INTRODUCTION

This Information Statement is being furnished to the shareholders of Patriot National Bancorp, Inc., a Connecticut corporation (we, us, our, the Company or Patriot). We are the bank holding company of Patriot Bank, N.A. (the Bank). This Information Statement relates to our resolutions to (a) elect five directors for the coming year, (b) retain BDO USA, LLP as our independent registered public accounting firm for the 2016 fiscal year, and (c) transact any other business which may properly come before the meeting. These resolutions will be adopted by our Board of Directors prior to the 2016 Annual Meeting of Shareholders in accordance with statutes governing Connecticut corporations (the Connecticut Law) and will be presented to an annual meeting of our shareholders to be held on November 8, 2016, as outlined in the Notice of 2016 Annual Meeting of Shareholders (the Annual Meeting) that accompanies this Information Statement.

Our majority shareholder, PNBK Holdings LLC (Holdings), which beneficially owns 76% of our outstanding voting securities, has indicated that it will vote in favor of these resolutions. Holdings is managed by PNBK Sponsor, LLC (Sponsor). Michael A. Carrazza, the Chairman of our Board, is the manager of Sponsor. No other votes are required or necessary to elect directors for the coming year or to retain BDO USA, LLP as our independent registered public accounting firm for the 2016 fiscal year.

The election of directors and the retention of BDO USA, LLP as our independent registered public accounting firm are outlined below.

QUORUM AND VOTING REQUIREMENTS

Quorum Requirement

A majority of our outstanding common stock, \$0.01 par value per share (the Common Stock), represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law. If less than a quorum is represented at a meeting, a majority of the shares so represented may adjourn the meeting without further notice. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified.

Vote Required

If a quorum is present, action by the shareholders on the retention of BDO USA, LLP as our independent registered public accounting firm is approved if the number of votes cast in favor of the action exceeds the number of votes cast in opposition to the action. Each outstanding share shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders.

In the election of directors, shareholders may cumulate their votes. Cumulative voting allows a shareholder to allocate among the director nominees, as the shareholder sees fit, the total number of votes equal to the number of director positions to be filled multiplied by the number of shares held by the shareholder. For example, if a shareholder owns 100 shares of stock, and there are five directors to be elected at the Annual Meeting, a shareholder may allocate 500 for votes (five multiplied by 100) among as few or as many of the five nominees to be voted on at the Annual Meeting as the shareholder chooses. Cumulative voting applies only to the election of directors. For all other matters, each share of Common Stock outstanding as of the close of business on the Record Date (as defined below), is entitled to one vote.

In determining the number of votes cast for or against a proposal, shares abstaining from voting on a matter (including elections) will not be treated as a vote for or against the proposal on the election of directors and the retention of BDO USA, LLP as our independent registered public accounting firm.

Dissenters Right of Appraisal

Our shareholders do not have dissenters rights of appraisal with respect to the proposals to be considered at the Annual Meeting.

Other Business

At the date hereof, our management has no knowledge of any business other than that described in the notice for the Annual Meeting that will be presented for consideration at the Annual Meeting.

BENEFICIAL OWNERSHIP AND OTHER MATTERS

Record Date

The record date for determining the shareholders entitled to vote at the Annual Meeting was the close of business on Monday, October 3, 2016 (the Record Date), at which time we had issued and outstanding 4,011,540 shares of Common Stock which were owned by 213 shareholders of record. The shares of Common Stock constitute the only outstanding voting securities of the Company entitled to be voted at the Annual Meeting.

Beneficial Ownership

The table below provides certain information about beneficial ownership of Common Stock of the Company as of the Record Date with respect to: (i) each person, or group of affiliated persons, who is known to the Company to own more than five percent (5%) of Company Common Stock; (ii) each of the Company s directors; (iii) each of the Company s executive officers; and (iv) all of the Company s directors and executive officers as a group.

Except as otherwise noted, to the knowledge of the Company, all persons listed below have sole voting and dispositive power with respect to all shares of Common Stock they beneficially own, except to the extent authority is shared by spouses under applicable law. Applicable percentage ownership is based on 4,011,540 shares of Common Stock outstanding. In computing the number of shares of Common Stock beneficially owned by a person and

applicable percentage of ownership of that person, we deemed outstanding shares of Common Stock subject to options held by that person that are currently exercisable or exercisable within sixty (60) days of the Record Date. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated, the address of each shareholder is in care of Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, CT 06901.

