PROXY STATEMENT
for the

1. INTRODUCTION

1.1 General

This proxy statement (the “Proxy Statement”) and the accompanying proxy ballot are being furnished to the shareholders of Willamette Valley Vineyards, Inc., an Oregon corporation (the “Company”), as part of the solicitation of proxies by the Company’s Board of Directors (the “Board”) from shareholders of record of outstanding shares of the Company’s common stock, no par value (the “Common Stock”), for use in voting at the Company’s Annual Meeting of Shareholders to be held on July 13th, 2014 at 1:00 PM at Willamette Valley Vineyards, 8800 Enchanted Way SE, Turner, Oregon 97392 and at any adjournments or postponements thereof (the “Annual Meeting”).

Important Notice Regarding the Availability of Proxy Materials
for the Shareholder Meeting to be Held on July 13, 2014

Pursuant to rules of the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials both by sending you this full set of proxy materials, including a proxy card, and by notifying you of the availability of our proxy materials on the Internet. This Proxy Statement is available at www.wvv.com by clicking on the “Investor Relations” tab. In accordance with SEC rules, our proxy materials posted on our website under the “Investor Relations” tab do not contain any cookies or other tracking features.

At the Annual Meeting, shareholders will be asked to consider and vote upon the following:

- (i) To elect seven members of the Board of Directors, each to hold office until the 2015 Annual Meeting or until his or her successor is elected and qualified;
- (ii) To ratify the appointment by the Board of Directors of Moss Adams LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2014;
- (iii) To give advisory approval of the Company’s executive compensation;
- (iv) To give advisory approval on the frequency of future advisory votes on the Company’s executive compensation; and
- (v) To transact such other business as may properly come before the meeting or any adjournments thereof.

This Proxy Statement, together with the enclosed proxy ballot, is first being mailed to the Company’s shareholders on or about May 29, 2014.

Your vote is important. Accordingly, whether or not you plan to attend the Annual Meeting, please sign and return the proxy ballot as soon as possible. Shares can be voted at the Annual Meeting only if the holder is present in person or by proxy. If you receive more than one proxy card because your shares are registered in different names or at different addresses, please sign and return each such proxy so that all of your shares will be represented at the Annual Meeting.

1.2 Solicitation, Voting and Revocability of Proxies

The Board of Directors has fixed the close of business on May 13, 2014 as the record date for the determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Accordingly, only holders of record of Common Stock at the close of business on such date will be entitled to vote at the Annual Meeting, with each such share

entitling its owner to one vote on all matters properly presented at the Annual Meeting. On the record date, there were 5,180 registered and/or beneficial holders holding 4,846,761 shares of Common Stock. The presence, in person or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting.

Shareholders can vote on matters that properly come before the Annual Meeting in one of four ways:

Voting by mail:

Shareholders may vote by marking, signing and dating the proxy card and mailing it in the enclosed, prepaid and addressed envelope or otherwise mailing it to the Company at our mailing address on the cover page of this Proxy Statement prior to the Annual Meeting.

Voting in person at the meeting.

Shareholders may also vote in person at the meeting. However, shareholders who hold their shares in street name (in the name of a bank or some other nominee), must request and receive a legal proxy from the record owner prior to the meeting in order to vote at the meeting.

Voting on the Internet.

Shareholders may vote their shares of Common Stock by going to www.proxyvote.com and following the instructions. Shareholders should have their proxy card in hand when accessing the website.

Voting by Telephone.

Shareholders may vote by calling the toll-free number listed on the proxy card from any touch-tone telephone and following the instructions. Shareholders should have your proxy card in hand when calling.

Shareholders, who own their shares through a brokerage account or in other nominee form, should follow the instructions received from the record holder to see which voting methods are available.

