- (1) We entered into an Agreement and Plan of Merger dated as of May 25, 2011 (the **Merger Agreement**) with Renaissance Food Group, LLC, a Delaware corporation (**RFG**), the Trust and the following owners of RFG (the **Sellers**): Liberty Fresh Foods, LLC, Kenneth J. Catchot, James

Table of Contents

S. Catchot, James Gibson, Cut Fruit, LLC, Jose O. Castillo and Donald L. Johnson. Pursuant to the Merger Agreement, we acquired RFG from the Sellers and, among other things, agreed to make an earn-out payment to the Sellers of \$5,000,000 in cash and 827,000 shares of our common stock if, during any twelve-month period during a five-year earn-out period, the EBITDA of RFG is at least \$8,000,000 and the revenue of RFG is at least \$130,000,000.

Effective as of July 31, 2013, we entered into an Amendment No. 1 to Agreement and Plan of Merger (the **Merger Agreement Amendment**) pursuant to which we agreed that, upon the attainment of the earn-out target described in the preceding paragraph, we would issue \$5,000,000 of common stock to the Trust, for the benefit of the Sellers, instead of delivering \$5,000,000 of cash to the Sellers. We agreed that the number of shares of common stock to be issued by us would be determined by dividing \$5,000,000 by the closing price of our common stock on The Nasdaq Global Select Market on the business day prior to the issuance of such common stock. We also agreed in the Merger Agreement Amendment to file a registration statement on Form S-3 to permit the Trust to sell the shares described in this paragraph as well as any additional earn-out shares described below that we are obligated to issue under the Merger Agreement Amendment.

The earn-out target described above was satisfied with respect to the twelve months ended August 31, 2013, and we thereafter issued 827,000 shares of common stock to the Sellers in reliance upon the securities registration exemption contained in Section 4(2) of the Securities Act of 1933, as amended (the **Securities Act**), for a transaction by an issuer not involving a public offering. Those 827,000 shares are not covered by this prospectus.

On October 11, 2013, we issued 172,117 shares of common stock to the Trust, based upon a closing price of \$29.05 per share for our common stock on The NASDAQ Global Select Market on October 10, 2013, in conjunction with our obligation under the Merger Agreement Amendment to deliver \$5,000,000 of common stock to the Trust. Those 172,117 shares are being offered by the Trust pursuant to this prospectus and were issued by us in reliance upon the Section 4(2) securities registration exemption described in the preceding paragraph.

We agreed in the Merger Agreement Amendment to provide the Trust with the following payment if the Trust sells any of those 172,117 shares on The NASDAQ Global Select Market during the 30-day period starting on the date that the registration statement is declared effective by the SEC for a price that is less per share than the closing price of \$29.05 that was used to determine the number of shares to be issued by us to the Trust: We will issue to the Trust additional shares of common stock with a value equal to the difference between the sales price that the Trust would have received had it been able to sell such shares for \$29.05 per share and the sales price that was, in fact, received by the Trust for such shares. Based upon a comparison between the \$29.05 closing price that we used in valuing the \$5,000,000 of stock that we issued to the Trust on October 11, 2013 and the lowest closing price, equal to \$24.76 per share, for our common stock since July 1, 2013, we estimate that the maximum number of additional shares of our common stock that we may be obligated to issue to the Trust if it sells all of such 172,117 shares during the 30-day period after the effective date of the registration statement is 29,822 shares, although the exact number of shares (if any) that we will be obligated to issue depends upon the actual price of our common stock during such 30-day period and upon the number of shares (if any) that the Trust sells during such period. Those additional 29,822 estimated shares are also covered by this prospectus, in accordance with our agreement in the Merger Agreement Amendment to provide registration rights for those shares. Any shares that we may become obligated to issue beyond those 29,822 shares are not covered by this prospectus.

