Item 1.01 Entry into a Material Definitive Agreement.

On December 3, 2013, Five Prime Therapeutics, Inc. (the Company) entered into an Agreement (the Agreement) with the National Research Council of Canada (the NRC) pursuant to which the NRC granted to the Company a non-exclusive license to use certain biological materials and a non-exclusive license to related patents. The Company uses the licensed materials in the production of proteins in its protein library. The Company has no milestone payment or royalty obligations under the Agreement.

The initial term of the Agreement expires on December 31, 2018, after which the Company may annually renew for additional one-year terms for a fee. The NRC may terminate the Agreement if the Company becomes bankrupt or insolvent, has a receiver appointed to continue its operations or resolves to wind up. The Company may terminate at any time with written notice. Either party may terminate the Agreement in the event of the other party's uncured material breach.

The foregoing description of the Agreement is qualified in its entirety by reference to the Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.