Each enclosed proxy gives discretionary authority to the persons named therein with respect to any amendments or modifications of the Company proposals and any other matters that may be properly proposed at the Annual Meeting. The shares represented by all valid unrevoked proxies returned in time to be voted at the Annual Meeting will be voted in accordance with the instructions marked therein. **EXECUTED BUT UNMARKED PROXIES WILL BE VOTED FOR THE ELECTION OF THE DIRECTORS NAMED IN THE PROXY, FOR THE RATIFICATION OF THE COMPANY'S AUDITORS, FOR ADVISORY APPROVAL OF THE COMPANY'S EXECUTIVE COMPENSATION AND FOR ADVISORY APPROVAL ON A THREE YEAR FREQUENCY OF ADVISORY VOTES ON THE COMPANY'S EXECUTIVE COMPENSATION.** If any other matter(s) properly comes before the Annual Meeting, the proxies solicited hereby will be exercised in accordance with the reasonable judgment of the proxy holders named therein. If the meeting is adjourned or postponed, your shares will be voted by the proxy holders on the new meeting date as well, unless you have revoked your proxy instructions before that date. Under Oregon law, shareholders are not entitled to dissenters' rights with respect to any of the proposals set forth in this Proxy Statement.

The presence of a shareholder at the Annual Meeting will not automatically revoke such shareholder's proxy. A shareholder may, however, revoke a proxy at any time prior to its exercise by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to: Company Secretary, Willamette Valley Vineyards, Inc., 8800 Enchanted Way S.E., Turner, Oregon 97392, or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not revoke previously given proxies. In order to be effective, all revocations and later-filed proxies not delivered in person at the Annual Meeting must be delivered to the Company at the address listed above not later than 5:00 p.m. local time, on Saturday, July 12th, 2014. A shareholder who attends the meeting need not revoke a previously executed proxy and vote in person unless the shareholder wishes to do so. All valid, unrevoked proxies will be voted at the Annual Meeting.

A proxy marked as abstaining will be treated as present for the purpose of determining whether there is a quorum for the Annual Meeting, but will not be counted as voting on any matter as to which abstinence is indicated. If a quorum exists, directors are elected by a plurality of the votes cast by the shares entitled to vote, while action on a matter other than the election of directors is approved if the votes cast by the shares entitled to vote favoring the action exceed the votes cast opposing the action. Consequently, assuming the presence of a quorum, abstentions will not affect the results of the matters to be affected at the Annual Meeting.

A Broker "non vote," which occurs when a broker or other nominee holder, such as a bank, submits a proxy representing shares that another person actually owns, and that person has not given voting instructions on a non-routine matter or matters to the broker or other nominee holder, will be treated as present for purposes of determining whether there is a quorum for the Annual Meeting. Pursuant to applicable regulations if a shareholder does not give voting instructions to his/her broker, such broker will not be permitted to vote the shareholder's shares of Common Stock with respect to Proposals 1, 3 and 4, described in this Proxy Statement. We expect that banks and brokers will be allowed to exercise discretionary authority for beneficial owners who have not provided voting instructions with respect to the vote to ratify the Company's selected independent registered public accounting firm in Proposal 2.

The Company will pay the cost of its proxy solicitation. In addition to the use of the mails, proxies may be solicited personally, by telephone or by email by directors, officers and employees of the Company, who will not be specially compensated for such activities. Your cooperation in promptly completing and returning the enclosed proxy to vote your shares of Common Stock will help to avoid additional expense.

If you are a shareholder of record and you plan to attend the Annual Meeting, please indicate this when you vote. If you are a beneficial owner of shares of Common Stock held by a bank, broker or other nominee, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from the bank, broker, or other nominee, are examples of proof of ownership. If you want to vote in person your shares of Company's Common Stock held in street name, you will have to obtain a proxy, executed in your favor, from the holder of record. You may be asked to provide proof of identification to gain entry to the Annual Meeting.

1.5 Annual Meeting Attendance

Although we do not have a formal policy regarding attendance by members of the Board of Directors at our annual meeting of shareholders, directors are encouraged to attend the annual meetings. Six out of our eight directors attended the Company's 2013 annual meeting of shareholders.

