems and Technology, and Executive Vice President of Tellabs since 1998, and as President of Tellabs Operations from 1993 to 1998. Prior to that, Mr. Jackman held various management positions in sales and marketing for IBM from 1965 to 1982. Commencing in January 2003, he joined the board of directors of Open Text, Inc. an enterprise content management solutions company, where he also currently serves on the Compensation Committee. Commencing January 2005 through December 2010, Mr. Jackman served on the board of directors of Keithley Instruments, a test and measurement equipment company. In total, Mr. Jackman has served on the boards of eight companies in the technology sector. In addition, Mr. Jackman served on the board of trustees of Gannon University from May 2001 to May 2010. Mr. Jackman holds a Bachelor of Arts degree in English literature from Gannon University in Erie, Pennsylvania and a Master degree in Business Administration from Penn State University. Mr. Jackman's specific experience with a test and measurement equipment company as well as his extensive experience in sales, marketing and management functions with telecommunications and high tech companies, and his current and prior service on the board of directors of other companies, make him qualified to serve on the Company's Board of Directors and as the Lead Independent Director.

Mr. Sheehan has been a director since October 2002. Beginning in 1996, Mr. Sheehan has owned and operated Two Rivers Associates, a business consulting firm specializing in business planning (*i.e.*, strategy development and plan execution), process improvement and executive coaching. Also, since October 2001, Mr. Sheehan has served as a senior consultant in the London Perret Roche Group in Red Bank, New Jersey. He began his career at Bell Laboratories in 1962. In his 33 years at Bell Laboratories, Western Electric and AT&T, Mr. Sheehan worked in senior positions in development, manufacturing, strategic planning and general management of business units where he led the development and deployment of data communications equipment, digital switching system, and cellular telephone systems. Since leaving AT&T in 1996, Mr. Sheehan has held senior management positions, and served on the board of directors of two internet-based start-up companies (the terms of which ended prior to 2005). Among other duties, he was responsible for business development, business operations, and sales. Mr. Sheehan received a Bachelor of Science degree in Electrical Engineering from Drexel University in 1962 and a Master of Science degree in Electrical Engineering from New York University in 1964.

He also attended the University of Pennsylvania from 1966 to 1971. Mr. Sheehan's extensive background in development, manufacturing and strategic planning and his educational training as an electrical engineer, enable him to evaluate the product development and operations of the Company. Mr. Sheehan's participation in corporate governance programs and extensive experience in business planning, process improvement and strategy development qualify him to serve on the Company's Board of Directors and as its Chairman of the Nominating and Governance Committee.

Mr. Alberding has been a director since 1999, holding positions on the Audit and Compensation Committees. In June 1991, Mr. Alberding retired from Hewlett-Packard, then a computer, peripherals and measurement products company, having served as an Executive Vice President, with responsibility for worldwide company sales, support and administration activities for measurement and computation products, as well as all corporate level marketing activities. Since 2006 Mr. Alberding has been a director of Cxtec, Inc., a privately held CISCO Value Added Reseller and provider of related new and refurbished products. In addition, from 1997 until July 2010 Mr. Alberding served as a director and member of the Compensation Committee of Sybase, Inc., a public company and provider of enterprise software to manage, analyze and mobilize information. Moreover, from 1996 until August 2009, Mr. Alberding served on the board of directors of Quick Eagle, Inc., a private company providing wide area network access solutions for broadband applications. From 1994 until January 2007, Mr. Alberding served on the board of directors of Stratex Networks, Inc., a public company and provider of wireless transmission solutions. In addition, during the period 1991 to 2004, Mr. Alberding served as a member of the board of directors of Kennametal Inc., a machine tools company; Page Net, Inc., a paging company; as well as a director of several private companies including Scimed, Inc., Storm Computing, Inc., Orbisphere, S.A. (Switzerland), Artic Circle, S.A. (Switzerland), Adicom, Inc., Indigo, Inc., Quick Turn, Inc., and Walker, Inc., in each case serving on either the Audit, Compensation or Board Affairs Committee. Mr. Alberding also served as a member of the Board of Trustees of Cazenovia College. Mr. Alberding holds an Associate of Arts in Business Administration degree from Elgin Community College (1951), a Bachelor of Science degree in Accounting, Law and Marketing from Augustana College (1953), an Associate of Science in Electronics degree from DeVry Technical Institute in Chicago (1958), and an Associate of Arts degree in International Business at INSEAD in France (1964). He also attended numerous executive training programs held at Stanford University, Harvard University and the University of Geneva (Switzerland). Mr. Alberding's experience as an Executive Vice President with a measurement products company, his participation on the board of directors/trustees at other companies and organizations, particularly on the Compensation Committee, and his education and extensive executive training make Mr. Alberding a valued member of the Company's Board of Directors and qualified to serve as the Chairman of the Compensation Committee of the Company's Board of Directors.

Mr. Davidson, a retired Major General, U.S. Army, has been a director since October 2011. He is a co-founder of CRA, Inc., a Washington-based homeland security and defense company. Mr. Davidson also advises clients doing business with the Department of Defense and the Department of Homeland Security. He has provided strategic advice to the White House and to the Office of the Secretary of Defense. Mr. Davidson's military career concluded with six years of service on the Joint Staff in the Pentagon where he was the Assistant Chairman, Joint Chiefs of Staff, for National Guard matters. Prior to that time, his assignments as a general officer were as the Deputy Commander in Chief for Mobilization and Reserve Affairs, U.S. Special Operations Command; Deputy Commanding General (National Guard), U.S. Army Special Operations Command; and the Adjutant General of Kentucky. He is a Vietnam veteran and served with the Airborne Ranger Infantry Company of the First Air Cavalry Division in Vietnam. Since 1988 he has been a member of the board of directors of the Kentucky Vietnam Veterans Memorial Foundation, a private foundation, and, beginning in 2010, Mr. Davidson has served on the board of directors of the Frazier International History Museum, a private foundation. In addition, since 2009, he has served on the board of directors of the Fund for Peace, a private Washington-based think tank active in international development activities. Mr. Davidson received a Juris Doctor degree in 1975 from the University of Louisville. He also holds, from the University of Louisville, a Doctorate of Philosophy (1985), a Bachelor of Arts in history (1969), and Masters in Community Development (1974). He is a published author, including in the area of national security policymaking, and frequently provides military commentary for

National Public Radio. Mr. Davidson's qualifications to serve on the Company's Board of Directors include his extensive experience in senior leadership positions in the Pentagon, his broad expertise in government contracting, strategy, organizational excellence and corporate governance experience.

Mr. Thomsen has been a director since March 2001. Mr. Thomsen served as Senior Vice President, Chief Financial Officer and Corporate Secretary at Stratex Networks, Inc. (now Aviat Networks, Inc.), a provider of wireless transmission solutions, from 1995 to 2007. At Stratex, Mr. Thomsen was responsible for worldwide financial reporting, legal and treasury functions, tax, IT, human resources and investor relations. From 1984 to 1995, Mr. Thomsen worked at Measurex Corporation, a process control systems company (now a part of Honeywell Corporation) where he served as Senior Vice President and Chief Financial Officer. From 1975 to 1983, Mr. Thomsen was employed by Ampex Corporation (now a part of Honeywell Corporation) in various senior financial positions. From May 2007 to April 2010, Mr. Thomsen served as a member of the board of directors of the Cardiac Therapy Foundation of the Mid-Peninsula, a non-profit organization providing a cardiovascular wellness and rehabilitation program. From December 2009 through July 2010, Mr. Thomsen served as a member of the board of directors and the Audit Committee of SonicWALL, Inc., a developer of security solutions. Mr. Thomsen holds a Bachelor of Science degree in Business Administration from Valparaiso University and a Master degree in Business Administration from the University of Michigan. He is also a certified public accountant, and has 40 years of financial experience in a variety of companies and as an auditor with a public accounting firm, having started his financial career with Arthur Andersen LLP, a public accounting firm. Mr. Thomsen's experience as a certified public accountant and chief financial officer, his past responsibilities for worldwide financial reporting and other treasury, tax and investor relations matters, as well as his prior participation on two other boards of directors, particularly on the Audit Committee, make him qualified to serve as the Chairman of the Audit Committee of the Company's Board of Directors.

Mr. Levy has been a director since March 2006. He served as a Managing Director and Global Head of Communications Technology Research at Lehman Brothers from July 1998 until September 2005. Before joining Lehman Brothers, Mr. Levy was a Director of Telecommunications Research at Salomon Brothers from March 1997 to July 1998, a Managing Director and Head of the Communications Research Team at Oppenheimer & Co. from July 1994 to March 1997, and a senior communications analyst at Hambrecht & Quist from July 1986 to July 1994. As a securities analyst for greater than 20 years, Mr. Levy became proficient in analyzing business strategies and financial results, having evaluated well over 100 companies. Mr. Levy is currently a member of the board of directors of Allot Communications, a data communications provider for carriers, and also privately held GENBAND Inc., an innovator of IP Infrastructure. From January 2006 to February 2010, he served on the board of directors of Zhong Technologies, Inc., a broadband technology company, and commencing September 2005 as a Board member of Tut Systems, Inc., a technology company providing advanced content processing and distribution products and system integration services, prior to its March 2007 acquisition by Motorola, Inc. In total, Mr. Levy has served on five boards of directors and has been a member of the Audit Committee of each company. Mr. Levy holds a Master degree in Business Administration and a Bachelor of Science degree in Materials Engineering from Rensselaer Polytechnic Institute. Mr. Levy provides a unique perspective to the Board of Directors and to its Audit Committee as a result of his investment banking experience related to the telecommunications industry and his analytical skills. The Company benefits from his knowledge of financial markets, business strategies and competitive data analysis.

Mr. Marini has been a director since October 1996. Mr. Marini is the founder and Managing Director of Noventi Ventures, a Silicon Valley-based early stage technology venture capital firm begun in March 2002. He also serves as Chairman of Marini Investments, a private investment company. Mr. Marini also served as interim Chief Executive Officer of FutureTel, a digital video capture company, and as President and Chief Executive Officer of No Hands Software, an electronic publishing software company. Prior to this, Mr. Marini was the co-founder, Executive Vice President and Chief Operating Officer of Logitech, a computer peripherals company. Previously, he held technical and management positions with Olivetti and IBM. Over the last decade he has been primarily managing venture capital investments in technology companies. This activity entails evaluating business plans, making investment decisions, assisting management in the formulation and execution of

operating plans and strategic plans involving all facets of company operations. It also includes continuous evaluation of the performance of management teams, directing management changes and helping in recruiting executives for portfolio companies. Further, it requires the identification, evaluation and execution of exit strategies, such as acquisitions by other companies or initial public offerings. He has directed investments in over 15 companies, some of which have been acquired by market leaders such as BEA Systems, Cisco, HP and Symantec. Prior to this, Mr. Marini has had broad operating experience. At Logitech International SA he managed engineering, operations and finance as the company grew from inception to over \$200M in annual revenues, effected an initial public offering and expanded manufacturing and development in North America, Asia and Europe and sales presence in over 30 countries worldwide. At FutureTel (1998-1999) and No Hands Software (1993-1994) he managed rapid product development, decisive restructuring, new markets and product entries. Private board of director memberships include TES S.p.A. from September 1994 to January 2012; Ecrio Inc. since March 1999; Minerva Networks, Inc. beginning May 2003; Neato Robotics, Inc. since December 2006; Aurora Algae, Inc. commencing in January 2007; Cosmo Industrie S.p.A. from December 2007 to December 2011, Windspire Energy, Inc. beginning December 2008 and Lumenergi, Inc. beginning August 2011. Other past public board service includes Logitech International SA and Advanced Gravis Computer Technology Ltd. Mr. Marini holds a Computer Science Laureate degree from the University of Pisa, Italy. Overall, Mr. Marini brings experience with a wide variety of company situations both as a general management executive and as active board member and investor. These qualifications provide a solid basis for serving as a director of a technology company dealing with issues of growth, product and marketing strategy, international expansion and merger and acquisition activities.

Mr. Singer serves as the Company's Chief Executive Officer and Chairman of the Board, a position he has held since October 2001. Prior to that, he served as the Company's non-executive Chairman of the Board from February 2001 until October 2001, and he has been a director of the Company since August 1999. From December 1997 to August 2000, Mr. Singer served as President and Chief Executive Officer of SAFCO Technologies, a wireless communications company. He left SAFCO in August 2000 after its sale to Agilent Technologies. From September 1994 to December 1997, Mr. Singer served as Vice President and General Manager of the wireless access business development division for Motorola, Inc., a communications equipment company. Prior to this period, Mr. Singer held senior management and technical positions in Motorola, Tellabs, AT&T and Bell Labs. Mr. Singer holds a Bachelor of Arts degree in psychology from the University of Michigan, and a Master of Arts degree and Ph.D. in Experimental Psychology from Vanderbilt University. He currently serves as the Co-Chairman of the Midwest Council of TechAmerica (formerly AeA) and has served on the Standing Advisory Group for the Public Company Accounting Oversight Board and Advisory Board for the MMM program at Kellogg School of Business. From March 2009 until September 2010 he also served on the board of directors of Westell Technologies, Inc., a leading provider of broadband products, gateways and conferencing services, and was Chair of Westell's Compensation Committee. In 2006, Mr. Singer was appointed to the board of directors of ISCO International, a provider of spectrum conditioning solutions to wireless and cellular providers worldwide, where he also chaired the Compensation Committee until he left the board in 2007. Mr. Singer is a member of the Economic Club of Chicago and currently serves as co-chair of the Technology Nominating Committee. Recently, he served as a Commissioner on Illinois' Economic Recovery Commission, appointed by Governor Quinn to that position. In March 2011, he was appointed by Governor Quinn to the Illinois Broadband Deployment Council. Mr. Singer has 8 patents in telecommunications and is the author of several essays on the telecommunications industry and technology competitiveness. He was awarded the Martin Sandler Achievement Award by the American Israel Chamber of Commerce in 2007 and the Executive Leadership Award by the AeA in 2008. Mr. Singer is a seasoned industry expert with strong knowledge of the Company's business and technology. He provides expertise in business strategy, intellectual property, strategic alliances and business technology.

