**Item 5.02. Departure of Director or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On July 14, 2016, the board of directors (the Board) of CareDx, Inc. (the Company) increased the size of the Board to seven, and elected Douglas Miller to serve as a member of the Board, effective as of July 14, 2016, to fill the newly created Board seat. Mr. Miller will serve as a Class II Director, which means his initial term expires at the annual meeting of stockholders to be held in 2019. In addition, Mr. Miller will serve on the audit committee of the Board as its chairman. The Company announced the appointment in a press release, which is filed as Exhibit 99.1 to this Current Report.

Mr. Miller has been a member of the board of directors of Telenav, Inc., a publicly held supplier of location-based platform services, since July 2015, and serves as a member of its audit committee and the compensation committee. Prior to that, from May 2013 to June 2015, Mr. Miller served as a member of the board of directors and as chairman of the audit committee of ProCera Networks, a policy enforcement solutions company. Mr. Miller also served as the chief financial officer of Telenav, Inc. from May 2006 to June 2012, and helped lead the company's May 2010 IPO. From July 2005 to May 2006, Mr. Miller served as vice president and chief financial officer of Longboard, Inc., a privately held provider of telecommunications software. From October 1998 to July 2005, Mr. Miller held various management positions, including senior vice president of finance and chief financial officer, at Synplicity, Inc., a publicly traded electronic design automation company, and helped lead the company's IPO in 2000 before later being acquired by Synopsys, Inc. Prior to that time, Mr. Miller also served as chief financial officer of 3DLabs, Inc., a publicly held graphics semiconductor company, and as a partner at Ernst & Young LLP, a professional services organization. Mr. Miller is a certified public accountant (inactive). He holds a B.S.C. in Accounting from Santa Clara University.

In connection with his appointment to the Board and consistent with the Company's outside director compensation policy, as amended (the Policy), Mr. Miller will be granted (i) a Nonstatutory Stock Option to purchase 30,000 shares of the Company's Common Stock (the NSO) and (ii) 10,000 Restricted Stock Units (the RSU Grant). The shares subject to the NSO will vest over three years, in equal monthly installments, subject to Mr. Miller's continued service on the Board on each applicable monthly vesting date. The RSU Grant will vest over three years in equal annual installments, subject to Mr. Miller's continued service on the Board on each applicable annual vesting date. The NSO and the RSU Grant are subject to the terms and conditions of the Policy, which also provides for cash and additional equity compensation for his service on the Board and its committees.

The Policy also provides for further automatic grants of (i) an option to purchase 15,000 shares of the Company's common stock (the Annual Option Grant) and (ii) 5,000 restricted stock units (the Annual RSU Grant), on the date of each annual meeting of stockholders. The Annual Option Grants will vest in equal monthly installments until the one year anniversary of the annual meeting of stockholders in which the Annual Option Grant was granted. The Annual RSU Grants will vest on the one year anniversary of the annual meeting of stockholders in which the Annual RSU Grant was granted.

Mr. Miller also executed the Company's form of indemnification agreement, which form was filed as Exhibit 10.1 to the Company's Registration Statement on Form S-1 filed with the Securities and Exchange Commission on June 3, 2014.
