Item 7.01. Regulation FD Disclosure.

On July 21, 2006 we issued a press release announcing that our KG#15 well located on the KG Block off the eastern coast of India had commenced drilling. We have a net 5% carried interest in the production sharing contract on that Block. In addition, we announced that the Company entered into a Memorandum of Understanding ("MOU") relating to exploration block CB-ON/2. Under a previous agreement, Gujarat State Petroleum Corporation ("GSPC") assigned a 20% PI to GeoGlobal subject to Government of India ("GOI") consent. GSPC and the Company are currently awaiting GOI consent to this assignment. Under the terms of a previous agreement with GSPC, the Company is to fund its 20% PI share of all past exploration costs incurred on the Tarapur Block and keep in force a Financial and Performance Guarantee in an amount sufficient to secure its performance under the Tarapur PSC. Also under the terms of the previous agreement, in the event such consent from the Government is not obtained, the assignment would be terminated. Pursuant to the MOU, in the event that the GOI does not consent to the Tarapur assignment, GSPC is obligated to repay to the Company all amounts paid by the Company to GSPC with respect to the Tarapur Block. GSPC is to repay such amounts to the Company within 30 days of a written notice from the Company. A copy of the press release is attached hereto as Exhibit 99.1.