PROPOSAL #2

ADVISORY VOTE TO APPROVE THE COMPANY'S

NAMED EXECUTIVE OFFICER COMPENSATION

(SAY-ON-PAY)

The Company is requesting that the stockholders approve the Company's named executive officer compensation by a non-binding advisory vote, as required by Section 14A(a)(1) of the Exchange Act and related SEC rules. Although the vote is not binding on the Company or the Board of Directors, the Say-on-Pay vote provides the stockholders with an additional means to express their views about compensation for the named executive officers. The outcome of the vote will be taken into account by the Board of Directors and the Compensation Committee in making future determinations about named executive officer compensation.

The compensation of the Company's named executive officers is described in the Compensation Discussion and Analysis section of this proxy, including the compensation tables that accompany the narrative. The overall objective of the Company's compensation program for named executive officers is to attract, motivate and retain highly-experienced executive officers who will provide leadership for the Company's success and enhance stockholder value. A significant portion of the named executive officers' overall compensation, and all of their non-salary compensation, is performance-based and tied to the achievement of defined goals, with short-term incentive payments made in cash and long-term incentive payments made in stock.

The Board of Directors recommends a vote FOR approval of the Company's named executive officer compensation, as disclosed in this proxy statement.

PROPOSAL #3**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED****PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Grant Thornton LLP, an independent registered public accounting firm, to audit the Company's financial statements for the fiscal year ending December 31, 2012. This appointment is being presented to the stockholders for ratification at the 2012 annual meeting of stockholders.

Before selecting Grant Thornton LLP as the independent registered public accounting firm for the Company for fiscal year 2012, the Audit Committee carefully considered the firm's qualifications as independent auditors. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established and its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that Grant Thornton LLP's independence will not be impaired.

Grant Thornton LLP has been conducting independent audits of the Company's financial statements since May 2006. Representatives of Grant Thornton LLP are expected to be present at the 2012 annual meeting of stockholders. They will have the opportunity to address the audience at the meeting, and will be available to answer appropriate questions from stockholders.

Summary of Fees

The following table summarizes the aggregate fees billed to the Company by Grant Thornton LLP for the Company's 2011 and 2010 fiscal years:

Type of Fees	Fiscal Year 2011	Fiscal Year
	(\$)	2010
		(\$)
Audit Fees(1)	596,900	570,675
Audit-Related Fees(2)	28,630	9,630
All Other Fees(3)	24,710	1,500
Total Fees	650,240	581,805

- (1) *Audit Fees* These are fees for professional services for fiscal years 2011 and 2010. The professional services provided included auditing the Company's annual financial statements, reviewing the Company's quarterly financial statements and other services that are normally provided in connection with statutory and regulatory filings or engagements.
- (2) *Audit-Related Fees* These are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported as Audit Fees above. For fiscal year 2010, services related to auditing the Company's 401(k) and profit-sharing plan were performed. For fiscal year 2011, services related to auditing the Company's 401(k) and profit-sharing plan as well as services related to acquisitions were performed.
- (3) *All Other Fees* These are fees for permissible services that do not fall within the above categories. The fees in both years include payment for a portal, and in fiscal year 2011 the fees include advisory services related to the Company's enterprise resource planning system.

Pre-Approval of Independent Auditor Services and Fees

The Audit Committee reviewed and pre-approved all audit and non-audit fees for services provided to the Company by Grant Thornton LLP and has determined that the firm's provision of such services to the Company

during fiscal year 2011 is compatible with and did not impair Grant Thornton LLP's independence. It is the practice of the Audit Committee to consider and approve in advance all auditing and non-auditing services provided to the Company by the independent registered public accounting firm in accordance with the applicable requirements of the SEC.

Vote Required and Recommendation

Stockholder ratification of the selection of Grant Thornton LLP as the independent registered public accounting firm for the Company is not required by the Company's bylaws or other applicable legal requirement. However, the Board of Directors is submitting the selection of Grant Thornton LLP to the stockholders for ratification as a matter of good corporate practice. Notwithstanding the selection by the Audit Committee of Grant Thornton LLP or stockholder ratification of that selection, the Audit Committee may direct the appointment of a new independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company and the stockholders. If the selection of Grant Thornton LLP is not approved at the annual meeting, the Audit Committee will investigate the reason for the rejection and reconsider the appointment.

The Board of Directors recommends that stockholders vote FOR the ratification of Grant Thornton LLP as the Company's independent registered public accounting firm.

CORPORATE GOVERNANCE
Board and Committee Meetings

The Board of Directors held a total of seven meetings during fiscal 2011, which includes one subcommittee meeting. The subcommittee was formed by the Board of Directors on an ad hoc basis and was comprised of two members, including the Chairman of the Board. The subcommittee's task was to assure that the final terms of an acquisition satisfied the conditions approved by the full Board of Directors and to give final approval of the transaction to management.

The Board of Directors currently has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. The members of each of the committees are listed in the table below. Each member of the Audit Committee, Compensation Committee and Nominating and Governance Committee meets the NASDAQ independence requirements. The Board of Directors has determined that Mr. Thomsen qualifies as an audit committee financial expert as defined under the rules and regulations of the SEC, and that all members of the Audit Committee meet the NASDAQ financial literacy requirements. During 2011, each of the directors attended at least 75% of the total number of meetings of the Board of Directors and any committee on which such director served.

Reviews and makes recommendations on matters regarding corporate governance, composition of the Board of Directors, evaluation and nominations, committees of the Board of Directors and conflicts of interest

Oversees and coordinates the risk management activities of the Company

Establishes, maintains and improves corporate governance guidelines

A copy of each charter for the committees of the Board of Directors is available on the website located at www.pctel.com in the Investor Relations section under Corporate Governance.

Mr. Jackman is currently the lead independent director of the Board of Directors (Lead Independent Director). As Lead Independent Director, his principal responsibilities are (i) working with the Chairman and Chief Executive Officer and the other members of the Board of Directors to set the agenda for each meeting of the Board of Directors, (ii) serving as a liaison for communications between the Board of Directors and the Chief Executive Officer, (iii) acting as the chair for executive sessions held at regularly scheduled meetings of the Board of Directors, and (iv) consulting with General Counsel regarding communications received from the stockholders.

Board Leadership Structure

The Board of Directors believes that their familiarity with the Company, their insight into the industries in which the Company is engaged, and their knowledge of the challenges and opportunities arising in this evolving economy place the Board of Directors in the best position to determine the optimal leadership structure for the Company. The Board of Directors has determined that combining the roles of Chairman of the Board and Chief Executive Officer is the optimal structure for the Company at this time. Mr. Singer, who currently fills both roles, commenced his involvement with the Company as a Director on the Company's Board in 1999, became the non-executive Chairman of the Board in February 2001, and subsequently became the Chief Executive Officer in October 2001. The Board of Directors believes that the stockholders are best served by Mr. Singer fulfilling both roles, thereby unifying the leadership and direction of the Board with the management of the Company, and enabling the Company to move decisively to meet challenges and maximize opportunities for growth. The Board of Directors maintains independent and effective oversight of the Company's business through the strong leadership provided by the Lead Independent Director and the Board committees, and through the composition of the Board, with all directors other than the Chairman being independent directors.

Independence

Currently the Board of Directors has eight members. The Board of Directors has determined that the seven non-employee directors are independent directors based on the NASDAQ and SEC standards for independence. Only independent directors may serve on the Audit, Compensation and Nominating and Governance Committees.

In determining the independence of the directors, the Board of Directors affirmatively decides whether a non-employee director has a relationship that would interfere with that director's exercise of independent judgment in carrying out the responsibilities of being a director. In coming to that decision, the Board of Directors is informed of the NASDAQ and SEC rules that disqualify a person from being considered as independent, considers the responses to an annual questionnaire from each director, and reviews the applicable standards with each member of the Board of Directors.

Risk Management

While the executive officers of the Company are responsible for the day-to-day management of the material risks facing the Company, the Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its oversight role, the Board of Directors has the responsibility to determine whether the risk management processes designed and implemented by management are adequate and functioning as designed. The involvement of the full Board of Directors in setting the Company's business strategy at least annually is a key part of its oversight of risk management, its assessment of management's appetite for risk, and its determination of what constitutes an appropriate level of risk for the Company. The Board of Directors has assigned to the Nominating & Governance Committee the responsibility of working with Company management to identify, assess, and quantify risks facing the Company in order to create meaningful but cost-effective

strategies to manage the Company's most significant risks. The Nominating & Governance Committee updates the full Board of Directors regarding its efforts to manage enterprise risks and reports extensively on these efforts at the joint annual meeting of the Audit and Compensation Committees. The Board also regularly receives updates from management regarding certain of the significant risks facing the Company, including litigation and various operating risks.

In addition to the Nominating & Governance Committee's overall enterprise risk management efforts, each committee of the Board of Directors oversees certain aspects of enterprise risk management. For example, the Audit Committee is responsible for overseeing risk management of financial matters, financial reporting, the audit process, the adequacy of internal controls over financial reporting, and disclosure controls and procedures. The Compensation Committee oversees risks related to the compensation policies and practices. In its oversight, the Compensation Committee examines whether the compensation practice is consistent with the Compensation Committee's responsibilities (as set forth in Compensation Discussion and Analysis - Responsibilities of the Compensation Committee) and its philosophy (as set forth in Compensation Discussion and Analysis - Compensation Philosophy) and is aligned with the Company's goals and risk tolerance. In evaluating the compensation policies and practices, the Compensation Committee seeks advice from its independent compensation consultant. In addition to its role in working with management in the overall enterprise risk mitigation efforts, the Nominating and Governance Committee oversees governance related risks, such as board independence and conflicts of interest, as well as management and director succession planning. The committees report their findings to the full Board of Directors.

The NEOs (as identified in Compensation Discussion and Analysis - Named Executive Officers) and certain other executive officers attend Board of Directors and committee meetings as needed, and are available to address any questions or concerns raised by the Board on risk management-related matters.

Director Nomination Process

Stockholder Recommendation and Nominations. It is the policy of the Nominating and Governance Committee to consider director candidates recommended by the stockholders holding on the date of submission of such recommendation at least 1% of the then-outstanding shares of PCTEL common stock continuously for at least 12 months prior to such date.

Stockholders desiring to recommend a candidate for election to the Board of Directors should send their recommendation in writing to the attention of the Corporate Secretary, at the Company's office located at 471 Brighton Drive, Bloomington, Illinois 60108. This written recommendation must include the information and materials required by the bylaws as well as the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between the candidate and the Company within the last three years and evidence of the required ownership of PCTEL common stock by the recommending stockholder. A copy of the relevant bylaw is available upon written request to the Corporate Secretary at the address provided above. For a description of the advance notice provision of the Company's bylaws, see *Deadline for Receipt of Stockholder Proposals and Nominations for 2013 Annual Meeting of Stockholders* following the *Questions and Answers* above.

Identifying and Evaluating Nominees for Director. The Nominating and Governance Committee uses the following procedures for identifying and evaluating any individual recommended or offered for nomination to the Board of Directors:

The Committee considers candidates recommended by stockholders in the same manner as candidates recommended by other sources;
and

The Committee considers the following factors in its evaluation of candidates:

- The current size and composition of the Board of Directors;

- The needs of the Board of Directors and its committees;

- The candidate's judgment, independence, character and integrity, age, education, area of expertise, knowledge of the communications industry, experience with businesses and other organizations of comparable size, diversity of experience, length of service and potential conflicts of interests; and

- Other factors that the Committee considers appropriate.

The Nominating and Governance Committee requires the following minimum qualifications to be satisfied by any candidate recommended or offered for nomination to the Board of Directors:

The highest personal and professional ethics and integrity;

Proven achievement and competence in the candidate's field and the ability to exercise sound business judgment;

Skills which are complementary to those of the existing Board of Directors;

The ability to assist and support senior management and make significant contributions to the Company's success; and

An understanding of the fiduciary responsibilities which are required of a member of the Board of Directors and the commitment of time and energy necessary to diligently carry out those responsibilities.

Diversity

In addition to the qualifications set forth above, in evaluating the suitability of candidates for the Board of Directors, the Nominating and Governance Committee considers the diversity of the candidates, and of the Board of Directors as a whole, based on factors such as business background, experience and potential contributions to the Board of Directors. The Nominating and Governance Committee ensures that the Board of Directors is comprised of individuals with experience in industries that are complementary to the Company's business and individuals with financial and accounting experience in order to bring diverse business experience, knowledge and perspectives to the Board of Directors. For instance, in 2011 the Board of Directors accepted the Nominating and Governance Committee's recommendation to add a director with a military background and government contracting experience in response to the Company's expansion into those vertical markets.

