Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 13, 2013, the Board of Directors of Cardiovascular Systems, Inc. (the Company), based upon the recommendation of its Human Resources and Compensation Committee (the Committee), adopted the Cardiovascular Systems, Inc. Deferred Compensation Plan (the Plan) to provide benefits to a select group of management or highly compensated employees who contribute materially to the continued growth, development and future business success of the Company. The Committee is authorized and directed to administer the Plan and the individuals initially eligible to participate in the Plan include:

David Martin, President and CEO

Jim Flaherty, Chief Administrative Officer

Larry Betterley, Chief Financial Officer

Robert Thatcher, Chief Healthcare Policy Officer

Kevin Kenny, Executive Vice President of Sales and Marketing

Paul Koehn, Senior Vice President of Quality and Operations

Kevin Burke, Vice President of Market Development

Jim Breidenstein, Vice President of Sales

David Veino, Vice President of Marketing

Michael Yang, Vice President of Science and Research

Laura Gillund, Vice President of Human Resources and Professional Development

In addition, any employee of the Company that is subsequently hired as a Vice President or promoted to the position of Vice President shall become eligible to participate in the Plan.

Under the Plan participants may elect to defer up to 100% of their base salary (after 401(k), payroll tax and other deductions), performance bonus and discretionary bonus and elect to receive the deferred compensation at a fixed future date of participant's choosing. Participants may also elect to receive the deferred compensation in equal annual or monthly installments over a period of years designated by participant not exceeding 15 years, commencing at a fixed future date of participant's choosing. If the participant does not specify a fixed date, payment shall be made (or

installment payments shall commence) upon a participant's termination from employment, excluding death or disability. If a participant dies or becomes disabled before the date on which payment was otherwise elected to be made or to commence, the Company shall pay the balance of the deferred compensation in a lump sum to the participant, or in the case of the participant's death, to such participant's beneficiary.

For deferrals of base salary, participants must make their elections by the end of the calendar year which precedes the calendar year within which the base salary will be earned. For deferrals of performance bonus, subject to certain exceptions, participants must make their elections by the end of the calendar year prior to the year in which the performance bonus is earned. For deferrals of discretionary bonus, participants must make their elections by the end of the calendar year preceding the fiscal year in which the performance period commences.

Each participant may, at the time of his or her deferral election, choose to allocate the deferred compensation into certain categories of hypothetical investments as determined by the Committee. The Committee initially plans to offer two alternatives, the first with a fixed income and the second with a return equal to that of the Standard & Poor's 500 stock index. The amount payable to each participant under the Plan shall change in value based upon the hypothetical investment selected by that participant.

Each participant, in connection with his or her commencement of participation in the Plan, is required to irrevocably elect whether to (i) accelerate the payment of his or her deferred compensation in the event of a change in control of the Company or (ii) have his or her deferred compensation remain in the Plan and paid pursuant to the terms and conditions of the Plan in the event of a change in control.

In the event of an unforeseen emergency, participants may apply to accelerate payment of the deferred compensation to the extent reasonably needed to satisfy the financial hardship resulting from the emergency.

The accounts established for participants in the Plan shall be unfunded and the right of any participant to receive a distribution under the Plan shall be an unsecured claim against the general assets of the Company. No participant in the Plan shall have any rights in or against any specific assets, fund, trust or account of the Company.

The foregoing description of the terms of the Plan is qualified in its entirety by the full text of the Plan, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