Certain Relationships, Related Transactions and Director Independence

There are no family relationships among our executive officers and directors. In the ordinary course of business, the Bank has made loans to officers and directors (including loans to members of their immediate families and loans to companies of which a director owns 10% or more). There were no loans outstanding to officers and directors as of December 31, 2015, and as of the Record Date.

Information about transactions involving related persons is assessed by Patriot s independent directors. Related persons include Patriot s directors and executive officers as well as immediate family members of directors and officers. If the independent directors approve or ratify a material transaction involving a related person, then the transaction would be disclosed in accordance with the Securities and Exchange Commission (the SEC) rules. If the related person is a director, or a family member of a director, then that director would not participate in those discussions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company s officers, directors and persons who own more than 10% of the issued and outstanding shares of Common Stock to file reports of beneficial ownership and changes in beneficial ownership with the SEC and to furnish copies of all Section 16(a) forms to the Company. No Form 3 or 4 filings are known to be late for any of the directors, officers and beneficial owners of more than 10% of any class of equity securities of the Company in 2015.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Our business affairs are managed under the direction of the Board of Directors in accordance with the Connecticut Business Corporation Act, our certificate of incorporation and our bylaws. Members of our Board of Directors are kept informed of our business through discussions with the Chairman of the Board, our Chief Executive Officer and other officers, by reviewing materials provided to them, and by participating in meetings of the Board of Directors and its committees. Our corporate governance practices are summarized below.

During 2015, our Board of Directors met 11 times. During 2015, each of our directors attended 100% of the meetings of our Board of Directors and at least 90% of the meetings of the committees of the Board on which each director served.

Director Attendance at Annual Meetings

We have a policy encouraging attendance by members of the Board of Directors at our Annual Meetings of shareholders. All of our directors attended the 2015 Annual Meeting of Shareholders.

Independence of Board of Directors and Members of Its Committees

We are a controlled company under NASDAQ rules because more than 50% of the voting power for the election of our directors is held by one shareholder. As a result, we are not required to maintain a majority of independent directors on our Board of Directors, nominating committee or compensation committee. The Board of Directors has determined that the following nominees for election as directors at the Annual Meeting are independent: Edward N. Constantino, Emile Van den Bol, Michael J. Weinbaum and Raymond B. Smyth. The Board of Directors has also determined that the Audit Committee is comprised entirely of independent directors within the meaning of applicable laws and regulations, the listing standards of the NASDAQ stock market and our corporate guidelines set forth in the Audit Committee Charter.

Independence Standards

The Board of Directors examines the independence of the directors annually. For a director to be considered independent, the Board of Directors must determine that the director does not have any relationship with us or any of our affiliates, either directly or as a partner, shareholder or officer of an organization that has such a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

A director will not be considered independent if, among other things, the director has:

Been employed by the Bank or its affiliates at any time in the current year or during the past three years.

Accepted any payments from the Bank or its affiliates in excess of \$120,000 during any period of twelve consecutive months within the preceding three years (except for Board services, retirement plan benefits, non-discretionary compensation or loans made by the Bank in accordance with applicable banking regulations).

An immediate family member who is, or has been in the past three years, employed by the Bank or its affiliates as an executive officer.

Been a partner, controlling shareholder or an executive officer of any for profit business to which the Bank made or from which it received, payments (other than those which arise solely from investments in the Bank s securities) that exceed 5% of the entity s or the Bank s consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the preceding three years.

Been employed as an executive officer of another entity where any of the Bank s executive officers serve on that entity s compensation committee.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors primary responsibility is to seek to maximize long-term shareholder value. The Board of Directors selects our management, monitors management and Company performance, and provides advice and counsel to management. Among other things, the Board of Directors regularly reviews our business strategy and approves our budget. In fulfilling the Board of Directors responsibilities, non-employee directors have full access to our management, external auditors and outside advisers.

Committees of the Board of Directors

The members of our Board of Directors devote time and talent to certain standing committees. Among these committees are the Audit Committee, Compensation Committee, Executive Committee and the Nominating and Corporate Governance Committee. The principal functions and members of each committee are described below.

