On October 31, 2012, MPLX LP (the Partnership), a subsidiary of Marathon Petroleum Corporation (MPC), completed its initial public offering (the Offering) of 19,895,000 common units representing limited partner interests in the Partnership (Common Units), which included 2,595,000 Common Units pursuant to the underwriters' option to purchase additional Common Units, at \$22.00 per Common Unit pursuant to a Registration Statement on Form S-1, as amended (File No. 333-182500), initially filed by the Partnership with the Securities and Exchange Commission (the Commission) pursuant to the Securities Act of 1933, as amended (the Securities Act), on July 2, 2012. The material provisions of the Offering are described in the prospectus, dated October 25, 2012, filed with the Commission on October 29, 2012, pursuant to Rule 424(b) under the Securities Act (the Prospectus).

Contribution, Conveyance and Assumption Agreement

The description of the Contribution Agreement (as defined below) provided below under Item 2.01 is incorporated in this Item 1.01 by reference. A copy of the Contribution Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Omnibus Agreement

On October 31, 2012, in connection with the closing of the Offering, MPC entered into an Omnibus Agreement (the Omnibus Agreement) among the Partnership, MPLX GP LLC (the General Partner), Marathon Petroleum Company LP (MPCLP), MPL Investment LLC (MPL Investment), MPLX Operations LLC (the Operating Company), MPLX Terminal and Storage LLC (MTS), MPLX Pipe Line Holdings LP (Pipe Line Holdings), Marathon Pipe Line LLC (MPL) and Ohio River Pipe Line LLC (ORPL), that addresses the following matters:

payment by the Partnership of an annual amount to MPC, initially in the amount of approximately \$31.8 million, for the provision of certain general and administrative services by MPC and its affiliates, which annual amount includes a fixed annual fee of approximately \$3.5 million for the provision of certain executive management services by certain officers of the Partnership's general partner. Other portions of this annual amount will be based on the costs actually incurred by MPC and its affiliates in providing the services, except for the portion of the annual amount attributable to marketing and transportation engineering services, which will be based on the amounts actually incurred by MPC and its affiliates plus 6.0% of such costs;

the Partnership's obligation to reimburse MPC and its affiliates for any out-of-pocket costs and expenses incurred by MPC in providing general and administrative services (which reimbursement is in addition to certain expenses of the Partnership's general partner and its affiliates that are reimbursed under the Partnership Agreement (as defined below)), as well as any other out-of-pocket expenses incurred by MPC and its affiliates on the Partnership's behalf;

an indemnity by wholly owned subsidiaries of MPC for certain environmental and other liabilities, and the Partnership's obligation to indemnify MPC and its subsidiaries for events and conditions associated with the operation of the Partnership's assets that occur after the closing of the Offering and for environmental liabilities related to the Partnership's assets to the extent MPC is not required to indemnify the Partnership; and

the granting of a license from MPC to the Partnership with respect to the use of certain MPC trademarks and the granting of a license from the Partnership to MPC with respect to the use of certain Partnership trademarks.

So long as MPC controls the Partnership's general partner, the Omnibus Agreement will remain in full force and effect. If MPC ceases to control the Partnership's general partner, either party may terminate the Omnibus Agreement, provided that the indemnification obligations will remain in full force and effect in accordance with their terms.

The foregoing description is not complete and is qualified in its entirety by reference to the Omnibus Agreement, which is filed as Exhibit 10.2 to this Current Report on Form 8-K and incorporated herein by reference.

Logistics Holdings contributed to the Partnership, as a capital contribution, its remaining limited liability company interest in the Operating Company in exchange for (a) 19,651,515 Common Units representing a 26.1% limited partner interest in the Partnership, (b) 36,951,515 Subordinated Units, representing a 49.0% limited partner interest in the Partnership and (c) the right to receive approximately \$149 million in proceeds from the Offering to reimburse Logistics Holdings for certain capital expenditures incurred by Logistics Holdings with respect to the assets contributed by Logistics Holdings to the Partnership; and

The net proceeds from the exercise by the underwriters of their option to purchase additional Common Units from the Partnership in the Offering were used to redeem 2,595,000 Common Units from Logistics Holdings at a price per Common Unit equal to the proceeds per Common Unit in the Offering before expenses but after deducting underwriting discounts and the structuring fee, as described in the Prospectus under the section entitled Use of Proceeds, which is incorporated herein by reference.