SELLING SHAREHOLDER

The following table presents information about the number of shares that are offered by this prospectus. The Trust is the sole selling shareholder named in this prospectus. Whether sales of shares will be made by the Trust, and the timing and amount of each sale, is within the sole discretion of the Trust, and the Trust will act independently of us in making decisions to sell shares. Registration of the shares under the Securities Act does not require the Trust to sell any of the shares. A donee, purchaser or other transferee of shares from the Trust is not entitled to use this prospectus to sell any of the shares offered by the Trust pursuant to this prospectus.

Table of Contents

The following table is based in part on information provided to us by the Trust and assumes that the Trust will sell all of the shares that are offered by this prospectus. The percentage of shares beneficially owned by the Trust prior to this offering was calculated based upon 15,534,793 shares of our common stock that were outstanding as of October 10, 2013, but also includes the 172,117 shares that were issued to the Trust on October 11, 2013 and includes the additional 29,822 shares that we may be required to issue to the Trust under the Merger Agreement Amendment. Beneficial ownership of shares has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the **Exchange Act**), and includes voting or investment power with respect to the shares.

Mr. Catchot has a beneficial ownership interest in approximately 45.2% of the shares that are owned by the Trust. The Trust disclaims beneficial ownership of the 395,705 shares of our common stock that are owned directly by Mr. Catchot, and such shares are not listed in the above table or covered by this prospectus.
- (2) As described in Prospectus Summary The Offering, the 201,939 shares listed in the table consist of (a) 172,117 outstanding shares that are owned by the Trust and that we issued pursuant to the Merger Agreement Amendment and (b) 29,822 currently unissued shares that represent our estimate of the maximum number of additional shares of common stock that we could be obligated to issue to the Trust pursuant to the Merger Agreement Amendment.

DESCRIPTION OF COMMON STOCK

We have authority to issue 100,000,000 shares of common stock. As of October 10, 2013, 15,534,793 shares of our common stock were issued and outstanding. The following summary of our common stock is qualified by reference to the provisions of our articles of incorporation and bylaws, which are filed as exhibits to the Form S-3 registration statement of which this prospectus is a part.

We have one class of common stock. Holders of our common stock are entitled to one vote per share on all matters to be voted upon by shareholders, provided that shareholders have cumulative voting rights in the election of directors. Holders of shares of common stock are entitled to receive on a pro rata basis such dividends, if any, as may be declared from time to time by our board of directors in its discretion from funds legally available for that use. They are also entitled to share on a pro rata basis in any distribution to shareholders upon our liquidation, dissolution or winding up. Common shareholders do not have preemptive rights to subscribe to any additional stock issuances by us, and they do not have the right to require the redemption of their shares or the conversion of their shares into any other class of our stock.

The following provisions of our bylaws may have the effect of discouraging, delaying or preventing someone from acquiring us or merging with us, which might cause the market price of our common stock to decline or prevent shareholders from realizing a premium over the market price of their shares:

Table of Contents

Our bylaws establish advance notice procedures with respect to the nomination of candidates for election as directors, other than nominations made by or at the direction of the board of directors or a committee of the board of directors;

Within the range specified by our bylaws, our board of directors determines the size of our board and may create new directorships and elect new directors, which may enable an incumbent board to maintain control by adding directors; and

Our board of directors may amend our bylaws without a vote of our shareholders, which may enable our board to change our bylaws to deter a proxy contest in connection with an unsolicited takeover offer.

The transfer agent and registrar of our common stock is Computershare Trust Company, N.A.; 250 Royall Street; Canton, Massachusetts 02021. Its telephone number is (800) 962-4284.

Our common stock is traded on The Nasdaq Global Select Market under the symbol CVGW.

PLAN OF DISTRIBUTION

Pursuant to the Merger Agreement Amendment, the Trust is entitled to sell the shares that are offered pursuant to this prospectus on The NASDAQ Global Select Market. Sales of the shares may be at fixed prices, at prevailing market prices at the time of sale, at prices relating to the prevailing market prices, at varying prices determined at the time of sale or at negotiated prices. The Trust may use one or more of the following methods when selling the shares on The NASDAQ Global Select Market:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction; and

purchases by a broker-dealer as principal and resale by the broker-dealer for its account.

