Item 1.01. Entry into a Material Definitive Agreement.

On July 31, 2015, Lumentum Holdings Inc. (**Lumentum**) entered into a series of agreements with Viavi Solutions Inc. (**Viavi**), formerly JDS Uniphase Corporation, pursuant to which Viavi agreed to transfer its communications and commercial optical products business and the WaveReady product lines (**CCOP**) to Lumentum (the **Separation**) and distribute 80.1% of the outstanding common stock of Lumentum to Viavi stockholders (the **Distribution**). Lumentum was formed to hold Viavi's CCOP business and, as a result of the Distribution, is now an independent public company trading under the symbol **LITE** on The Nasdaq Stock Market. The Distribution was made at 12:01 a.m., Eastern Daylight Time, on August 1, 2015 (the **Effective Time**) to Viavi's shareholders of record as of the close of business on July 27, 2015 (the **Record Date**), who received one share of Lumentum common stock for every five shares of Viavi common stock held as of the close of business on the Record Date and not sold prior to August 4, 2015, the ex-dividend date. In connection with the Separation and the Distribution, Lumentum entered into several agreements with Viavi that govern the separation of the CCOP business and relationship of the parties prior to, at and following the separation, including the following:

Contribution Agreement;

Named Executive Officer Compensation

On August 2, 2015, the Board approved annual base salary and target cash incentive opportunities for Lumentum's named executive officers in the following amounts:

Named Executive Officer	2016 Base Salary (\$)	2016 Target Incentive Opportunity (%)
Alan Lowe, <i>Chief Executive Officer</i>	625,000	100%
Craig Cocchi, <i>Senior Vice President, Operations</i>	355,000	60%
Vincent Retort, <i>Senior Vice President, Research and Development</i>	375,000	60%

On August 2, 2015, the Board also adopted a single cash incentive program for fiscal 2016 for the majority of its employees globally, including its named executive officers (the **Bonus Plan**). Under the Bonus Plan, incentive bonuses are determined based on annual operating income and revenue metrics, weighted 80% and 20% respectively. Annual operating income is measured semi-annually and 50% of that metric may be paid after the first half of the fiscal year based on achievement during that period. Each participant in the Bonus Plan is assigned a target incentive opportunity (**TIO**) equal to a percentage of his or her base salary. For fiscal 2016, the assigned TIO for the named executive officers is set forth above. The actual cash incentive payments paid to each employee under the Bonus Plan may range from 0% to 200% of each employee's assigned TIO, depending on Lumentum's achievement of its annual operating income and revenue targets.

Alan Lowe Executive Employment Agreement

Effective as of the Effective Time, Alan Lowe, Lumentum's Chief Executive Officer, Lumentum, and Lumentum Operations LLC (the **LLC**) entered into an employment agreement governing his at-will employment as Chief Executive Officer of Lumentum and the LLC. The employment agreement will have an initial term of three years and will automatically renew for successive one year terms unless any party provides written notice of non-renewal at least 90 days prior to the end of the term. Non-renewal of the employment agreement by Lumentum or the LLC will constitute termination of Mr. Lowe's employment without cause (as defined in the employment agreement) and will entitle Mr. Lowe to certain severance benefits, as described below. However, if a potential change in control date (as defined in the employment agreement) occurs prior to the expiration of the employment agreement, the employment agreement will remain in effect until the earliest of (i) the period that begins on the potential change in control date and ends on the date that is 18 months following the consummation of a change in control or (ii) 12 months after the potential change in control date if no change in control has been completed; provided, however, that in the event of a protracted regulatory clearing process with respect to a potential change in control, such term shall be extended so long as Lumentum is pursuing the potential change in control in good faith.