1.6 Independence

The Board of Directors has determined that each of our directors other than Mr. Bernau and Mr. Ellis is "independent" within the meaning of the applicable rules and regulations of the SEC and the director independence standards of The NASDAQ Stock Market, Inc. ("NASDAQ"), as currently in effect. Furthermore, the Board of Directors has determined that each of the members of the Compensation and Audit Committees of the Board of Directors is "independent" under the applicable rules and regulations of the SEC and the director independence standards of NASDAQ, as currently in effect. The Board of Directors does not have a separate standing Nominating Committee. Consistent with NASDAQ rules, only independent directors participate in meetings where the Board of Directors meets as the Nominating Committee. The independent directors held two meetings in 2013.

1.7 Committees of the Board of Directors

Compensation Committee

The Board of Directors has appointed a Compensation Committee, which reviews executive compensation and makes recommendations to the full Board regarding changes in compensation, and also administers the Company's 1992 Stock Incentive Plan. Executive officers do not play a role in determining executive compensation. The Compensation Committee does not delegate any of its duties, and it may use consultants in determining executive compensation. The Compensation Committee met once in person and once by conference call in 2013. The Compensation committee did not engage the services of a compensation consultant in 2013. The members of the Compensation Committee are Betty M. O'Brien, Chair, Tom Brian and Delna Jones. All members of the Compensation Committee are independent under the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market, as currently in effect. A copy of the Compensation Committee's charter can be found on the Company's website, www.wvv.com.

Audit Committee

The Company has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The members of the Audit Committee are Thomas M. Brian, Craig Smith, Sean Cary and Stan G. Turel. All members of the Audit Committee are independent as defined under the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market, as currently in effect. The Audit Committee oversees our financial reporting process on behalf of the Board of Directors and reports to the Board of Directors the results of these activities, including the systems of internal controls that management and the Board of Directors have established, our audit and compliance process and financial reporting. The Audit Committee, among other duties, engages the independent public accountants retained as the registered public accounting firm, pre-approves all audit and non-audit services provided by the independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, considers the compatibility of any non-audit services provided by the independent public accountants with the independence of such auditors and reviews the independence of the independent public accountants. Mr. Smith is designated by the Board of Directors as the “audit committee financial expert” under SEC rules. The Audit Committee conducted four meetings in the year ended December 31, 2013 and each meeting was attended by at least 75% of the committee members. A copy of the Audit Committee charter can be found at our website, www.wvv.com.

Audit Committee Financial Expert

Chairperson Craig Smith serves as the Audit Committee’s financial expert. Mr. Smith is independent as defined under the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market as currently in effect.

Nominating Committee

The Board of Directors performs the function of a Nominating Committee for selecting nominees for election as directors. Given its size, the Board believes that it performing this function is a pragmatic and realistic approach. Consistent with NASDAQ rules, the independent members of the Board of Directors select and recommend to the full Board of Directors for approval nominees for director positions. The Board then determines whether to approve of such nominations and present them to the Company’s shareholders for election to the Board of Directors. In seeking nominees, the Board looks for qualified candidates that will meet the oversight and financial expertise needs of the Company. The Board also looks for nominees who will meet the independent qualifications necessary to meet current standards of independence. While not maintaining a specific policy on Board diversity requirements, the Board believes that diversity is an important factor in determining the composition of the Board and, therefore, seeks a variety of occupational and personal backgrounds on the Board in order to obtain a range of viewpoints and perspectives and to enhance the diversity of the Board. The Board, functioning as the Nominating Committee, annually evaluates the Board’s composition. This evaluation enables the Board to update the skills and experience they seek in the Board as a whole, and in individual directors, as the Company’s needs evolve and change over time and to assess the effectiveness of efforts at pursuing diversity.

Nominations of candidates by shareholders of the Company to be considered by the Committee for membership on the Board of Directors may be submitted if such nominations are made pursuant to timely notice in writing to the Company’s Secretary. For more information, please see the information provided under the heading “Shareholder Proposals and Nominations” below. The current nominees were selected by the independent members of the Board of Directors, which nominees were ratified by the entire Board of Directors. The Nominating Committee does not currently have a charter or formal policy with respect to the consideration of director candidates recommended by shareholders. The reason for not having such a formal policy is that the current approach has functioned well and

therefore no formal policy has been deemed necessary.