Compensation of Directors

Cash and Stock Compensation. In 2011, the non-employee directors received an annual cash retainer of \$22,500 and shares of restricted common stock equivalent to \$35,000. The non-employee directors also received \$1,500 per Board meeting attended (unless the Board meeting was conducted by teleconference, in which case directors received \$1,000 for each telephonic meeting in which they participated) and \$1,000 per committee meeting attended. In addition, the non-employee directors received the following additional shares of restricted stock:

the chair of the Audit Committee received shares of restricted common stock equivalent to \$10,000;

the chair of the Compensation Committee received shares of restricted common stock equivalent to \$10,000;

the chair of the Nominating and Governance Committee received shares of restricted common stock equivalent to \$7,000;

Edgar Filing: PC TEL INC - Form DEF 14A

each other non-employee member of any of the foregoing committees received shares of restricted common stock equivalent to \$5,000;
and

the Lead Independent Director received shares of restricted common stock equivalent to \$10,000.

All the grants of restricted stock to the non-employee directors, as described above, were awarded on the date of the annual meeting (*i.e.*, June 8, 2011) and have no vesting period. The number of shares granted was based on the total dollar value divided by closing price of PCTEL common stock as presented by NASDAQ on the date of grant. In addition to the above-referenced grants, new non-employee directors receive a one-time grant of restricted shares equivalent to \$50,000 based upon the closing price of PCTEL common stock as represented by NASDAQ as of the first date of service, which vest in equal annual installments over the director's three-year initial term.

Deferred Compensation Plan. The non-employee directors are eligible to participate in the Board of Directors Deferred Compensation Plan. The principal purpose of the Board of Directors Deferred Compensation Plan is to provide retirement benefits and income tax deferral opportunities for the non-employee directors. The Board of Directors Deferred Compensation Plan permits the deferral of cash compensation that would otherwise be received by non-employee directors for their service on the Board of Directors. Compensation that is deferred under the Board of Directors Deferred Compensation Plan will be paid out by the Company upon the termination of a non-employee director's service on the Board of Directors, subject to the requirements of Section 409A of the Internal Revenue Code. If such termination occurs after the non-employee director has reached the age of 55, such non-employee director may elect to receive the deferred compensation (i) in a lump sum, (ii) annually over 15 years, or (iii) over the lifetime of the non-employee director in no less than 20 guaranteed annual payments.

Deferred Stock Plan. The non-employee directors are eligible to participate in the Board of Directors Deferred Stock Plan. The principal purpose of the Board of Directors Deferred Stock Plan is to provide retirement benefits and income tax deferral opportunities for the non-employee directors. The Board of Directors Deferred Stock Plan permits the deferral of stock option gains and restricted stock awards that would otherwise be received by the non-employee directors for their service on the Board of Directors. The shares that are deferred under the Board of Directors Deferred Stock Plan will be distributed by the Company upon the termination of a non-employee director's service on the Board of Directors.

Reimbursements. In addition, each of the non-employee directors is reimbursed for all reasonable out of pocket expenses incurred in connection with his service on the Board of Directors.

(3) Mr. Davidson received \$246.30 in dividends on his unvested restricted stock award.

Director Stock Ownership Guidelines

The Board of Directors believes that ownership of PCTEL common stock by directors demonstrates to the stockholders their commitment to the Company and optimism for its future. Accordingly, in September 2011, the Board of Directors adopted a policy that requires each director to achieve ownership of PCTEL common stock with a value equal to three times the annual cash retainer paid by the Company to the Directors for their service on the Board. The directors serving on the Board of Directors at the time of the adoption of the Director Stock Ownership Guidelines (Guidelines) have three years (i.e., September 2014) to achieve compliance with the Guidelines, and directors joining the Board of Directors after adoption of the Guidelines have five years from their inception to achieve compliance.

Stockholder Communications with the Board of Directors

Stockholders who wish to communicate directly with the independent directors may do so by sending an e-mail message to the Vice President and General Counsel at general.counsel@pctel.com. The General Counsel monitors these communications, consults with the current Lead Independent Director, and provides a summary of messages received to the Board of Directors at its regularly scheduled meetings. Where the nature of the communication warrants, the General Counsel may obtain more immediate attention of the matter from the appropriate committee, Lead Independent Director, independent advisors, or management. The General Counsel, in consultation with the Lead Independent Director, may decide whether a response to any stockholder communication is necessary.

Attendance at the Annual Meeting of Stockholders

All directors are welcome to attend the 2012 annual meeting of stockholders. At the 2011 annual meeting of stockholders, Messrs. Singer, Alberding and Thomsen were in attendance.

Code of Ethics

The Code of Ethics and Business Conduct (the Code of Ethics) applies to all employees and directors of the Company and its subsidiaries. The Code of Ethics, which provides guidance and standards for maintaining ethical behavior, requires that employees and directors comply with applicable laws and regulations, and prohibits conflicts of interests. The Company also has made available an ethics hotline for anonymously reporting violations of the Company's policies and procedures. The Code of Ethics is posted on the Company's website at www.pctel.com in the Code of Ethics and Business Conduct tab in the Investor Relations section under Corporate Governance. Any approved revisions to the Code of Ethics will be posted on the Company's website.

Compensation Committee Interlocks and Insider Participation

During 2011, none of Messrs. Alberding, Davidson, Jackman or Sheehan was an officer or employee of the Company while serving as a member of the Compensation Committee. In addition, no executive officer of the Company served as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee.

Under the insider trading policy adopted by the Company at the time of the initial public offering in 1999, and amended from time to time, insiders are prohibited from trading in PCTEL common stock while in possession of material non-public information. To obviate the possibility of hedging the economic risk of ownership, this prohibition extends to trading in derivative securities of the Company, including any put or call options.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of PCTEL common stock as of April 16, 2012 by:

Each stockholder known by PCTEL to beneficially own more than 5% of PCTEL common stock;

Each PCTEL director, including director nominees;

Each named executive officer of PCTEL identified in the Compensation Discussion and Analysis Named Executive Officers ; and

All of the Company's directors and Named Executive Officers (as identified in Compensation Discussion and Analysis Named Executive Officers) as a group, including director nominees.

Beneficial ownership is determined based on the rules of the SEC. Percent of beneficial ownership is based upon 18,496,366 shares of PCTEL common stock outstanding as of April 16, 2012. In addition, options for shares of PCTEL common stock that are exercisable as of April 16, 2012 or will become exercisable on or before June 15, 2012 (60 days subsequent to April 16), are treated as outstanding and beneficially owned by the person holding the options for the purpose of computing the percentage ownership of such person and are listed below under the Number of Shares Underlying Options column, but those option shares are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the Company believes that the stockholders listed below have sole voting or investment power with respect to all shares listed beside each stockholder's name, subject to applicable community property laws.

COMPENSATION DISCUSSION AND ANALYSIS
Named Executive Officers

The purpose of this Compensation Discussion and Analysis is to discuss material information relating to compensation awarded to the following individuals, who have been identified by the Compensation Committee as the Company's Named Executive Officers or NEOs for the fiscal year ended December 31, 2011:

Name	Title
Martin H. Singer	Chairman of the Board and Chief Executive Officer
John W. Schoen	Chief Financial Officer and Corporate Secretary
Varda A. Goldman	Vice President and General Counsel
Anthony Kobrinetz	Vice President, Technology and Operations
Jeffrey A. Miller	Senior Vice President, Sales and Marketing

Because Mr. Singer is the Chairman of the Board in addition to his role as Chief Executive officer (CEO), his biographical information is included under Proposal #1 Election of Directors Directors and Nominees.

Mr. John W. Schoen, 56, has been the Company's Chief Financial Officer and Secretary since November 2001. Prior to that, Mr. Schoen was a Business Development Manager at Agilent Technologies, Inc. from July 2000 to November 2001. From May 1999 to July 2000, Mr. Schoen served as Chief Operating Officer and Chief Financial Officer of SAFCO Technologies, Inc. before its acquisition by Agilent Technologies Inc. Prior to this period, Mr. Schoen held various financial positions for over 19 years in Motorola, Inc., including Controller of its Wireless Access and Business Development within Motorola's Cellular Infrastructure Group. Mr. Schoen received a Bachelor of Science in Accounting from DePaul University and is a Certified Public Accountant.

Mrs. Varda A. Goldman, 62, has been the Vice President and General Counsel since joining PCTEL in December 2002. Before joining PCTEL, Mrs. Goldman served as a vice president of legal services for Motorola's Commercial Government and Industrial Solutions Sector (CGISS). She also served as vice president and lead counsel for Motorola's Cellular Infrastructure Group (CIG) during its growth from \$500 million to \$4.5 billion in revenue. Mrs. Goldman began her career at Motorola in 1977 supporting the automotive and electronics group. She received her undergraduate and law degrees at Northwestern University and DePaul University College of Law, respectively.

Mr. Anthony Kobrinetz, 60, has been the Vice President, Technology and Operations, since joining PCTEL in April 2010. Before joining PCTEL, Mr. Kobrinetz was most recently responsible for leading Motorola's entrée into broadband wireless access with particular focus on the development of WiMAX products and services. Previously, as the General Manager (and Business Founder) of the Canopy business for Motorola, he successfully transitioned the wireless broadband technology incubator into a commercial business with product development, operations, sales and marketing. Mr. Kobrinetz also served as general manager for the Advanced Products Division that designed and manufactured the first digital infrastructure platform that Motorola produced for the Japanese cellular infrastructure market. As a seasoned technology and business professional, Mr. Kobrinetz has devoted over 35 years to the shaping of mobile telephony, wireless local area networks, cellular telecommunications and telematics. He has held executive-level positions in product development, supply chain and system implementation of innovative communications equipment. Other key accomplishments include the development of a private wireless data network in the United States as well as the pioneering of a wireless local area network at 18 GHz. Mr. Kobrinetz holds numerous patents in communication components and systems. He earned a Bachelor of Science from the University of Illinois at Chicago and a Master of Business Administration from Loyola University in Chicago.

Mr. Jeffrey A. Miller, 56, has been the Senior Vice President, Sales and Marketing of the Company since April 2010. From October 2006 until April, 2010, Mr. Miller was Vice President and General Manager of the Company's Antenna Products Group. From November 2001, when he joined PCTEL, until October of 2006,

Mr. Miller served in a number of roles, from Vice President of Engineering through leadership roles in product management, new technology and global sales. Prior to joining PCTEL, Mr. Miller was Functional Manager of Wireless Optimization Products, Wireless Network Test Division of Agilent Technologies Inc. from July 2000 to November 2001. From January 1998 to July 2000, Mr. Miller served as Vice President of Engineering of SAFCO Technologies, Inc. and led its Test and Measurement Group before its acquisition by Agilent Technologies Inc. From September 1992 to January 1998, Mr. Miller was a Principal Consultant with Malcolm, Miller & Associates providing consulting services to wireless network operators and infrastructure suppliers. From 1978 through September of 1992, Mr. Miller held various technical and management positions at Motorola, Inc.'s Cellular Infrastructure Group. Mr. Miller received a Bachelor of Science in Computer Science from University of Illinois.

Overview of the Compensation Committee

The Compensation Committee of the Board of Directors was formed in March 2000 and currently consists of Messrs. Alberding, Davidson, Jackman and Sheehan, each of whom is an independent, non-employee director of the Company. The Compensation Committee reviews its charter on an annual basis and has modified it from time to time, most recently in September 2010, to clarify the philosophy and responsibilities of the Compensation Committee. The charter of the Compensation Committee is located on the Company's website (www.pctel.com) and may be found in the Investor Relations section under Corporate Governance.

The Compensation Committee meets at regularly-scheduled quarterly meetings and from time-to-time between quarterly meetings in order to address matters that fall within the Compensation Committee's responsibilities as set forth in Responsibilities of the Compensation Committee below. Minutes are recorded of all Committee meetings. The Compensation Committee reports to the Board of Directors as the Compensation Committee may deem necessary to make the Board of Directors aware of significant matters that require its attention. The Compensation Committee met a total of six times in 2011, including a session with the Audit Committee.

Compensation Philosophy

The Compensation Committee's philosophy in setting compensation policies for the CEO, the other NEOs and the other Vice Presidents (collectively referred to as executive officers) and the employees designated as key managers by the CEO based upon their responsibilities and performance (hereinafter referred to as key managers) is to attract, motivate and retain highly experienced personnel who will provide leadership for the Company's success and enhance stockholder value. The primary goals of the executive compensation program are, therefore:

To closely align the interests of the executive officers and key managers with those of the Company's stockholders in order to enhance stockholder value;

To provide the executive officers and key managers with a structured compensation package, including competitive salaries, performance-motivating cash and equity incentive programs, and benefits that embrace a balance of work and family life, and to promote for each an opportunity to advance in a growing organization;

To offer a collaborative workplace environment where each executive officer and key manager has the opportunity to impact the Company's long-term success;

To maintain a significant portion of each executive officer's total compensation at risk and tied to the achievement of financial, corporate and functional performance goals established by the Board of Directors while managing the overall enterprise risk;

To provide increased rewards for superior individual and corporate performance, and substantially reduced or no rewards for average or inadequate performance; and

To minimize high-risk behaviors that potentially imperil the underlying value of the Company.

