Item 1.01. Entry into a Material Definitive Agreement.

On May 6, 2009, LogicVision, Inc. (["LogicVision"] or the ["Company"]) entered into an Agreement and Plan of Merger (the ["Merger Agreement"]) with Mentor Graphics Corporation, an Oregon corporation (["Mentor"]), and Fulcrum Acquisition Corporation, a wholly-owned subsidiary of Mentor (["Merger Sub"]). The Merger Agreement provides

Edgar Filing: LOGICVISION INC - Form 8-K

that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into LogicVision, with LogicVision continuing as the surviving entity and as a wholly-owned subsidiary of Mentor (the "Merger"). The Merger Agreement has been approved by the Boards of Directors of each of LogicVision and Mentor and is subject to LogicVision stockholder approval.

Subject to the terms of the Merger Agreement, upon completion of the Merger, each outstanding share of LogicVision common stock will be converted into the right to receive 0.2006 shares of Mentor common stock (the "Exchange Ratio"). Outstanding options to purchase LogicVision common stock will be assumed by Mentor and converted upon completion of the Merger into stock options with respect to Mentor common stock, after giving effect to the Exchange Ratio (or, in Mentor's discretion, Mentor will grant equivalent options under one of its equity plans in substitution of such options to purchase LogicVision common stock, after giving effect to the Exchange Ratio). Outstanding warrants to purchase LogicVision common stock will automatically terminate upon the Merger in accordance with their terms and will be converted into the right to receive a number of shares of Mentor common stock, if any, based on the Exchange Ratio.

LogicVision and Mentor have made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants made by LogicVision (i) with respect to the conduct of its business during the interim period between the execution of the Merger Agreement and consummation of the Merger, (ii) not to engage in certain kinds of transactions during such period, (iii) that LogicVision will convene and hold a meeting of its stockholders to consider and vote upon the approval and adoption of the Merger Agreement, and (iv) that, subject to certain exceptions, the LogicVision Board of Directors will recommend the approval and adoption of the Merger Agreement by its stockholders. In addition, LogicVision has made certain additional customary covenants not to, including, among others, (a) solicit or knowingly facilitate inquiries or proposals relating to alternative business combination transactions or (b) subject to certain exceptions, engage in discussions or negotiations regarding, or provide any non-public information or data in connection with, alternative business combination transactions.

Completion of the Merger is subject to customary conditions, including the approval and adoption of the Merger Agreement by the stockholders of LogicVision, the absence of certain laws or orders of governmental authorities prohibiting the closing, and the effectiveness of a Form S-4 registration statement to be filed by Mentor. Each party's obligation to consummate the Merger is also subject to certain additional customary conditions, including (a) subject to certain exceptions, the accuracy of the representations and warranties of the other party, (b) performance in all material respects by the other party of its obligations, and (c) the absence of any event or development that would be reasonably likely to have a material adverse effect on the other party. The Merger is intended to qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended.

The Merger Agreement contains termination rights for both LogicVision and Mentor. The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances, LogicVision will be required to pay to Mentor a termination fee of \$538,193 plus, subject to a cap of \$403,645, the aggregate amount of reasonable and documented out-of-pocket expenses incurred by Mentor.

In connection with the Merger Agreement, Mentor entered into support agreements with each of the directors and executive officers of LogicVision and certain entities affiliated with one of LogicVision's directors (the "Support Agreements"), pursuant to which such stockholders have agreed to vote the shares of LogicVision common stock held by them to adopt the Merger Agreement and, subject to certain exceptions, not to dispose of their shares prior to the date of LogicVision's stockholder vote to adopt the Merger Agreement. As of May 6, 2009, these stockholders owned at least 1,025,892 shares of LogicVision common stock, representing approximately 10.8% of the outstanding LogicVision common stock.

The foregoing description of the Merger, the Merger Agreement and the Support Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement and the form of Support Agreement, copies of which are filed herewith as Exhibits 2.1 and 99.1 respectively. The Merger Agreement and the above description of the Merger Agreement has been included to provide investors and security holders with information regarding the terms of the Merger Agreement. It is not intended to provide any other factual information about LogicVision, Mentor or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Merger Agreement. The representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the

agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of LogicVision, Mentor, or Merger Sub or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in LogicVision's and Mentor's public disclosures.

On May 7, 2009, Mentor and LogicVision jointly issued a press release announcing the execution of the Merger Agreement, which is attached hereto as Exhibit 99.2.

Healy, the Company's President and Chief Executive Officer, Fadi Maamari, the Company's Chief Operating Officer, and Mei Song, the Company's Chief Financial Officer (together with Mr. Healy and Mr. Maamari, the "Executives") to reduce certain payments that would be payable to the Executives under the prior agreements.