8

Executive Committee

In 1997 the Board appointed an Executive Committee, its members are: James Bernau, James Ellis, Delna Jones and Stan Turel. One of the principle charters of the Executive Committee is to review and approve all proposed purchases over \$50,000.00. The Executive Committee did not meet in 2013.

1.8 Leadership Structure of Board of Directors

Currently, the Company's President, Mr. Bernau, also serves as its Chairperson of the Board. The Board believes the interests of all shareholders are best served at the present time through a leadership model with the same person holding the positions of President and Chairperson of the Board.

The Company's President possesses an in-depth knowledge of the Company, its operations, and the array of challenges to be faced, gained through over 30 years of successful experience in the industry. The Board believes that these experiences and other insights put the President in the best position to provide broad leadership for the Board as it considers strategy and as it exercises its fiduciary responsibilities to its shareholders.

Further, the Board has demonstrated its commitment and ability to provide independent oversight of management. All directors other than Mr. Bernau and Mr. Ellis are independent, and 100 percent of the Compensation and Audit Committee members are independent. Each independent director may call meetings of the independent directors, and may request agenda topics to be added or dealt with in more detail at meetings of the full Board or an appropriate Board committee.

1.9 Role of Board of Directors in Risk Oversight

The entire Board and each of its standing committees are involved in overseeing risk associated with the Company. The Board monitors the Company's governance by regular review with management and outside advisors. The Board and the Audit Committees monitor the Company's liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and external auditors and other advisors. In its periodic meetings with the independent accountants, the Audit Committee discusses the scope and plan for the audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs. As part of its responsibilities as set forth in its charter, the Compensation Committee reviews the Company's executive compensation program and the associated incentives to determine whether they present a significant risk to the Company. Based on this review, the Compensation Committee concluded that the Company's compensation policies and procedures are not reasonably likely to have a material adverse effect on the Company.

The aggregate number of option awards outstanding for each director as of December 31, 2013 is as follows: Mr. Ellis – 76,000, Mr. Cary –0, Mr. Brian – 22,000, Ms. Jones – 14,000, Mr. Smith –0, Ms. O'Brien – 26,000, and Mr. Turel – 12,000.

The members of the Company's Board of Directors received cash compensation for their service on the Board in 2013, and were reimbursed for out-of-pocket and travel expenses incurred in attending Board meetings. Under the Company's Stock Incentive Plan adopted by the shareholders in 1992 and further amended by the shareholders in 1996, beginning in 1997 an option to purchase 1,500 shares of Common Stock is granted to each Director for service on the Board during the year. This option was increased to 4,000 per year when the 50-share grant per Director's meeting was discontinued for the year 2000 and beyond. In December 2005, each Director was granted 14,000 options for service during 2005. In the foreseeable future, as a result of FASB ASC Topic 718, Stock Compensation, requiring all share-based payments to be recognized as expenses in the statement of operations based on their fair values and vesting periods, the Company does not intend to issue stock options to the Directors for their service.

In January 2009 the Board of Directors, upon recommendation of the Compensation Committee, who had sought outside counsel regarding revision of the Company's Board Compensation Plan, adopted the final version of the revised WVV Board Member Compensation Plan. Under the terms of the revised plan, any Board member may elect not to receive any or all of the compensation components. The Board also reserved the right to suspend this plan at any time on the basis of prevailing economic conditions and their impact on the company. The basic elements of the revised plan are: \$1,000 yearly stipend for service on the Board, \$500 per Board meeting attended in person, \$250 per Board meeting via teleconference, \$200 per committee meeting in person and \$100 per committee meeting via teleconference. A set per diem for expenses associated with meeting attendance, as well as a yearly wine allowance were also approved.