The functions of the Audit Committee include (i) reviewing and recommending policies regarding internal audit and credit review, (ii) establishing and implementing policies to comply with applicable regulations, (iii) causing suitable audits to be made by auditors engaged by the Audit Committee on our behalf, and (iv) pre-approving all audit services and permitted non-audit services provided by the auditors. The Audit Committee or its Chairman also discusses with the independent auditors the auditors review of our unaudited quarterly financial statements. The Audit Committee operates pursuant to a written charter, as amended by the Board of Directors on September 17, 2013. Shareholders may request a copy of the Audit Committee Charter, without charge, by contacting Neil M. McDonnell, Executive Vice President and Chief Financial Officer, Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901, (203) 252-5905. The members of the Audit Committee are Messrs. Constantino (Chairman), Smyth and Van den Bol, each of whom is an independent director as defined by SEC and NASDAQ rules. The Board has determined that Messrs. Constantino and Smyth have the professional experience necessary to qualify as Audit Committee financial experts under SEC rules. During 2015, the Audit Committee met thirteen times.

The Compensation Committee determines executive compensation. The members of the Compensation Committee are Messrs. Constantino (Chairman) and Van den Bol. During 2015, the Compensation Committee met six times. In performing its duties, the Compensation Committee may engage consultants to assist it in determining the amount or form of executive and director compensation. During 2015, the Compensation Committee engaged Pearl Meyer & Associates to perform a company-wide review of job descriptions, functional titles and grades and market comparisons of salary structures. The Compensation Committee consults with our executive officers in determining executive and director compensation.

The Executive Committee exercises, if needed and when the Board of Directors is not in session, all powers of the Board of Directors that may lawfully be delegated. The members of the Executive Committee are Messrs. Carrazza (Chairman), Constantino, Neilson and Van den Bol. During 2015, the Executive Committee met once.

The principal function of the Nominating and Corporate Governance Committee is to consider and recommend to the full Board of Directors nominees for directors of Patriot and the Bank. The Nominating and Corporate Governance Committee is also responsible for reporting and recommending from time to time to the Board of Directors matters relative to corporate governance. The members of the Nominating and Corporate Governance Committee are Messrs. Van den Bol (Chairman), Carrazza, Constantino and Weinbaum. During 2015, the Nominating and Corporate Governance Committee did not meet.

Nomination Process

The process of reviewing and making recommendations for nominations and appointments to the Board of Directors is the responsibility of the Nominating and Corporate Governance Committee. Our directors have a critical role in

guiding our strategic direction and in overseeing management. The Nominating and Corporate Governance Committee will consider candidates for the Board of Directors based upon several criteria, including their broad-based business and professional skills and experiences, concern for the long-term interests of shareholders, personal integrity and judgment. Candidates should have reputations, both personal and professional, consistent with our image and reputation. Directors must have time available to devote to Board activities and to enhance their knowledge of the banking industry. Accordingly, the Board of Directors seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities for us, and who are expected to contribute to an effective Board of Directors.

The Nominating and Corporate Governance Committee utilizes the following process for identifying and evaluating nominees to the Board of Directors. In the case of incumbent directors, each year the Board of Directors informally reviews each director—s overall service to us during the term, including the number of meetings attended, level of participation and performance. In the case of new director candidates, the Nominating and Corporate Governance Committee may solicit from existing directors the names of potential candidates who meet the criteria above; the Nominating and Corporate Governance Committee may discuss candidates suggested by our shareholders; and, if deemed appropriate by the Board of Directors, the Nominating and Corporate Governance Committee may engage a professional search firm. To date, the Nominating and Corporate Governance Committee has not engaged a professional search firm to identify or evaluate potential nominees, but it retains the right to do so in the future, if necessary. The Nominating and Corporate Governance Committee meets to discuss and consider these candidates qualifications and then chooses new candidates by majority vote.

Shareholder Nominations

Under our by-laws, nominations for directors may be made by any shareholder of any outstanding class of our capital stock who delivers notice, along with the additional information and materials required by our by-laws and certificate of incorporation, to our Chairman of the Board not fewer than 14 days and not more than 50 days before the Annual Meeting. Shareholders may obtain a copy of our certificate of incorporation and by-laws by writing to our Corporate Secretary, 900 Bedford Street, Stamford, Connecticut 06901.