It is the Compensation Committee's practice to review at least annually all components of compensation for the executive officers and key managers to ensure that the amount and structure of total compensation for each is consistent with its compensation philosophies and objectives. Internal pay equity among the executive officers and key managers is also a factor in the Committee's assessment of total compensation. With these considerations in mind, the general strategy of the Compensation Committee has been to (i) target executive compensation at a level between the median and the 75th percentile of total direct compensation in reference to a peer group of publicly-traded companies and in accordance with other competitive market information in order to attract high-performing executives and key managers who also have opportunities with larger multinational companies, (ii) establish a strong correlation between the level of compensation and the financial performance of the Company compared against its peer group and other companies, and (iii) create incentives for long-term sustainable growth.

Independent Compensation Consultant. The Compensation Committee relies significantly upon the services of an independent compensation consultant in applying its judgment as to appropriate levels and components of compensation for the executive officers and key managers. In 2011, the Compensation Committee renewed the annual engagement of The Delves Group, an independent, Chicago-based compensation consulting firm as the independent compensation consultant (the Independent Compensation Consultant) to assist the Committee in (i) establishing the Company's compensation goals and objectives, (ii) providing relevant peer group and survey data on the compensation practices of the participating companies, and (iii) advising on industry trends in executive compensation. The Compensation Committee first engaged The Delves Group in 2004 and has renewed this engagement each year. Although the fees of the Independent Compensation Consultant are paid by the Company, the Independent Compensation Consultant is accountable and has direct reporting responsibility to the Compensation Committee. The Compensation Committee's practice is to invite a representative of the Independent Compensation Consultant to attend substantially all Compensation Committee meetings. The Independent Compensation Consultant provides no services to the Company other than the services it provides to the Compensation Committee.

Survey Data, Peer Groups and the Use of Industry Benchmarking Data. The Compensation Committee uses benchmarking information to evaluate total compensation of the Company's named executive officers (*i.e.*, principally salary, bonus under the Short-Term Incentive Plan, service-based awards, and awards under the performance-earned, service-vesting retention plan combined). The benchmarking information is comprised of survey data, which is derived from three independent executive compensation surveys compiled by recognized compensation firms, as well as publicly-available data from a peer group of publicly-traded companies that are comparable to the Company. The survey data used by the Independent Compensation Consultant is derived from different databases of companies that compare to the Company only in general terms, including broad industry sectors and size of company.

The peer group information is designed to be more specific. The Independent Compensation Consultant, with assistance from the Company's management and guidance from the Compensation Committee, is responsible for selecting the companies that are included within this peer group and for compiling relevant executive compensation and corporate performance data. Due in part to the small number of public, microcap companies in the same industries as the Company, it is not possible to construct a group of companies with characteristics entirely similar to the Company. The Independent Compensation Consultant therefore compiles data from public companies that, based upon its expertise, are the most similar in terms of industry sector, revenue level, market capitalization, operating and financial characteristics and other relevant factors, and provide a meaningful comparison for the Compensation Committee.

The peer group of companies for 2012 consists of the 16 companies listed below, with 2010 or 2011 revenues (whichever was the most recently reported proxy filing of such company as of the Compensation Committee's March 2012 meeting) ranging from approximately \$32.5 to \$308 million and median revenues of approximately \$117 million:

CalAmp Corporation	Numerex Corp.
Cobra Electronics Corporation	RF Monolithics, Inc.
Communications Systems, Inc.	Sonus Networks, Inc.
Frequency Electronics, Inc.	Sycamore Networks, Inc.
Globecomm Systems, Inc.	Symmetricom, Inc.
Ixia	Telular Corporation
KVH Industries, Inc.	Westell Technologies, Inc.
LeCroy Corporation	Zhone Technologies, Inc.

The Compensation Committee significantly reconstituted the peer group for 2011 in order to set a higher level of performance (given that some of the 2010 peer group companies suffered a significant financial downturn in the recent economic recession), and also to be able to obtain more relevant and useful data about the companies comprising the peer group (given that some of the 2010 peer group companies were taken private or merged with larger companies making relevant financial information necessary for comparisons no longer available). In accordance with the advice of the Independent Compensation Consultant, no changes were made to the peer group for 2012.

The compensation data derived from this peer group consisted of annual and long-term compensation amounts representing yearly averages over a three-year period. The financial performance data derived from this peer group included (i) one-year and three-year revenue change, (ii) net income as a percentage of revenue, (iii) net profit margin, (iv) one-year and three-year earnings per share, (v) return on each of equity, assets and invested capital, and (vi) one-year, three-year and five-year total stockholder return. The Independent Compensation Consultant provided a comprehensive pay-for-performance analysis in connection with the Compensation Committee's evaluation of executive compensation, comparing levels of compensation, expressed in dollars and percentages, against both compensation and performance data contained in the survey and peer group information.

Responsibilities of the Compensation Committee

Acting on behalf of the Board of Directors, the Compensation Committee's responsibilities are outlined in its charter and include the following:

1. Providing guidance with respect to general compensation goals and philosophies for the Company's employees at all levels, including general performance and measurement guidelines for the determination of bonuses and other forms of incentive compensation;
2. Balancing the portion of executive compensation at risk and tied to achievement of financial, corporate and functional performance goals established by the Board of Directors with overall enterprise risk;
3. Reviewing and making recommendations to the Board of Directors with respect to the compensation of the CEO, including relevant corporate goals and objectives, following (i) a performance evaluation of the CEO designed and coordinated among the members of the Board by the Nominating and Governance Committee, and (ii) directional guidance from the members of the Board on the different elements of CEO compensation based on such evaluation;
4. Reviewing and approving the compensation, including compensation criteria and incentives, and other benefits and incentive arrangements of the executive officers of the Company, as recommended by the CEO;

5. Reviewing and making recommendations from time to time to the Board of Directors regarding general equity and cash compensation for the outside directors on the Board of Directors;
6. Acting as administrator of the Company's equity incentive plans; and
7. Retaining, as the members of the Compensation Committee consider appropriate or necessary, outside consulting, legal or other advisors to advise or assist the Compensation Committee in the execution of their responsibilities.

Annual Compensation Process

The Company considered the results of the Say-on-Pay proposal presented to the shareholders for approval in 2011. In light of the support the proposal received, the Company's compensation policies and decisions, explained in detail in this Compensation Discussion and Analysis, continue to be focused on long-term financial performance to drive stockholder value. The Company intends to hold an advisory vote on executive compensation (Say-on-Pay) on an annual basis.

The compensation of the CEO, the other executive officers and the key managers is established prior to the end of the first quarter of the fiscal year. The Compensation Committee has full authority to determine the compensation of the executive officers (other than the CEO) and key managers of the Company. The CEO's compensation must be approved each year by the non-employee directors of the Board of Directors based on the recommendation of the Compensation Committee. In making its recommendation with respect to the CEO's compensation, the Compensation Committee takes into consideration the results of a performance evaluation of the CEO for the preceding year. The annual evaluation of the CEO's performance is based upon evaluation forms circulated by the Nominating and Governance Committee and completed by all non-employee directors with respect to the CEO's performance, as measured by the ability to meet financial performance objectives of the Company, conduct succession planning, execute strategic plans, exhibit leadership, and maintain good relationships with the stockholders, Board of Directors and other stakeholders of the Company. At the time of this performance evaluation, the Compensation Committee solicits guidance from the Board of Directors as to the general elements that should be addressed in the CEO's total compensation package for the upcoming year. In addition, the Chair of the Compensation Committee, as well as the Lead Independent Director, will solicit input from the CEO in the course of the Compensation Committee's formulation of its recommendation.

In formulating its recommendation to the Board of Directors with respect to the CEO's compensation, the Compensation Committee exercises its judgment, taking into account the advice of the Committee's Independent Compensation Consultant (as described in *Compensation Philosophy Independent Compensation Consultant* above). The Compensation Committee's discussions of the elements of compensation for the CEO are conducted in closed session, typically with its Independent Compensation Consultant in attendance, but with no Company employees present. The CEO is not permitted to participate in the deliberations by the Board of Directors in its evaluation of the Compensation Committee's recommendation for CEO compensation.

In establishing compensation for the executive officers (other than the CEO) and certain key managers, the Compensation Committee relies on (i) insights provided by the CEO as to their respective individual performance, (ii) the compensation data compiled by the Independent Compensation Consultant, and (iii) the Company's compensation philosophy, as described in *Compensation Philosophy* above. The CEO attended four of the six Compensation Committee meetings in 2011 in order to provide his insight on the contributions made by various executive officers and key managers. After consulting with its Independent Compensation Consultant and the CEO, the Compensation Committee, in its discretion, sets the annual compensation for the executive officers and key managers, including salary, short-term equity incentives and long-term equity incentives.

Summary of Principal Elements of Executive Compensation

The principal elements included in executive compensation for the executive officers and key managers are the following, each of which is briefly described below:

1. Annual salary;
2. Annual bonus administered under the Short-Term Incentive Plan;
3. Service-based equity awards;
4. Performance-earned, service-vesting equity awards under the Retention Plan;
5. Change in Control and severance benefits;
6. Medical and other standard benefits; and
7. Tax deferral benefits and matching contributions by the Company under the Executive Deferred Compensation Plan and tax deferral benefits under the Executive Deferred Stock Plan.

1. ***Annual Salary.*** The Compensation Committee uses salary as the principal element of cash compensation which is not at risk. In determining the level of annual base salary, the Compensation Committee considers the performance, experience and responsibilities of the executive officer or key manager, and seeks to establish an annual salary that is competitive with those paid to comparable executive officers and key managers at its benchmark companies. A competitive annual salary is essential to the Company's ability to hire and retain executive officers and key managers. For information regarding 2012 salaries, see 2012 Implementation of the Principal Elements of Executive Compensation *Annual Salaries in 2012*.

2. ***Annual Bonus Administered under the Short-Term Incentive Plan.*** The Short-Term Incentive Plan is a performance-based bonus plan designed to incentivize achievement of specifically-identified, short-term corporate objectives. In establishing the corporate objectives and setting the targets under the Short-Term Incentive Plan, the Compensation Committee takes into consideration the following factors:

Areas of desired improvement in financial and/or operating performance of the Company;

The anticipated payout of awards under the Short-Term Incentive Plan measured against the likelihood that the Company will be able to achieve the performance goals without taking undue risk; and

The maximum payout of awards under the Short-Term Incentive Plan, as reviewed by the Independent Compensation Consultant. The Short-Term Incentive Plan allows for the bonus awarded to be paid in cash, restricted stock or a combination of both. For additional information on this plan, see 2012 Implementation of the Principal Elements of Executive Compensation *2012 Short-Term Incentive Plan*.

3. ***Service-Based Equity Awards.*** The Company grants long-term, service-based equity awards on an annual basis through the grant of restricted stock and/or stock options under its 1997 Stock Plan (*Service-Based Equity Awards*). The Service-Based Equity Awards are granted to reward individual overall performance, and attract and retain talent. In granting Service-Based Equity Awards, the Compensation Committee believes that these awards should:

Be competitive with the market;

Be earned based on individual contribution to the Company's financial and/or market performance;

Establish opportunities tied to the long-term performance and value of the Company; and

Create long-term retention.

Because of the potential for appreciation in the value of the Company's stock in public trading markets as the Company grows, the Compensation Committee regards this element of compensation as having long-term incentive value in the recipients' hands. In addition, since these Service-Based Equity Awards are structured to vest over several years depending on the nature of the award, their incentive value to recipients is aligned with longer-term strategic plans.

4. Performance-Earned, Service-Vesting Equity Awards Under Retention Plan. Commensurate with its philosophy to tie compensation to achievement of financial and corporate goals, and to attract, motivate and retain highly-experienced personnel, the Compensation Committee implemented a plan (the Retention Plan) combining performance-based and service-based components. In order for the executive officers and key managers participating in the Retention Plan to earn restricted shares, the Company must achieve a designated level of revenue growth. If earned, the restricted shares vest over time and are released only if the recipient remains an employee on the vesting dates.

5. Change in Control and Severance Benefits. The Company offers retention benefits to the executives in order to induce the executives to continue to contribute to the success of the Company following an event resulting in the majority of the voting control of the Company being transferred (whether by way of merger, reorganization, acquisition, or sale of all or substantially all of the Company's assets). These benefits are contractually available to certain executives if such an event occurs and within twelve months after such occurrence, the executive is involuntarily terminated. Although the benefits vary among the executives participating, the benefits generally include lump sum payment of a specified percentage of annual salary, acceleration of 100% of any then unvested equity incentives, and Company-paid healthcare benefits for a specified period of time. For additional information about these benefits, see 2012 Implementation of the Principal Elements of Executive Compensation *Change in Control and Severance Arrangements*.

Certain executives are also entitled to severance benefits in connection with the involuntary termination of their employment, including salary continuation and Company-paid healthcare benefits for a specified period of time, and vesting of certain restricted shares previously awarded under short-term and long-term incentive programs. For additional information about these benefits, see 2012 Implementation of the Principal Elements of Executive Compensation *Change in Control and Severance Arrangements*.

6. Medical and Other Standard Benefits. The Company offers standard benefits to full-time employees, including medical, dental, and vision benefits, and term life and long-term disability insurance, a substantial portion of which are paid by the Company. The Company's Employee Stock Purchase Plan allows employees of the Company to participate electively in a plan under which, through individual payroll deductions, they are permitted twice a year to buy shares at prices discounted from the trading price of the stock. In addition, the Company maintains a 401(k) plan for PCTEL employees, administered by an independent plan administrator which provides a selection of investment alternatives from which plan participants may choose. The Company matches up to the first 4% of compensation contributed by a plan participant, which vests immediately.

