Press Release

TIM: CONTRACT WITH FLAVIO CATTANEO TERMINATED BY MUTUAL CONSENT

Rome, 24 July 2017

Mr Flavio Cattaneo and TIM, after the completion of the major and extraordinary turnaround of the business (created with all the positive quarterly reports, positive on every line, which demonstrate a major reorganisation of internal processes, efficiency plans on non-core costs, and revenue plans, which saw company increase its customers and revenues to levels not reached in the last 10 years, increase its core investments, bringing the company back to leadership of the mobile segment (downloads) and covering around 70 % of the country with fibre), have agreed on the consensual termination of his employment with the Company.

The Company will embark on a second phase of the plan, a conventional company relaunch that pursues the targets set by Mr Flavio Cattaneo, first and foremost, the fibre plan.

The Company thanks Mr Flavio Cattaneo for the major task he undertook. It is universally recognised that such a recovery has never before been seen, making it the first among the major telecommunications companies that were formerly incumbent in Europe and the US, in terms of speed of growth of all main top line drivers, and of profitability, as well achieving the greatest coverage in fibre.

Mr Flavio Cattaneo thanks the Company and all its stakeholders for having had the opportunity to lead such a major company.

Cautionary Statement for Purposes of the Safe Harbor Provisions of the United States Private Securities Litigation Reform Act of 1995.

The Private Securities Litigation Reform Act of 1995 provides a safe harbor for forward-looking statements. The Group's interim report as of and for the three months ended March 31, 2017 included in this Form 6-K contains certain forward-looking statements. Forward-looking statements are statements that are not historical facts and can be identified by the use of forward-looking terminology such as believes, may, is expected to, will, will continue, seeks or anticipates or similar expressions or the negative thereof or other comparable terminology, or by the forward-looking nature of discussions of strategy, plans or intentions.

Actual results may differ materially from those projected or implied in the forward-looking statements. Such forward-looking information is based on certain key assumptions which we believe to be reasonable but forward-looking information by its nature involves risks and uncertainties, which are outside our control, that could significantly affect expected results.

The following important factors could cause our actual results to differ materially from those projected or implied in any forward-looking statements:

1. our ability to successfully implement our strategy over the 2017-2019 period;
2. the continuing effects of the global economic crisis in the principal markets in which we operate, including, in particular, our core Italian market;
3. the impact of regulatory decisions and changes in the regulatory environment in Italy and other countries in which we operate;
4. the impact of political developments in Italy and other countries in which we operate;
5. our ability to successfully meet competition on both price and innovation capabilities of new products and services;
6. our ability to develop and introduce new technologies which are attractive in our principal markets, to manage innovation, to supply value added services and to increase the use of our fixed and mobile networks;
7. our ability to successfully implement our internet and broadband strategy;
8. our ability to successfully achieve our debt reduction and other targets;
9. the impact of fluctuations in currency exchange and interest rates and the performance of the equity markets in general;

10. the outcome of litigation, disputes and investigations in which we are involved or may become involved;
11. our ability to build up our business in adjacent markets and in international markets (particularly in Brazil), due to our specialist and technical resources;
12. our ability to achieve the expected return on the investments and capital expenditures we have made and continue to make in Brazil;
13. the amount and timing of any future impairment charges for our authorizations, goodwill or other assets;
14. our ability to manage and reduce costs;
15. any difficulties which we may encounter in our supply and procurement processes, including as a result of the insolvency or financial weaknesses of our suppliers; and
16. the costs we may incur due to unexpected events, in particular where our insurance is not sufficient to cover such costs.

The foregoing factors should not be construed as exhaustive. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date hereof. We undertake no obligation to release publicly the result of any revisions to these forward-looking statements which may be made to reflect events or circumstances after the date hereof, including, without limitation, changes in our business or acquisition strategy or planned capital expenditures, or to reflect the occurrence of unanticipated events.
