Item 1.01. Entry into a Material Definitive Agreement.

On March 13, 2013, Sorrento Therapeutics, Inc. (Sorrento or the Company) entered into a Stock Purchase Agreement (the Stock Purchase Agreement) with certain accredited investors listed therein (the Investors), pursuant to which Sorrento sold 35,658,305 shares of common stock to such Investors, in consideration for an aggregate investment of \$6,418,494.90 (the Closing). The Closing occurred on March 13, 2013.

The shares sold to the Investors at the Closing were not registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws, in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act and Regulation D promulgated under that section, which exempts transactions by an issuer not involving a public offering. None of these shares may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

The Stock Purchase Agreement provides piggy back registration rights to the Investors, with such rights terminating upon the earlier of (a) seven years from the date of the Stock Purchase Agreement or (b) when such investor is entitled to sell all of the shares purchased pursuant to the Stock Purchase Agreement without volume restriction pursuant to Rule 144.

The foregoing summary of the Stock Purchase Agreement is qualified in its entirety by reference to the full text of the agreement attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The securities described in Item 1.01 above were offered and sold in reliance upon exemptions from registration pursuant to Section 4(2) under the Securities Act, and Rule 506 promulgated thereunder. The Stock Purchase Agreement contains representations to support the Company s reasonable belief that the Investors in the Closing had access to information concerning the Company s operations and financial condition, the Investors acquired the securities for their own accounts and not with a view to the distribution thereof in the absence of an effective registration statement or an applicable exemption from registration, and that the Investors are sophisticated within the meaning of Section 4(2) of the Securities Act and accredited investors (as defined by Rule 501 under the Securities Act). In addition, the issuances did not involve any public offering; the Company made no solicitation in connection with the Closing other than communications with the Investors; the Company obtained representations from the Investors regarding their investment intent, experience and sophistication; and the Investors either received or had access to adequate information about the Company in order to make an informed investment decision.

At the time of their issuance, the shares will be deemed to be restricted securities for purposes of the Securities Act, and the certificates representing the securities will bear legends to that effect.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated into this Item 3.02 by reference.
