(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information provided or incorporated by reference in Item 3 and Item 4 is hereby incorporated by reference herein.

Issuer's Partnership Agreement

The General Partner, as the sole general partner of the Issuer, and Delek, as the organizational limited partner of the Issuer, and all other limited partners of the Issuer, are party to the Partnership Agreement.

Cash Distributions

The Issuer's cash distribution policy will require it to pay cash distributions at an initial distribution rate of \$0.3750 per Common Unit per quarter (\$1.50 per Common Unit on an annualized basis) to the extent the Issuer has sufficient cash from operations after establishment of cash reserves and payment of fees and expenses, including payments to the General Partner and its affiliates. The Issuer calls this quarterly distribution amount the "minimum quarterly distribution" and the Issuer's ability to pay it is subject to various restrictions and other factors. The Issuer will adjust the minimum quarterly distribution for the period from the closing of the Offering through December 31, 2012, based on the actual length of that period.

The Partnership Agreement requires the Issuer to distribute, at the end of each quarter, all of its cash on hand, less reserves established by the General Partner. The Issuer refers to this amount as "available cash."

The Partnership Agreement provides that, during the subordination period, the Common Units will have the right to receive distributions of available cash from operating surplus each quarter in an amount equal to \$0.3750 per Common Unit, plus any arrearages in the payment of the minimum quarterly distribution on the Common Units from prior quarters, before any distributions of available cash from operating surplus may be made on the Subordinated Units. Furthermore, no arrearages will be paid on the Subordinated Units.

The Partnership Agreement requires that the Issuer distribute all of its available cash from operating surplus for any quarter during the subordination period in the following manner:

first, 98% to the holders of Common Units, pro rata, and 2% to the General Partner, until the Issuer distributes for each outstanding Common Unit an amount equal to the minimum quarterly distribution for that quarter;

second, 98% to the holders of Common Units, pro rata, and 2% to the General Partner, until the Issuer distributes for each outstanding Common Unit an amount equal to any arrearages in payment of the minimum quarterly distribution on the Common Units for any prior quarters during the subordination period;

third, 98% to the holders of Subordinated Units, pro rata, and 2% to the General Partner, until the Issuer distributes for each Subordinated Unit an amount equal to the minimum quarterly distribution for that quarter; and

thereafter, in the manner described in the Partnership Agreement taking into account the General Partner's incentive distribution rights.

If cash distributions to the unitholders exceed \$0.43125 per unit in any quarter, the General Partner will receive, in addition to distributions on its 2% general partner interest, increasing percentages, up to 48%, of the cash the Issuer distributes in excess of that amount. These distributions are referred to as "incentive distributions."

The Partnership Agreement requires that the Issuer distribute all of its available cash from operating surplus for any quarter after the subordination period in the following manner:

first, 98% to the holders of Common Units, pro rata, and 2% to the General Partner, until the Issuer distributes for each outstanding Common Unit an amount equal to the minimum quarterly distribution for that quarter; and

thereafter, in the manner described in the Partnership Agreement taking into account the General Partner's incentive distribution rights.

Conversion of Subordinated Units

The subordination period generally will end on the first business day after the Issuer has earned and paid at least (i) \$1.50 (the minimum quarterly distribution on an annualized basis) on each outstanding Common Unit, Subordinated Unit and the corresponding distributions on the General Partner's 2% interest, for each of three consecutive, non-overlapping four-quarter periods ending on or after December 31, 2015, or (ii) \$2.25 (150% of the annualized minimum quarterly distribution) on each outstanding Common Unit, Subordinated Unit and the corresponding distributions on the General Partner's 2% interest, in addition to any distribution made in respect of the incentive distribution rights, for any four-consecutive-quarter period ending on or after December 31, 2013, in each case provided that there are no arrearages on the Common Units at that time. In addition to the tests outlined above, the subordination period will end only in the event that the conflicts committee of the board of directors of the General Partner, or the board of directors of the General Partner based on the recommendation of the conflicts committee, reasonably expects to satisfy the tests set forth above for the succeeding four-quarter period without treating as earned any shortfall payments that would be paid under the existing commercial agreements with Delek (or similar fees to be paid by Delek under future contracts) expected to be received during such period. Additionally, the subordination period will end upon the removal of the General Partner other than for cause if the units held by the General Partner and its affiliates are not voted in favor of such removal.

When the subordination period ends, all remaining Subordinated Units will convert into Common Units on a one-for-one basis, and the Common Units will no longer be entitled to arrearages.

Issuance of Additional Units

The Partnership Agreement authorizes the Issuer to issue an unlimited number of units (other than general partner units) on the terms determined by the General Partner without unitholder approval.

Limited Voting Rights

The General Partner will manage and operate the Issuer, and the unitholders will have only limited voting rights. Unitholders will have no rights to elect the General Partner or its directors on an annual or other continuing basis. The General Partner may not be removed, except by a vote of the holders of at least 66 2/3% of the Issuer's outstanding common and Subordinated Units, including any common and Subordinated Units owned by the General Partner and its affiliates, voting together as a single class. Delek indirectly owns an aggregate of approximately 61.7% of the Common Units and Subordinated Units. This will give Delek the ability to prevent the involuntary removal of the General Partner.

Limited Call Right

If at any time the General Partner and its affiliates own more than 80% of the outstanding Common Units, the General Partner will have the right, but not the obligation, to purchase all, but not less than all, of the remaining Common Units at a price not less than the then-current market price of the Common Units, as calculated in accordance with the Partnership Agreement.

Registration Rights

Pursuant to the Partnership Agreement, the Issuer has agreed to register for resale under the Securities Act of 1933, as amended, and applicable state securities laws any Common Units, Subordinated Units or other partnership interests (other than the general partner interest) proposed to be sold by the General Partner or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following the withdrawal or removal of the General Partner as general partner. The Issuer is obligated to pay all expenses incidental to the registration, excluding underwriting discounts and commissions.

The General Partner's Limited Liability Company Agreement

Under the First Amended and Restated Limited Liability Company Agreement of the General Partner (the General Partner LLC Agreement), Delek Services has the right to elect the members of the board of directors of the General Partner. Delek controls Delek Services because it is the sole member of Delek Services.

Lockup Agreements

Each of the Reporting Persons and the Covered Individuals that purchased Common Units in the directed unit program described in Item 3 agreed not to sell or transfer any Common Units or securities convertible into, exchangeable for, exercisable for, or repayable with Common Units, for 180 days November 1, 2012 without first obtaining the written consent of Merrill Lynch, Pierce, Fenner & Smith Incorporated and Barclays Capital Inc. Specifically, the Reporting Persons and Covered Individuals agreed, with certain limited exceptions, including exceptions for pledges under certain of Delek's existing financing agreements, the issuance of awards under the LTIP and transfers by the General Partner's executive officers and directors other than dispositions for value, such as bona fide gifts or transfers to trusts for the benefit of such executive officer or director's immediate family, not to directly or indirectly:

offer, pledge, sell or contract to sell any Common Units,

sell any option or contract to purchase any Common Units,

purchase any option or contract to sell any Common Units,

grant any option, right or warrant for the sale of any Common Units,

lend or otherwise dispose of or transfer any Common Units,

request or demand that the Issuer file a registration statement related to the Common Units, or

enter into any swap or other agreement that transfers, in whole or in part, the economic consequence of ownership of any Common Units whether any such swap or transaction is to be settled by delivery of Common Units or other securities, in cash or otherwise.

To the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.
