under the Securities Exchange Act of 1934

Subject Company: Media General, Inc.

Filer's SEC File No.: 000-50478

Date: June 16, 2016

**The following is an investor presentation made available by Nexstar Broadcasting Group, Inc. on June 16, 2016.**

Investor Presentation Keeping it Local NXST: NASDAQ Perry Sook, Chairman, President & CEO Tom Carter, EVP & CFO June 2016

**Safe Harbor Forward-Looking Statements** This communication includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Forward-looking statements include information preceded by, followed by, or that includes the words "guidance," "believes," "expects," "anticipates," "could," or similar expressions. For these statements, Nexstar and Media General claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. The forward-looking statements contained in this communication, concerning, among other things, the ultimate outcome and benefits of a transaction between Nexstar and Media General and timing thereof, and future financial performance, including changes in net revenue, cash flow and operating expenses, involve risks and uncertainties, and are subject to change based on various important factors, including the timing to consummate the proposed transaction; the risk that a condition to closing of the proposed transaction may not be satisfied and the transaction may not close; the risk that a regulatory approval that may be required for the proposed transaction is delayed, is not obtained or is obtained subject to conditions that are not anticipated, the impact of changes in national and regional economies, the ability to service and refinance our outstanding debt, successful integration of Media General (including achievement of synergies and cost reductions), pricing fluctuations in local and national advertising, future regulatory actions and conditions in the television stations' operating areas, competition from others in the broadcast television markets, volatility in programming costs, the effects of governmental regulation of broadcasting, industry consolidation, technological developments and major world news events. Nexstar and Media General undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this communication might not occur. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this release. For more details on factors that could affect these expectations, please see the definitive joint proxy statement/prospectus of Nexstar and Media General and Media General's and Nexstar's other filings with the SEC.