7. Executive Deferred Compensation Plan. The Company offers a cash-based Executive Deferred Compensation Plan to the executive officers and certain key managers. Under this plan, participants may defer up to 50% of salary and 100% of any cash bonus with a minimum of \$1,500. The Company provides a matching cash contribution equal to 4% of the amount deferred by the participant, which vests over three years subject to the participant's continued service. The participant has a choice of investment alternatives from a menu of notional funds that mirror actual mutual fund performance. Upon the participant's death, disability, retirement or termination of employment, the participant will receive the value of his/her account in accordance with the provisions of the plan. The participant may elect in advance to receive, at retirement, either a lump sum payment, or payments in annual installments over 15 years or over the lifetime of the participant with 20 annual payments guaranteed. The Company also offers an Executive Deferred Stock Plan, a stock-based plan, for the executive officers and key managers, which permits participants to defer the receipt of equity incentives awarded to them. There has been no participation in this plan to date.

Summary of 2011 Company Financial Performance and Compensation

2011 Company Financial Performance. 2011 was a strong year for the Company. In an effort to drive revenue growth and return greater earnings to stockholders, the Board of Directors substantially modified its approach to executive compensation in 2011. Non-salary executive compensation for 2011 was tied entirely to the Company's financial performance and no Service-Based Equity Awards were granted to NEOs. For the purposes of the annual bonus under the 2011 Short-Term Incentive Program (2011 STIP), the Company's performance was measured by (i) revenue growth in 2011 over 2010 revenue, and (ii) the increase of non-GAAP earnings per share of PCTEL common stock in 2011 over 2010 non-GAAP earnings per share. (The difference between non-GAAP earnings per share and GAAP earnings per share is the exclusion from non-GAAP earnings of stock-based compensation expense, amortization of intangible assets, restructuring charges, impairment charges, gain/loss on the sale of product lines, non-cash income tax expense and non-cash other income.) The changes implemented for the 2011 STIP are further described in Summary of 2011 Company Financial Performance and Compensation *2011 Short-Term Incentive Plan* below.

The Company over-achieved the target financial performance in 2011 as measured by growth in both revenue and non-GAAP earnings per share. The Company's 2011 financial results were: (i) revenue growth increased by 10.9% in 2011 over 2010 (from \$69.3 million in 2010 to \$76.8 million in 2011), and (ii) non-GAAP earnings per share of PCTEL common stock increased 83.3% in 2011 over 2010 (from \$0.18 per share in 2010 to \$0.33 per share in 2011). The Company exceeded planned revenue for 2011 by 2.1% and planned non-GAAP earnings per share by 43.5%, as indicated in the chart below.

Management attributes the strong revenue growth in 2011 to the introduction of its new MX scanning receiver platform which supports the deployment of 4G LTE in the United States market, and the overall ability of the Company's scanning receivers to meet the engineering and design requirements of major cellular carriers. The success of the Company's high-rejection GPS antennas in resolving timing problems in complex, high-interference, RF environments and the continued success of the Company's vertical marketing strategy in addressing high-growth antenna applications also contributed to the increase in revenue. The Company's increased earnings resulted primarily from improved gross margins generated by utilizing lower-cost manufacturing facilities, maintaining value-based pricing in scanning receivers, and from revenue growth itself.

2011 Short-Term Incentive Plan. As indicated in Summary of 2011 Company Financial Performance and Compensation *2011 Company Financial Performance* above, the annual bonus incentives under the 2011 STIP established by the Board of Directors (upon recommendation of the Compensation Committee) were tied to the Company's financial performance as measured by (i) revenue growth in 2011 over 2010 revenue, and (ii) the increase of non-GAAP earnings per share of PCTEL common stock in 2011 over 2010 non-GAAP earnings per share. The Board of Directors adopted a sliding scale on an S curve rather than a linear basis for determining the bonus under the 2011 STIP in order to produce no bonus for low revenue and earnings growth, a small bonus for average or slightly above-average revenue and earnings growth, and a sharply increasing bonus for superior revenue and earnings growth. The pay-out factor (also referred to as the target bonus percentage) for 2011 if the Company achieved both metrics of the 2011 financial plan was 15%. Due to the Company's strong financial performance and the nature of the S curve, the actual target bonus percentage achieved by the Company in 2011 was 67.3% as indicated in the following chart:

The participation in the 2011 STIP by the NEOs is summarized in the table below:

Results of 2011 Short-Term Incentive Plan

Name	Maximum 2011 Potential Bonus as a % of Annual Salary (%)	Maximum 2011 Potential Bonus (\$)	2011 Target Bonus(1) (\$)	Bonus Paid (\$)	Bonus Paid as a % of Annual Salary (%)
Martin H. Singer	105	493,500	74,025	332,076	71
John W. Schoen	85	221,000	33,150	148,711	57
Varda A. Goldman	55	110,000	16,500	74,019	37
Anthony Kobrinetz	85	204,000	30,600	137,272	57
Jeffrey A. Miller	100	270,000	40,500	181,683	67

The weighting of performance measures for all NEO is 60% revenue and 40% non-GAAP earnings per share.

(1) The 2011 target bonus for each NEO is calculated by multiplying such NEO's Maximum 2011 Potential Bonus by 15% (i.e., the payout upon achievement of the target financial performance).

2011 Service-Based Equity Awards. In a significant departure from prior years in which the NEOs received substantial Service-Based Equity Awards, the NEOs did not receive any Service-Based Equity Awards in 2011. Non-participation by the NEOs in this plan allowed the Compensation Committee additional flexibility to reward and induce retention of the Company's strong performers with Service-Based Equity Awards, while conserving equity and reducing stockholder dilution. The NEOs received restricted stock from Service-Based Equity Awards granted in prior years which vested in 2011. These restricted shares from prior grants are included in the table entitled "Option Exercises and Stock Vested at Fiscal Year Ended December 31, 2011" under the column entitled "Stock Awards" in the "Executive Compensation and Other Matters" section.

2011 Performance-Earned, Service-Vesting Equity Awards Under Retention Plan. The Compensation Committee views the Retention Plan as the implementation of its philosophies to (i) maintain a significant portion of the executive officers' and key managers' compensation at risk and tied to achievement of financial goals established by the Board of Directors, and (ii) attract and retain highly-experienced executive officers. The Retention Plan was introduced in March 2010 and has become an effective means of rewarding performance consistent with stockholder value creation over time. The Compensation Committee constructed the Retention Plan with a performance-based restricted stock grant and a service-based vesting period. The performance-based restricted stock would be earned by the participants only if the Company reached or exceeded 4% revenue growth in 2011 over its 2010 annual revenue. The amount of restricted stock earned increased as the Company's revenue increased, up to a maximum amount. For all participants in the 2011 Retention Plan (other than the CEO), the restricted stock, if earned, vests in four equal annual installments (inclusive of the performance period) and will be paid to the participant subject to each such participant's continued employment with the Company on the relevant vesting dates. In furtherance of the retention purpose of the Retention Plan, for Mr. Singer, the CEO, the restricted stock cliff vests in three years (inclusive of the performance period) and will be received if he continues to be an employee of the Company on the vesting date; provided that the restricted stock will cliff vest earlier if Mr. Singer retains only his role as Chairman of the Board.

The Company achieved approximately 9.8% revenue growth thereby over-achieving the target, and the NEOs received the following number of restricted shares:

Results of 2011 Retention Plan

Name	Target Grant (#)	Over-Achievement(1) (#)	Shares Granted (#)	Value @ Date of Grant (\$)	Vesting Date(2)
Martin H. Singer	26,000	2,544	28,544	184,680	
John W. Schoen	17,250	1,688	18,938	122,529	
Varda A. Goldman	7,000	685	7,685	49,722	
Anthony Kobrinetz	17,250	1,688	18,938	122,529	
Jeffrey A. Miller	17,250	1,688	18,938	122,529	

- (1) Overachievement against the target was 9.8%.
- (2) The restricted stock vests in four equal annual installments (inclusive of the performance period) for each of the participants in the 2011 Retention Plan (other than the Chief Executive Officer) and will be paid to the participant subject to each such participant's continued employment with the Company on the relevant vesting dates. For Mr. Singer, the CEO, the restricted stock cliff vests in two years (inclusive of the performance period) and will be paid if he continues to be an employee of the Company on the vesting date; provided that the restricted stock will cliff vest earlier if Mr. Singer retains only his role as Chairman of the Board.

2012 Implementation of the Principal Elements of Executive Compensation

1. Annual Salaries in 2012. Among the changes the Compensation Committee adopted in 2011 was a restoration of salaries for the executive officers and certain key managers to their 2008 level and a salary increase for many of them. In accordance with its philosophy to maintain a significant portion of each executive officer's compensation at risk, the Compensation Committee has determined not to increase salaries of the executive officers for 2012, and to reward achievement primarily under the equity plans tied to performance, as described in the immediately succeeding numbered subsections.

CEO Salary. In 2012, Mr. Singer's salary will remain at the 2011 level of \$470,000.

Salaries for Other Named Executive Officers. In 2012, the salaries of the other NEOs will remain at the 2011 level as designated below:

Salaries for Other Named Executive Officers

Name	2012(1) (\$)	2011(1) (\$)	2010(1) (\$)
John W. Schoen	260,000	260,000	240,000
Varda A. Goldman	200,000	200,000	190,000
Anthony Kobrinetz(2)	240,000	240,000	210,000
Jeffrey A. Miller	270,000	270,000	240,000

- (1) In general, salary adjustments are effective April 1 of each year.
- (2) Mr. Kobrinetz joined the Company in April 2010 and the 2010 salary represents his annual salary at the conclusion of the year.
2. 2012 Short-Term Incentive Plan. In 2011, the Board of Directors emphasized increasing revenue growth as the Company implemented its vertical market strategy and strove to regain pre-recession revenue

levels. The Board has identified leveraging the Company's earning potential as its top priority for 2012. While the metrics by which the Company measures its financial performance will be (1) revenue growth in 2012 over actual 2011 revenue, and (2) the increase of non-GAAP earnings per share of PCTEL common stock in 2012 over actual 2011 non-GAAP earnings per share, which is consistent with the 2011 STIP, the relative weighting of the two metrics is adjusted to reflect the Board's increased emphasis on earnings growth in 2012; revenue growth will be weighted 40% and growth in non-GAAP earnings will be weighted 60%.

In order to drive and reward higher growth in revenue and earnings per share, in 2011 the Compensation Committee adopted a sliding scale on an S curve rather than a linear basis for determining the bonus under the 2011 STIP, as described in Summary of 2011 Company Financial Performance and Compensation *2011 Short-Term Incentive Plan*. The Compensation Committee is continuing to use the sliding scale on an S curve again in 2012, although the Company's target financial performance is set at an even higher percentage of growth in revenue and non-GAAP earnings per share in 2012. There will be no bonus for low revenue and earnings growth, a small bonus for average or slightly above-average revenue and earnings growth and a sharply increasing bonus for superior revenue and earnings growth. The following chart depicts the resulting payout factors at various achievement levels:

Achieving the 2012 financial plan of 13.3% revenue growth and a 36% increase in non-GAAP earnings per share results in a 15% payout factor as compared with a payout factor of 15% for achieving the target of 8% revenue growth and 28% growth in non-GAAP earnings per share in 2011, and a 60% payout factor in 2010 for achieving the target financial plan in that year. The reason for the decrease in the payout factor from 2010 at the

financial plan targets is that the Compensation Committee wants to drive superior growth above the financial plan. Given the Company's strong financial results under the 2011 STIP, the Compensation Committee is continuing the same paradigm but making the target more difficult to achieve. The financial plan is determined by management and the Compensation Committee based upon recent performance levels, sales expectations, technology and industry factors, and overall economic conditions.

In order to determine the actual bonus amount received by any participant in the 2012 Short-Term Incentive Plan (2012 STIP), the payout factor determined by the table above is multiplied by the participant's maximum percentage of salary that can be earned as a bonus (as determined by the Compensation Committee on an individual basis based upon performance and job responsibilities) and then multiplied by such participant's annual salary. The Compensation Committee increased the maximum percentage of salary that can be earned as a bonus in 2012 by 10% for Mrs. Goldman.

The participation in the 2012 STIP by the NEOs is summarized in the table below:

Name	2012 Salary (\$)	2012 Maximum Potential Bonus		2012 Target Bonus Upon Full Achievement of Financial Plan(1)	
		As a % of Salary	In (\$)	As a % of Salary	In (\$)
Martin H. Singer	470,000	105	493,500	16	74,025
John W. Schoen	260,000	85	221,000	13	33,150
Varda A. Goldman	200,000	65	130,000	10	19,500
Anthony Kobrinetz	240,000	85	204,000	13	30,600
Jeffrey A. Miller	270,000	100	270,000	15	40,500

The weighting of each performance measure for all NEOs is 40% revenue and 60% non-GAAP earnings per share.

(1) The 2012 targeted bonus for each NEO is calculated by multiplying such officer's potential bonus by 15%.