The employment agreement provides that Mr. Bernau’s employment may be terminated only for cause, which is defined as non-performance of his duties or conviction of a crime.

2.3 Stock Options

In order to reward performance and retain high-quality employees, the Company has, in the past, granted stock options to its employees. The Company has not ordinarily directly issue shares of stock to its employees. Options were typically issued at a per share exercise price equal to the closing price as reported by the Nasdaq Capital Market at the time the option was granted. The options vest to the employee over time. Three months following termination of the employee’s employment with the Company, any and all unexercised options terminate. The Company is not currently granting new options and does not intend to do so at this time.

2.7 Transactions with Related Persons

In 2007, the Company entered into a long-term lease for Elton vineyards which consists of 54 acres of mature grapevines, of which approximately 42 acres are Pinot Noir. The agreement was for an initial 10-year lease with the option to renew for four successive terms of five years each, plus a first right of refusal on the property's sale. Betty O'Brien, a member of the Company's Board of Directors, is a 50% owner of the lessor, Elton Vineyards, LLC. As such, she is therefore entitled to 50% of the net income of Elton Vineyards, LLC.

The Company believes that the transactions set forth above were made on terms no less favorable to the Company than could have been obtained from unaffiliated third parties. All future transactions between the Company and its officers, directors, and principal shareholders will be approved by a disinterested majority of the members of the Affiliated Transactions Committee of the Company's Board of Directors, and will be on terms no less favorable to the Company than could be obtained from unaffiliated third parties. After reviewing the relationship between the Company and Elton Vineyards, LLC, including the amount of lease payments made to Elton Vineyards, LLC, in each

of the last three years, the Board of Directors has determined that Ms. O'Brien is "independent" within the meaning of the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market, Inc.

During 2013, the Company did not participate in any transactions with related persons that had a direct or indirect material interest in an amount exceeding \$120,000 and there are no currently proposed transactions with related persons that exceed \$120,000.

The Board of Directors has determined that each of our directors, except Mr. Bernau and Mr. Ellis is "independent" within the meaning of the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market, Inc. ("NASDAQ"), as currently in effect. Furthermore, the Board of Directors has determined that each of the members of each of the committees of the Board of Directors is "independent" under the applicable rules and regulations of the SEC and the director independence standards of NASDAQ, as currently in effect.

2.8 Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers, directors and persons who own more than 10% of a registered class of the Company's equity securities to file certain reports with the SEC regarding ownership of, and transactions in, the Company's securities. These officers, directors and stockholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) reports that are filed with the SEC. Based solely on a review of copies of such forms received by the Company and written representations received by the Company from certain reporting persons, the Company believes that for the year ended December 31, 2013 all Section 16(a) reports required to be filed by the Company's executive officers, directors and 10% stockholders were filed on a timely basis with the exception of a Form 4 report by Director Delna Jones, regarding the exercise of a stock option, a Form 4 report by Director Betty O'Brien, regarding the sale of stock, and a Form 3 from shareholder Christopher Riccardi that were filed late.

2.9 Compensation Committee Report

The Compensation Committee of the Board of Directors is tasked with administering the Company's 1992 Stock Incentive Plan as amended. The Committee and the Board believe that equity-based compensation ensures that the Company's employees, directors and distributors have a continuing stake in the long-term success of the Company. All options granted by the Company are typically granted with an exercise price equal to the market price of the Company's Common Stock on the date of grant and, accordingly, will only have value if the Company's stock price increases. All options have an individual vesting schedule and a term of ten years, except in the case of shareholders who hold a 10% or more of Company stock, in which case the term is 5 years and the grant price must be 10% over market on the day of grant. The Committee met twice in 2013. Per its Charter, it reviewed the current compensation for the CEO and it approved the 2013 performance bonus of \$124,311 for the CEO (see section "Executive Compensation").

