**Item 1.01 Entry into a Material Definitive Agreement**

The Company has entered into a letter of intent ( LOI ) dated July 18, 2011 with Altar Resources (the Vendor ) respecting the proposed option to purchase a 100% interest in approximately 7,780 acres of located mining claims in Arizona, USA. Two of these located federal mining claims are subject to a 2.5% NSR from commercial production from this located mining claim. The Vendor holds the located mining claims ( the Claims ) directly and indirectly through federal mining claims and state mineral explorations permits.

Upon execution of the LOI, the Company provided a US\$15,000 deposit to the Vendor. In order to earn its 100% interest, the Company is required to make aggregate cash payments of US\$860,000 and issue an aggregate of 1,000,000 shares of its common stock over a five year period.

The proposed transaction remains subject to, among other things, the Company and the Vendor entering into a formal agreement, completion of satisfactory due diligence by the Company and receipt of all requisite regulatory and other approvals. The acquisition is also subject to the Company completing a financing to raise a minimum of \$2,000,000 through the sale of its common shares at a price of \$0.15 per share on or before November 30, 2011. There can be no assurance that the acquisition will be completed as proposed or at all.