We have agreed to pay the Trust's reasonable and customary brokerage commissions that are incurred in connection with the sale of the shares. We have also agreed to pay all expenses that are incurred in connection with the registration of the shares of common stock offered by this prospectus.

We have provided the Trust with a copy of this prospectus. If the Trust uses this prospectus for any sale of its shares, the Trust will be subject to the prospectus delivery requirements of the Securities Act, including by compliance with Rule 172 under the Securities Act.

We agreed in the Merger Agreement Amendment to keep this prospectus effective only until the date that all of the shares owned by the Trust have been sold by the Trust or, if earlier, until the date that the Trust has owned its shares for six months and is entitled to sell such shares pursuant to Rule 144 under the Securities Act. Once the Trust has owned its shares for at least six months, it may elect to sell shares under Rule 144 rather than under this prospectus.

The Trust has advised us that, as of the date of this prospectus, it has entered into an agreement with Janney Montgomery Scott LLC to serve as the Trust's broker in connection with sales of the shares by the Trust on The NASDAQ Global Select Market. The Trust reserves the right to determine the number of shares, if any, that will be sold and to enter into agreements with other broker-dealers or to terminate its agreement with Janney Montgomery Scott LLC. The agreement with Janney Montgomery Scott LLC states that its brokerage commissions, charges and other fees are set forth on its website.

Table of Contents

The Trust and any broker-dealers or agents that are involved in selling the shares covered by this prospectus may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents may be deemed to be underwriting commissions or discounts under the Securities Act. The Trust has advised us that neither it nor its trustee is a registered broker-dealer.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of the shares offered by this prospectus and to the related activities of the Trust. Regulation M generally provides, among other things, that any selling shareholder engaged in the distribution of securities may not concurrently purchase such securities during the period of distribution described in Regulation M.

In compliance with the guidelines of the Financial Industry Regulatory Authority (**FINRA**), the aggregate brokerage commissions and other items constituting underwriting compensation to be received by any FINRA member or independent broker-dealer will not exceed 8% of the aggregate amount of the shares of common stock offered pursuant to this prospectus.

Item 15. Indemnification of Directors and Officers.

Sections 204(a)(11) and 317 of the California General Corporation Law authorize us to indemnify, subject to the terms and conditions set forth therein, our directors, officers, employees and other agents against expenses, judgments, fines, settlements and other amounts that they may incur in connection with pending, threatened or completed legal actions or proceedings that are based upon their service as our directors, officers, employees or other agents or that are based upon their service as directors, officers, employees or other agents of certain other specified entities such as our subsidiaries. The California General Corporation Law also provides that we are entitled to purchase indemnification insurance on behalf of any such director, officer, employee or agent.

Article VII of our amended and restated bylaws requires the indemnification by us of each of our directors to the maximum extent permitted by applicable law. Article VII of our amended and restated bylaws authorizes, but does not require, us to indemnify our officers, employees and other agents against the expenses, judgments, fines, settlements and other amounts that are described in the preceding paragraph.

Article V of our articles of incorporation eliminates the personal liability of our directors for monetary damages for breach of their duties as directors to the fullest extent permitted under California law. Section 204(a)(10) of the California General Corporation Law provides that this provision does not eliminate the liability of a director for specified acts such as (1) acts or omissions that involve intentional misconduct or a knowing and culpable violation of law, (2) acts or omissions that a director believes to be contrary to the best interests of the corporation or its shareholders or that involve the absence of good faith on the part of the director, (3) any transaction from which the director derived an improper personal benefit, (4) acts or omissions that show a reckless disregard for the director's

duty to the corporation or its shareholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing his or her duties, of a risk of serious injury to the corporation or its shareholders, (5) acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to the corporation or its shareholders, or (6) unlawful dividends, loans or stock repurchases.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement; provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 and (and, where applicable, each filing of an

employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
