Item 1.01 Entry Into a Material Definitive Agreement.

Merger Agreement

On October 15, 2012, Sprint Nextel Corporation, a Kansas corporation (the *Company*), entered into an Agreement and Plan of Merger (the *Merger Agreement*) with SOFTBANK CORP., a Japanese *kabushiki kaisha* (*SoftBank*), Starburst I, Inc., a Delaware corporation and a direct wholly owned subsidiary of SoftBank (*HoldCo*), Starburst II, Inc., a Delaware corporation and a direct wholly owned subsidiary of HoldCo (*Parent*), and Starburst III, Inc., a Kansas corporation and a direct wholly owned subsidiary of Parent (*Merger Sub*), pursuant to which, at the effective time of the Merger (the *Effective Time*), Merger Sub will merge with and into the Company, with the Company surviving the merger as a wholly owned subsidiary of Parent (the *Merger*). Upon consummation of the Merger, Parent will be renamed Sprint Corporation.

Pursuant to the Merger Agreement and upon the terms and subject to the conditions described therein, each outstanding share of Series 1 common stock, \$2.00 par value per share, of the Company (*Company Common Stock*), other than shares cancelled and retired at the Effective Time (as defined in the Merger Agreement) or held by Parent and Dissenting Shares (as defined in the Merger Agreement), will be converted at the Effective Time into either (i) with respect to shares of Company Common Stock for which an election to receive cash has been effectively made, subject to the election and allocation procedures in the Merger Agreement, cash in an amount equal to \$7.30 (subject to proration), (ii) with respect to shares of Company Common Stock for which an election to receive common stock, \$0.01 par value per share, of Parent (*Parent Common Stock*) has been effectively made, one share of Parent Common Stock (subject to proration), or (iii) with respect to shares of Company Common Stock for which no election to receive cash or Parent Common Stock has been effectively made, either (x) cash in an amount equal to \$7.30, (y) one share of Parent Common Stock or (z) a combination of cash and a fraction of a share of Parent Common Stock (collectively, the *Merger Consideration*). Immediately following the Merger, subject to the terms of the Merger Agreement, it is expected that HoldCo will hold shares of Parent Common Stock representing approximately 69.642% of the fully-diluted equity of Parent (excluding shares of Parent Common Stock issuable upon exercise of the warrant contemplated by the Warrant Agreement discussed below), and the former stockholders and other former equityholders of the Company will hold, collectively, shares of Parent Common Stock and other equity securities of Parent collectively representing approximately 30.358% of the fully-diluted equity of Parent (excluding shares of Parent Common Stock issuable upon exercise of the warrant contemplated by the Warrant Agreement discussed below). The exchanges for Parent Common Stock that occur pursuant to the Merger, taken together, are expected to constitute exchanges described in Section 351 of the Internal Revenue Code of 1986, as amended, for U.S. federal income tax purposes.

At or prior to the Effective Time, SoftBank will cause HoldCo (i) to contribute to Parent not less than \$17.04 billion (of which amount \$12.14 billion will be paid to the Company's stockholders as part of the Merger Consideration and \$4.9 billion will remain in the cash balances of Parent following the Effective Time) and (ii) to enter into a Warrant Agreement with Parent substantially in the form attached to the Merger Agreement (the *Warrant Agreement*). Pursuant to the Warrant Agreement, for a period of five years after the Effective Date, HoldCo will have the right to purchase up to 54,579,924 shares of Parent Common Stock for a price of \$5.25 per share.

The consummation of the Merger is subject to obtaining the affirmative vote of the holders of a majority of the outstanding shares of Company Common Stock in favor of the adoption of the

Merger Agreement. The consummation of the Merger is also subject to the performance of covenants and the satisfaction of certain other conditions, including, among other things, (i) the effectiveness of the registration statement for the shares of Parent Common Stock to be issued in the Merger, and the approval of the listing of such shares on the New York Stock Exchange (the NYSE), (ii) receipt of certain regulatory approvals, including approvals of the Federal Communications Commission, applicable state public utility commissions, expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and certain applicable non-U.S. competition laws, favorable completion of review by the Committee on Foreign Investments in the United States (CFIUS) and the approval by the Defense Security Services of a plan to operate the business of the Company and its subsidiaries pursuant to a foreign ownership, control or influence (FOCI) mitigation plan, and (iii) no material adverse effect with respect to the Company since the date of the Merger Agreement.

The Merger Agreement contains representations and warranties and covenants customary for a transaction of this nature. The Company is subject to restrictions on its ability to solicit alternative acquisition proposals and to provide information to, and engage in discussion with, third parties regarding such proposals, except under limited circumstances to permit the Company's board of directors to comply with its fiduciary duties.