The bonus amount under the 2012 STIP will be paid to the participant in cash rather than restricted shares (as was historically awarded) or a combination of cash and shares (as was awarded in 2010) in order to conserve shares under the Company's 1997 Stock Plan for future use and reduce stockholder dilution.

3. 2012 Service-Based Equity Plan. Consistent with the Compensation Committee's philosophy to maintain a significant portion of each NEO's compensation at risk and tied to achievement of financial goals, and consistent with its decision in 2011, the Compensation Committee has not awarded any Service-Based Equity Awards to the NEOs in 2012. Instead, the NEOs will again participate in the Retention Plan which is performance-based and service-vesting. (For a summary of the 2012 Retention Plan, see 2012 Implementation of the Principal Elements of Executive Compensation - 2012 Performance-Earned, Service-Vesting Equity Awards Under Retention Plan immediately below). Non-participation by the NEOs in this plan has allowed the Compensation Committee additional flexibility to award Service-Based Equity Awards to the Company's strong performers who are being groomed for future leadership roles, while conserving equity and reducing stockholder dilution.

4. 2012 Performance-Earned, Service-Vesting Equity Awards Under Retention Plan. As stated in Summary of 2011 Company Financial Performance and Compensation-2011 Performance-Earned, Service-Vesting Equity Awards Under Retention Plan, the Compensation Committee views the Retention Plan as the implementation of its philosophies to (i) maintain a significant portion of the NEOs' and other executive officers' compensation at risk and tied to achievement of financial goals established by the Board of Directors, and (ii) attract and retain highly-experienced NEOs and executive officers. The Compensation Committee views the Retention Plan as an effective means of incentivizing performance consistent with stockholder value creation over time because the 2012 Retention Plan is structured with a performance-based restricted stock grant and a

service-based vesting period. The performance-based restricted stock will be earned by the participants only if the Company reaches or exceeds 8.7% revenue growth in 2012 over its 2011 annual revenue. The 2012 Retention Plan retains essentially the same features of the 2011 Retention Plan except that the minimum revenue growth which results in an award under the 2012 Retention Plan is 8.7%, an increase from the 4% revenue growth required for an award under the 2011 Retention Plan. The actual awards at various levels of 2012 revenue growth are indicated for each NEO in the table below:

Name	Number of Restricted Shares			
	Less than 8.7%	8.7%	13.3%	25%
Martin H. Singer		10,000	20,000	30,000
John W. Schoen		5,000	10,000	15,000
Varda A. Goldman		3,500	7,000	10,500
Anthony Kobrinetz		8,625	17,250	25,875
Jeffrey A. Miller		10,000	20,000	30,000

Percentage represents increase in 2012 annual revenue over 2011 revenue.

The restricted stock, if earned, will vest in four equal annual installments (inclusive of the performance period) for each of the participants in the 2012 Retention Plan (other than the Chief Executive Officer) and will be paid to the participant subject to each such participant's continued employment with the Company on the relevant vesting dates. For Mr. Singer, the CEO, the restricted stock, if earned, will cliff vest in two years (inclusive of the performance period) and will be received if he continues to be an employee of the Company on the vesting date; provided that the restricted stock will cliff vest earlier if Mr. Singer retains only his role as Chairman of the Board. Under the 2011 Retention Plan, Mr. Singer's shares vested in three years (inclusive of the performance period).

Overall, the Compensation Committee has awarded the executive officers, as a group, fewer restricted shares under the Service-Based Equity Awards Plan and the Performance-Earned, Service-Vesting Equity Awards under the Retention Plan combined than the strong performers who are not executives will receive under such plans. The total long-term equity granted by the Company to each NEO under the Service-Based Equity Awards Plan and the Performance-Earned, Service-Vesting Equity Awards under the Retention Plan is below the median for long-term incentives based on survey data provided by the Compensation Committee's Independent Compensation Consultant. See *Compensation Philosophy Survey Data, Peer Groups and the Use of Industry Benchmarking Data*.

5. *Change in Control and Severance Arrangements.* The Company offers retention benefits to its NEOs and certain of its other executive officers upon the occurrence of certain events surrounding a Change in Control in order to induce the executives to continue to contribute to the success of the Company in the transition period and the post-acquisition period to the extent permitted by the successor or acquirer. A Change in Control is any merger, reorganization or acquisition of the Company (including by way of sale of all or substantially all of the Company's assets) in which a majority of the voting control of the Company is transferred. The retention benefits offered by the Company to certain executive officers in connection with a Change in Control are based on a double trigger structure requiring both (i) a completed Change in Control event, and (ii) an involuntary termination of such executive officer's employment within 12 months following such Change in Control event. The principal retention benefits available to the participating executives upon satisfaction of both triggers are lump sum payment of a specified percentage of annual salary, acceleration of 100% of any then unvested equity incentives, and Company-paid healthcare benefits for a specified period of time, all as indicated in the table below. The Compensation Committee believes that the level of these benefits would not, in the aggregate, represent a financial deterrent to a buyer or successor entity in considering a combination transaction with the Company.

The NEOs and certain other executive officers are also entitled to severance and related benefits in connection with the involuntary termination of their employment under their employment and/or severance

agreements with the Company. The principal severance benefits include salary continuation, acceleration of 2012 STIP payments and Company-paid healthcare benefits for a specified period of time. In addition, upon the occurrence of an involuntary termination (or, with respect to the CEO, death or disability), severance benefits include vesting of any Service-Based Equity Awards which are scheduled to vest within the following 12 months (for most NEOs) or 6 months (for other NEOs and certain other executive officers).

In the case of the CEO, severance benefits resulting from involuntary termination also include payment of the maximum potential bonus under the Short-Term Incentive Plan; in the event of death or disability, the amount of the bonus that would be paid under the Short-Term Incentive Plan would be based on the actual amount of the bonus determined for the year in which death or disability occurred, pro-rated for such year based on the date of death or disability. The Company's current employment agreement with Mr. Singer also imposes a non-competition and non-solicitation covenant for a period of 12 months from his termination date in connection with his separation from the Company, including in the event of a Change in Control that is followed by the involuntary termination of his employment.

The table below and the summary of retention arrangements related to benefits associated with a Change in Control of the Company should be read in conjunction with the tables entitled Potential Payments Upon Termination as of December 31, 2011 in the Executive Compensation and Other Matters section on page 46.

Name	Severance Benefits (i.e., Involuntary Termination Not Related to a Change in Control)				Change in Control Benefits (i.e., Involuntary Termination Within 12 Months of a Change in Control)					
	Salary Continuation	Healthcare (in months)	Acceleration of Unvested Options	Acceleration of Unvested Restricted Shares	Months of Salary (Paid in Lump Sum)	Short Term Incentive Plan(3)	Healthcare (in months)	Acceleration of Unvested Options	Acceleration of Unvested Restricted Shares(4)	
			(in months)	(in months)(2)						
Martin H. Singer	12 months(1)	Up to 18 months	12 months	12 months	24 months	100%	Up to 12 months	100%	100%	
John W. Schoen	12 months	Up to 12 months	12 months	12 months	18 months	100%	Up to 12 months	100%	100%	
Varda A. Goldman	6 months	Up to 6 months	6 months	6 months	18 months	100%	Up to 12 months	100%	100%	
Anthony Kobrinetz	12 months	Up to 12 months	12 months	12 months	18 months	100%	Up to 12 months	100%	100%	
Jeffrey A. Miller	12 months	Up to 12 months	12 months	12 months	18 months	100%	Up to 12 months	100%	100%	

- (1) Includes 100% of the maximum potential bonus payable under the Short-Term Incentive Plan in the year of termination.
- (2) The occurrence of an involuntary termination (other than for cause) during an annual performance period will result in an immediate vesting of all unvested service-based restricted shares. With respect to performance-based restricted shares, an involuntary termination of the CEO will result in the immediate vesting of his performance-based restricted shares established for the period in which the termination occurred, but he loses the right to earn any performance-based restricted shares for any future performance periods.
- (3) Includes 100% of the bonus pro-rated for the length of service during the fiscal year, at the higher of the bonus amount for the year in which the Change in Control occurred or the year in which termination occurred.
- (4) Upon the occurrence of a Change in Control, performance-based restricted shares will automatically convert into service-based restricted shares with no performance contingencies, but the vesting requirements (as stated in the applicable management retention agreement) will continue to pertain to the restricted shares; however, in the event of the involuntary termination of any NEO within 12 months following a Change in Control, such NEO's restricted shares will immediately vest.

6. *Other Benefits.* There were no material changes in 2012 to the medical benefits, other standard benefits, tax deferral benefits or matching contributions received by NEOs. See Summary of Principal Elements of Executive Compensation *Medical and Other Standard Benefits* and *Executive Deferred Compensation Plan* for additional information.

CEO Total Direct Compensation

Mr. Singer's total direct target compensation for 2012 (consisting of salary, target bonus under the 2012 STIP and performance-earned, service-vesting incentives under the Retention Plan) equates to \$689,000 representing a decrease from total direct target compensation of \$718,200 and total direct actual compensation of \$959,026 in 2011. The CEO's total target compensation if the Company achieves the financial plan targets for revenue and non-GAAP earnings per share is substantially below the median of comparable companies based on the market consensus data gathered by the Independent Compensation Consultant from survey and peer group executive compensation information due in part to the non-participation of the CEO in the Service-Based Equity Plan. If the Company exceeds the target growth in revenue and non-GAAP earnings per share, then as a result of the sliding scale of the 2012 STIP (as described in 2012 Implementation of the Principal Elements of Executive Compensation 2012 Short-Term Incentive Plan) and scaled number of restricted shares awarded under the Retention Plan (as described in 2012 Implementation of the Principal Elements of Executive Compensation 2012 Performance-Earned, Service-Vesting Equity Awards Under Retention Plan), the CEO could achieve total compensation above the median. PCTEL's financial performance in 2011 as compared with its peer group was above the 75th percentile for one-year revenue growth; between the median and 75th percentile for three-year revenue growth, as well as three-year and five-year total stockholder return; and between the 25th percentile and the median for one-year net profit margin, one-year total stockholder return, and return on equity, assets and invested capital, all based upon the most recent publicly-available data collected by the Independent Compensation Consultant. The Committee believes that Mr. Singer's total direct target compensation for 2012 is appropriate.

General Terms of Equity Grants

1997 Stock Plan. All equity issued by the Company (whether as restricted stock or stock options, and whether granted under the Short-Term Incentive Plan, the Service-Based Equity Plan, or the Retention Plan) is issued under the 1997 Stock Plan. The 1997 Stock Plan was approved by the stockholders at the time it was originally adopted in 1997 and has been amended from time to time with the approval of the stockholders, most recently in June 2010, to increase the reserve of shares under the Plan.

Material Terms of Stock Option Grants. While the Compensation Committee historically has issued stock options to employees as a Service-Based Equity Award under the 1997 Stock Plan and could make such an award, no stock options have been issued to the NEOs since 2006. In June 2010, certain executive officers and key managers voluntarily surrendered many of their previously-awarded stock options and did not receive cash, equity or a promise of any future compensation. Stock options are, however, granted to non-executive new hires from time to time. The Compensation Committee has never re-priced previously granted stock options where the trading price of the Company's stock is less than the exercise price of the stock options, and the 1997 Stock Plan expressly prohibits such re-pricing of previously granted stock options.

Material Terms of Service-Based Restricted Stock Grants. Service-based restricted stock grants typically vest in equal annual increments over four years from the date of grant, subject to the continued employment of the recipient. In some cases, restricted stock grants have been made with shorter vesting periods (two or three years) depending on the purpose for which they have been awarded, and in some cases restricted stock grants cliff vest only at the end of a defined period. Unlike stock options, as restricted stock grants vest there is no exercise price to be paid to enable the recipient of the grant to realize the value of the stock at the vesting date. As a result, even though the price of PCTEL common stock may drop below the price of such stock on the grant date of the restricted share, the share continues to hold residual value in the hands of the recipient. The fair market value of the restricted stock as it vests (based on the trading price on the stock) represents taxable gain to the employee at that time. The Company requires the employee recipients to meet their statutory tax withholding obligations on each vesting date through the delivery of their vested shares net of the number of shares used to satisfy the withholding obligations.

Administrative Protocols in Stock Option and Restricted Stock Grants. The Company adopted a Statement of Administrative Policy in November 2006, codifying approved procedures in respect of award grants under the 1997 Stock Plan. This policy is administered by the Compensation Committee. The key elements of the policy are as follows:

The meeting date of the Compensation Committee or the Board of Directors, as the case may be, is the grant date of any approved award, unless the Compensation Committee or Board of Directors expressly identifies a future date as the grant date of the award (discussed below).

Where a written consent of the Compensation Committee or the Committee Chair is used to approve an equity award, the date of the last signature required on the consent, or the date of the signature of the Committee Chair, as applicable, constitutes the grant date of the award.

Award grant documentation is dated as of the grant date.

Where a stock option or restricted stock award is required to be priced at the fair market value of the underlying Company stock, the closing price of the stock as reported by NASDAQ on the grant date is selected to represent that value.

