**Item 1.01. Entry Into a Material Definitive Agreement.**

On September 28, 2015, The Williams Companies, Inc. ( Williams ), Energy Transfer Equity, L.P. ( Energy Transfer ), Energy Transfer Corp LP ( ETC ), Energy Transfer Corp GP, LLC ( ETC GP ), LE GP, LLC ( LE ) and Energy Transfer Equity GP, LLC ( ETE GP and, together with Energy Transfer, ETC, ETC GP and LE, the ETE Parties ), entered into an Agreement and Plan of Merger (the Merger Agreement ), providing that Williams will be merged with and into ETC (the Merger ), with ETC surviving the Merger. Energy Transfer formed ETC as a limited partnership that will elect to be treated as a corporation for U.S. federal income tax purposes.

On May 1, 2016, Williams and the ETE Entities entered into Amendment No. 1 to the Merger Agreement (the Amendment ), pursuant to which the form of election (the Form of Election ), through which Williams stockholders will elect their preferred form of merger consideration, will be mailed to Williams stockholders on the same date as the proxy statement/prospectus related to the Williams stockholder meeting to consider and vote upon the Merger. In addition, the Amendment changes the deadline for receipt of the Form of Election by the exchange agent from 30 days prior to the closing of the Merger to the earlier of (i) 20 business days after the mailing of the Form of Election to Williams stockholders and (ii) three business days prior to the anticipated closing date of the Merger.

The proxy statement/prospectus may not be mailed prior to the Securities and Exchange Commission ( SEC ) completing its review of the proxy statement/prospectus and declaring effective the Registration Statement on Form S-4. In this regard, the SEC sent a letter to Energy Transfer and Williams on April 25, 2016 that contained a request for additional or clarifying disclosure to be included in the proxy statement/prospectus with respect to several matters. Energy Transfer and Williams are continuing to jointly develop appropriate revisions to the proxy statement/prospectus to address these requests prior to the resubmission to the SEC for its further review. In light of this ongoing SEC review process and the desire of Energy Transfer and Williams to mail the Form of Election and the proxy statement/prospectus to Williams stockholders at the same time, Energy Transfer and Williams agreed, pursuant to the Amendment, to eliminate the standalone requirement for Energy Transfer to mail the Form of Election so that the Form of Election and the proxy statement will be mailed together and provide for a reduction of the time period between the election deadline and the anticipated closing date.

Other than as expressly modified pursuant the Amendment, the Merger Agreement, which was filed as Exhibit 2.1 to the Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC ) by Williams on September 29, 2015, remains in full force and effect as originally executed on September 28, 2015. The foregoing description of the Amendment and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amendment, which is attached hereto as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated by reference in this Item 1.01.