Under the employment agreement, Mr. Lowe's annual base salary will be \$625,000 and his annual target bonus is 100% of his annual base salary. Mr. Lowe is eligible to participate in the employee benefit plans maintained by Lumentum or the LLC and generally applicable to the senior executives of the LLC. Mr. Lowe also will be granted performance share units to acquire Lumentum common stock with a value as of \$750,000 (with the number of shares determined based on the conversion price) (the **Lowe PSU**), which become earned and vested as follows: (i) 100% of the Lowe PSU will be earned based on achievement against organic revenue growth target for fiscal 2016, and those

earned Lowe PSUs will vest 1/3 per year on each of the first three anniversaries of the grant date, subject to his continued employment or (ii) 50% of the Lowe PSU will be earned based on achievement of the organic revenue growth rate for fiscal 2017 (and not fiscal 2016), and any earned Lowe PSUs will vest 1/2 per each on each of the second and third anniversaries of the grant, subject to his continued employment. In addition, Mr. Lowe will be granted restricted stock units of Lumentum common stock with a value of \$3,100,000 (with the number of shares determined based on the conversion price), which will vest as to 33% on the first anniversary of the grant date and quarterly thereafter for the following two years, subject to his continued employment.

If Mr. Lowe's employment is terminated without cause or Mr. Lowe resigns for good reason, or Mr. Lowe's employment terminates due to his death or disability, and such termination of employment occurs during a period beginning on a potential change in control date and ending on the date that is 18 months following the consummation of a change in control (the **Coverage Period**), Mr. Lowe will receive (subject to Mr. Lowe signing and not revoking a release of claims with Lumentum and the LLC that become effective in accordance with the agreement): (i) a lump sum cash payment equal to 200% of his base salary for the year in which his employment is terminated plus 200% of his target annual bonus for the year in which his employment was terminated, (ii) vesting acceleration of 100% of any of Mr. Lowe's outstanding Lumentum equity

awards (effective the later of the date of termination or the date of the consummation of the change in control), and (iii) a lump sum cash payment equal to 24 multiplied by the monthly health insurance continuation premiums for the health, dental, and vision insurance options in which Mr. Lowe and his eligible dependents are enrolled on the termination date.

If Mr. Lowe's employment is terminated without cause or Mr. Lowe resigns for good reason, in either case, outside the Coverage Period, Mr. Lowe will receive (subject to Mr. Lowe signing and not revoking a release of claims with Lumentum and the LLC that become effective in accordance with the agreement): (i) a lump sum cash payment equal to 150% of his base salary for the year in which his employment is terminated, (ii) acceleration of any of Mr. Lowe's outstanding Lumentum equity awards such that Mr. Lowe will be vested in the number of Lumentum equity awards that Mr. Lowe would have been vested in had Mr. Lowe remained continuously employed for an additional 12 months, and (iii) a lump sum cash payment equal to 12 multiplied by the monthly health insurance continuation premiums for the health, dental, and vision insurance options in which Mr. Lowe and his eligible dependents are enrolled on the termination date.

The foregoing description of Mr. Lowe's executive employment agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the agreement, which is attached hereto as Exhibit 10.4.

Change in Control and Severance Benefits Plan, as amended and restated

Effective as of August 2, 2015, the compensation committee of the Board amended the Change in Control Benefits Plan (the ***Severance Plan***), previously filed as Exhibit 10.5 to Lumentum's Registration Statement on Form 10, to provide that in the event an eligible executive's employment is terminated without cause or the eligible executive resigns for good reason, in either case, occurring outside the date beginning on the public announcement of an intent to consummate a change in control of Lumentum and ending 12 months following the consummation of the change in control, the eligible executive will be entitled to receive (subject to the executive signing and not revoking a release of claims that become effective in accordance with the Severance Plan) (i) accelerated vesting any unvested Lumentum equity awards held at the time of termination as to the number of shares that otherwise would vest over the 9-month period following the termination date, (ii) a lump sum payment (less applicable tax and other withholdings) equal to 9 months of base salary, and (iii) reimbursement of COBRA premiums for the lesser of 9 months or the maximum allowable COBRA period.