Neither the Compensation Committee nor the Board of Directors will authorize a grant of stock options or other equity incentive awards (with the exception noted in the paragraph below) to executive officers or key managers during a quarterly quiet period. A quiet period is the time during which the executive officers and key managers of the Company may be presumed to be in possession of the non-public information concerning the financial performance of the Company, beginning with the close of the market on the last trading day of the first full week of the last month of each fiscal quarter (but no later than the close of the tenth calendar day of such month), and continuing until the opening of the market on the third trading day following the date of the Company's public release of earnings and other financial information for a particular fiscal quarter or year end. If stock options or other equity incentive awards (with the exception noted in the paragraph below) for individuals in this group are authorized by the Compensation Committee or the Board of Directors during such a quiet period, the Compensation Committee or Board of Directors will identify a future date as the grant date of the award, and will identify the reported closing price of PCTEL common stock on the future grant date as the fair market value of the award. This future grant date typically falls on the third day following the Company's earnings release for the financial period.

Where performance shares or restricted stock awards that are not dollar-denominated are approved, a grant date during a quarterly quiet period is permitted, since these awards are not price-sensitive on the date of grant. When the Company pays bonuses to executive officers and key managers under the Short-Term Incentive Plan in shares of stock rather than cash, these grants are dollar-denominated, and, therefore, have been awarded subject to a future grant date corresponding with the third day following the Company's quarterly earnings release.

Stock Ownership Guidelines

In order to align further the interests of the Company's NEOs with the interests of the stockholders, in March 2010 the Board of Directors adopted a policy that prescribes ownership levels of PCTEL common stock. The CEO is required to maintain PCTEL common stock with a value equal to twice his annual salary and each other NEO is required to maintain PCTEL common stock with a value equal to his/her annual salary. Although the NEOs have an initial period of three years to achieve compliance with the guidelines, all of the NEOs are in compliance with the exception of Mr. Kobrinetz who joined the Company in 2010.

Section 162(m) of the Internal Revenue Code

Under Section 162(m) of the Code, the Company is able for federal tax purposes to deduct compensation paid to the NEOs only if the compensation for each such officer is less than \$1 million during the fiscal year or is performance-based as defined under Section 162(m). Although it is the objective of the Compensation

Committee to seek to qualify all executive compensation as deductible, in order to provide flexibility and to ensure that the executive compensation programs remain competitive, the Compensation Committee has not adopted a policy with this objective. In June 2010, the Board of Directors adopted and the stockholders approved an amendment to the 1997 Stock Plan governing the equity awards granted thereunder for purposes of Section 162(m) of the Code. In 2011, all compensation paid to the NEOs of the Company was below \$1 million threshold under Section 162(m) for purposes of corporate tax deductibility.

Section 409A of the Internal Revenue Code

Section 409A of the Code, the final Treasury Regulations and the administrative guidance promulgated thereunder (collectively, Section 409A) regulate the tax treatment of non-qualified deferred compensation arrangements. Section 409A governs an individual's election to defer compensation and the timing and form of distribution of the deferred compensation. For example, Section 409A generally provides that distributions must be made on or following the occurrence of certain events (*e.g.*, the individual's separation from service, a predetermined date, or the individual's death). Section 409A imposes restrictions on an individual's ability to change his or her distribution timing or form after the compensation has been deferred. As to certain individuals who are officers, Section 409A requires that distribution to such an individual commences no earlier than six months after separation from service.

The Committee evaluated the various benefit plans and compensation arrangements that the Company has in place for the executive officers and certain key managers, and approved modifications of these plans and arrangements as necessary to comply with Section 409A.

Adjustment of Awards

The Company's financial statements and the related financial performance goals and measures used by the Compensation Committee as the basis for executive compensation have not been subject to subsequent revision or restatement. As a result, the Compensation Committee has never been required to consider an adjustment of an award. However, if such a circumstance were to occur, the Compensation Committee and the Board of Directors would consider all appropriate remedial measures, which may include the recovery of amounts that were inappropriately awarded to an individual executive officer or key manager.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 409(b) of Regulation S-K of the Securities Exchange Act of 1934, as amended, and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into the Company's 2011 Annual Report on Form 10-K.

	2009	245,000		188,600			23,792	457,392

(1) Mrs. Goldman and Mr. Kobrinetz became NEOs in fiscal year 2010.

(2) The amounts shown reflect the actual amounts paid as salary during fiscal years 2011, 2010 and 2009.

(3) The Company would have made bonus payments under the 2009 Short-Term Incentive Plan to the NEOs in the form of PCTEL common stock had the financial targets for such year been achieved. The Company paid bonuses under the 2010 STIP 50% in the form of PCTEL common stock and 50% in cash. Payments made under the 2010 STIP in shares are reported in the Non-Equity Incentive Plan Compensation column and payments made thereunder in cash are reported in the Bonus column. The Company paid bonuses under the 2011 STIP in cash. See footnote 5 below for additional information regarding these payments.

(4) Amounts shown do not reflect compensation actually received by the NEO in the year indicated. Instead, the amounts shown represent the aggregate fair value (determined on the grant date) of the restricted stock granted in the year indicated, calculated pursuant to the Statement of Financial Account Standards Codification Topic 718. For a discussion of the valuation assumptions, see Note 12 to the Company's consolidated financial statements included in the Annual Report on Form 10-K for the year ended December 31, 2011. The actual value that may be realized from an option or restricted stock award is contingent upon the satisfaction of the conditions to vesting in that award. The amounts shown include the value of performance-based, service-vesting restricted shares granted in years 2010 and 2011 at target value determined on the grant date. No performance shares were granted in 2009. The table below summarizes various values of performance shares at different payout levels using the price on the grant date and are not indicative of the compensation actually received in such years:

Name	Year	Target In Shares #	Value@ Target (\$)	Additional Value@ Maximum Payout (\$)	Estimated Value as of 12/31/2011 (\$)
Martin H. Singer	2011	26,000	168,220	42,055	195,241
	2010	20,000	124,400	31,100	142,283

Edgar Filing: PC TEL INC - Form DEF 14A

John W. Schoen	2011	17,250	111,608	27,902	129,536
	2010	15,000	93,300	23,325	106,717
Varda A. Goldman	2011	7,000	45,290	11,323	52,565
	2010	10,000	62,200	15,550	71,114
Anthony Kobrinetz	2011	17,250	111,608	27,902	129,536
	2010	15,000	92,850	23,213	106,202
Jeffrey A. Miller	2011	17,250	111,608	27,902	129,536
	2010	15,000	93,300	23,325	106,717

- (5) The values shown for 2010 reflect that the bonuses were paid 50% in vested shares of PCTEL common stock in lieu of cash under the 2010 Short-Term Incentive Plan, and the values shown for 2009 reflect that the bonuses were paid entirely in vested shares of PCTEL common stock in lieu of cash under the 2009 Short-Term Incentive Plan. The bonuses were calculated on achievement of corporate goals for all participants in 2010 and 2011; however in 2009, the bonuses under the Short-Term Incentive Plan were calculated on achievement of corporate goals in the case of Mr. Singer and Mr. Schoen and on achievement of a combination of organization unit and corporate goals in the case of Mr. Miller. The details of the 2011 STIP are discussed under Compensation Discussion and Analysis Summary of 2011 Company Financial Performance and Compensation *2011 Short-Term Incentive Plan* above.
- (6) The values shown represent payments by the Company of matching contributions under 401(k) plan on behalf of each NEO; group life insurance premiums; and healthcare premiums, including healthcare premiums of \$13,211 \$14,468 and \$13,148 for Mr. Singer in 2011, 2010 and 2009 respectively; and \$13,211 \$14,517 and \$13,148 for Mr. Miller in 2011, 2010 and 2009, respectively. For each NEO, the values shown for 2011 also include a \$0.03 dividend per unvested restricted share of PCTEL common stock. For Mr. Singer, the values shown also include the Company match in the Executive Deferred Compensation Plan. Except as noted above, none of the benefits included in the column entitled All Other Compensation exceeded \$10,000 individually for a NEO in 2011.

The following table provides information on equity awards granted in fiscal 2011 to each of the NEOs:

Grants of Equity Awards for the Fiscal Year Ended December 31, 2011(1)

Name	Grant Date(2)	Estimated Possible Payouts Under Non-Equity Incentive Plan Awards			All Other Stock; Number of Shares of Stock or Units (#)	Exercise or Base Price of Option Awards (\$)	Grant Date Fair Value of Stock and Option Awards (\$)

Jeffrey A. Miller	3/15/2011		111,608	139,509			

- (1) As of December 31, 2011, the amount shown represented potential payments under the 2011 Performance-Earned, Service-Vesting Equity Awards Under the Retention Plan. The principal terms of the 2011 Retention Plan are discussed under Compensation Discussion and Analysis Summary of 2011 Financial Performance and Compensation *2011 Performance-Earned, Service-Vesting Equity Awards Under Retention Plan*. The values shown reflect the fair market value of the shares on the grant date calculated pursuant to Statement of Financial Accounting Codification Topic 718. The assumptions the Company uses in calculating these amounts are discussed in Note 12 to the financial statements for the fiscal year ended December 31, 2011 which were filed with the Annual Report on Form 10-K for the fiscal year ended December 31, 2011.
- (2) In the case of all grant dates, the Board of Directors action date is both the Compensation Committee approval date and the grant date.

The following table shows the number of exercisable and unexercisable equity awards held by the NEOs on December 31, 2011:

Outstanding Equity Awards at Fiscal Year End December 31, 2011

Name	Option Awards					Stock Awards			
	Number of Securities Underlying		Grant Date	Option Exercise Price (\$)	Option Expiration Date	Number Of Shares or Units of Stock That Have Not Vested(1) (#)	Market Value of Shares or Units of Stock That Have Not Vested(2) (\$)	Equity Incentive Plan Awards: Number of Unearned Shares, Units or Other Rights That Have Not Vested (#)	Equity Incentive Plan Awards: or Payout Value of Unearned Shares, Units or Other Rights That Have Not Vested(2) (\$)

	67,656		3/15/2002	7.95	3/15/2012				

(1) One-fourth of the shares vest each year commencing one year after the grant date.

(2) The market value is calculated by multiplying the number of shares that have not vested by \$6.84, the closing price of PCTEL common stock price as of December 31, 2011.

The table below shows the number of shares of PCTEL common stock acquired during fiscal 2011 by the NEOs upon the exercise of stock options or the vesting of stock awards:

Option Exercises and Stock Vested at Fiscal Year End December 31, 2011

Name	Option Awards		Stock Awards	
	Shares Acquired on Exercise (#)	Value Realized on Exercise(1) (\$)	Shares Acquired on Vesting (#)	Value Realized on Vesting(2) (\$)

Jeffrey A. Miller			48,925	357,502

(1)

Edgar Filing: PC TEL INC - Form DEF 14A

The value represents the difference between the exercise price of the stock option and the closing price of PCTEL common stock as represented by NASDAQ as of the date of exercise multiplied by the number of shares exercised.

- (2) The value represents the closing price of PCTEL common stock as represented by NASDAQ as of the vesting date multiplied by the number of shares that vested on such date.

Nonqualified Deferred Compensation for the Fiscal Year Ended December 31, 2011(1)

Name	Executive Contributions in	Company Contributions in	Aggregate Earnings in 2011	Aggregate Withdrawals/ Distributions in 2011	Aggregate Balance as of December 31, 2011

- (1) Under the Executive Deferred Compensation Plan, participants can defer up to 50% of salary and 100% of cash bonus subject to a minimum of \$1,500. The Company provides a matching contribution equal to 4% of the amount deferred by the participant, which vests over three years from the date of the investment. The participant has a choice of investment alternatives from a menu of notional funds that mirror actual mutual fund performance. Upon the participant's death, disability, retirement or termination of employment, the participant will receive the value of his/her account in accordance with the provisions of the plan. The participant may elect in advance to receive, at retirement, either a lump sum payment, or payments in annual installments over 15 years or over the lifetime of the participant with 20 annual payments guaranteed. The participant must make his/her choice no sooner than one year before the date of retirement.
- (2) The Executive Contributions in 2011 and Company Contributions in 2011 columns above show amounts that were also reported in Executive Compensation and Other Matters Summary Compensation Table for 2011. These amounts, as well as amounts in the Aggregate Balance as of December 31, 2011 column in the table above that were previously reported in the Summary Compensation Tables in the proxy statements for prior fiscal years, are quantified below:

Name	Amounts Included in Both Nonqualified Deferred Compensation Table and Summary Compensation Table for 2011	Amounts Included in Nonqualified Deferred Compensation Table previously Reported in Prior Years Summary Compensation Table
	(\$)	(\$)
Martin H. Singer	20,800	500,420
John W. Schoen		28,353
Varda A. Goldman		54,216
Anthony Kobrinetz		
Jeffrey A. Miller		28,874

Potential Payments Upon Termination as of December 31, 2011

The following table estimates amounts payable to the NEOs as if a termination had occurred on December 31, 2011:

**Severance Benefits(1)(7) (i.e., Involuntary Termination Not Related to
a Change in Control or
Occurring**

More Than 12 Months After a Change in Control)

Name	Salary(3) (\$)	Short Term Incentive	Healthcare(4) (\$)	Option Acceleration(5) (\$)	Restricted Shares	Total (\$)
		Plan(3) (\$)			Acceleration(6) (\$)	
Martin H. Singer(2)	470,000	493,500	15,647		611,988	1,591,135
John W. Schoen	260,000		4,386		195,952	460,338
Varda A. Goldman	100,000		3,416		120,897	224,313
Anthony Kobrinetz	240,000		6,935		97,894	344,829
Jeffrey A. Miller	270,000		10,431		328,046	608,477

