The documents containing the information specified in Part I of Form S-8 have been or will be delivered to participants in the LTIP as specified by Rule 428(b)(1) promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended.

Such documents are not being filed with the Securities and Exchange Commission but constitute (along with the documents incorporated by reference into this registration statement pursuant to Item 3 of Part II hereof) a prospectus that meets the requirements of Section 10(a) of the Securities Act of 1933, as amended.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents previously filed with the Securities and Exchange Commission by the Company are incorporated by reference into this registration statement:

1. our annual report on Form 10-K for the year ended December 31, 2014 (including the information specifically incorporated by reference into such report from our Definitive Proxy Statement on Schedule 14A, filed on March 25, 2015);
2. our current reports on Form 8-K filed on January 20, 2015, February 25, 2015, April 10, 2015, April 15, 2015, and May 8, 2015; and
3. the description of our common stock contained in our Registration Statement on Form 8-A filed on June 23, 1999.

All documents subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended, after the date of this registration statement, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this registration statement and to be a part hereof from the date of filing of such documents. Nothing in this registration statement shall be deemed to incorporate information furnished, but not filed, with the Securities and Exchange Commission pursuant to Item 2.02 or Item 7.01 of Form 8-K and corresponding information furnished under Item 9.01 of Form 8-K or included as an exhibit.

Any statement contained in a document incorporated or deemed to be incorporated herein by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any other subsequently filed document which also is, or is deemed to be, incorporated herein by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Under Sections 721 through 725 of the Business Corporation Law of the State of New York (the NYBCL), the Registrant has broad powers to indemnify its directors, officers and other employees. These sections (i) provide that the statutory indemnification and advancement of expenses provision of the NYBCL are not exclusive, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action adjudicated, or that he personally gained in fact a financial profit or other advantage to which he was not legally entitled, (ii) establish procedures for indemnification and advancement of expenses that may be

contained in the certificate of incorporation or by-laws, or, when authorized by either of the foregoing, set forth in a resolution of the shareholders or directors or an agreement providing for indemnification and advancement of expenses, (iii) apply a single standard for statutory indemnification for third-party and derivative suits by providing that indemnification is available if the director or officer acted in good faith, for a purpose which he reasonably believed to be in the best interests of the corporation, and, in criminal actions, had no reasonable cause to believe that his conduct was unlawful, and (iv) permit the advancement of litigation expenses upon receipt of an undertaking to repay such advance if the director or officer is ultimately determined not to be entitled to indemnification or to the extent the expenses advanced exceed the indemnification to which the director or officer is entitled. Section 726 of the NYBCL permits the purchase of insurance to indemnify a corporation or its officers and directors to the extent permitted.

As permitted by Section 721 of the NYBCL, our Amended and Restated By-laws, as amended, provide that we shall indemnify our officers and directors, as such, to the fullest extent permitted by applicable law, and that expenses reasonably incurred by any such officer or director in connection with a threatened or actual action or proceeding shall be advanced or promptly reimbursed by us in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of such officer or director to repay such amount if and to the extent that it is ultimately determined that such officer or director is not entitled to indemnification.

Article SEVENTH of our Amended and Restated Certificate of Incorporation, as amended, provides that none of our directors shall be held personally liable to us or our shareholders for damages for any breach of duty in his or her capacity as a director unless a judgment or other final adjudication adverse to him or her establishes that (i) his or her acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law, (ii) he or she personally gained in fact a financial profit or other advantage to which he or she as not legally entitled, or (iii) his or her acts violated Section 719 of the NYBCL.

In addition, we have purchased insurance policies which provide coverage for our directors and officers in certain situations where we cannot directly indemnify such directors or officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See the Exhibit Index, which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if this registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement; and

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is

incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the Village of Warsaw, State of New York, on May 26, 2015.
