Item 1.01 Entry into a Material Definitive Agreement
Indenture and 2023 Notes

On April 14, 2015, Sabre GBL Inc. (the *Issuer*), a wholly-owned subsidiary of Sabre Corporation (the *Corporation*), Sabre Holdings Corporation (*Holdings*) and certain of the Issuer's subsidiaries, as guarantors (collectively, with *Holdings*, the *Guarantors*), and Wells Fargo Bank, National Association (*Wells Fargo*) as trustee and collateral agent, entered into an indenture (the *Indenture*) governing the Issuer's newly issued 5.375% senior secured notes due 2023 (the *2023 Notes*). The 2023 Notes were issued in an aggregate principal amount of \$530 million and will pay interest semiannually in arrears on April 15 and October 15 of each year, beginning on October 15, 2015, at a rate of 5.375% per year, and will mature on April 15, 2023.

The 2023 Notes are jointly and severally, irrevocably and unconditionally guaranteed by *Holdings* and all of the Issuer's restricted subsidiaries that guarantee the Issuer's credit facility, which consists of the incremental term loan facility entered into by the Issuer on September 30, 2013, the \$1,775 million term loan facility entered into by the Issuer on February 19, 2013, the \$425 million term loan facility entered into by the Issuer on February 19, 2013 and the \$405 million multi-currency revolver entered into by the Issuer on February 19, 2013, as subsequently amended (collectively, the *Credit Facility*). In addition, each future direct and indirect restricted subsidiary of the Issuer (other than a securitization subsidiary) that guarantees indebtedness under the *Credit Facility*, any additional first lien obligations, any junior lien obligations or any capital markets debt securities of the Issuer or a guarantor, will guarantee the 2023 Notes. The *Credit Facility* currently requires, subject to certain exceptions, newly formed or acquired domestic wholly-owned subsidiaries (other than unrestricted subsidiaries) to guarantee the obligations thereunder. Neither the 2023 Notes nor the *Credit Facility* will be guaranteed by any of the Issuer's foreign subsidiaries or unrestricted subsidiaries.

The 2023 Notes and the guarantees are general senior secured obligations of the Issuer and each Guarantor, rank equally in right of payment to all existing and future unsubordinated indebtedness of the Issuer, rank effectively senior to all unsecured indebtedness of the Issuer, to the extent of the value of the collateral securing the 2023 Notes, which it shares pari passu with the *Credit Facility*, are structurally subordinated to all existing and future indebtedness, claims of holders of preferred stock and other liabilities of subsidiaries of the Issuer that do not guarantee the 2023 Notes and are senior in right of payment to all existing and future subordinated indebtedness of the Issuer.

At any time prior to April 15, 2018, the Issuer may redeem all or part of the 2023 Notes at a price equal to 100% of the principal amount of the 2023 Notes redeemed plus accrued and unpaid interest to the redemption date and a make-whole premium. On or after April 15, 2018, 2019, 2020 and 2021, respectively, the Issuer may redeem some or all of the 2023 Notes at the redemption price of 104.031%, 102.688%, 101.344% and 100.000%, respectively, plus accrued and unpaid interest to the redemption date. At any time prior to April 15, 2018, the Issuer may redeem up to 40% of the aggregate principal amount of the 2023 Notes at a redemption price equal to 105.375% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the redemption date, with the net cash proceeds received by the Issuer in one or more equity offerings; provided that the aggregate principal amount of the 2023 Notes that remain outstanding immediately after such redemption is equal to or greater than 50% of the sum of the aggregate principal amount of the 2023 Notes originally issued under the *Indenture* on the issue date and any additional notes issued under the *Indenture* after the issue date (other than the 2023 Notes or additional notes held by the Issuer or any of its affiliates). The Issuer may redeem, in the aggregate, up to 10% of the original aggregate principal amount of the 2023 Notes at any time and from time to time on or prior to April 15, 2018, at a redemption price of 103.000% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date.

Upon the occurrence of specific kinds of changes of control, the holders of the 2023 Notes will have the right to cause the Issuer to repurchase some or all of the 2023 Notes at 101.000% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

Edgar Filing: Sabre Corp - Form 8-K

The Indenture contains covenants that, among other things, limit the Issuer's ability and the ability of its restricted subsidiaries to:

incur additional indebtedness or issue disqualified stock or preferred stock of subsidiaries;

pay dividends or make other distributions on, redeem, defease, repurchase or otherwise retire equity interests;

create liens on certain assets to secure debt;

make certain investments;

sell certain assets;

place restrictions on the ability of restricted subsidiaries to make payments to the Issuer, Holdings or the Corporation;

consolidate, merge or sell all or substantially all of their assets; and

enter into certain transactions with affiliates.

