Restricted Stock Unit Grants

Effective May 5, 2014, the Compensation Committee approved the grant of an aggregate of 244,569 restricted stock units (RSUs) to executive officers and certain other employees of the Company under the Company's 2010 Amended and Restated Stock Incentive Plan (the Stock Incentive Plan), including awards to named executives officers listed below:

Name	Number of RSUs
William A. Furman	41,596
Alejandro Centurion	11,569
William G. Glenn	8,074
Mark J. Rittenbaum	12,362
James T. Sharp	9,410

Each RSU entitles the recipient to receive one share of Common Stock of the Company upon vesting of the RSU, except as described below.

Half of each RSU award is subject to time-based vesting. Time-based RSUs will vest in equal annual installments over a three-year period on the first, second and third anniversaries of the date of the grant, provided the recipient remains employed with the Company through the vesting date.

Half of each RSU award is subject to performance-based vesting. Performance-based RSUs will vest, in whole or in part, contingent upon achievement of the Company's goals relating to cumulative adjusted EBITDA and adjusted return on equity (ROE), measured during the period March 1, 2014 – August 31, 2016 (the Measurement Period). The performance goals are equally weighted, such that vesting of 50% of the performance-based RSUs is dependent upon performance against the cumulative adjusted EBITDA goal and vesting of 50% of the performance-based RSUs is dependent upon performance against the adjusted ROE goal.

Vesting of RSUs related to each performance goal will be considered independently. Threshold, target and stretch performance levels are established for the cumulative adjusted EBITDA and adjusted ROE goals based on the Company's financial plan. For the cumulative adjusted EBITDA goal, threshold performance is set at 65% of plan EBITDA; target performance is set at 85% of plan EBITDA; and stretch performance is set at 105% of plan EBITDA. The threshold performance level for adjusted ROE is 11.6%; target performance is 14.1%; and stretch performance is 19.0%.

If the Company achieves the threshold level of performance on a goal, then 50% of the performance-based RSUs tied to that goal will vest. If the Company achieves the target level of performance on a goal, 100% of the performance-based RSUs tied to that goal will vest. If the Company achieves a stretch goal, then the recipient will be entitled to receive two shares of Common Stock for each performance-based RSU tied to that goal, rather than one share. RSU

vesting will be interpolated for performance between threshold and target, and issuance of additional shares for achievement in excess of target goals will be interpolated for performance between target and stretch goals.

Vesting of time-based and performance-based RSUs will accelerate in the event of death or disability of the recipient. In the event of a Change of Control of the Company (as defined under the Stock Incentive Plan), performance-based RSUs will automatically convert into time-based RSUs and will vest in full on August 31, 2016, provided the recipient remains employed with the Company through that date. Upon Retirement (as defined under the Stock Incentive Plan), time-based RSUs will become fully vested, while performance-based RSUs will continue to vest based on performance during the Measurement Period and the retiree will receive a pro-rated number of shares upon settlement of the RSUs, based upon the duration of service during the measurement period.

Upon vesting of RSUs the Company will settle the RSUs net of required tax withholding, and will issue the underlying shares to the recipient, unless the recipient has elected to pay required withholding taxes in cash. In addition, the recipient may elect to defer receipt of the shares in accordance with the terms of the Company's Nonqualified Deferred Compensation Plan. Deferred shares will be issued at the time elected by the recipient pursuant to the terms of the Nonqualified Deferred Compensation Plan.

Approval of Form of Restricted Stock Unit Agreement

On May 5, 2014 the Compensation Committee approved a form of Restricted Stock Unit Agreement to document the terms and conditions of RSU grants awarded to employees of the Company, including its named executive officers.

A copy of the form of Restricted Stock Unit Agreement is attached as Exhibit 10.1 and incorporated herein by reference.