The members of the Company's Board of Directors received cash compensation for their service on the Board in 2012, and were reimbursed for out-of-pocket and travel expenses incurred in attending Board meetings. Under the Company's Stock Incentive Plan adopted by the shareholders in 1992 and further amended by the shareholders in 1996, beginning in 1997 an option to purchase 1,500 shares of Common Stock was granted to each Director for service on the Board during the year. This option was increased to 4,000 per year when the 50-share grant per Director's meeting was discontinued for the year 2000 and beyond. In December 2005, each Director was granted 14,000 options for service during 2005. In the foreseeable future, as a result of FASB ASC Topic 718, Stock Compensation, requiring all share-based payments to be recognized as expenses in the statement of operations based on their fair values and vesting periods, the Company does not intend to issue stock options to the Directors for their service.

In 2009 the Board of Directors, upon recommendation of the Compensation Committee who sought outside counsel regarding revision of the Company's Board Compensation Plan, adopted the final version of the revised WVV Board Member Compensation Plan. Under the terms of the plan, any Board member can elect not to receive any or all of the compensation components and the Board reserves the right to suspend this plan at any time depending on the effects of the economy on the Company. The basic elements of the plan are: \$1,000 yearly stipend for service on the Board, \$500 per Board meeting attended in person, \$250 per Board meeting via teleconference, \$200 per committee meeting in person and \$100 per committee meeting via teleconference. A set per diem for expenses associated with meeting attendance, as well as a yearly wine allowance were also approved.

AUDIT COMMITTEE

Craig Smith, Chairperson, Stan Turel, Tom Brian, Sean Cary

3. ELECTION OF DIRECTORS (PROPOSAL NO. 1)

At the Annual Meeting seven directors are up for election to the Board of Directors, each for a one-year term. Unless otherwise specified on the proxy, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as directors the persons named below as nominees:

Nominees:

James W. Bernau
Craig Smith
Thomas M. Brian
Sean M. Cary
James L. Ellis
Betty M. O'Brien
Stan G. Turel

The Board of Directors believes that the nominees will stand for election and will serve if elected as directors. However, if any of the persons nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person as the majority of the independent members of the Board of Directors may recommend. There is no cumulative voting for election of directors. Directors are elected by a plurality of votes; therefore, the seven persons receiving the most votes, even if less than a majority of the votes cast, will be elected directors. Abstentions or failure to vote will have no effect on the election of directors, assuming the existence of a quorum. The Board of Directors unanimously recommends a vote FOR this proposal.

4. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (PROPOSAL NO. 2)

The Audit Committee has appointed Moss Adams LLP ("Moss Adams") as independent auditors for the 2014 fiscal year. Moss Adams will audit the Company's consolidated financial statements for the 2014 fiscal year and perform other services. While shareholder ratification is not required by the Company's by-laws or otherwise, the Board of Directors is submitting the selection of Moss Adams to the shareholders for ratification as a good corporate governance practice. If the shareholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain Moss Adams. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent public accountant or auditor at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders.

The proposal will be approved if, assuming the existence of a quorum, at least a majority of the shares of the Company's Common Stock cast on the proposal vote in favor of approval. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting but will not be counted and will have no effect on the determination of the outcome of the proposal. The proxies will be voted for or against the proposal, or as an abstention, in accordance with the instructions specified on the proxy form. If no instructions are given, proxies will be voted for approval of the ratification of Moss Adams LLP.

A representative of Moss Adams LLP is expected to attend the Annual Meeting at his own expense and will be given an opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions.

The Board of Directors unanimously recommends a vote FOR this proposal. Assuming the existence of a quorum, the appointment of Moss Adams LLP will be ratified if approved by the holders of a majority of the shares present in person or by proxy.

5. ADVISORY (NON-BINDING) APPROVAL ON COMPANY'S EXECUTIVE COMPENSATION
(PROPOSAL NO. 3)

The Board of Directors is asking the shareholders to provide advisory approval of the compensation of our named executive officers (which currently only includes our Chief Executive Officer (CEO)) as we have described it in the "Executive Compensation" section of this proxy statement on page 10. While this vote is advisory, and not binding on our company, it will provide information to our board and Compensation Committee regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Committee will be able to consider when determining executive compensation for the remainder of fiscal 2014 and beyond.

