Item 14. Indemnification of Directors and Officers.

Section 102 of the Delaware General Corporation Law permits a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Upon the closing of this offering, our certificate of incorporation will provide that none of our directors shall be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty as director, notwithstanding any provision of law imposing such liability, except to the extent that the Delaware General Corporation Law prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty.

Section 145 of the Delaware General Corporation Law provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against expenses (including attorneys' fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by the person in connection with an action, suit or proceeding to which he is or is threatened to be made a party by reason of such position, if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, in any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, except that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the

Court of Chancery or such other court shall deem proper.

Upon the closing of this offering, our amended and restated bylaws will provide that we will indemnify each person who was or is a party or threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was a director or officer of Zosano Pharma Corporation, or is or was serving at our request as a director or officer of another corporation,

II - 1

partnership, joint venture, trust or other enterprise to the fullest extent permitted by the Delaware General Corporation Law. Upon the closing of this offering, our amended and restated bylaws will provide that expenses must be advanced to these indemnitees under certain circumstances.

The indemnification provisions contained in our amended and restated bylaws that will be effective as of the closing of this offering are not exclusive. In addition, we have entered into indemnification agreements with each of our directors. Each indemnification agreement provides that we will indemnify the director to the fullest extent permitted by law for claims arising in his capacity as a director, provided that he acted in good faith and in a manner that he reasonably believed to be in, or not opposed to, our best interests and, with respect to any criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. In the event that we do not assume the defense of a claim against a director, we are required to advance his expenses in connection with his defense, provided that he undertakes to repay all amounts advanced if it is ultimately determined that he is not entitled to be indemnified by us.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against losses arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. In any underwriting agreement we enter into in connection with the sale of common stock being registered hereby, the underwriters will agree to indemnify, under certain conditions, us, our directors, our officers and persons who control us within the meaning of the Securities Act of 1933, as amended, against certain liabilities.

Item 15. Recent Sales of Unregistered Securities.

Stock Options

At various times since June 2012, we have granted options to purchase an aggregate of 662,162 shares of common stock to our employees, directors, and consultants pursuant to our 2012 Stock Incentive Plan, at exercise prices ranging from \$1.28 to \$4.52 per share. During this time, we have issued 27,073 shares of common stock upon exercise of these options, for aggregate consideration of approximately \$37,902. The issuance of these options and shares was exempt from registration pursuant to Rule 701 of the Securities Act of 1933, as securities issued pursuant to a compensatory benefit plan.

The following table provides information regarding the number of options issued pursuant to our 2012 Stock Incentive Plan and the number of shares of common stock issued upon exercise of options in each calendar year during this period.

Year	Options Issued (#)	Weighted average exercise price of issued options (\$)	Total shares of stock issued upon exercise of outstanding options (#)	Weighted average exercise price of exercised options (\$)
2012	327,435	\$ 1.41		\$
2013	203,943	\$ 1.40		\$
2014	130,784	\$ 1.98	27,073	\$ 1.40

Warrant

In June 2014, in connection with our term loan facility with Hercules Technology Growth Capital, Inc., or Hercules, we issued to Hercules a warrant to purchase either (i) shares of our common stock or (ii) shares of the series of preferred stock that we issue in any non-public equity financing resulting in gross proceeds to us of at least \$3.0

million that occurs prior to the consummation of an underwritten initial public offering of our common stock. The exercise price per share under the warrant is equal to the lesser of the lowest price per share of the stock issued in the non-public equity financing or \$8.84, and the warrant can be exercised for shares having an aggregate exercise price of up to \$280,000. The warrant is exercisable, in whole or in part, at any time until the

earlier of June 3, 2024 or five years after our underwritten initial public offering of our common stock. The warrant is currently exercisable for an aggregate of 31,674 shares of our common stock at an exercise price of \$8.84 per share. The issuance of this warrant to Hercules was exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public offering.

