Item 1.01 Entry into a Material Definitive Agreement.

On July 25, 2014, Old National Bancorp (Old National), an Indiana corporation, entered into an Agreement and Plan of Merger (the Merger Agreement) with Founders Financial Corporation (Founders), a Michigan corporation, pursuant to which Founders will merge with and into Old National, whereupon the separate corporate existence of Founders will cease and Old National will survive (the Merger). In connection with the Merger, Founders Bank & Trust, a Michigan chartered commercial bank and wholly-owned subsidiary of Founders, will be merged with and into Old National Bank, a national banking association and wholly owned subsidiary of Old National, with Old National Bank as the surviving bank.

The Merger Agreement has been approved by the board of directors of each of Old National and Founders. Subject to the approval of Founders common shareholders of the Merger, regulatory approvals and other customary closing conditions, the parties anticipate completing the Merger in the first half of 2015.

All of the members of the board of directors of Founders have entered into a voting agreement pursuant to which they have agreed to vote their shares of Founders common stock in favor of the Merger. A copy of the voting agreement is filed hereto as Exhibit 10.1 and incorporated herein by reference.

Subject to the terms and conditions of the Merger Agreement, in connection with the Merger, each Founders shareholder will receive \$38.00 in cash (the Cash Consideration) and 3.25 shares of Old National common stock (the Exchange Ratio and, together with the Cash Consideration, the Merger Consideration) for each share of Founders common stock owned by them. While the Cash Consideration will remain a fixed amount, the Exchange Ratio is subject to adjustment as set forth in the Merger Agreement and discussed below. At the effective time of the Merger, outstanding vested and unvested stock options under Company Stock Plans (as defined in the Merger Agreement) of Founders will convert into an option with respect to Old National common stock, at the rate and subject to further adjustment as set forth in the Merger Agreement, unless holders elect to cash-out their stock options. Under the Merger Agreement, holders of stock options may elect, within 45 days after the date of the Merger Agreement, to cash-out all of their stock options into an amount of cash for each share of Founders common stock subject to such stock options equal to (i) the sum of (a) the Exchange Ratio multiplied by the Final Purchaser Price (defined as the average closing price of Old National common stock for the 10 trading days ending on the sixth business day prior to the date of closing on which shares of Old National common stock were actually traded in transactions reported on The NASDAQ Global Select Market) and (b) the Cash Consideration minus (ii) the amount of the exercise price per share of such stock options. Based on Old National s July 25, 2014 closing price of \$13.87 per share, the total Merger Consideration is estimated to be approximately \$88.2 million.

At the effective time of the Merger, the Exchange Ratio may be adjusted in the manner prescribed in the Merger Agreement based on the following: (i) if there is a change in the number of shares of common stock issued and outstanding prior to the effective time of the Merger by way of a reorganization, reclassification, recapitalization, stock split (including a reverse stock split), stock dividend or stock distribution, combination or readjustment of shares or similar transaction with respect to the outstanding Old National common stock or Founders common stock; (ii) if the amount of Company Consolidated Shareholders Equity (as defined in the Merger Agreement) of Founders is less than \$39.2 million as of the end of the month prior to the effective time of the Merger, after certain adjustments prescribed by the Merger Agreement have been made; and (iii) at Old National s option, in the manner prescribed in the Merger Agreement, following written notice from Founders within a specified timeframe prior to the scheduled closing date requesting an adjustment to the Exchange Ratio due to a specified decrease in Old National s market value.

The Merger Agreement contains representations, warranties and covenants of Old National and Founders including, among others, covenants that require Founders to (i) conduct its business in the ordinary course during the period between the execution of the Merger Agreement and the effective time of the Merger or earlier termination of the Merger Agreement and (ii) not engage in certain kinds of transactions during such period (without the prior written consent of Old National). Subject to certain terms and conditions, the board of directors of Founders will recommend the approval and adoption of the Merger Agreement and the Merger contemplated thereby and will solicit proxies voting in favor of the Merger Agreement from Founders' shareholders.

From the date of the Merger Agreement, Founders is subject to customary "no-shop" restrictions on its ability to solicit alternative takeover proposals from third parties, furnish information to and engage in discussions with third parties regarding alternative takeover proposals, recommend an alternative takeover proposal or enter into an agreement with respect to an alternative takeover proposal. Notwithstanding the "no shop" restrictions, prior to the time that shareholder approval is obtained, Founders' board of directors may change its recommendation to the shareholders or enter into a definitive agreement with respect to a takeover proposal, if and only if, prior to taking such action, the board of directors has determined in good faith, after consultation with independent financial advisors and outside legal counsel, that such takeover proposal constitutes a Superior Proposal; provided, however, that prior to taking any such action, Founders is required to provide Old National the opportunity to match such Superior Proposal or to revise its proposal such that it would cause such Superior Proposal to no longer constitute a Superior Proposal. A "Superior Proposal" means any bona fide written takeover proposal that the Founders board of directors has determined in its good faith judgment, after consultation with its independent financial advisors and outside legal counsel, is reasonably likely to be consummated in accordance with its terms and that is reasonably likely to result in the consummation of a transaction more favorable to Founders' shareholders from a financial point of view than the Merger, taking into account (i) all relevant legal, regulatory and financial aspects of the proposal (including availability of financing and certainty of closing) and the third party making the proposal; and (ii) any changes to the terms of the Merger Agreement proposed by Old National.

The Merger Agreement provides certain termination rights for both Founders and Old National and further provides that, upon termination of the Merger Agreement under certain circumstances, Founders, as applicable, will be obligated to pay Old National a termination fee of \$3.5 million.

As noted above, consummation of the Merger is subject to various customary conditions, including: (i) receipt of the requisite approval of the shareholders of Founders; (ii) receipt of required regulatory approvals; (iii) absence of any law or order prohibiting the closing; (iv) effectiveness of the registration statement to be filed by Old National with the Securities and Exchange Commission (the "SEC") with respect to the Old National common stock to be issued in the Merger; (v) authorization for listing on The NASDAQ Global Select Market of the shares of Old National common stock to be issued in the Merger; and (vi) the Company Consolidated Shareholders' Equity of Founders as of the end of the month prior to the effective time of the Merger, after certain adjustments prescribed by the Merger Agreement have been made, shall not be less than \$35 million. In addition, each party's obligation to consummate the Merger is subject to certain additional customary conditions, including: (i) subject to certain exceptions, the accuracy of the representations and warranties of the other party; (ii) compliance of the other party with its covenants in all material respects; (iii) receipt by such party of an opinion from its counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended; and (iv) the absence of any change, state of facts, development or effect, individually or in the aggregate, constituting a Purchaser Material Adverse Effect or a Company Material Adverse Effect (as defined in the Merger Agreement) with respect to either party since December 31, 2013.

The Merger Agreement also contains representations and warranties that the parties have made to each other as of specific dates. Except for its status as a contractual document that establishes and governs the legal relations among the parties with respect to the Merger described therein, the Merger Agreement is not intended to be a source of factual, business or operational information about the parties. The representations and warranties contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, may be subject to a contractual standard of materiality different from what a shareholder might view as material, may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts, may have been qualified by certain disclosures not reflected in the Merger Agreement that were made to the other party in connection with the negotiation of the Merger Agreement and generally were solely for the benefit of the parties to that agreement. Shareholders should read the Merger Agreement together with the other information concerning Old National and Founders that Old National publicly files in reports and statements with the SEC.

The foregoing description of the Merger Agreement is not complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Pursuant to General Instruction F to Form 8-K, a press release issued jointly by Old National and Founders is filed hereto as Exhibit 99.1 and is incorporated herein by reference.