Our CEO's Compensation Agreement has been designed to implement compensation principles that align management's interests with our shareholder's interests to support long-term value creation. In establishing the CEO's compensation structure, the Compensation Committee determined that the use of a performance-based incentive provided additional motivation for our CEO to achieve both short-term and long-term business and growth goals for the Company. Additionally, the use of a CPI inflation factor on base salary ensures the CEO will not lose buying power, on core compensation, while pursuing these goals.

Accordingly, the Company asks that shareholders indicate their support for our executive compensation policies and practices as described in this Proxy Statement by voting "FOR" the following resolution:

"Resolved, that the shareholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the compensation tables and the related narrative disclosure in this Proxy Statement."

The proposal will be approved if, assuming the existence of a quorum, at least a majority of the shares of the Company's Common Stock cast on the proposal vote in favor of approval. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting but will not be counted and will have no effect on the determination of the outcome of the proposal. The proxies will be voted for or against the proposal, or as an abstention, in accordance with the instructions specified on the proxy form. If no instructions are given, proxies will be voted for approval of the proposal. The Board of Directors unanimously recommends a vote FOR this proposal.

6. ADVISORY (NON-BINDING) APPROVAL ON THE FREQUENCY OF ADVISORY VOTES ON THE COMPANY'S EXECUTIVE COMPENSATION (PROPOSAL NO. 4)

In addition to the advisory approval of our executive compensation, the Board of Directors is also asking for a non-binding determination as to the frequency with which our shareholders would have an opportunity to provide an advisory approval of our executive compensation program. The Board is providing shareholders the option of selecting a frequency of one, two or three years, or abstaining. For the reasons described below, we recommend our shareholders select a frequency of three years, or a triennial vote.

Our executive compensation program is designed to support long-term value creation, and a triennial vote will allow shareholders to better judge our executive compensation program in relation to our long-term performance. As discussed under Proposal 3, one of our core principles is to ensure that management's interests are aligned with our shareholder's interests and our Chief Executive Officer's compensation program provides substantial incentive, above base salary, to encourage meeting this goal. Because we are taking a long-term approach with executive compensation, a triennial vote would allow us to evaluate our performance under this program using a similar time-frame.

A triennial vote will also provide us with the time to thoughtfully respond to shareholder's sentiments and implement any necessary changes. We are careful, in the review of our program, to maintain the consistency and credibility necessary in motivating our chief executive. We therefore believe that a triennial vote is an appropriate frequency to provide our compensation committee sufficient time to make, implement and evaluate any adjustments to our program.

The advisory proposal will be deemed complete if, assuming the existence of a quorum, at least a majority of the shares of the Company's Common Stock cast on the proposal vote in favor of one of the three options (one, two or three years) provided. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting but will not be counted and will have no effect on the determination of the outcome of the proposal. The proxies will be voted for a one, two or three year advisory vote frequency, or as an abstention, in

accordance with the instructions specified on the proxy form. If no instructions are given, proxies will be voted to advise a triennial voting frequency. The Board of Directors unanimously recommends a vote FOR CONDUCTING THIS VOTE EVERY THREE YEARS.

7. SHAREHOLDER PROPOSALS AND NOMINATIONS OF DIRECTORS

7.1 Shareholder Proposals for Inclusion in Next Year's Proxy Statement

To be considered for inclusion in the proxy statement relating to next year's annual meeting, a shareholder proposal must be received at our principal executive offices no later than February 1, 2015. Such proposals also will need to comply with SEC regulations under Rule 14a-8 regarding the inclusion of shareholder proposals in Company-sponsored proxy materials. Proposals should be addressed to the Company Secretary, Willamette Valley Vineyards, Inc., 8800 Enchanted Way S.E., Turner, Oregon 97392. If the date of the next annual meeting is changed by more than 30 days from the anniversary of this year's annual meeting, then, to be considered for inclusion in the proxy statement relating to next year's annual meeting, notice of a shareholder proposal will need to be received by the Company in a reasonable amount of time before the Company begins to print and send its proxy materials.