The Merger Agreement contains certain termination rights for both the Company and Parent. Upon termination of the Merger Agreement, under specified circumstances (including in connection with a superior offer), the Company may be required to pay a termination fee of \$600 million to Parent. In addition, if the Merger Agreement is terminated because the Company's stockholders do not approve and adopt the Merger Agreement, and prior to such termination certain triggering events described in the Merger Agreement have not occurred, then the Company may be required to reimburse Parent for its fees and expenses incurred in connection with the Merger Agreement up to \$75 million. Upon termination of the Merger Agreement, under specified circumstances (including failure of Parent to obtain financing), Parent may be required to pay a reverse termination fee of \$600 million to the Company.

In accordance with the Merger Agreement, upon consummation of the Merger, the Parent board of directors will consist of ten members, comprising six directors appointed by SoftBank (of which six members, three will be independent directors under the listing standards of the NYSE), three independent directors selected from the Company's board of directors immediately prior to the Effective Time, and the Company's chief executive officer.

The representations and warranties of the Company contained in the Merger Agreement have been made solely for the benefit of SoftBank, HoldCo, Parent and Merger Sub. In addition, such representations and warranties (A) have been made only for purposes of the Merger Agreement, (B) have been qualified by documents filed with the Securities and Exchange Commission (the SEC) by the Company on or after January 1, 2012 and prior to the date of the Merger Agreement, (C) have been qualified by confidential disclosures made to SoftBank, HoldCo, Parent and Merger Sub in connection with the Merger Agreement, (D) are subject to materiality qualifications contained in the Merger Agreement, which may differ from what may be viewed as material by investors, (E) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement and (F) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the Company or its business. Investors should not rely on the

representations and warranties or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Company that has been, is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q, Forms 8-K, proxy statements, registration statements and other documents that the Company files with the SEC.

The foregoing description of the Merger Agreement is not complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Bond Purchase Agreement

In connection with the Merger Agreement, on October 15, 2012, the Company entered into a Bond Purchase Agreement (the "Bond Purchase Agreement") with Parent pursuant to which Parent has agreed to purchase from the Company a Bond (the "Bond") in the principal amount of \$3.1 billion, which Bond is convertible, subject to the provisions of the Bond Purchase Agreement, into an aggregate of 590,476,190 shares of Company Common Stock, or approximately 19.65% of the current outstanding shares of Company Common Stock (pre-conversion), subject to adjustment in accordance with the terms of the Bond Purchase Agreement. If not earlier converted, principal and any accrued but unpaid interest under the Bond will be due and payable on October 15, 2019. The principal balance of the Bond will bear interest at 1.0% per annum, with interest payable semi-annually in arrears on April 15 and October 15, beginning on April 15, 2013.

Immediately prior to the Effective Time, the Bond will be converted into shares of Company Common Stock in accordance with the terms and conditions of the Bond Purchase Agreement, and the Bond may not otherwise be converted prior to the termination of the Merger Agreement without consummation of the Merger. Parent may convert the Bond into Company Common Stock at any time after the termination of the Merger Agreement without consummation of the Merger. Conversion of the Bond is subject in any case to receipt of any required approvals and, subject to certain exceptions, to receipt of waivers under the Company's existing credit facilities.

The Company has agreed to certain registration rights with respect to the Company Common Stock issuable upon conversion of the Bond. Subject to certain exceptions, Parent may not transfer the Bond without the Company's consent.

Upon conversion of the Bond in full, and for so long as Parent and its affiliates hold (i) at least 10% of the total number of shares of Company Common Stock then outstanding, Parent shall have the right to designate two members of the Company's board of directors or (ii) less than 10%, but at least 5%, of the total number of shares of Company Common Stock then outstanding, Parent shall have the right to designate one member of the Company's board of directors, provided the Merger Agreement has been terminated without consummation of the Merger. The Company will use its commercially reasonable best efforts to facilitate the appointment of the individuals designated by Parent to be elected as a member of the Company's board of directors. Parent's right to designate members of the Company's board of directors will terminate if Parent sells or otherwise disposes of any of the Company Common Stock received upon conversion of the Bond.

The closing of the purchase and sale of the Bond under the Bond Purchase Agreement is expected to occur on or before October 24, 2012, subject to the satisfaction of the conditions set forth therein. If such conditions are satisfied, and Parent fails to purchase the Bond pursuant to the terms of the Bond Purchase Agreement on or prior to October 24, 2012, subject to certain conditions, the Company will have the right to terminate the Bond Purchase Agreement and also the Merger Agreement. In addition to the foregoing termination right, the Bond Purchase Agreement will terminate pursuant to its terms if the Merger Agreement is terminated prior to the closing of the transactions contemplated under the Bond Purchase Agreement.

The foregoing description of the Bond Purchase Agreement is not complete and is qualified in its entirety by reference to the Bond Purchase Agreement, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
