**Item 7.01. Regulation FD Disclosure.**

On March 16, 2016, Provectus Biopharmaceuticals, Inc. (the Company) issued a press release (the Press Release) announcing the conclusion of an investigation by the Audit Committee (the Audit Committee) of the Company's Board of Directors regarding certain irregularities in travel expense advancements and reimbursements of H. Craig Dees, Ph.D., the Company's former Chief Executive Officer, Chairman of the Board of Directors and one of the co-founders of the Company. A copy of the Press Release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Pursuant to the rules and regulations of the Securities and Exchange Commission (the Commission), the information in this Item 7.01 disclosure, including Exhibit 99.1 and information set forth therein, is deemed to have been furnished and shall not be deemed to be filed under the Securities Exchange Act of 1934.

**Item 8.01. Other Events.**

As reported in the Company's press release furnished with the Company's Current Report on Form 8-K filed with the Commission on February 29, 2016, in connection with the resignation of Dr. Dees as the Company's Chief Executive Officer and Chairman of the Board of Directors, which was effective February 27, 2016, the Audit Committee conducted a review of Company procedures, policies and practices, including travel expense advancements and reimbursements. The Audit Committee retained independent counsel and an advisory firm with forensic accounting expertise to assist the Audit Committee in conducting the investigation.

On March 15, 2016, the Audit Committee completed this investigation and made the following findings: (1) in 2015, Dr. Dees received \$898,430 in travel expense advances but submitted receipts totaling only \$297,170, most of which did not appear to be authentic; (2) in 2014, Dr. Dees received \$819,000 for travel expense advances, for which no receipts were submitted; and (3) in 2013, Dr. Dees received \$752,034 for travel expense advances; no receipts were submitted by Dr. Dees for \$698,000 of these expenses and \$54,034 of submitted receipts did not appear to be authentic. The Company intends to pursue collection efforts on all of Dr. Dees' unsubstantiated travel expenses.

The Company is currently proceeding as quickly as possible to complete, but has not yet completed, its quantification and evaluation of the specific impact of the issues identified in the Audit Committee's report on the Company's financial statements, but the Company does not expect the Audit Committee's findings to have a material impact on the Company's financial statements. The Company is also evaluating the impact of the Audit Committee's findings on the Company's internal control over financial reporting. The Audit Committee is also in the process of implementing the recommendations made by counsel to the Audit Committee to remediate these issues, including but not limited to the appointment of an interim Chief Financial Officer to assist in the organization and strategic operation of the Company as to its procedures and daily operations of the Company.