7.2 Other Shareholder Proposals

If a shareholder wishes to present a shareholder proposal at our next annual meeting that is not intended to be included in the proxy statement pursuant to Rule 14a-8 of the Exchange Act, the shareholder should give notice to our Company Secretary of such proposal. Such notice should be addressed to the Company Secretary, Willamette Valley Vineyards, Inc., 8800 Enchanted Way S.E., Turner, Oregon 97392. According to the Company's bylaws, in order to be timely, such notice must be in writing and received by the Company Secretary, not less than 90 days nor more than 120 days before the date of the meeting prior to the first anniversary of the date on which the Company first mailed its proxy materials for the 2014 Annual Meeting (no earlier than January 29, 2015, and no later than the close of business on February 28, 2015). However, if the date of the annual meeting is advanced by more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, then notice by the shareholder to be timely must be delivered to the Company's Secretary not later than the close of business on the later of (i) the 90th day prior to such annual meeting or (ii) the 15th day following the day on which public announcement of the date of such meeting is first made. Therefore, in the event a shareholder does not notify the Company of an intent to present a shareholder proposal at the Company's 2015 Annual Meeting within the timeframe outlined above, the Company's management will have the right to exercise their discretionary authority to vote proxies received for such meeting with respect to any such proposal.

7.3 Shareholder Director Nominations

The independent members of the Board of Directors select and recommend to the Board of Directors for approval nominees for director and committee member positions. The Board then considers the recommendation of these directors and decides which nominees to present to the Company's shareholders for election to the Board of Directors.

Shareholders who wish to submit a proposed nominee for election to the Board of Directors of the Company for consideration by the Nominating Committee should send written notice to the Chairman of the Board of Directors, Willamette Valley Vineyards, Inc., 8800 Enchanted Way S.E., Turner, Oregon 97392 no later than February 29, 2015. Such notification should set forth all information relating to the proposed nominee, as is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act. This includes the proposed nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; the name and address of such shareholder or beneficial owner on whose behalf the nomination is being made; and the number of shares of the Company owned beneficially and of record by such shareholder or beneficial owner. The Nominating Committee will consider shareholder nominees on the same terms as nominees selected by the Nominating Committee.

8. RESULTS OF THE ANNUAL MEETING

The Company intends to announce preliminary voting results at the Annual Meeting and will publish final results within four business days of the Annual Meeting in a Current Report on Form 8-K, which the Company will file with the SEC.

9. HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies. The Company has implemented householding rules with respect to our shareholders of record. Additionally, a number of brokers with account holders who are shareholders may be "householding" the Company's proxy materials. If a shareholder receives a householding notification from his, her or its broker, a single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once a shareholder has received notice from his/her broker that they will be "householding" communications to such shareholders address, "householding" will continue until you are notified otherwise.

Shareholders who currently receive multiple copies of the Proxy Statement at their address and would like to request "householding" of their communications should contact their broker. In addition, if any shareholder that receives a "householding" notification wishes to receive a separate annual report or proxy statement at his, her or its address, such shareholder should also contact his, her or its broker directly. Shareholders who in the future wish to receive multiple copies may also contact the Company c/o Company Secretary, Willamette Valley Vineyards, Inc., 8800 Enchanted Way S.E., Turner, Oregon 97392 .

Shareholders of record sharing an address can request delivery of a single copy of annual reports to security holders, proxy statements, and notices of internet availability of proxy materials by contacting the Company at: c/o Company Secretary, Willamette Valley Vineyards, Inc., 8800 Enchanted Way S.E., Turner, Oregon 97392.

10. COST OF SOLICITATION

The cost of soliciting proxies will be borne by the Company. In addition to use of the mails, proxies may be solicited personally or by telephone by directors, officers and employees of the Company, who will not be specially compensated for such activities.