Common Stock

On January 26, 2012, we sold an aggregate of 937,500 shares of common stock to our Chief Executive Officer, Vikram Lamba, and our Chief Scientific Officer, Peter Daddona. On December 11, 2012, we issued an aggregate of 12,500 additional shares of common stock to Mr. Lamba and Dr. Daddona pursuant to our 2012 Stock Incentive Plan. The issuance of these shares was exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public offering, and pursuant to Rule 701 of the Securities Act of 1933, as securities issued pursuant to a compensatory benefit plan.

In April 2012, in a transaction to recapitalize our business, structured as a reverse triangular merger, a wholly-owned subsidiary of Zosano Pharma Corporation (then named ZP Holdings, Inc.) was merged with and into ZP Opco, Inc. (then named Zosano Pharma, Inc.), whereby ZP Opco was the surviving entity and became a wholly-owned subsidiary of Zosano Pharma Corporation. As part of this reorganization, we issued 2,812,498 shares of our common stock to the stockholders and optionholders of ZP Opco in exchange for the cancellation of all outstanding common and preferred stock of ZP Opco and all outstanding stock options. Also, in connection with this reorganization, all outstanding debt and related accrued interest of ZP Opco held by investors was cancelled, and all outstanding warrants to purchase capital stock were terminated. The issuance of these shares was exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public offering.

In April 2012, in connection with the restructuring of our lease with an affiliate of BioMed Realty Holdings, Inc., or BMR, for our facilities located in Fremont, California, we issued an aggregate of 1,344,314 shares of our common stock to BMR and another affiliate of BMR. The issuance of these shares was exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public offering. In June 2014, in consideration of BMR agreeing to subordinate its secured promissory note and related security interest to our term loan facility with Hercules and its related security interest, we issued an aggregate of 31,250 shares of our common stock to BMR. The issuance of these shares was exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public offering.

In November 2014, we entered into a stock purchase agreement with Eli Lilly and Company, or Lilly, under which Lilly agreed to purchase up to \$15 million worth of our common stock in a separate private placement concurrent with the closing of this offering, at a price per share equal to the initial public offering price. Lilly may elect to not purchase any shares that would cause Lilly to own in excess of 18% of our outstanding common stock after this offering and the concurrent private placement (which could result in Lilly investing less than \$15 million). The issuance of the shares of common stock to Lilly is exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public offering.

BMR Promissory Note

In April 2012, in consideration of the amendment of our lease agreement with BMR's affiliate, we issued a new four year non-callable secured promissory note to BMR with an original principal amount of \$8.6 million bearing interest at the rate of 8% per annum, compounded annually. All principal and interest will become due and payable under the note in April 2016. The note is secured by substantially all of our assets, including intellectual property. In addition to the note, we issued shares of our common stock to BMR and another affiliate of BMR in connection with the restructuring, described above under the heading *Common Stock*. The issuance of the secured promissory note to BMR was exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public

offering.

II - 3

Convertible Promissory Notes

In September 2013, we issued and sold convertible promissory notes in the aggregate original principal amount of approximately \$3.0 million to certain of our existing stockholders. In February 2014, we issued and sold additional convertible promissory notes in the aggregate original principal amount of \$2.5 million to certain of our existing stockholders. In December 2014, we issued and sold additional convertible promissory notes in the aggregate original principal amount of approximately \$1.3 million to certain of our existing stockholders. Pursuant to their terms, the principal and all unpaid and accrued interest on each note will automatically convert upon the closing of this offering into shares of our common stock if the closing occurs on or before March 31, 2015, at a conversion price equal to 85% of the lowest price per share at which our common stock is sold in this offering. The issuance of these bridge notes was exempt from registration under Section 4(a)(2) of the Securities Act, as a sale not involving a public offering.

Item 16. Exhibits and Financial Statement Schedules.

The exhibits to the registration statement are listed in the Exhibit Index attached hereto and incorporated by reference herein.

Item 17. Undertakings.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

The undersigned registrant hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.