These covenants are subject to important exceptions, limitations and qualifications. These covenants will be suspended, and shall not apply at any time during which the 2023 Notes have been assigned an investment grade rating.

This description of the Indenture and the 2023 Notes does not purport to be complete and is qualified in its entirety by reference to the Indenture and the form of the 2023 Notes, which are attached to this Current Report on Form 8-K as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.

Security Agreement

In connection with the entry into the Indenture, on April 14, 2015, the Issuer, the Guarantors, and Wells Fargo, as collateral agent, entered into a pledge and security agreement (the *Security Agreement*), pursuant to which all of the Issuer's and the Guarantors' obligations under the Indenture are secured by first-priority liens on the same collateral securing the indebtedness owing under the Senior Credit Facilities (as defined in the Indenture) pursuant to certain security agreements and pledge agreements, as amended from time to time (collectively, the *Security Documents*) among Holdings, the Issuer and certain of its restricted subsidiaries.

The liens granted under the Security Documents constitute first-priority liens, subject to certain exceptions and permitted liens described therein, on:

all equity interests of the Issuer, held by Holdings;

substantially all personal property of the Issuer and the Guarantors, subject to certain exceptions (including, without limitation, exceptions for real property leases and immaterial real property; motor vehicles; with respect to perfection by control, deposit and securities accounts; LC Assets (as defined in the Indenture); assets subject to certain categories of permitted liens; all letter of credit rights; securitization assets; capital stock of unrestricted subsidiaries; certain capital stock of foreign subsidiaries; and assets subject to certain legal or contractual restrictions on assignment or granting of security interests);

substantially all the equity interests of any of the Issuer's restricted subsidiaries directly owned by the Issuer or any subsidiary Guarantor (or, in the case of a foreign subsidiary, 65% of the equity interests directly owned by the Issuer or a subsidiary Guarantor); and

mortgages on all material real property owned by the Issuer or any subsidiary Guarantor, none of which existed on the issue date for the 2023 Notes, except for, so long as such assets are not pledged to secure any other first lien obligations, Principal Domestic Properties and Domestic Subsidiaries, which include Headquarters and Headquarters SPV (each as defined in the Security Agreement).

This description of the Security Agreement does not purport to be complete and is qualified in its entirety by reference to the Security Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

As previously disclosed in a Current Report on Form 8-K dated March 30, 2015, on that date the Issuer delivered to the holders of its 8.50% senior secured notes due 2019 (the 2019 Notes) a conditional notice of redemption, notifying those holders of the redemption of the entire outstanding \$480 million aggregate principal amount of the 2019 Notes on April 29, 2015 (the Redemption Date) pursuant to the terms of the indenture dated as of May 9, 2012 (the 2019 Notes Indenture), as supplemented and amended from time to time, among the Issuer, the guarantors party thereto and Wells Fargo, as trustee. The redemption price for the 2019 Notes (the Redemption Price) is equal to 100% of the principal amount of the 2019 Notes, plus accrued and unpaid interest thereon, to but excluding the Redemption Date, plus the Applicable Premium (as defined in the 2019 Notes Indenture).

The aforementioned closing of the offering of the 2023 Notes and the receipt of proceeds therefrom satisfies the condition for the redemption of the 2019 Notes. On April 14, 2015, the Issuer deposited an amount of \$531 million with the trustee for the redemption of the 2019 Notes. The Issuer has provided the trustee with instructions to apply the deposit to redeem the 2019 Notes on the Redemption Date. The 2019 Notes Indenture has been satisfied and discharged in accordance with its terms and the Issuer and the guarantors party thereto have been released from their obligations with respect to the 2019 Notes Indenture and the 2019 Notes, except with respect to those provisions of the 2019 Notes Indenture that by their terms survive the satisfaction and discharge.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure set forth under Item 1.01 above is incorporated herein by reference.

Item 3.03 Material Modification to Rights of Security Holders.

The Indenture contains covenants that limit, among other things, the Issuer's ability to pay dividends on its capital stock, subject to certain exceptions, which may in turn, impact the ability of holders of the Corporation's common stock to receive dividends. For more information, see the Indenture, which is attached to this Current Report on Form 8-K as Exhibit 4.1 and is incorporated herein by reference.