- The amounts set forth in the table above assume that termination of the NEO's employment occurred unrelated to, or more than 12 months after, a Change in Control as a result of (i) Involuntary Termination other than for Cause, Death or Disability or (ii) Voluntary Termination for Good Reason. If an NEO's employment (other than the CEO's employment) were terminated for reasons other than the foregoing, such NEO would not be entitled to receive any severance or benefit. The material terms of the severance benefits set forth in the agreements that the Company has with each NEO are described in greater detail under Compensation Discussion and Analysis-Change in Control and Severance Arrangements above. The benefits listed in the table above are subject to certain non-competition and non-solicitation agreements for a period of twelve months after the date of termination.
- If the CEO's employment were terminated for cause, he would not be entitled to receive any severance or benefit. If the CEO's employment were terminated as a result of death or disability which occurred unrelated to, or more than 12 months after, a Change in Control, he would be entitled to the amounts set forth in this table.
- The amount set forth as salary represents 12 months of base pay (or in the case of Mrs. Goldman, 6 months of base pay), paid on a continuing basis in accordance with normal payroll procedures. In addition, Mr. Singer is entitled to payment of 100% of his maximum potential bonus under the 2011 STIP.
- The amount set forth for healthcare represents the current Company contribution rate of 80% paid by the Company for healthcare coverage for up to 12 months (or in the case of Mrs. Goldman, 6 months, and in case of Mr. Singer for up to 18 months.)
- Options partially accelerate as if the NEO had continued to be employed for 12 months (or in the case of Mrs. Goldman, 6 months). At December 31, 2011, none of the options with shares subject to vesting acceleration had an exercise price per share less than \$6.84, the closing price of PCTEL common stock on such date.
- Except in the event of a termination for cause, service-based restricted shares partially accelerate as if the NEO had continued to be employed for 12 months (or in the case of Mrs. Goldman, 6 months), and with respect to the CEO, his performance-based restricted shares accelerate in the amount targeted for vesting in the performance year. The value represents the number of shares accelerated (assuming vesting through December 31, 2011) multiplied by \$6.84, the closing price of PCTEL common stock as of December 31, 2011.
- We have calculated the impact of Section 280G of the Code as applied to payments made in connection with a Change in Control (parachute payments). No excise tax under Sections 280G and 4999 of the Code applies. The assumptions used to determine whether an excise tax was required were based on a Change in Control date of December 31, 2011. All equity which was assumed accelerated in such calculation was valued at \$6.84 per share.

Potential Payments Upon Change in Control as of December 31, 2011

The following table estimates amounts payable to the NEOs as if a Change in Control had occurred on December 31, 2011:

**Change In Control Benefits(1)(7)
(i.e., Involuntary Termination Within 12 months of a Change in Control)**

Salary(2) (\$)	Short Term Incentive Plan(3) (\$)	Healthcare(4) (\$)	Option Acceleration(5) (\$)	Restricted Shares Acceleration(6) (\$)	Total (\$)
940,000	74,025	10,431		1,358,403	2,382,859
390,000	33,150	4,386		607,002	1,034,538
300,000	16,500	6,833		378,170	701,503

Edgar Filing: PC TEL INC - Form DEF 14A

360,000	30,600	6,935	440,544	838,079
405,000	40,500	10,431	769,876	1,225,807

- (1) The amounts set forth in the above table assume that termination of the NEO's employment occurred within 12 months of a Change in Control of the Company for one of the reasons listed in footnote (1) or (2) to the table captioned "Potential Payments Upon Termination as of December 31, 2011-Severance Benefits." If a NEO's employment were terminated for reasons other than the foregoing, such NEO would not be entitled to receive payments under any severance arrangements with the Company. The material terms of the severance and Change in Control benefits set forth in the agreements that the Company has entered into with each of the NEOs are described in greater detail under "Compensation Discussion Analysis-Change in Control and Severance Arrangements" above. The benefits listed in the table above are subject to certain non-competition and non-solicitation agreements for a period of 12 months.
- (2) Salary represents 150% of annual salary and is paid in a lump sum after both (i) the completion of a Change in Control and (ii) Involuntary Termination of employment. The amount set forth as salary for Mr. Singer represents 200% of his annual salary and is paid in a lump sum based on the same criteria as stated above. See "Compensation Discussion and Analysis-Change in Control and Severance Arrangements" above.
- (3) The amount set forth represents the target potential bonus under the Short-Term Incentive Plan as if the NEO continued as an employee for the entire fiscal year. The actual amount of the bonus will vary depending on the specific date of the Change in Control relative to the performance period and the employment termination date.
- (4) The amount set forth for healthcare represents the current Company contribution rate of 80% paid by the Company for healthcare coverage for up to 12 months.
- (5) Under the terms of the management retention agreement providing the Change in Control benefits, all then unvested stock options accelerate. At December 31, 2011, none of the options with shares subject to vesting acceleration had an exercise price per share less than \$6.84, the closing price of PCTEL common stock on such date.
- (6) Under the terms of the management retention agreements providing for Change in Control benefits, all then unvested service-based restricted shares vest upon the occurrence of an Involuntary Termination within 12 months of a Change in Control. Performance-based restricted shares automatically convert into service-based restricted shares with no performance contingencies, but the vesting requirements (as stated in the applicable management retention agreement) will continue to pertain to the restricted shares; however, in the event of an Involuntary Termination within 12 months of a Change in Control, the restricted shares will immediately vest. The value represents the number of shares that will vest multiplied by \$6.84, the closing price of PCTEL common stock on December 31, 2011.
- (7) We have calculated the impact of Section 280G of the Code as applied to payments made in connection with a Change in Control (parachute payments). No excise tax under Section 280G and 4999 of the Code applies. The assumption used to determine whether an excise tax was required was based on a Change in Control date of December 31, 2011. All equity which was assumed accelerated in such calculation was valued at \$6.84 per share.

Equity Compensation Plan Information

The following table provides information as of December 31, 2011 about PCTEL common stock that may be issued upon the exercise of options and rights under all of the former and existing equity compensation plans, including the 1997 Stock Plan, 1998 Director Stock Option Plan, 1998 Employee Stock Purchase Plan and the 2001 Stock Plan:

Plan Category	Securities to be Issued Upon Exercise of Outstanding Options	Weighted-Average Exercise Price of Outstanding Options	Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in the First Column)
	Warrants and Rights (#)	Warrants and Rights (\$)	Warrants and Rights (#)
Equity compensation plans approved by stockholders(1)	1,268,556(3)	\$ 9.17(3)	3,206,671
Equity compensation plans not approved by stockholders(2)	220,518	\$ 8.41	
Total	1,489,074	\$ 9.05	3,206,671

(1) The 1997 Stock Plan, 1998 Director Stock Option Plan and 1998 Employee Stock Purchase Plan were approved by stockholders. The stockholders also approved the amendment and restatement of the 1997 Stock Plan at the 2010 annual meeting, which replaced the prior 1997 Stock Plan and the 1998 Director Stock Option Plan. No further awards will be made under the 1998 Director Stock Option Plan, but it will continue to govern awards previously granted thereunder.

(2) This plan is the 2001 Stock Plan which terminated in August 2011.

(3) We are unable to ascertain with specificity the number of securities to be issued upon exercise of outstanding rights under the 1998 Employee Stock Purchase Plan or the weighted average exercise price of outstanding rights under the 1998 Employee Stock Purchase Plan. The 1998 Employee Stock Purchase Plan provides that shares of PCTEL common stock may be purchased at a per share price equal to 85% of the fair market value of PCTEL common stock at the beginning of the offering period or a purchase date applicable to such offering period, whichever is lower.

2001 Stock Plan

In August 2001, the Board of Directors approved the 2001 Stock Plan which terminated in August 2011. Following the June 15, 2010 approval by the stockholders of the amendment and restatement of the 1997 Stock Plan that (i) increased the number of shares available for grant and (ii) made certain other changes to the 1997 Stock Plan, no additional grants could be or were made under the 2001 Stock Plan.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Since January 1, 2011, the Company has not entered into any transaction, and is not aware of any currently proposed transaction, in which the amount involved exceeds \$120,000, and in which any director, NEO, nominee for election as a director, holder of more than 5% of PCTEL common stock, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

Policy Regarding Related Party Transactions

The Company's Audit Committee adopted a written policy which governs the review and approval of related party transactions in which (i) the aggregate amount of such transaction involves \$120,000 or more, (ii) the Company is a party, and (iii) any related person is a party. Related persons include directors, NEOs, stockholders holding in excess of 5% of PCTEL common stock, or such individuals' immediate family members. Under the policy, all proposed related party transactions involving one or more of the Company's non-officer employees must be reviewed and approved by the Audit Committee, and all proposed related party transactions involving one or more of the related persons listed above must be reviewed and approved by the Board of Directors. If a proposed related party transaction involves a member of the Board of Directors, such related party transaction must be reviewed and approved by all disinterested members of the Board of Directors.

We properly and accurately report all material related party transactions in accordance with applicable accounting rules, federal securities law, SEC rules and regulations and securities market rules. In determining the materiality of related party transactions, the Audit Committee or Board of Directors primarily considers the significance of the information regarding such related party transactions to the stockholders. All related party transactions involving one of the related persons listed above are presumed material, unless:

the aggregate amount does not exceed \$120,000;

the rates or charges are determined by competitive bids;

the transaction involves the rendering of services as a common or contract carrier or a public utility at rates fixed in conformity with law or governmental authority;

the transaction involves services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services;

the transaction involves indebtedness resulting solely from ordinary business and expense payments, purchase of goods and/or services subject to usual trade terms, and other transactions in the ordinary course of business; or

the interest of the related person in the transaction arises solely from such person's

- ownership of PCTEL common stock, if all stockholders received the same benefit on a pro rata basis;

- position as a director of another corporation or organization that is a party to the transaction;

- ownership of another entity which is a party to the transaction, if all related persons, in the aggregate, own less than 10% of the entity; or

position as a limited partner in a partnership that is a party to the transaction, if such related person (i) is not a general partner of the partnership, (ii) together with all other related persons owns less than 10% of such partnership in the aggregate, and (iii) does not hold any other position in such partnership.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Officers, directors, and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on the Company's review of the copies of such forms received from, or written representations from, such reporting persons, except as noted below, the Company believes that during fiscal year 2011 all of the Company's officers, directors and greater than 10% stockholders complied with all applicable filing requirements. Director Michael W. Davidson was late in the filing of a single Form 4 relating to the receipt of 8,210 shares of unvested PCTEL restricted common stock on October 13, 2011 because the shares were granted on the date of his appointment to the Board of Directors and he had not yet been given the necessary EDGAR filing credentials required to make the Form 4 filing.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this report of the Audit Committee of the Board of Directors shall not be deemed filed with the SEC or soliciting material under the Exchange Act, and shall not be incorporated by reference into any such filings.

The Audit Committee of our Board of Directors currently consists of Mr. Thomsen, Mr. Marini and Mr. Levy, each of whom meets the NASDAQ independence and experience requirements. The Audit Committee operates under a written charter. Upon the recommendation of the Audit Committee, the Board of Directors adopted the original charter for the Audit Committee in August 1999, and last amended the charter for the Audit Committee on September 21, 2010. A current version of the Audit Committee charter is available on our website located at www.pctel.com in the Investor Relations section under Corporate Governance.

The Audit Committee reviews the procedures of management for the design, implementation and maintenance of a comprehensive system of disclosure controls and procedures focused on the accuracy of our financial statements and the integrity of our financial reporting systems and disclosures contained in our periodic reports. As part of this review, the Audit Committee discusses with management and our independent auditors their evaluation of the effectiveness of our internal control over financial reporting, including improvements to our internal control that may be warranted. The Audit Committee provides our Board of Directors with the results of the Committee's examinations and recommendations and reports to the Board of Directors as the Committee may deem necessary to make the Board of Directors aware of significant financial matters that require the Board of Directors' attention.

The Audit Committee does not conduct auditing reviews or audit procedures. The Audit Committee relies on management's representation that our financial statements have been prepared accurately and in conformity with United States generally accepted accounting principles and on the representations of the independent auditors included in their report on our financial statements and on the effectiveness of our internal control over financial reporting. The Audit Committee has also adopted a written policy that is intended to encourage our employees to bring to the attention of management and Audit Committee any complaints regarding the integrity of our internal financial controls or the accuracy or completeness of financial or other information related to our financial statements.

The Audit Committee reviews reports and provides guidance to our independent registered public accounting firm with respect to their annual audit and approves in advance all audit and non-audit services provided by our independent registered public accounting firm in accordance with applicable regulatory requirements. The Audit Committee also considers, in advance of the provision of any non-audit services by our independent registered public accounting firm, whether the provision of such services is compatible with maintaining the independence of the external auditors.

In accordance with its responsibilities, the Audit Committee has reviewed and discussed with management the audited financial statements for the year ended December 31, 2011 and the process designed to achieve compliance with Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee has also discussed with Grant Thornton LLP the matters required to be discussed by SAS No. 61, Communication with Audit Committees. The Audit Committee has received the written disclosures and the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with Grant Thornton LLP its independence.

Based on these reviews and discussions, the Audit Committee recommended to our Board of Directors that our audited financial statements for the year ended December 31, 2011 be included in our Annual Report on Form 10-K.

Respectfully submitted by:

THE AUDIT COMMITTEE

CARL A. THOMSEN (*Chair*)

STEVEN D. LEVY

GIACOMO MARINI
